

CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

January 28, 2010

H.R. 2802

**An act to provide for an extension of the legislative authority
of the Adams Memorial Foundation to establish
a commemorative work in honor of
former President John Adams and his legacy**

*As ordered reported by the Senate Committee on Energy and Natural Resources
on December 16, 2009*

H.R. 2802 would extend through December 2, 2013, the authority of the Adams Memorial Foundation to construct a memorial to the former president on federal lands within the District of Columbia. The extension would give the foundation, a nonprofit organization, an additional four years to obtain the necessary funds to complete the memorial project. Authority for the monument expired on December 2, 2009.

Because the prospective memorial would be established with nonfederal funds, CBO estimates that enacting H.R. 2802 would have no effect on the federal budget.

The act contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

On September 14, 2009, CBO transmitted a cost estimate for H.R. 2802 as ordered reported by the House Committee on Natural Resources on September 10, 2009. The CBO cost estimates for the two versions of the legislation are the same.

The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
