

Michaud Amendment Promoting Products Made in the U.S. Passes House

Tuesday, April 27 2010

Mike speaks on an amendment that he authored, which helps ensure that our men and women in uniform are outfitted with goods made in America to the greatest extent possible. The bipartisan amendment, which was cosponsored by Howard Coble (R-NC) and Larry Kissell (D-NC), was passed as a part of H.R. 5013, the IMPROVE Acquisition Act, which seeks to improve oversight of and reduce waste in the Department of Defense's procurement efforts. Michaud's amendment and the underlying bill passed the House.
