 May 9, 2000—Committee on Rules reported H.Res. 497 to the House. Rule provides for consideration of H.R. 701 with one hour and thirty minutes of general debate. In lieu of the amendment recommended by the Committee on Resources now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of H.R. 4377. Measure will be considered read. Specified amendments are in order.
 May 10, 2000—Rule H.Res. 497 passed House by voice vote. CONGRESSIONAL RECORD PAGES H2821-26.
 May 10, 2000—House completed general debate and began considering amendments. Consideration will resume on May 11, 2000. CONGRESSIONAL RECORD PAGES H2827-H2903. **Agreed to:** (1)Young of Alaska amendment that eliminates the five year update on the state allocation formula, specifies program requirements, and creates projects of regional or national significance; (2)Souder amendment that specifies that the amounts made available by the act are intended to supplement the annual appropriations for the National Park Service; (3)Shadegg amendment that conditions the transfer of funds to the Conservation and Reinvestment trust fund upon Social Security and Medicare solvency certifications (agreed to by vote of 216-208); and (4)Regula amendment that seeks to require that States establish a dedicated State land acquisition fund.
 May 11, 2000—Passed House as amended by vote of 315-102. CONGRESSIONAL RECORD PAGES H2907-52. **Agreed to:** The amendment in the nature of a substitute made in order by the rule; the Defazio motion to recommit the bill to the Committee on Resources with instructions to report it back with an amendment that restricts funding if it diminishes the benefit obligations of Social Security and Medicare (agreed to by vote of 413-3); Subsequently, the Committee on Resources reported the bill back with an amendment that prohibits funding that would diminish Social Security and

Medicare benefit obligations. **Agreed to:** (1)Hill amendment, as modified, that requires the Secretaries of the Interior and Agriculture to develop a plan for the acquisition and disposal of lands in Montana; (2)Buyer amendment that disallows wildlife conservation organizations from using Federal funds for the purchase of conservatin easements; (3)Udall of Colorado amendment that allows funding for the Urban and Community Forestry Assistance Program (agreed to by vote of 306-116).
