H.R. 5194

Mt. Andrea Lawrence Designation Act of 2010

As ordered reported by the House Committee on Natural Resources on July 22, 2010

H.R. 5194 would designate a currently unnamed peak on the northern border of the Ansel Adams Wilderness and Yosemite National Park in California as Mt. Andrea Lawrence. Any new maps or regulations created by the federal government would be required to include the new name.

Based on information from the National Park Service, CBO estimates that enacting H.R. 5194 would have no significant effect on the federal budget. Enacting H.R. 5194 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 5194 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Sarah Puro. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
