

CONGRESSMAN GUS M. BILIRAKIS, FL-9

Water Resources Development Act Requests

- 1. Pasco County/Fillman Bayou Maintenance Dredging Project (\$8,000,000)**
The funds would be used for the improvement and extension of a channel that will provide safe navigational access through the shallow area known as Fillman's Bayou in Pasco County.
- 2. Pasco County/Strauber Memorial Culvert Replacement and Estuary Enhancement Project (\$835,000)**
The funds would be used for the construction to alleviate flooding and design a comprehensive estuary enhancement program.
- 3. Tampa Port Authority/Federal Maintenance of portions of the Tampa Harbor (n/a)**
This would clarify previous language to authorize federal maintenance of portions of the Tampa Harbor.
- 4. Tampa Port Authority/Tampa-Big Bend Channel (\$4,000,000)**
The funds would be used for maintenance of the Tampa-Big Bend Channel.
- 5. Tampa Bay Water/Tampa Bay Water Drinking Water Infrastructure Projects (\$30,000,000)**
The funds would be used for planning and project efforts by Tampa Bay Water to ensure that public drinking water supply needs are met.

Total local projects requested: 5

Total dollar amount of local project requests: \$42,835,000
