Honorable James L. Oberstar
Chairman
Committee on Transportation
and Infrastructure
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

The Congressional Budget Office has reviewed the following legislation ordered reported by the House Committee on Transportation and Infrastructure on July 29, 2010:

- H.R. 4387, a bill to designate the federal building located at 100 North Palafox Street in Pensacola, Florida, as the “Winston E. Arnow Federal Building”;
- H.R. 5651, a bill to designate the federal building and United States courthouse located at 515 9th Street in Rapid City, South Dakota, as the “Andrew W. Bogue Federal Building and United States Courthouse”;
- H.R. 5706, a bill to designate the building occupied by the Government Printing Office located at 31451 East United Avenue in Pueblo, Colorado, as the “Frank Evans Government Printing Office Building”;
- H.R. 5773, a bill to redesignate the federal building located at 6401 Security Boulevard in Baltimore, Maryland, commonly known as the Social Security Operations Building, as the “Robert M. Ball Federal Building”; and

Honorable James L. Oberstar

- H.R. 5591, a bill to designate the airport traffic control tower located at Spokane International Airport in Spokane, Washington, as the “Ray Daves Airport Traffic Control Tower.”

CBO estimates that enacting those pieces of legislation would have no significant impact on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you-go procedures would not apply. The bills contain no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Matthew Pickford.

Sincerely,

for 

Douglas W. Elmendorf
Director
