The Honorable Daniel Inouye
Chairman
Senate Defense Appropriations Subcommittee
122 Dirksen Senate Office Building
Washington, DC 20510

The Honorable Thad Cochran
Ranking Member
Senate Defense Appropriations Subcommittee
122 Dirksen Senate Office Building
Washington, DC 20510

Dear Chairman Inouye and Ranking Member Cochran:

As the Committee begins its consideration of the FY2011 Defense Appropriations bill, I respectfully request support for the additional program below.

Item: Biomass to Liquid using Synthetic Enzymes, Phase II

Request: \$4,000

Account: RDT&E Army

Line: 50

PE: 0603734A

Suggested Recipient: Incitor Incorporated

Suggested Location Albuquerque, NM

Purpose: To develop the synthetic enzymes based upon Incitor bionanolattice technology to convert glucose to JP-8 military grade jet fuel, providing an end to end solution to create fuel from military base installation or encampment waste products, inducing sustainable energy solutions and creating jobs.

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I further certify that I have posted a description of the items requested on my official website, along with the accompanying justification.

If you have any questions, please contact Dr. Jonathan S. Epstein of my staff at (202) 224-5521.

Sincerely,

Jeff Bingaman
United States Senator
