CBO Estimate of the Statutory Pay-As-You-Go Effects for H.R. 6184, a bill to amend the Water Resources Development Act of 2000 to extend and modify the program allowing the Secretary of the Army to accept and expend funds contributed by non-Federal public entities to expedite the evaluation of permits, and for other purposes, as transmitted with an amendment to CBO on November 9, 2010 (f:\VHLC\110510\110510.026.xml).

- a. H.R. 6184, as amended, would extend through 2016 the authority of the Corps to collect and spend funds contributed by private firms to expedite the evaluation of permit applications. Because the legislation would affect direct spending, pay-as-you-go procedures apply. However, based on information from the Corps, CBO estimates that amounts collected and spent for such purposes would total less than \$500,000 annually and that the net budgetary impact would be negligible.
