- 108-108** Hearing on H.R. 4368, to transfer the National Oceanic and Atmospheric Administration to the Department of the Interior. September 30, 2004, Washington, D.C. (Subcommittee on Fisheries Conservation, Wildlife and Oceans)

LEGISLATIVE REPORTS

108-99(pt. 1) (H.R. 1835)

May 14, 2003

To amend the Endangered Species Act of 1973 to limit designation as critical habitat of areas owned or controlled by the Department of Defense, and for other purposes. (Amended)

108-100(pt. 1) (H.R. 1497)

May 14, 2003

To reauthorize title I of the Sikes Act. (Amended)

108-102(pt. 2) (H.R. 982)

October 7, 2003

To clarify the tax treatment of bonds and other obligations issued by the Government of American Samoa.

108-119 (H.R. 1189)

May 20, 2003

To increase the waiver requirement for certain local matching requirements for grants provided to American Samoa, Guam, the Virgin Islands, or the Commonwealth of the Northern Mariana Islands, and for other purposes.

108-161 (H. Con. Res. 21)

June 18, 2003

Commemorating the Bicentennial of the Louisiana Purchase.

108-166 (H.R. 272)

June 19, 2003

To direct the Secretary of Agriculture to convey certain land to Lander County, Nevada, and the Secretary of the Interior to convey certain land to Eureka County, Nevada, for continued use as cemeteries. (Amended)

108-185 (H.R. 74)

June 26, 2003

To direct the Secretary of Agriculture to convey certain land in the lake Tahoe Basin Management Unit, Nevada, to the Secretary of the Interior, in trust for the Washoe Indian Tribe of Nevada and California.

108-194 (H. Res. 30)

July 9, 2003

Concerning the San Diego long-range sportfishing fleet and rights to fish the waters near the Revillagigedo Islands of Mexico.

108-201 (H.R. 1113)

July 14, 2003

To authorize an exchange of land at Fort Frederica National Monument, and for other purposes. (Amended)

108-202 (H.R. 901)

July 14, 2003

To authorize the Secretary of the Interior to construct a bridge on Federal land west of and adjacent to Folsom Dam in California, and for other purposes. (Amended)

108-203 (H.R. 1209)

July 14, 2003

To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.

108-204 (H.R. 1284)

July 14, 2003

To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to increase the Federal share of the costs of the San Gabriel Basin demonstration project.

108-218(pt. 1) (H.R. 1038)

July 17, 2003

To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.

108-218(pt. 2) (H.R. 1038)

September 10, 2003

To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes. (Supplemental Report)

LEGISLATIVE REPORTS

108-251 (H.R. 1658) September 3, 2003

To amend the Railroad Right-of-Way Conveyance Validation Act to validate additional conveyances of certain lands in the State of California that form part of the right-of-way granted by the United States to facilitate the construction of the transcontinental railway, and for other purposes.

To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.

108-253 (S. 278) September 3, 2003

To make certain adjustments to the boundaries of the Mount Naomi Wilderness Area, and for other purposes.

108-254 (H.R. 1409) September 3, 2003

To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.

108-255 (H.R. 1616) September 3, 2003

To authorize the exchange of certain lands within the Martin Luther King, Junior, National Historic Site for lands owned by the City of Atlanta, Georgia, and for other purposes.

108-256 (H.R. 1651) September 3, 2003

To provide for the exchange of land within the Sierra National Forest, California, and for other purposes. (Amended)

108-257 (H.R. 2059) September 3, 2003

To designate Fort Bayard Historic District in the State of New Mexico as a National Historic Landmark, and for other purposes.

108-259 (H.R. 2040) September 4, 2003

To amend the Irrigation Project Contract Extension Act of 1998 to extend certain contracts between the Bureau of Reclamation and certain irrigation water contractors in the States of Wyoming and Nebraska.

108-262(pt. 2) (H.J. Res. 63) September 15, 2003

To approve the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Federated States of Micronesia," and the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Republic of the Marshall Islands," and otherwise to amend Public Law 99-239, and to appropriate for the purposes of amended Public Law 99-239 for fiscal years ending on or before September 30, 2023, and for other purposes. (Amended)

108-268 (S. 111) September 11, 2003

To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.

108-269 (H.R. 1006) September 11, 2003

To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species. (Amended)

108-272 (H.R. 1945) September 16, 2003

To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes. (Amended)

108-292 (H.R. 408) October 2, 2003

To provide for expansion of Sleeping Bear Dunes National Lakeshore. (Amended)

108-293 (H.R. 708) October 2, 2003

To require the conveyance of certain National Forest System lands in Mendocino National Forest, California, to provide for the use of the proceeds from such conveyance for National Forest purposes, and for other purposes.

108-294 (H.R. 1092) October 2, 2003

To authorize the Secretary of Agriculture to sell certain parcels of Federal land in Carson City and Douglas County, Nevada. (Amended)

LEGISLATIVE REPORTS

108-344 (S. 677) November 4, 2003

To revise the boundary of the Black Canyon of the Gunnison National Park and Gunnison Gorge National Conservation Area in the State of Colorado, and for other purposes.

108-345 (S. 924) November 4, 2003

To authorize the exchange of lands between an Alaska Native Village Corporation and the Department of the Interior, and for other purposes.

108-346 (H.R. 506) November 4, 2003

To provide for the protection of archaeological sites in the Galisteo Basin in New Mexico, and for other purposes. (Amended)

108-347 (H.R. 1204) November 4, 2003

To amend the National Wildlife Refuge System Administration Act of 1966 to establish requirements for the award of concessions in the National Wildlife Refuge System, to provide for maintenance and repair of properties located in the System by concessionaires authorized to use such properties, and for other purposes. (Amended)

108-356 (H.R. 3209) November 7, 2003

To amend the Reclamation Project Authorization Act of 1972 to clarify the acreage for which the North Loup division is authorized to provide irrigation water under the Missouri River Basin project.

108-359 (H.R. 154) November 17, 2003

To exclude certain properties from the John H. Chafee Coastal Barrier Resources System. (Amended)

108-360 (H.R. 521) November 17, 2003

To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania. (Amended)

106-361 (H.R. 1594) November 17, 2003

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the St. Croix National Heritage Area in St. Croix, United States Virgin Islands, and for other purposes. (Amended)

108-362 (H.R. 1618) November 17, 2003

To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes. (Amended)

108-363 (H.R. 1648) November 17, 2003

To authorize the Secretary of the Interior to convey certain water distribution systems of the Cachuma Project, California, to the Carpinteria Valley Water District and the Montecito Water District.

108-364 (H.R. 1732) November 17, 2003

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Williamson County, Texas, Water Recycling and Reuse Project, and for other purposes.

108-365 (H.R. 1798) November 17, 2003

To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes. (Amended)

108-366 (H.R. 1862) November 17, 2003

To establish the Oil Region National Heritage Area. (Amended)

108-367 (H.R. 2425) November 17, 2003

To provide for the use and distribution of the funds awarded to the Quinault Indian Nation under United States Claims Court Dockets 772-71, 773-71, 774-71, and 775-71, and for other purposes. (Amended)

108-368 (H.R. 2489) November 17, 2003

To provide for the distribution of judgment funds to the Cowlitz Indian Tribe. (Amended)

108-369 (S. 625) November 17, 2003

To authorize the Bureau of Reclamation to conduct certain feasibility studies in the Tualatin River Basin in Oregon, and for other purposes.

108-370 (H.R. 280) November 17, 2003

To establish the National Aviation Heritage Area, and for other purposes. (Amended)

108-371(pt. 1) (H.R. 421) November 17, 2003

To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.

LEGISLATIVE REPORTS

108-372(pt. 1) (S. 1233) November 17, 2003

To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

108-373(pt. 1) (H.R. 1964) November 17, 2003

To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes. (Amended)

108-374(pt. 1) (S. 523) November 17, 2003

To make technical corrections to law relating to Native Americans, and for other purposes.

108-378 (H.R. 2584) November 18, 2003

To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.

108-379 (H.R. 2907) November 18, 2003

To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership. (Amended)

108-385 (H.R. 2408) November 20, 2003

To amend the Fish and Wildlife Act of 1956 to reauthorize volunteer programs and community partnerships for national wildlife refuges. (Amended)

108-392 (H.R. 1629) November 21, 2003

To clarify that the Upper Missouri River Breaks National Monument does not include within its boundaries any privately owned property, and for other purposes.

108-397(pt. 1) (H.R. 2696) November 21, 2003

To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West. (Amended)

108-400 (H.R. 958) November 21, 2003

To authorize certain hydrographic services programs, to name a cove in Alaska in honor of the late Able Bodied Seaman Eric Steiner Koss, and for other purposes. (Amended)

108-424(pt. 1) (H.R. 2707) February 24, 2004

To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service. (Amended)

108-464 (H.R. 2693) April 20, 2004

To reauthorize the Marine Mammal Protection Act of 1972, and for other purposes. (Amended)

108-492(pt. 1) (H.R. 2201) May 17, 2004

To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.

108-493 (H.R. 3768) May 17, 2004

To expand the Timucuan Ecological and Historic Preserve, Florida. (Amended)

108-494 (H.R. 3505) May 17, 2004

To amend the Bend Pine Nursery Land Conveyance Act to specify the recipients and consideration for conveyance of the Bend Pine Nursery, and for other purposes. (Amended)

108-495 (H.R. 265) May 17, 2004

To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes. (Amended)

108-502 (H.R. 2912) May 19, 2004

To reaffirm the inherent sovereign rights of the Osage Tribe to determine its membership and form of government.

108-506 (H.R. 2991) May 20, 2004

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga County Water District recycling project.

LEGISLATIVE REPORTS

108-507 (H.R. 3378) May 20, 2004

To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.

108-508(pt. 1) (H.R. 1014) May 20, 2004

To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes. (Amended)

108-509(pt. 1) (H.R. 3846) May 20, 2004

To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land. (Amended)

108-510(pt. 1) (H.R. 3504) May 20, 2004

To amend the Indian Self-Determination and Education Assistance Act to redesignate the American Indian Education Foundation as the National Fund for Excellence in American Indian Education.

108-511(pt. 1) (H.R. 3247) May 20, 2004

To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes. (Amended)

108-512 (H.R. 3874) May 20, 2004

To convey for public purposes certain Federal lands in Riverside County, California, that have been identified for disposal. (Amended)

108-513(pt. 1) (H.R. 2966) May 20, 2004

To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes. (Amended)

108-515 (H.R. 2010) June 1, 2004

To protect the voting rights of members of the Armed Services in elections for the Delegate representing American Samoa in the United States House of Representatives, and for other purposes. (Amended)

108-516 (H.R. 3785) June 1, 2004

To authorize the exchange of certain land in Everglades National Park. (Amended)

108-517(pt. 1) (S. 144) June 1, 2004

To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land. (Amended)

108-520 (H.R. 4114) June 3, 2004

To amend the Migratory Bird Treaty Act to exclude non-native migratory bird species from the application of that Act, and for other purposes. (Amended)

108-521 (H.R. 2909) June 3, 2004

To ensure the continued availability of the Utah Test and Training Range to support the readiness and training needs of the Armed Forces. (Amended)

108-522 (H.R. 2619) June 3, 2004

To provide for the expansion of Kilauea Point National Wildlife Refuge. (Amended)

108-523(pt. 1) (S. 1146) June 3, 2004

To implement the recommendations of the Garrison Unit Tribal Advisory Committee by providing authorization for the construction of a rural health care facility on the Fort Berthold Indian Reservation, North Dakota.

108-525 (H.R. 3932) June 4, 2004

To amend Public Law 99-338 to authorize the continued use of certain lands within the Sequoia National Park by portions of an existing hydroelectric project. (Amended)

LEGISLATIVE REPORTS

108-535 (H.R. 4115)	June 9, 2004	108-571 (H.R. 2831)	June 25, 2004
To amend the Act of November 2, 1966 (80 Stat. 1112), to allow binding arbitration clauses to be included in all contracts affecting the land within the Salt River Pima-Maricopa Indian Reservation. To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project.		To provide for necessary improvements to facilities at Yosemite National Park, and for other purposes.	
108-563 (H.R. 646)	June 23, 2004	108-611 (H.R. 4492)	July 19, 2004
To expand the boundaries of the Fort Donelson National Battlefield to authorize the acquisition and interpretation of lands associated with the campaign that resulted in the capture of the fort in 1862, and for other purposes. (Amended)		To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes. (Amended)	
108-564 (H.R. 142)	June 23, 2004	108-612 (H.R. 4625)	July 19, 2004
To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional water recycling project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, and to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project. (Amended)		To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.	
108-570 (H.R. 3819)	June 25, 2004	108-613 (H.R. 4170)	July 19, 2004
To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes. (Amended)		To authorize the Secretary of the Interior to recruit volunteers to assist with, or facilitate, the activities of various agencies and offices of the Department of the Interior. (Amended)	
		108-637 (H.R. 2129)	September 7, 2004
		To direct the Secretary of the Interior to conduct a special resources study regarding the suitability and feasibility of designating certain historic buildings and areas in Taunton, Massachusetts, as a unit of the National Park System, and for other purposes. (Amended)	
		108-638 (H.R. 2400)	September 7, 2004
		To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.	

LEGISLATIVE REPORTS

108-639 (H.R. 2457) September 7, 2004

To authorize funds for an educational center for the Castillo de San Marcos National Monument, and for other purposes. (Amended)

108-640 (H.R. 2663) September 7, 2004

To authorize the Secretary of the Interior to study the suitability and feasibility of designating Castle Nugent Farms located on St. Croix, Virgin Islands, as a unit of the National Park System, and for other purposes.

108-641 (H.R. 3056) September 7, 2004

To clarify the boundaries of the John H. Chafee Coast Barrier Resources System Cedar Keys Unit P25 on Otherwise Protected Area P25P. (Amended)

108-642 (H.R. 3257) September 7, 2004

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area. (Amended)

108-643 (H.R. 3334) September 7, 2004

To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California. (Amended)

108-644 (H.R. 3427) September 7, 2004

To authorize a land conveyance between the United States and the City of Craig, Alaska, and for other purposes. (Amended)

108-645 (H.R. 3589) September 7, 2004

To create the Office of Chief Financial Officer of the Government of the Virgin Islands. (Amended)

108-646 (H.R. 3597) September 7, 2004

To authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on the Alder Creek water storage and conservation project in El Dorado County, California, and for other purposes. (Amended)

108-647 (H.R. 3954) September 7, 2004

To authorize the Secretary of the Interior to resolve boundary discrepancies in San Diego County, California, arising from an erroneous survey conducted by a Government contractor in 1881 that resulted in overlapping boundaries for certain lands, and for other purposes. (Amended)

108-648 (H.R. 4010) September 7, 2004

To reauthorize and amend the National Geologic Mapping Act of 1992.

108-649 (H.R. 4045) September 7, 2004

To authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River, and for other purposes. (Amended)

108-650 (H.R. 4459) September 7, 2004

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

108-651 (H.R. 4481) September 7, 2004

To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes. (Amended)

108-652 (H.R. 4494) September 7, 2004

To designate the Grey Towers National Historic Site in the Commonwealth of Pennsylvania, and for other purposes. (Amended)

108-653 (S. 943) September 7, 2004

To authorize the Secretary of the Interior to enter into 1 or more contracts with the city of Cheyenne, Wyoming, for the storage of water in the Kendrick Project, Wyoming.

108-654 (S. 1537) September 7, 2004

To direct the Secretary of Agriculture to convey to the New Hope Cemetery Association certain land in the State of Arkansas for use as a cemetery.

LEGISLATIVE REPORTS

108-655 (S. 1576) September 7, 2004

To revise the boundary of Harpers Ferry National Historical Park, and for other purposes.

108-656 (S. 1721) September 7, 2004

To amend the Indian Land Consolidation Act to improve provisions relating to probate of trust and restricted land, and for other purposes.

108-657 (H. Res. 431) September 7, 2004

Honoring the achievements of Siegfried and Roy, recognizing the impact of their efforts on the conservation of endangered species both domestically and worldwide, and wishing Roy Horn a full and speedy recovery.

108-664 (H.R. 2960) September 8, 2004

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Brownsville Public Utility Board water recycling and desalinization project.

108-665 (H.R. 4027) September 8, 2004

To authorize the Secretary of Commerce to make available to the University of Miami property under the administrative jurisdiction of the National Oceanic and Atmospheric Administration on Virginia Key, Florida, for use by the University for a Marine Life Science Center. (Amended)

108-666(pt. 1) (H.R. 4617) September 8, 2004

To amend the Small Tracts Act to facilitate the exchange of small tracts of land, and for other purposes. (Amended)

108-667 (S. 1003) September 8, 2004

To clarify the intent of Congress with respect to the continued use of established commercial outfitter hunting camps on the Salmon River.

108-668 (H.R. 4606) September 8, 2004

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes. (Amended)

108-669 (H.R. 4508) September 8, 2004

To amend the National Parks and Recreation Act of 1978 to require the Secretary to permit continued use and occupancy of certain privately owned cabins in the Mineral King Valley in the Sequoia National Park.

108-697(pt. 1) (H.R. 3479) September 15, 2004

To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes. (Amended)

108-701 (H.R. 2941) September 28, 2004

To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes. (Amended)

108-702 (H.R. 4066) September 28, 2004

To provide for the conveyance of certain land to the United States and to revise the boundary of Chickasaw National Recreation Area, Oklahoma, and for other purposes. (Amended)

108-703 (H.R. 4579) September 28, 2004

To modify the boundary of the Harry S Truman National Historic Site in the State of Missouri, and for other purposes.

108-704 (H.R. 5009) September 28, 2004

To extend water contracts between the United States and specific irrigation districts and the City of Helena in Montana, and for other purposes.

108-712(pt. 1) (S. 551) September 30, 2004

To provide for the implementation of air quality programs developed in accordance with an Intergovernmental Agreement between the Southern Ute Indian Tribe and the State of Colorado concerning Air Quality Control on the Southern Ute Indian Reservation, and for other purposes.

108-713 (H.R. 1630) September 30, 2004

To revise the boundary of the Petrified Forest National Park in the State of Arizona, and for other purposes. (Amended)

LEGISLATIVE REPORTS

108-714 (H.R. 4817) September 30, 2004

To facilitate the resolution of a minor boundary encroachment on lands of the Union Pacific Railroad Company in Tipton, California, which were originally conveyed by the United States as part of the right-of-way granted for the construction of transcontinental railroads. (Amended)

108-715 (H.R. 3982) September 30, 2004

To direct the Secretary of Interior to convey certain land held in trust for the Paiute Indian Tribe of Utah to the City of Richfield, Utah, and for other purposes.

108-716(pt. 1)(S. 1814) October 4, 2004

To transfer federal lands between the Secretary of Agriculture and the Secretary of the Interior.

108-717 (H.R. 3176) October 4, 2004

To designate the Ojito Wilderness Study Area as wilderness, to take certain land into trust for the Pueblo of Zia, and for other purposes. (Amended)

108-718(pt. 1)(H.R. 4389) October 4, 2004

Oversight field hearing in Guyton, Georgia, on Issues Affecting Southern Forests.

June 17, 2004:

Hearing held on H.R. 3102, to utilize the expertise of New Mexico State University, the University of Arizona, and Northern Arizona University in conducting studies under the National Environmental Policy Act of 1969 in connection with the grazing allotments and range and continuing range analysis for National Forest System lands in New Mexico and Arizona.

Hearing held on H.R. 3427, to authorize a land conveyance between the United States and the City of Craig, Alaska.

Hearing held on H.R. 4494, to designate the Grey Towers National Historic Site in the Commonwealth of Pennsylvania.

Hearing held on S. 1003, to clarify the intent of Congress with respect to the continued use of established commercial outfitter hunting camps on the Salmon River.

June 23, 2004:

Oversight hearing on Developing Biomass Potential: Turning Hazardous Fuels into Valuable Products. **PRINTED HEARING 108-99**

July 15, 2004:

Oversight hearing on Restoring Forests after Catastrophic Events. **PRINTED HEARING 108-103**

July 22, 2004:

Hearing held on H.R. 822, to enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness. **PRINTED HEARING 108-105**

Hearing held on H.R. 4806, to provide for a land exchange involving Federal lands in the Lincoln National Forest in the State of New Mexico. **PRINTED HEARING 108-105**

Hearing held on H.R. 4838, to permit young adults to perform projects to prevent fire and suppress fires, and provide disaster relief, on public land through a Healthy Forest Youth Conservation Corps. **PRINTED HEARING 108-105**

August 18, 2004:

Oversight field hearing in Sisters, Oregon, on the Aftermath of Catastrophic Event: Restoring and Protecting Communities, Water, Wildlife, and Forests.

September 20, 2004:

MEETINGS

Oversight field hearing in Thatcher, Arizona, on Issues Affecting Rural Communities in the Southwest - National Forest Management and the Endangered Species Act. **PRINTED HEARING 108-107**

MEETINGS

SUBCOMMITTEE ON WATER AND POWER

March 5, 2003:

Oversight hearing on the Bureau of Reclamation's Proposed Fiscal Year 2004 Budget. **PRINTED HEARING 108-2**

March 27, 2003:

Oversight hearing on Water Supply and Reliability: The Role of Water Recycling. **PRINTED HEARING 108-11**

April 1, 2003:

Hearing held on H.R. 135, to establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs. **PRINTED HEARING 108-12**

Hearing held on H.R. 495, to approve the settlement of the water rights claim of the Zuni Indian Tribe in Apache County, Arizona. **PRINTED HEARING 108-12**

Hearing held on H.R. 901, to authorize the Secretary of the Interior to construct a bridge on Federal land west and adjacent to Folsom Dam in California. **PRINTED HEARING 108-12**

Hearing held on H.R. 1284, to amend the Reclamation Projects Authorization and Adjustment Act of 1992 to increase the Federal Share of the costs of the San Gabriel Basin demonstration project. **PRINTED HEARING 108-12**

April 3, 2003:

Markup held on H.R. 135, to establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs. Forwarded to Full Committee by voice vote.

Markup held on H.R. 495, to approve the settlement of the water rights claim of the Zuni Indian Tribe in Apache County, Arizona. Forwarded to Full Committee by voice vote.

Markup held on H.R. 901, to authorize the Secretary of the Interior to construct a bridge on Federal land west and adjacent to Folsom Dam in California. Forwarded to Full Committee by voice vote.

Markup held on H.R. 1284, to amend the Reclamation Projects Authorization and Adjustment Act of 1992 to increase the Federal Share of the costs of the San Gabriel Basin demonstration project. Forwarded to Full Committee by voice vote.

May 15, 2003:

Oversight hearing on CALFED's Cross-Cut Budget. **PRINTED HEARING 108-20**

May 22, 2003:

Hearing held on H.R. 1598, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in projects within the San Diego Creek Watershed, California. **PRINTED HEARING 108-23**

Hearing held on H.R. 1732, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Williamson County, Texas, Water Recycling and Reuse Project. **PRINTED HEARING 108-23**

June 24, 2003:

Hearing held on H.R. 1794, to authorize the Secretary of the Interior to construct and rehabilitate Federal water supply lines associated with Folsom Dam in California. **PRINTED HEARING 108-31**

Hearing held on H.R. 2040, to amend the Irrigation Project Extension Act of 1998 to extend certain contracts between the Bureau of Reclamation and certain irrigation water contractors in the States of Wyoming and Nebraska. **PRINTED HEARING 108-31**

June 28, 2003:

Oversight field hearing in Tulare, California, on the CALFED Program and ways to increase and improve water supply, reliability, availability, and quality. **PRINTED HEARING 108-35**

Oversight field hearing in Elk Grove, California, on the CALFED Program and ways to increase and improve water supply, reliability, availability, and quality. **PRINTED HEARING 108-35**

July 1, 2003:

Oversight field hearing in San Diego, California, on the CALFED Program and ways to increase and improve water supply, reliability, availability, and quality. **PRINTED HEARING 108-35**

July 17, 2003:

Markup held on H.R. 1598, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in projects within the San Diego Creek

MEETINGS

Watershed, California, and for other purposes. Forwarded to Full Committee by voice vote.

Markup held on H.R. 1732, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Williamson County, Texas, Water Recycling and Reuse Project, and for other purposes. Forwarded to Full Committee by voice vote.

July 24, 2003:

Hearing held on H.R. 2641, to authorize the Secretary of the Interior to implement the Calfed Bay-Delta Program. **PRINTED HEARING 108-48**

Hearing held on H.R. 2828, to authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources. **PRINTED HEARING 108-48**

September 10, 2003:

Hearing held on H.R. 142, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional water recycling project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, and to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project. **PRINTED HEARING 108-53**

Hearing held on H.R. 1156, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project. **PRINTED HEARING 108-53**

Hearing held on H.R. 2960, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Brownsville Public Utility Board water recycling and desalinization project. **PRINTED HEARING 108-53**

Hearing held on H.R. 2991, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga County Water District recycling project. **PRINTED HEARING 108-53**

September 25, 2003:

Markup held on H.R. 2828, to authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources. Forwarded to Full Committee by voice vote.

October 2, 2003:

Hearing held on H.R. 885, to provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes. **PRINTED HEARING 108-65**

Hearing held on H.R. 1753, to provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes. **PRINTED HEARING 108-65**

October 15, 2003:

Hearing held on S. 625, to authorize the Bureau of Reclamation to conduct certain feasibility studies in the Tualatin River Basin in Oregon. **PRINTED HEARING 108-68**

Hearing held on H.R. 2831, to authorize the Secretary of the Interior to convey the Newlands Project headquarters and Maintenance Yard facility to the Truckee-Carson Irrigation District. **PRINTED HEARING 108-68**

Hearing held on H.R. 3210, to authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a water resource feasibility study for the Little Butte/Bear Creek Subbasins in Oregon. **PRINTED HEARING 108-68**

October 30, 2003:

Markup held on H.R. 142, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional water recycling project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, and to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project. Forwarded to Full Committee as amended by unanimous consent.

Markup held on H.R. 1156, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project. Forwarded to Full Committee by unanimous consent.

Markup held on H.R. 2960, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Brownsville Public Utility Board water recycling and desalinization project. Forwarded to Full Committee by unanimous consent.

Markup held on H.R. 2991, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project in the Cucamonga County Water District recycling project. Forwarded to Full Committee by unanimous consent.

October 30, 2003:

MEETINGS

Hearing held on H.R. 3334, to authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California. **PRINTED HEARING 108-74**

Hearing held on H.R. 3391, to authorize the Secretary of the Interior to convey certain lands and facilities of the Provo River Project. **PRINTED HEARING 108-74**

Hearing held on S. 212, to authorize the Secretary of the Interior to cooperate with the High Plains Aquifer States in conducting a Hydrogeologic Characterization, Mapping, and Modeling Program for the High Plains Aquifer. **PRINTED HEARING 108-74**

December 12, 2003:

Oversight field hearing in Denver, Colorado, on Colorado: Options to Increase Water Supply and Improve Efficiencies. **PRINTED HEARING 108-81**

February 25, 2004:

Oversight hearing on the Proposed Fiscal Year 2005 Budgets for the Bureau of Reclamation, the U.S. Geological Survey and Power Marketing Administrations (PMA's).

March 24, 2004:

Oversight hearing on the Bureau of Reclamation's Facility Title Transfers: Lessons Learned and Future Opportunities.

March 24, 2004:

Hearing held on H.R. 3747, to authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon.

May 18, 2004:

Hearing held on H.R. 2257, to convey the Lower Yellowstone Irrigation Project, the Savage Unit of the Pick-Sloan Missouri Basin Program, and the Intake Irrigation Project to the appurtenant Irrigation Districts.

Hearing held on H.R. 3597, to authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on the Alder Creek water storage and conservation project in El Dorado County, California.

Hearing held on H.R. 4045, to authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River.

June 16, 2004:

Markup held on H.R. 3334, to authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California. Forwarded to Full Committee as amended by unanimous consent.

Markup held on H.R. 3597, to authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on the Alder Creek water storage and conservation project in El Dorado County, California. Forwarded to Full Committee as amended by unanimous consent.

Markup held on H.R. 4045, to authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River. Forwarded to Full Committee as amended by unanimous consent.

June 23, 2004:

Hearing held on H.R. 4300, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

Hearing held on H.R. 4389, to authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California.

Hearing held on H.R. 4459, to authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California.

Hearing held on H.R. 4606, to authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California.

July 8, 2004:

Markup held on H.R. 3391, to authorize the Secretary of the Interior to convey certain lands and facilities of the Provo River Project. Forwarded to Full Committee as amended by unanimous consent.

Markup held on H.R. 4459, to authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California. Forwarded to Full Committee by unanimous consent.

Markup held on H.R. 4606, to authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California. Forwarded to Full Committee by unanimous consent.

July 8, 2004:

Hearing held on S. 943, to authorize the Secretary of the Interior to contract with the city of Cheyenne, Wyoming, for the storage of the city's water in the Kendrick Project, Wyoming.

MEETINGS

Hearing held on H.R. 4588, to amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under the Act.

Hearing held on H.R. 4650, to amend the Act entitled "An Act to provide for the construction of the Cheney division, Wichita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.

July 17, 2004:

Oversight field hearing in Klamath Falls, Oregon, on The Endangered Species Act 30 Years Later: The Klamath Project.
PRINTED HEARING 108-104

September 9, 2004:

Hearing held on H.R. 3834, to direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities.

Hearing held on H.R. 4775, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project.

Hearing held on H.R. 4893, to authorize additional appropriations for the Reclamation Safety of Dams Act of 1978.

Hearing held on H.R. 5009, to extend water contracts between the United States and specific irrigation districts and the City of Helena in Montana.

September 22, 2004:

Hearing held on H.R. 2603, to impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.

Hearing held on H.R. 4580, to remove certain restrictions on the Mammoth Community Water District's ability to use certain property acquired by that District from the United States.

Hearing held on H.R. 4623, to authorize the Secretary of the Interior to provide financial assistance to the Eastern New Mexico Rural Water Authority for the planning, design, and construction of the Eastern New Mexico Rural Water System.

September 27, 2004:

Oversight field hearing in Augusta, Georgia, on Reviving Hydroelectric Power on the Savannah River: A Clean and Renewable Resource for Generations.

MEETINGS

SUBCOMMITTEE ON ENERGY AND MINERAL RESOURCES

March 6, 2003:

Hearing held on H.R. 793, to amend the Outer Continental Shelf Lands Act to authorize the Secretary of the Interior to grant easements and rights-of-way on the Outer Continental Shelf for activities otherwise authorized by that Act. **PRINTED HEARING 108-4**

Hearing held on H.R. 794, to amend the Mineral Leasing Act to provide for the development of Federal coal resources. **PRINTED HEARING 108-4**

June 19, 2003:

Oversight hearing on the Domestic Natural Gas Supply Shortage. **PRINTED HEARING 108-28**

June 24, 2003:

Oversight hearing on the Ability of Federal Lands to meet our Energy Needs. **PRINTED HEARING 108-32**

July 12, 2003:

Oversight field hearing in Rawlins, Wyoming, on Oil and Gas Development on Public Lands. **PRINTED HEARING 108-39**

July 17, 2003:

Oversight hearing on the Role of Strategic and Critical Minerals in Our National and Economic Security. **PRINTED HEARING 108-42**

July 22, 2003:

Hearing held on H.R. 2772, to amend the Geothermal Steam Act of 1970 to promote the development and use of geothermal resources in the United States. **PRINTED HEARING 108-43**

July 24, 2003:

Oversight hearing on the Abandoned Mine Lands Program. **PRINTED HEARING 108-47**

September 17, 2003:

Oversight hearing on Environmental Aspects of Modern Oil and Gas Development. **PRINTED HEARING 108-56**

September 25, 2003:

Oversight hearing on the Toxic Release Inventory and its Impact on Federal Minerals and Energy. **PRINTED HEARING 108-59**

September 29, 2003:

Oversight field hearing in Reno, Nevada, on Responsible Domestic Resource Development and Economic Stability - the Role of the Hard Rock Mining Industry. **PRINTED HEARING 108-62**

February 4, 2004:

Oversight hearing on the Impact of Science on Public Policy.

February 12, 2004:

Oversight hearing on Energy Supply and the American Consumer.

March 3, 2004:

Oversight hearing on Minerals and Energy: Outsourcing American Jobs Overseas.

March 30, 2004:

Hearing held on H.R. 3778, to amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes. **PRINTED HEARING 108-88**

Hearing held on H.R. 3796, to amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program. **PRINTED HEARING 108-88**

June 24, 2004:

Hearing held on H.R. 4010, to reauthorize and amend the National Geologic Mapping Act of 1992.

Hearing held on H.R. 4625, to reduce temporarily the royalty required to be paid for sodium produced on Federal lands.

July 8, 2004:

Oversight hearing on the Aging of the Energy and Minerals Workforce: A Crisis in the Making?.

July 15, 2004:

MEETINGS

Oversight hearing on Advances in Technology: Innovations in the Domestic Energy and Mineral Sector.

September 9, 2004:

Hearing held on H.R. 4984, to provide that the royalty rate on the output from the Federal lands of potassium and potassium compounds from the mineral sylvite in the 5-year period beginning on the date of the enactment of this Act shall be reduced to 1.0 percent.

October 25, 2004:

Oversight field hearing in Reno, Nevada, on Sustainable Development Opportunities in Mining Communities.

HOUSE BILLS REFERRED

H.R. 6

Apr. 7, 2003

Mr. Tauzin (for himself), Mr. Thomas, Mr. Boehlert, Mr. Pombo, and Mr. Oxley

To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.

"ENERGY POLICY ACT OF 2003"

(Referred to the Committee on Energy and Commerce, and in addition to the Committees on Science, Ways and Means, Resources, Education and the Workforce, Transportation and Infrastructure, Financial Services, and Agriculture, for a period to be determined by the Speaker)

April 2, 2003—Markup held by Full Committee on Committee Print entitled "To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of oil and gas resources of the Coastal Plain of Alaska". Approved as amended by vote 32-14. Includes the text of H.R. 39, Arctic Coastal Plain Domestic Energy Security Act; H.R. 238, Energy Research, Development, Demonstration, and Commercial Application Act; H.R. 762, Reasonable-Right-Of-Way Fees Act; H.R. 793, to amend the Outer Continental Shelf Lands Act to authorize the Secretary of the Interior to grant easements and rights-of-way on the Outer Continental Shelf for activities otherwise authorized by that Act; H.R. 794, Coal Leasing Amendments Act; H.R. 1230, Cleveland National Forest Responsible Electricity Transmission Act; H.R. 1550, to authorize the Secretary of the Interior and the Secretary of Agriculture to make grants to improve the commercial value of forest biomass for electric energy, useful heat, transportation fuels, petroleum-based product substitutes, and other commercial purposes; and H.R. 1570, Outer Continental Shelf Shallow Water Deep Gas Royalty Relief Act.

April 7, 2003—H.R. 6, as introduced, contains the text of the Committee Print as approved by the Committee on Resources on April 2, 2003.

April 9, 2003—Held in Full Committee.

April 10, 2003—Committee on Rules reported H. Res. 189 to the House. Rule provides for consideration of H.R. 6 with 1 hour and 30 minutes of general debate. Rule provides for a structured rule providing one hour and 30 minutes of general debate with 30 minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Energy and Commerce and 20 minutes equally divided and controlled by the chairmen and ranking minority members of each of the following Committees:

Science, Resources, and Ways and Means. The rule waives all points of order against consideration of the bill. Makes in order amendments printed in the Rules Committee report (108-70).

April 10, 2003—Rule H. Res. 189 passed House.

April 10, 2003—Considered under the provisions of rule H. Res. 189.

April 10, 2003—House began consideration but did not complete action. CONGRESSIONAL RECORD PAGES H3078-H3194, H3231-79. *The following amendments within the jurisdiction of the Committee on Resources were considered by the House: Wilson of New Mexico amendment No. 3 printed in House Report 108-69 that limits the surface acreage covered by production and support facilities, including airstrips and acres covered by gravel berms or piers for support of pipelines, on the Alaska Coastal Plain to 2000 acres (agreed to by vote of 226-202); Peterson of Pennsylvania amendment No. 4 printed in House Report 108-69 that makes available the Federal bonuses for oil leases derived from the Arctic Coastal Plain to the Low-Income Home Energy Assistance Program; Markey amendment No. 5 as printed in House Report 108-69 that strikes Division C Resources, Title IV, Arctic Coastal Plain Domestic Energy Security Act that allows oil drilling the Arctic National Wildlife Refuge (rejected by vote of 197-228); Udall of New Mexico amendment No. 10 printed in House Report 108-69 that sought to strike section 14029 that authorizes \$10 million for special demonstration projects for the uranium mining industry to develop improved in situ leaching mining technologies including environmental restoration technologies that may be applied to sites after completion of in situ leaching operations (rejected by vote of 193-231).*

April 11, 2003—Passed House as amended by vote of 237-175. CONGRESSIONAL RECORD PAGES H3309-32. *The following amendments within the jurisdiction of the Committee on Resources were considered by the House: Capps amendment No. 18 printed in House Report 108-69 that strikes section 30220 that directs the Secretary of the Interior, in consultation with the Secretary of Energy and key stakeholders, including coastal States and the oil and gas industry, to conduct a comprehensive inventory of oil and gas resources for areas beneath all of the United States waters of the Outer Continental Shelf (agreed to by voice vote); Reynolds amendment No. 22 printed in House Report 108-69 that expresses the sense of Congress encouraging the prohibition of off-shore oil and gas drilling in the Great Lakes by the Great Lakes States and the Canadian Province of Ontario (agreed to by voice vote); Kind amendment No. 19 printed in House Report 108-69 that sought to strike Division C, Resources, Title II, Oil and Gas, relating to oil and gas development (rejected by vote of 171 to 251); Rahall amendment No. 20 printed in House Report 108-69 that sought to strike Division C, Resources, Title VII, Coal Leasing Amendments that repeals the existing 160-acre limitation for coal leases (rejected by vote of 208-212).*

April 29, 2003—Received in the Senate.

HOUSE BILLS

May 6, 2003—Ordered placed on the Senate Legislative Calendar No. 85.

July 31, 2003—Considered by Senate by unanimous consent.

July 31, 2003—Passed Senate as amended by vote of 84-14. CONGRESSIONAL RECORD PAGES

July 31, 2003—Senate insisted upon its amendment by unanimous consent.

July 31, 2003—Senate requested a conference.

September 4, 2003—Senate appointed conferees: Domenici, Nickles, Craig, Campbell, Thomas, Grassley, Lott, Bingaman, Dorgan, Graham, Wyden, Johnson, and Baucus.

September 4, 2003—House disagreed to the Senate amendment and agreed to a conference.

July 29, 2003—PUBLIC LAW 108-64.

H.R. 1588

Apr. 3, 2003

Mr. Hunter (by request) and Mr. Skelton

To authorize appropriations for fiscal year 2004 for military activities of the Department of Defense, to prescribe military personnel strengths for fiscal year 2004, and for other purposes.

April 3, 2003—Referred to the House Committee on Armed Services.

May 16, 2003—House Report 108-106 (Part I), by Committee on Armed Services.

May 16, 2003—Placed on the Union Calendar No. 53.

May 20, 2003—Committee on Rules reported H. Res. 245 to the House. Rule provides for consideration of H.R. 1588 with two hours of general debate. The amendment in the nature of a substitute now printed in the bill (House Report 108-106) shall be considered as an original bill for the purpose of amendment and shall be considered as read. Specified amendments are in order. Amendments will be considered only in the order specified in House Report 108-120, may be offered only by a Member designated, debatable for the time specified, except as specified in section 2 of the resolution, shall not be subject to amendment or subject to a demand for division of the question. Waives all points of order against the amendments.

May 21, 2003—Rule H. Res. 245 passed House.

May 21, 2003—Supplemental report filed by the Committee on Armed Services, House Report 108-106 (Part II).

May 21, 2003—Considered under the provisions of rule H. Res. 245.

May 21, 2003—Committee on Rules reported H. Res. 247 to the House. Rule provides for consideration of H.R. 1588. Previous question shall be considered as ordered without intervening motions except motion to recommit with or without instructions. Rule provides for further consideration of the bill. Makes in order only those amendments printed in House Report 108-122 and amendments en bloc described in section 2 of the resolution. Each amendment printed in the report shall be debatable for 10 minutes (unless otherwise specified in the report). Authorizes the chairman of the Committee on Armed Services or his designee to offer amendments en bloc consisting of amendments printed in the report, or germane modifications thereto, which shall be considered as read (except that modifications shall be reported), and shall be debatable for 20 minutes.

May 22, 2003—Rule H. Res. 247 passed House.

May 22, 2003—Passed House as amended by vote of 361-68. CONGRESSIONAL RECORD PAGES

June 2, 2003—Received in the Senate.

June 4, 2003—Senate struck all after the enacting clause and inserted the text of S. 1050.

June 4, 2003—Passed Senate as amended by voice vote. CONGRESSIONAL RECORD PAGES

Mr. Bingaman and Mr. Domenici

To provide for the exchange of certain Federal land in the Santa Fe National Forest and certain non-Federal land in the Pecos National Historical Park in the State of New Mexico.

*"PECOS NATIONAL HISTORICAL PARK
LAND EXCHANGE ACT OF 2004"*

July 8, 2004—Referred to the Senate Committee on Energy and Natural Resources.

September 28, 2004—Senate Report 108-373. Assigned to the Senate Legislative Calendar No. 732.

October 10, 2004—Passed Senate as amended by unanimous consent. CONGRESSIONAL RECORD PAGES S11175-76.

November 16, 2004—Received in the House.

November 16, 2004—Referred to the House Committee on Resources.

November 18, 2004—Referred jointly to Subcommittees on National Parks, Recreation and Public Lands, and Forests and Forest Health.

S. 2691

July 20, 2004

Mr. Lieberman, Mrs. Clinton, Mr. Dodd, and Mr. Schumer

To establish the Long Island Sound Stewardship Initiative.

*"LONG ISLAND SOUND
STEWARDSHIP ACT OF 2004"*

108th Congress—Related, H.R. 4876

July 20, 2004—Referred to the Senate Committee on Environment and Public Works.

October 11, 2004—Senate Committee on Environment and Public Works by discharged unanimous consent.

October 11, 2004—Passed Senate as amended by unanimous consent. CONGRESSIONAL RECORD PAGE S11327.

November 16, 2004—Received in the House.

November 16, 2004—Referred to the Committee on Resources, and in addition to the Committee on Transportation and Infrastructure, for a period to be determined by the Speaker.

November 18, 2004—Referred to Subcommittee on Fisheries Conservation, Wildlife and Oceans.

SENATE BILLS REFERRED

S. 2847

Sept. 27, 2004

Mr. Crapo, Mr. Inhofe, and Mr. Jeffords

To reauthorize the Water Resources Research Act of 1984.

September 27, 2004—Referred to the Senate Committee on Environment and Public Works.

October 11, 2004—Senate Committee on Environment and Public Works discharged by unanimous consent.

October 11, 2004—Passed Senate by unanimous consent. CONGRESSIONAL RECORD PAGE S11327.

November 16, 2004—Received in the House.

November 16, 2004—Referred to the House Committee on Resources.

November 19, 2004—Referred to Subcommittee on Water and Power.

S. 2895

Oct. 5, 2004

Mr. Talent and Mr. Bond

To authorize the Gateway Arch in St. Louis, Missouri, to be illuminated by pink lights in honor of breast cancer awareness month.

108th Congress—Related, H.R. 5307

October 5, 2004—Passed Senate by unanimous consent. CONGRESSIONAL RECORD PAGE S10459.

October 6, 2004—Received in the House.

October 6, 2004—Held at the desk.

October 8, 2004—Considered by House by unanimous consent.

October 8, 2004—Passed House by unanimous consent. CONGRESSIONAL RECORD PAGE H9008.

October 20, 2004—PUBLIC LAW 108-348.

S. 3014

Nov. 19, 2004

Ms. Snowe, Mr. Breaux, Mr. Voinovich, Mr. Levin, and Mr. DeWine

To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.

*"HARMFUL ALGAL BLOOM AND HYPOXIA
AMENDMENTS ACT OF 2004"*

108th Congress—Related, S. 247, H.R. 1856

November 19, 2004—Passed Senate by unanimous consent. CONGRESSIONAL RECORD PAGES S11584-86. (Includes H.R. 4027, Virginia Key Property; and H.R. 4158, Decommissioned NOAA ship).

November 20, 2004—Received in the House.

November 20, 2004—Held at the desk.

November 20, 2004—Considered by House by unanimous consent.

November 20, 2004—Passed House by unanimous consent. CONGRESSIONAL RECORD PAGES H10209-11.

December 10, 2004—PUBLIC LAW 108-456. (Includes H.R. 4027, Virginia Key Property; and H.R. 4158, Decommissioned NOAA ship).

SENATE CONCURRENT RESOLUTIONS

S. Con. Res. 76

Oct. 28, 2003

Mr. Hatch (for himself), Mr. Voinovich, Mr. Coleman, Ms. Collins, Mr. Reid, Mrs. Boxer, and Mr. Smith of Oregon

Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

108th Congress—Related, H. Con. Res. 316

October 28, 2003—Referred to the Senate Committee on the Judiciary.

October 30, 2003—Senate Committee on the Judiciary discharged by unanimous consent.

October 30, 2003—Resolution agreed to in Senate by unanimous consent. CONGRESSIONAL RECORD PAGES S13696-97.

November 4, 2003—Received in the House.

November 4, 2003—Held at the desk.

October 4, 2004—Considered by House under suspension of the rules.

October 4, 2004—House agreed to resolution by vote of 331-0. CONGRESSIONAL RECORD PAGES H7952-54, H7979.

Feb. 13, 2003

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Shortraker/Rougheye and Northern Rockfish in the Bering Sea Subarea of the Bering Sea and Aleutian Islands Management Area Docket No. 021212307-2307-01; I.D. 012103F Received February 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

694

Feb. 13, 2003

Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Act Provisions; Fisheries Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Groundfish Fishery Management Measures Docket No. 021209299-2299-01; I.D. 112502B (RIN: 0648-AQ19) Received February 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

778

Feb. 26, 2003

Letter from the Deputy Assistant for Regulatory Programs, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Taking of Threatened or Endangered Species Incidental to Commercial Fishing Operations Docket 020626160-2309-03; I.D. 061902C (RIN: 0648-AQ13) Received February 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

779

Feb. 26, 2003

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska Docket No. 021212306-2306-01; I.D. 011402B Received February 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

780

Feb. 26, 2003

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel Lottery in Areas 542 and 543 Docket No. 021212307-2307-01; I.D. 011403C Received February 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

781

Feb. 26, 2003

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Bering Sea and Aleutian Islands Docket No. 021212307-2307-01; I.D. 011303D Received February 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

811

Feb. 27, 2003

Letter from the Acting Principal Deputy Associate Administrator, Environmental Protection Agency, transmitting the Agency's final rule - Change of Physical Location of EPA's Environmental Appeals Board FRL-7439-7 Received January 15, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

1000

Mar. 6, 2003

Letter from the General Counsel, Department of Commerce, transmitting a draft bill entitled, "Marine Mammal Protection Act Amendments of 2003". Joint with the Committees on the Judiciary, Ways and Means, and International Relations.

1001

Mar. 6, 2003

Letter from the General Counsel, Department of Defense, transmitting the Department's legislative initiatives for inclusion in the National Defense Authorization Act for FY 2004. Joint with the Committees on Armed Services, Transportation and Infrastructure, Energy and Commerce, Ways and Means, the Judiciary, and Government Reform.

1018

Mar. 10, 2003

Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas and Sulphur Operations in the Outer Continental Shelf - Oil and Gas Drilling Operations (RIN: 1010-AC43) Received February 13, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

1019

Mar. 10, 2003

Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas and Sulphur Operations in the Outer Continental Shelf - Document Incorporated by Reference - American Petroleum Institute's Specification 2C for Offshore Cranes (RIN: 1010-AC82) Received February 13, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 1091** **Mar. 12, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - West Virginia Regulatory Program WV-088-FOR' Received February 27, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1092** **Mar. 12, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Catching Pacific Cod for Processing by the Inshore Component in the Central Regulatory Area of the Gulf of Alaska Docket No. 021212306-2306-01; I.D. 020603B' Received February 26, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1151** **Mar. 13, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Gulf of Alaska; Final 2003 Harvest Specification for Groundfish Docket No. 021122286-3036-02; I.D. 110602B' Received March 7, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1152** **Mar. 13, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Bering Sea and Aleutian Islands; Final 2003 Harvest Specifications for Groundfish Docket No. 021212307-3037-3037-02 I.D. 110602C' Received March 7, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1175** **Mar. 17, 2003**
Letter from the Secretary of the Interior, Department of the Interior, transmitting the Department's final rule - Subsistence Management Regulations for Public Lands in Alaska (RIN: 1018-AI88) Received February 12, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1176** **Mar. 17, 2003**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Gulf Sturgeon Docket No: I.D. 020522126-3051-02' (RIN: 0648-AQ03) Received March 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1177** **Mar. 17, 2003**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Endangered and Threatened Wildlife and Plants; Final Designations and Nondesignations of Critical Habitat for 42 Plant Species From the Island of Molokai, Hawaii (RIN: 1018-AH08) Received March 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1249** **Mar. 20, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Abandoned Mine Land Reclamation Notices (RIN: 1029-AB99) Received February 24, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1250** **Mar. 20, 2003**
Letter from the Assistant Administrator, Office of Oceanic and Atmospheric Research, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Global Ocean Data Assimilation Experiment (GODAE) Docket No. 021202295-2295-01' Received February 24, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1251** **Mar. 20, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Catching Pacific Cod for Processing by the Inshore Component in the Western Regulatory Area of the Gulf of Alaska Docket No. 021212306-2306-01; I.D. 021403' Received March 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 1302** **Mar. 20, 2003**
Letter from the General Counsel, Department of Defense, transmitting the Department's legislative proposal entitled, "To authorize appropriations for fiscal year 2004 for military activities of the Department of Defense, to prescribe military personnel strengths for fiscal year 2004, and for other purposes". Joint with the Committees on Armed Services, Transportation and Infrastructure, Energy and Commerce, Ways and Means, Government Reform, the Judiciary, Veterans' Affairs, Financial Services, Science, Education and the Workforce, International Relations, the Budget.
- 1337** **Mar. 24, 2003**
Letter from the Director, Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Rule to List the Columbia Basin Distinct Population Segment of the Pygmy Rabbit (*Brachylagus idahoensis*) as Endangered (RIN: 1080-AI17) Received March 11, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1338** **Mar. 24, 2003**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, Department of Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Designation of Critical Habitat for *Sidalcea keckii* (Keck's checkermallow) (RIN: 1018-AG93) Received March 13, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1339** **Mar. 24, 2003**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, Department of Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Designation of Critical Habitat for Two Larkspurs from Coastal Northern California (RIN: 1018-AG96) Received March 13, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1340** **Mar. 24, 2003**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Trip Limit Reduction Docket No. 001005281-0369-02; I.D. 030303A' Received March 11, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1341** **Mar. 24, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Sea Scallop Fishery; Framework Adjustment 15 Docket No. 030108004-3044-02; ID 010303B' (RIN: 0648-AQ28) Received March 11, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1342** **Mar. 24, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Species in the Rock sole/Flathead sole/"Other flatfish" Fishery Category by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area Docket No. 021212307-2307-01; I.D. 021903A' Received March 4, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1343** **Mar. 24, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Groundfish by Vessels Using Non-Pelagic Trawl Gear in the Red King Crab Savings Subarea Docket No. 021212307-2307-01; I.D. 021303C' Received March March 4, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1404** **Mar. 25, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Kansas Regulatory Program and Abandoned Mine Land Reclamation Plan KS-023-FOR' Received March 20, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1405** **Mar. 25, 2003**
Letter from the Director, Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Rule to Reclassify and Remove the Gray Wolf from the List of Endangered and Threatened Wildlife in Portions of the Conterminous United States; Establishment of Two Special Regulations for Threatened Gray Wolves (RIN: 1018-AF20) Received March 20, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 1406** **Mar. 25, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; Western Pacific Pelagics Fisheries; Pacific Remote Island Areas; Permit and Reporting Requirements for the Pelagic Troll and Handline Fishery Docket No. 020412086-2194-02; I.D. 010202C' (RIN:0648-AJ08) Received February 20, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1407** **Mar. 25, 2003**
Letter from the Associate Deputy Assistant Administrator, NOAA, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Announcement of Funding Opportunity to Submit Proposals for the Monitoring and Event Response for Harmful Algal Blooms (MERHAB) Program FY 2004 Docket No. 020213030-3031-02; I.D. No. 010903C' Received March 19, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1408** **Mar. 25, 2003**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Endangered and Threatened Wildlife; Sea Turtle Conservation Requirements Docket No. 000320077-2302-03; I.D. 062501B' (RIN: 0648-AN62) Received March 5, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1409** **Mar. 25, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Processors and Catcher Vessels 60 Feet Length Overall and Longer Using Pot Gear in the Bering Sea and Aleutian Islands Management Area Docket No. 021212307-2307-01; I.D. 022403E' Received March 25, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1410** **Mar. 25, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Western Alaska Community Development Quota Program Docket No. 020920220-3038-02; I.D. 090302E' (RIN: 0648-AL97) Received March 19, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1411** **Mar. 25, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Sablefish Managed Under the Individual Fishing Quota Program I.D. 020603C' Received February 27, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1412** **Mar. 25, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska Docket No. 021212306-2306-01; I.D. 020703C' Received March 19, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1452** **Mar. 26, 2003**
Letter from the Director, U.S. Fish & Wildlife Service, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Determination of Endangered Status for the Sonoma County Distinct Population Segment of the California Tiger Salamander (RIN: 1018-AI61) Received March 19, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1453** **Mar. 26, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, Department of Commerce, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Trip Limit Increase Docket No. 001005281-0369-02; I.D. 012703A' Received February 10, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1454** **Mar. 26, 2003**
Letter from the Assistant Administrator for Fisheries, NMFS, Department of Commerce, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Amendment 69 to Revise American Fisheries Act Inshore Cooperative Requirements Docket No. 020724175-3022-02; I.D. 062602E' (RIN: 0648-AP71) Received February 25, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 610 of the Gulf of Alaska Docket No. 021212306-2306-01; I.D. 031703B Received April 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1746** **Apr. 9, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific cod by Catcher Vessels Less Than 60 ft (18.3m) LOA Using Jig or Hook-and-Line Gear in the Bogosl of Pacific Cod Exemption Area in the Bering Sea and Aleutian Islands Area Docket No. 020718172-2303-02; I.D. 032503D Received April 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1747** **Apr. 9, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Species in the Rock sole/Flathead sole/"Other flatfish" Fishery Category by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands management area Docket No. 021212307-3037-02; I.D. 032103D Received April 3, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1775** **Apr. 10, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Alabama Regulatory Program AL-072-FOR Received April 7, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1776** **Apr. 10, 2003**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's biennial federal assistance report.
- 1855** **Apr. 12, 2003**
Letter from the Secretary, Department of the Interior, transmitting the annual report entitled, "Outer Continental Shelf Lease Sales: Evaluation of Bidding Results" for fiscal year 2002, pursuant to 43 U.S.C. 1337(a)(9).
- 1856** **Apr. 12, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Pacific Cod by Catcher Vessels 60 Feet (18.3 m) Length Overall and Longer Using Hook-and-line Gear in the Bering Sea and Aleutian Islands Docket No. 021212307-3037-02; I.D. 032703E Received April 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1857** **Apr. 12, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Endangered and Threatened Species; Final Endangered Status for a Distinct Population Segment of Smalltooth Sawfish (*Pristis pectinata*) in the United States Docket No. 000303059-3034-03; I.D. 021700B (RIN: No. 0648-XA49) Received April 8, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1892** **Apr. 29, 2003**
Letter from the Assistant Secretary, Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Virgin Islands Coral Reef National Monument (RIN: 1024-AC89) Received April 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1893** **Apr. 29, 2003**
Letter from the Assistant Administrator, Office of Oceanic and Atmospheric Research, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Dean John A. Knauss Marine Policy Fellowship, National Sea Grant College Program Docket No. 000522149-3063-04 (RIN: 0648-ZA) Received April 12, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 1894** **Apr. 29, 2003**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Pacific Halibut Fisheries; Subsistence Fishing Docket No. 020801186-3073-02; I.D. 053102D' (RIN: 0648-AQ09) Received April 22, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1955** **Apr. 30, 2003**
Letter from the Acting Chair, Federal Subsistence Board, Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Subsistence Management Regulations for Public Lands in Alaska, Subpart D - Subsistence Taking of Fish, Customary Trade (RIN: 1018-AI31) Received April 24, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1956** **Apr. 30, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Maryland Regulatory Program MD-049-FOR' Received April 24, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1957** **Apr. 30, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in the West Yakutat District of the Gulf of Alaska Docket No. 021122286-3036-02; I.D. 040703C' Received April 21, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1958** **Apr. 30, 2003**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Correction Docket No. 011128283-3075-03; I.D. 111401B' (RIN: 0648-AN55) Received April 21, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1980** **May 1, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - West Virginia Regulatory Program WV-092-FOR' Received May 1, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1981** **May 1, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Mackerel, Squid, and Butterfish Fisheries; Closure of the Quarter I Fishery for Loligo Squid Docket No. 021017239-2322-02; I.D. 032003B' Received April 29, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1982** **May 1, 2003**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Spiny Dogfish Fishery; 2003 Specifications Docket No. 030227050-3082-02; I.D. 020603D' Received April 28, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1983** **May 1, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 620 of the Gulf of Alaska Docket No. 021122286-3036-02; I.D. 040203B' Received April 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1984** **May 1, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel and Pacific Cod with Trawl Gear in the Bering Sea and Aleutian Islands Docket No. 021212307-3037-02; I.D. 032803E' Received April 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 2038** **May 5, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Pennsylvania Regulatory Program PA-139-FOR' Received April 17, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2039** **May 5, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Kentucky Regulatory Program KY-241-FOR' Received May 1, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2048** **May 6, 2003**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Designations or Nondesignations of Critical Habitat for 101 Plant Species From the Island of Oahu, Hawaii (RIN: 1018-AI24) Received May 5, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2079** **May 7, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Wyoming Regulatory Program WY-030-FOR' Received May 01, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2102** **May 8, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Yellowfin Sole by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area Docket No. 021212307-3037-02; I.D. 041503A' Received April 24, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2103** **May 8, 2003**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Scup Fishery; Gear Restricted Area (GRA) Exemption Program Docket No. 021122284-3056-03; I.D. 110602A' (RIN: 0648-AQ30) Received May 2, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2126** **May 9, 2003**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for Five Plant Species from the Northwestern Hawaiian Islands, Hawaii (RIN: 1018-AH09) Received May 5, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2185** **May 13, 2003**
Letter from the Assistant Secretary for Legislative Affairs, Department of State, transmitting certification that shrimp harvested with technology that may adversely affect certain sea turtles may not be imported into the United States unless the President makes specific certifications to the Congress by May 1. Joint with the Committee on Appropriations.
- 2204** **May 14, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; 2003 Management Measures Docket No. 030430108-3108-01; I.D. 042503A' (RIN: 0648-AQ17) Received May 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2247** **May 15, 2003**
Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Application Procedures WO-850-1820-XZ-24-1A' (RIN: 1004-AD34) Received April 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2272** **May 19, 2003**
Letter from the Assistant Secretary, Department of the Interior, transmitting a copy of the Final Engineering Report for the Fort Peck Assiniboine and Sioux Water Supply System and the Dry Prairie Water System, pursuant to Public Law 106-382, Section 4(g)(2) (114 Stat. 1453).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 2273** **May 19, 2003**
Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas and Sulfur Operations in the Outer Continental Shelf (OCS), Document Incorporated by Reference for Fixed Platforms (RIN: 1010-AD03) Received May 7, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2281** **May 19, 2003**
Letter from the General Counsel, Department of Defense, transmitting the Department's bill entitled, "The Defense Transformation for the 21st Century Act". Joint with the Committees on Armed Services, Government Reform, Education and the Workforce, and Energy and Commerce.
- 2282** **May 19, 2003**
Letter from the Fiscal Assistant Secretary, Department of the Treasury, transmitting the Department's March 2003 "Treasury Bulletin", pursuant to 26 U.S.C. 9602(a). Joint with the Committees on Ways and Means, Energy and Commerce, Transportation and Infrastructure, Education and the Workforce, and Agriculture.
- 2283** **May 19, 2003**
Letter from the Director, Executive Office of the President, transmitting a bill to reauthorize the Office of National Drug Control Policy. Joint with the Committees on Government Reform, the Judiciary, Energy and Commerce, Intelligence, Agriculture, Armed Services, and International Relations.
- 2311** **May 20, 2003**
Letter from the Assistant Secretary, Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Native American Graves Protection and Repatriation Act Regulations - Civil Penalties (RIN: 1024-AC84) Received May 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2312** **May 20, 2003**
Letter from the Assistant Secretary, Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Personal Watercraft Use at Lake Mead National Recreation Area (RIN: 1024-AC91) Received May 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2358** **May 22, 2003**
Letter from the Acting Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Establishment of Nonessential Experimental Population Status and Reintroduction of Black-Footed Ferrets in South-Central South Dakota (RIN: 1018-AI60) Received May 20, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2359** **May 22, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Steller Sea Lion Protection Measures Correction Docket No. 020718172-3062-03; I. D. 051402C' (RIN: 0648-AQ08) Received May 15, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2360** **May 22, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Pacific Cod by Catcher Vessels less than 60 Feet Length Overall Using Hook-and-line or Pot Gear in the Bering Sea and Aleutian Islands Docket No. 021212307-3037-02; I.D. 041803C' Received May 15, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2361** **May 22, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific cod by Vessels Catching Pacific Cod for Processing by the Offshore Component in the Western Regulatory Area of the Gulf of Alaska Docket No. 021122286-3036-02; I.D. 042203A' Received May 15, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 2362** **May 22, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Pacific Halibut Fisheries; Catch Sharing Plan; Correction Docket No. 030124019-3040-02; I.D. 010703B' (RIN: 0648-AQ67) Received May 15, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2363** **May 22, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole by Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands Management Area Docket No. 021212307 3037-02; I.D. 042903A' Received May 15, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2364** **May 22, 2003**
Letter from the Director, National Oceanic and Atmospheric Administration, transmitting the 2002 report on the Status of Fisheries of the United States.
- 2408** **June 2, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Revisions to Definition of Length Overall of a Vessel; Correction Docket No. 030414085-3085-01; I.D. 012601B' (RIN: 0648-AR04) Received May 15, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2517** **June 4, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole by Vessels Using Trawl Gear in Bycatch Limitation Zone 1 of the Bering Sea and Aleutian Islands Management Area Docket No. 021212307-3037-02; I.D. 052103B' Received June 2, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2518** **June 4, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Monkfish Fishery; Framework Adjustment 2 Docket No. 030225045-3096-02; I.D. 020603A' (RIN: 0648-AQ29) Received June 2, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2519** **June 4, 2003**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Revision of Charter Vessel and Headboat Permit Moratorium Eligibility Criterion Docket No. 030303053-3118-02; I.D. 022403' (RIN: 0648-AQ70) Received May 30, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2543** **June 5, 2003**
Letter from the Assistant Secretary for FWP, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Designation of Critical Habitat for Three Plant Species from the Island of Lanai, Hawaii (RIN: 1018-AH10) Received May 29, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2544** **June 5, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; 2003 Specifications for the Atlantic Bluefish Fishery Docket No. 021223329-3112-02; I.D. 121302A' (RIN: 0648-AQ26) Received May 22, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 2545** **June 5, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Framework Adjustment 37 to the Northeast Multispecies Fishery Management Plan Docket No. 030210027-3097-02; I.D. 012103E' (RIN: 0648-AQ35) Received May 27, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2546** **June 5, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Chiniak Gully Research Area Opening for the Groundfish Trawl Fisheries of the Gulf of Alaska Docket No. 020718172-2303-02; I.D. 043003A' Received May 27, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2621** **June 10, 2003**
Letter from the Director, National Science Foundation, transmitting the National Oceanographic Partnership Program, National Ocean Research Leadership Council, March 2003 Annual Report, pursuant to 10 U.S.C. 7901(b)(2)(B). Joint with the Committees on Armed Services, and Science.
- 2631** **June 11, 2003**
Letter from the Assistant Secretary of the Interior, Office of Hearings and Appeals, Department of the Interior, transmitting the Department's final rule - Special Rules Applicable to Public Land Hearings and Appeals; Grazing Administration - Exclusive of Alaska, Administrative Remedies; Grazing Administration - Effect of Wildfire Management Decisions; Administration of Forest Management Decisions (RIN: 1090-AA83) Received June 4, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2632** **June 11, 2003**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Blackburn's Sphinx Moth (RIN: 1018-AH94) Received June 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2633** **June 11, 2003**
Letter from the Acting Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Preble's Meadow Jumping Mouse (*Zapus hudsonius preblei*) (RIN: 1018-AI46) Received June 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2634** **June 11, 2003**
Letter from the Acting Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Designation and Nondesignation of Critical Habitat for 46 Plant Species From the Island of Hawaii, Hawaii (RIN:1018-AH02) Received June 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2635** **June 11, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Regulations Governing the Taking and Importing of Marine Mammals; Eastern North Pacific Southern Resident Killer Whales Docket No. 020603140-3129-03, I.D. 050102G' (RIN: 0648-AQ00) Received June 5, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2636** **June 11, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Deep-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska Docket No. 021122286-3036-02; I.D. 051403B' Received June 5, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2637** **June 11, 2003**
Letter from the Assistant Administrator for Fisheries, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Commercial Shark Management Measures Docket No. 021219321-2321-01; I.D. 120901A' (RIN: 0648-AQ39) Received June 5, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 2638** **June 11, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Antarctic Marine Living Resources; CCAMLR Ecosystem Monitoring Permits; Vessel Monitoring System; Catch Documentation Scheme; Fishing Season; Registered Agent; and Disposition of Seized AMLR Docket No. 021016236-3089-02; I.D. 082002A' Received June 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2782** **June 23, 2003**
Letter from the Acting Chair, Federal Subsistence Board, Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Subsistence Management Regulations for Public Lands in Alaska, Subpart C and Subpart D -- 2003-2004 Subsistence Taking of Fish and Wildlife Regulations (RIN: 1018-AI62) Received June 18, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2783** **June 23, 2003**
Letter from the King of Hawaiian Islands, Kingdom of Hawaii, transmitting a report concerning S. 344, and jurisdiction regarding the Native Hawaiian and Na Kanaka Maoli People of Hawaii.
- 2784** **June 23, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Annual Specifications and Management Measures; Trip Limit Adjustments Docket No. 021209300-3048-02 I.D. 052103A' Received June 17, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2805** **June 24, 2003**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species (HMS); Fishing Vessel Permits; Charter Boat Operations; Temporary Rule Docket No. 020325070-3146-04; I.D. 071299C' (RIN: 0648-AM91) Received June 20, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2806** **June 24, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Mackerel, Squid and Butterfish Fisheries; Framework Adjustment 3 Docket No. 030314060-3126-02; I.D. 021003E' (RIN: 0648-AQ57) Received June 12, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2807** **June 24, 2003**
Letter from the Assistant Administrator, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Incidental Catch Requirements of Bluefin Tuna Docket No. 001113318-3128-03; I.D. 110200D' (RIN: 0648-AO75) Received June 12, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2808** **June 24, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area Docket No. 021212307-3037-02; I.D. 06030F' Received June 17, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2965** **July 7, 2003**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - West Virginia Regulatory Program WV-097-FOR' Received June 24, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2966** **July 7, 2003**
Letter from the Acting Assistant Administrator, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Announcement of Funding Opportunity to submit proposals for the South Florida Ecosystem Research and Monitoring Program (SFP) FY04 Docket No. 000202024-3109-03 I.D. 030303B' (RIN: 0648-ZA79) Received June 20, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

3053	July 8, 2003	3170	July 14, 2003
Letter from the Secretary, Department of the Interior, transmitting the 2002 Annual Report for the Office of Surface Mining (OSM), pursuant to 30 U.S.C. 1211(f), 1267(g), and 1295.		Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - West Virginia Regulatory Program WV-098-FOR' Received July 1, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).	
3071	July 9, 2003	3171	July 14, 2003
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Texas Regulatory Program TX-043-FOR' Received July 1, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Pennsylvania Regulatory Program PA-128-FOR' Received July 1, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).	
3072	July 9, 2003	3172	July 14, 2003
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - North Dakota Regulatory Program SATS ND-46-FOR, Amendment No. XXXII' Received July 1, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Principal Deputy Associate Administrator, Environmental Protection Agency, transmitting the Agency's final rule - Change of Address for Submission of Certain Reports; Technical Amendment FRL-7513-8' Received July 7, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).	
3073	July 9, 2003	3173	July 14, 2003
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Illinois Regulatory Program IL-099-FOR' Received July 1, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Shallow-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska Docket No. 021122286-3036-02; I.D. 061803B' Received July 2, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).	
3074	July 9, 2003	3174	July 14, 2003
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Chiniak Gully Research Area Opening for the Groundfish Trawl Fisheries of the Gulf of Alaska Docket No. 020718172-2303-02; I.D. 061203D' Received June 30, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting The Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Revisions to Observer Coverage Requirements for Vessels and Shoreside Processors in the North Pacific Groundfish Fisheries; Correction Docket No. 011219306-2283-02; I.D. 110501A' (RIN: 0648-AM44) Received July 2, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).	
3075	July 9, 2003		
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Bluefin Tuna Catch Limit Adjustments I.D. 061103B' Received June 30, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 4259** **Sept. 15, 2003**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast Skate Complex (Skate) Fisheries; Skate Fishery Management Plan Docket No. 030519127-3190-02; I.D. 042403A' (RIN: 0648-AO10) Received September 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4260** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #2 - Adjustment of the Recreational Fishery from the Queets River to Cape Falcon, Oregon Docket No. 020430101-2101-01; I.D. 080503B' Received September 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4261** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Pacific Halibut Fisheries; Oregon Sport Fisheries Docket No. 030124019-3040-02; I.D. 073003C' Received September 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4262** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the Eastern Aleutian District of the Bering Sea and Aleutian Islands Docket No. 021122286-3036-02; I.D. 082003D' Received September 10, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4263** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska Docket No. 021122286-3036-02; I.D. 082603A' Received September 10, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4264** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel Harvest Limit Area Fisheries in Areas 542 and 543 Docket No. 021212307-3037-02; I.D. 081403D' Received September 10, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4265** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Reallocation of Pollock in the Bering Sea Subarea Docket No. 021212307-3037-02; I.D. 081503B' Received September 10, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4266** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Bering Sea and Aleutian Islands Docket No. 021212307-3037-02; I.D. 081403C' Received September 10, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4267** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Pelagic Shelf Rockfish in the Central Regulatory Area of the Gulf of Alaska Docket No. 021122286-3036-02; I.D. 073003A' Received September 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4268** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Groundfish Fisheries by Vessels using Hook-and-Line Gear in the Gulf of Alaska Docket No. 021122286-3036-02; I.D. 073003E' Received September 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 4269** **Sept. 15, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; License Limitation Program Docket No. 030417090-3183-02; I.D. 032403C' (RIN: 0648-AQ73) Received September 9, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4275** **Sept. 15, 2003**
Letter from the Assistant Secretary for Legislative Affairs, Department of State, transmitting modification to the certification that shrimp harvested with technology that may adversely affect certain sea turtles may not be imported into the United States unless the President makes specific certifications to the Congress by May 1, 1991, and annually thereafter, pursuant to Public Law 101-162 Section 609(b). Joint with the Committee on Appropriations.
- 4349** **Sept. 23, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Catching Pacific Cod for Processing by the Inshore Component in the Central Regulatory Area of the Gulf of Alaska Docket No. 021212306-2306-01; I.D. 090203A' Received September 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4350** **Sept. 23, 2003**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Non-Community Development Quota Pollock with Trawl Gear in the Chinook Salmon Savings Areas of the Bering Sea and Aleutian Islands Management Area Docket No. 021212307-3037-02; I.D. 080103C' Received September 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4351** **Sept. 23, 2003**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species Fisheries; Atlantic Bluefin Tuna I.D. 082203D' Received September 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4352** **Sept. 23, 2003**
Letter from the Deputy Director, Office of Protected Resources, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Taking and Importing Marine Mammals; Taking of Marine Mammals Incidental to Power Plant Operations Docket No. 021107268-2268-01; I.D. 102402A' (RIN: 0648-AQ54) Received September 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4353** **Sept. 23, 2003**
Letter from the Deputy Director, Office of Protected Resources, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Taking and Importing Marine Mammals; Taking Marine Mammals Incidental to Missile Launch Operations from San Nicolas Island, CA Docket No. 030421095-3202-02; I.D. 111902C' (RIN: 0648-AQ61) Received September 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4354** **Sept. 23, 2003**
Letter from the Office of Protected Resources, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Endangered and Threatened Wildlife; Sea Turtle Conservation Requirements Docket No. 030725185-3207-02; I.D. 071403B' (RIN: 0648-AR34) Received September 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4355** **Sept. 23, 2003**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Groundfish Fishery Management Measures; Corrections Docket No. 030828215-3215-01; I.D. 082103A' (RIN: 0648-AR47) Received September 17, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4356** **Sept. 23, 2003**
Letter from the Acting Division Chief, Office of Protected Resources, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Taking of Marine Mammals Incidental to Commercial Fishing Operations; Atlantic Large Whale Take Reduction Plan Regulations Docket No. 011120279-1311-02; I.D. 092401E' (RIN: 0648-AP68) Received September 16, 2003, pursuant to 5 U.S.C. 801(a)(1)(A).

Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Zone Off Alaska; Provisions of the American Fisheries Act Docket No. 030819206-4051-02; I.D. 020204A⁺ (RIN: 0648-AR42) Received March 23, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7334** **Mar. 30, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Catching Pacific Cod for Processing by the Inshore Component in the Western Regulatory Area of the Gulf of Alaska Docket No. 031126297-3297-01; I.D. 022304C⁺ Received March 23, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7335** **Mar. 30, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Pacific Halibut Fishery; Guideline Harvest Levels for the Guided Recreational Halibut Fishery Docket No. 011206293-3182-02; I.D. 020504A⁺ Received March 23, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7336** **Mar. 30, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska Docket No. 031126297-3297-01; I.D. 020204B⁺ Received March 23, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7348** **Mar. 30, 2004**
Letter from the Assistant Secretary for Legislative Affairs, Department of State, transmitting amended Fiscal Procedures Agreement and revised Article X of the Federal Programs and Services Agreement, as negotiated with the Federated States of Micronesia (FSM) so as to conform with sections 104(j) and 105(f) and (i) of the Compact of Free Association Amendments Act of 2003 (Pub. L. 108-188). Joint with the Committee on International Relations.
- 7469** **Apr. 1, 2004**
Letter from the Director, Office of Management and Budget, transmitting the second biennial report of all Federal programs related to ocean and coastal activities, pursuant to 33 U.S.C. 857-19 note Public Law 106-256, Section 5.
- 7470** **Apr. 1, 2004**
Letter from the Acting Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting a draft bill, the "National Heritage Partnership Act" to promote and enhance community and regional heritage conservation efforts and to establish a program of National Heritage Areas in the United States and for other purposes.
- 7518** **Apr. 2, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Deep-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska Docket No. 031125292-4061-02; I.D. 031504C⁺ Received March 31, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7519** **Apr. 2, 2004**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Zone Off Alaska; Pacific Cod by Catcher Vessels 60 Feet (18.3 M) Length Overall and Longer Using Hook-and-line Gear in the Bering Sea and Aleutian Islands Docket No. 031124287-4060-02; I.D. 031704C⁺ Received March 31, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7520** **Apr. 2, 2004**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Deep-Sea Red Crab Fishery Docket No. 031229327-4073-02; I.D. 121603B⁺ (RIN: 0648-AR58) Received March 26, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 7521** **Apr. 2, 2004**
Letter from the Deputy Director, Office of Protected Resources, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Taking and Importing Marine Mammals; Taking Marine Mammals Incidental to Space Vehicle and Test Flight Activities from Vandenberg Air Force Base (VAFB), CA Docket No. 031112277-4018-02; I.D. 080603B (RIN: 0648-AR70) Received March 30, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7522** **Apr. 2, 2004**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Gulf of Alaska; Final 2004 Harvest Specifications for Groundfish Docket No. 031125292-4061-02; I.D. 111703E Received March 25, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7523** **Apr. 2, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Species in the Rock Sole/Flatehead Sole/"Other Flatfish" Fishery Category by Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands Management Area Docket No. 031126295-3295-01; I.D. 022304D Received March 25, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7524** **Apr. 2, 2004**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Bering Sea and Aleutian Islands; Final 2004 Harvest Specifications for Groundfish Docket No. 031124287-4060-02; I.D. 111703C Received March 25, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7525** **Apr. 2, 2004**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Pacific Halibut Fisheries; Catch Sharing Plan Docket No. 040217059-4059-01; I.D. 021004A (RIN: 0648-AR95) Received March 25, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7526** **Apr. 2, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Zone Off Alaska; Pollock in Statistical Area 610 of the Gulf of Alaska Docket No. 031125292-4061-02; I.D. 031204A Received March 30, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7527** **Apr. 2, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher/Processor Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands Management Area Docket No. 031124287-4060-02; I.D. 031204B Received March 30, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7528** **Apr. 2, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher/Processor Vessels Using Hook-and-line Gear in the Bering Sea and Aleutian Islands Management Area Docket No. 031124287-4060-02; I.D. 031104A Received March 30, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7529** **Apr. 2, 2004**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Zone Off Alaska; Pacific Cod by Catcher Vessels Less Than 60 Ft. (18.3 m) LOA Using Jig or Hook-and-Line Gear in the Bogoslof Pacific Cod Exemption Area in the Bering Sea and Aleutian Islands Area Docket No. 020718172-2303-02; I.D. 030804B Received March 30, 2004, pursuant to 5 U.S.C. 801(a)(1)(A).

MEMORIALS REFERRED TO THE COMMITTEE ON RESOURCES

306 **Apr. 22, 2004**

Memorial of the Legislature of the State of Idaho, relative to House Joint Resolution No. 27 memorializing the United States Government to conduct salmon survival evaluations in the 2004 spill year, the goal of which should be to determine if it is possible to achieve the same or greater levels of survival and biological benefit to migrating fish as is currently achieved while reducing the amount of water spilled, thus decreasing the adverse impacts on the region's power supply.

315 **Apr. 22, 2004**

Memorial of the Legislature of the State of Idaho, relative to Senate Joint Memorial No. 110 memorializing the congressional delegation representing the state of Idaho to work toward enactment of the Clearwater Basin Project Act.

316 **Apr. 22, 2004**

Memorial of the Legislature of the State of Idaho, relative to Senate Joint Memorial No. 107 memorializing the United States Congress to preserve access to, and the historic use of, backcountry airstrips by introducing into Congress legislation which will preserve backcountry landing strips on currently-owned federal lands and any future federal acquisition of lands.

320 **May 6, 2004**

Memorial of the Senate of the State of Georgia, relative to Senate Resolution No. 755 memorializing the Congress of the United States to consider creating a national preserve or other similar federal property to protect land and other natural resources in a continuous corridor of the Ocmulgee and Altamaha Rivers in central and south Georgia.

321 **May 6, 2004**

Memorial of the General Assembly of the State of Iowa, relative to Senate Resolution No. 148 memorializing the Congress of the United States to authorize and appropriate funding to the National Park Service to assist state and local governments and private landowners in developing a comprehensive plan to preserve and restore the Loess Hills in Iowa.

335 **May 20, 2004**

Memorial of the Senate of the State of Hawaii, relative to Senate Resolution No. 87 recognizing Native Hawaiians as traditional, indigenous knowledge holders and recognizing their collective intellectual property rights.

345 **June 1, 2004**

Memorial of the House of Representatives of the State of Georgia, relative to House Resolution No. 1256 memorializing the Congress of the United States to consider creating a national preserve or other similar federal property to protect land and other natural resources and promote hunting and fishing in a continuous corridor of the Ocmulgee and Altamaha Rivers in central and south Georgia.

346 **June 1, 2004**

Memorial of the General Assembly of the State of Ohio, relative to House Concurrent Resolution No. 31 memorializing the Congress of the United States to reauthorize abandoned mine land fee collection authority, to disperse shares of that fee without an appropriation, to release the unappropriated balance in the Abandoned Mine Land Fund, and to consider reevaluating the administration of the Abandoned Mine Land Reclamation Program and the Fund.

347 **June 1, 2004**

Memorial of the House of Representatives of the Commonwealth of Kentucky, relative to House Resolution No. 263 memorializing members of the respective chambers of the Congress of the United States to cosponsor H.R. 2327 and S. 2018 of the 108th Congress of the United States to extend the length of the Lewis and Clark National Historic Trail.

348 **June 1, 2004**

Memorial of the Senate of the Commonwealth of Kentucky, relative to Senate Resolution No. 224 memorializing members of the respective chambers of the Congress of the United States to cosponsor H.R. 2327 and S. 2018 of the 108th Congress of the United States to extend the length of the Lewis and Clark National Historic Trail.

388 **July 13, 2004**

Memorial of the Legislature of the State of Arizona, relative to House Concurrent Memorial 2011 memorializing the Congress of the United States to authorize a land trade within accident potential zones of Luke Air Force Base and outside the boundaries of Yuma Army Proving Ground.

MEMORIALS REFERRED TO THE COMMITTEE ON RESOURCES

400 **July 19, 2004**

Memorial of the Legislature of the State of Hawaii, relative to Senate Concurrent Resolution No. 167 recognizing Native Hawaiians as traditional, indigenous knowledge holders and recognizing their collective intellectual property rights.

406 **July 19, 2004**

Memorial of the Senate of the State of Michigan, relative to Senate Resolution No. 171 memorializing the Congress of the United States and the federal government to work with Michigan officials to align the ownership of mineral rights and surface rights on state and federal lands in Michigan. Joint with the Committee on Agriculture.

417 **July 22, 2004**

Memorial of the Senate of the State of Alaska, relative to Senate Resolution No. 4 memorializing the Congress of the United States to amend the federal Wilderness Act to authorize fishery enhancement programs and similar activities in wilderness areas.

451 **Oct. 6, 2004**

Memorial of the Legislature of the State of Louisiana, relative to Senate Concurrent Resolution No. 159 memorializing the Congress of the United States to review federal laws, rules, and procedures affecting coastal wetlands activities and permitting in Louisiana, in order to promote effective stewardship by enhancing cooperation and effective communication between federal agencies and Louisiana state and local agencies. Joint with the Committee on Transportation and Infrastructure.

454 **Oct. 8, 2004**

Memorial of the Legislature of the State of California, relative to Assembly Joint Resolution No. 65 expressing support for the resolution of the ongoing negotiations between the Soboba Band of Luiseno Indians, the Eastern Municipal Water District and the Lake Hemet Municipal Water District, the Metropolitan Water District of Southern California, and the United States Department of the Interior to reach a water and land settlement that is consistent with federal law, memorializing the United States Department of the Interior to give its full support to the settlement legislation, and memorializing the United States Congress to pass that legislation.

455 **Oct. 8, 2004**

Memorial of the Legislature of the Commonwealth of Puerto Rico, relative to Senate Concurrent Resolution No. 107 consigning the public policy of the Legislature of Puerto Rico in facing and attending to the urgent need to review the political relations between Puerto Rico and the United States through a Constitutional Assembly on Status elected by the people in the exercise of the national right to self-determination and sovereignty, and to initiate its organizational process.

460 **Nov. 18, 2004**

Memorial of the Legislature of the Commonwealth of Puerto Rico, relative to Senate Concurrent Resolution No. 107 memorializing the Congress of the United States to consign the public policy of the Legislature of Puerto Rico in facing and attending to the urgent need to review the political relations between Puerto Rico and the United States through a Constitutional Convention on Status elected by the people in the exercise of the natural rights to self-determination and sovereignty, and to initiate its organizational process.

463 **Nov. 19, 2004**

Memorial of the Senate of the Commonwealth of the Mariana Islands, relative to Senate Resolution No. 14-26, extending congratulations and appreciation to Juan S. Reyes, Chairman of the Republican Party of the NMI for his professional dedication and untiring efforts to secure membership for the NMI Republican Party at the national level and to encourage other local political parties to seek similar national recognition.

SUBJECT INDEX

ALABAMA

H.R. 2520 **June 19, 2003**

To authorize the Secretary of the Interior to acquire by donation certain property in Alabama to provide for the protection and preservation of certain rare paleontological resources on that property, and for other purposes.

H.R. 2623 **June 26, 2003**

To provide for the expansion of the Cahaba River National Wildlife Refuge in Bibb County, Alabama.

H.R. 4913 **July 22, 2004**

To provide for the protection and preservation of certain rare paleontological resources on the former Union Chapel Mine site in Alabama, and for other purposes.

ALASKA

H.R. 39 **Jan. 7, 2003**

To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 770 **Feb. 13, 2003**

To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

S. 924 **Apr. 11, 2003**

To authorize the exchange of lands between an Alaska Native Village Corporation and the Department of the Interior, and for other purposes.

H.R. 950 **Feb. 26, 2003**

To expand Alaska Native contracting of Federal land management functions and activities and to promote hiring of Alaska Natives by the Federal Government within the State of Alaska, and for other purposes.

H.R. 951 **Feb. 26, 2003**

To amend the Alaska Native Claims Settlement Act to provide for equitable allotment of lands to Alaska Native veterans.

H.R. 958 **Feb. 27, 2003**

To authorize certain hydrographic services programs, to name a cove in Alaska in honor of the late Able Bodied Seaman Eric Steiner Koss, and for other purposes.

H.R. 979 **Feb. 27, 2003**

To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

S. 1421 **July 16, 2003**

To authorize the subdivision and dedication of restricted land owned by Alaska Natives.

S. 1466 **July 25, 2003**

To facilitate the transfer of land in the State of Alaska, and for other purposes.

H.R. 1797 **Apr. 11, 2003**

To ensure that exports of Alaskan North Slope crude oil are prohibited.

H.R. 1899 **Apr. 30, 2003**

To resolve certain conveyances and provide for alternative land selections under the Alaska Native Claims Settlement Act related to Cape Fox Corporation and Sealaska Corporation, and for other purposes.

SUBJECT INDEX

ALASKA—Continued

H.R. 2278 **May 22, 2003**

To establish the Kenai Mountains-Turnagain Arm National Heritage Corridor in the State of Alaska, and for other purposes.

H.R. 3427 **Oct. 30, 2003**

To authorize a land conveyance between the United States and the City of Craig, Alaska, and for other purposes.

H.R. 4514 **June 4, 2004**

To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, and for other purposes.

H.R. 4515 **June 4, 2004**

To promote natural gas production from the abundant natural gas hydrate resources on the outer Continental Shelf and Federal lands in Alaska by providing royalty incentives, and for other purposes.

H.R. 4549 **June 14, 2004**

To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, to resolve outstanding issues relating to the Surface Mining Control and Reclamation Act of 1977, to benefit the coal miners of America, to make related technical changes, and for other purposes.

H.R. 4602 **June 16, 2004**

To authorize the subdivision and dedication of restricted land owned by Alaska Natives.

AQUACULTURE

H. Res. 301 **June 26, 2003**

Expressing the sense of the House of Representatives that the Federal Government should actively pursue a unified approach to strengthen and promote the national policy on aquaculture.

H. Res. 308 **July 8, 2003**

Expressing the sense of the House of Representatives that the Federal Government should actively pursue a unified approach to strengthen and promote the national policy on aquaculture.

H.R. 3320 **Oct. 16, 2003**

To improve migratory bird management by the Animal and Plant Health Inspection Service of the Department of Agriculture, and for other purposes.

AQUATIC NUISANCE PREVENTION

H.R. 1080 **Mar. 5, 2003**

To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

ARCHAEOLOGICAL RESEARCH/SITES

S. 210 **Jan. 23, 2003**

To provide for the protection of archaeological sites in the Galisteo Basin in New Mexico, and for other purposes.

H.R. 506 **Jan. 29, 2003**

To provide for the protection of archaeological sites in the Galisteo Basin in New Mexico, and for other purposes.

S. 643 **Mar. 18, 2003**

To authorize the Secretary of the Interior, in cooperation with the University of New Mexico, to construct and occupy a portion of the Hibben Center for Archaeological Research at the University of New Mexico.

H.R. 4527 **June 8, 2004**

To enhance the criminal penalties for illegal trafficking of archaeological resources, and for other purposes.

ARIZONA

H.R. 495 **Jan. 29, 2003**

To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.

SUBJECT INDEX

ARIZONA—Continued

H.R. 622 **Feb. 5, 2003**

To provide for the exchange of certain lands in the Coconino and Tonto National Forests in Arizona, and for other purposes.

H.R. 788 **Feb. 13, 2003**

To revise the boundary of the Glen Canyon National Recreation Area in the States of Utah and Arizona.

H.R. 842 **Feb. 13, 2003**

To provide for the conveyance of certain Federal lands administered by the Bureau of Land Management in Maricopa County, Arizona, in exchange for private lands located in Yavapai County, Arizona, and for other purposes.

H.R. 885 **Feb. 25, 2003**

To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.

H.R. 1577 **Apr. 2, 2003**

To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.

H.R. 1630 **Apr. 3, 2003**

To revise the boundary of the Petrified Forest National Park in the State of Arizona, and for other purposes.

H.R. 2907 **July 25, 2003**

To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.

H.R. 2941 **July 25, 2003**

To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.

H.R. 3102 **Sept. 16, 2003**

To utilize the expertise of New Mexico State University, the University of Arizona, and Northern Arizona University in conducting studies under the National Environmental Policy Act of 1969 in connection with the grazing allotments and range and continuing range analysis for National Forest System lands in New Mexico and Arizona, and for other purposes.

H.R. 3337 **Oct. 17, 2003**

To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.

H.R. 4240 **Apr. 28, 2004**

To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.

H.R. 4461 **May 20, 2004**

To direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study of certain land adjacent to the Walnut Canyon National Monument in the State of Arizona.

H.R. 4943 **July 22, 2004**

To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona for the purpose of consolidating Federal land ownership within the boundaries of the Ironwood Forest National Monument and the Las Cienegas National Conservation Area, and for other purposes.

H.R. 5237 **Oct. 6, 2004**

To authorize the placement of an equestrian statue depicting frontiersman, explorer, and missionary Jacob Hamblin on the grounds of the Forest Service Kaibab Plateau Visitor Center in Jacob Lake, Arizona, and for other purposes.

ARKANSAS

SUBJECT INDEX

H.R. 3744 **Jan. 28, 2004**

To authorize the Secretary of Agriculture to sell or exchange all or part of certain administrative sites and other land in the Ozark-St. Francis and Ouachita National Forests and to use funds derived from the sale or exchange to acquire, construct, or improve administrative sites, and for other purposes.

H.R. 3997 **Mar. 18, 2004**

To direct the Secretary of Agriculture to convey to the New Hope Cemetery Association a small parcel of National Forest System land in the State of Arkansas for use as a cemetery.

AVIATION

H.R. 2776 **July 17, 2003**

To help ensure general aviation aircraft access to Federal land and to the airspace over that land.

BLM LANDS

H.R. 353 **Jan. 27, 2003**

To direct the Secretary of the Interior to dispose of all public lands administered by the Bureau of Land Management that have been identified for disposal under the Federal land use planning process.

H.R. 514 **Jan. 31, 2003**

To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.

H.R. 842 **Feb. 13, 2003**

To provide for the conveyance of certain Federal lands administered by the Bureau of Land Management in Maricopa County, Arizona, in exchange for private lands located in Yavapai County, Arizona, and for other purposes.

H.R. 3846 **Feb. 26, 2004**

To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.

BONDING REGULATIONS

H.R. 1062 **Mar. 4, 2003**

To require the Secretary of the Interior to make reimbursement for certain damages incurred as a result of bonding regulations adopted by the Bureau of Land Management on February 28, 1997, and subsequently determined to be in violation of Federal law.

CALIFORNIA

H.R. 74 **Jan. 7, 2003**

To direct the Secretary of Agriculture to convey certain land in the lake Tahoe Basin Management Unit, Nevada, to the Secretary of the Interior, in trust for the Washoe Indian Tribe of Nevada and California.

S. 302 **Feb. 5, 2003**

To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.

H.R. 309 **Jan. 8, 2003**

To direct the Secretary of the Interior to conduct a study to determine the feasibility of increasing the capacity of water storage, increasing power generation, improving water supply reliability and quality, improving water management efficiency, and improving ecosystem function and flood control on the San Joaquin River through the construction of a reservoir at Temperance Flat and other reasonable measures.

S. 347 **Feb. 11, 2003**

To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area, and for other purposes.

H.R. 379 **Jan. 27, 2003**

To facilitate a Forest Service land exchange that will eliminate a private in-holding in the Sierra National Forest in the State of California and provide for the permanent enjoyment by the Boy Scouts of America of a parcel of National Forest System land currently used under a special use permit, and for other purposes.

SUBJECT INDEX

CALIFORNIA—Continued

H.R. 519 **Jan. 31, 2003**

To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.

H.R. 620 **Feb. 5, 2003**

To authorize the Secretary of the Interior to provide supplemental funding and other services that are necessary to assist the State of California or local educational agencies in California in providing educational services for students attending schools located within the Park.

H.R. 704 **Feb. 11, 2003**

To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the area known as the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area in the State of California, and for other purposes.

H.R. 708 **Feb. 11, 2003**

To require the conveyance of certain National Forest System lands in Mendocino National Forest, California, to provide for the use of the proceeds from such conveyance for National Forest purposes, and for other purposes.

H.R. 907 **Feb. 25, 2003**

To direct the Secretary of the Interior to complete a special resource study of the national significance, suitability, and feasibility of establishing Highway 49 in California, known as the "Golden Chain Highway", as a National Heritage Corridor.

H.R. 1060 **Mar. 4, 2003**

To provide for an exchange of lands with the United Water Conservation District of California to eliminate private inholdings in the Los Padres National Forest, and for other purposes.

H.R. 1156 **Mar. 6, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project.

H.R. 1230 **Mar. 12, 2003**

To provide an environmentally sound process for the expeditious consideration and approval of a high-voltage electricity transmission line right-of-way through the Trabuco Ranger District of the Cleveland National Forest in the State of California and adjacent lands under the jurisdiction of the Bureau of Land Management and the Forest Service.

H.R. 1284 **Mar. 13, 2003**

To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to increase the Federal share of the costs of the San Gabriel Basin demonstration project.

H.R. 1446 **Mar. 26, 2003**

To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.

H.R. 1501 **Mar. 27, 2003**

To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

H.R. 1648 **Apr. 7, 2003**

To authorize the Secretary of the Interior to convey certain water distribution systems of the Cachuma Project, California, to the Carpinteria Valley Water District and the Montecito Water District.

H.R. 1651 **Apr. 7, 2003**

To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.

H.R. 1794 **Apr. 11, 2003**

To authorize the Secretary of the Interior to construct and rehabilitate Federal water supply lines associated with Folsom Dam in California, and for other purposes.

S. 2567 **June 23, 2004**

To adjust the boundary of Redwood National Park in the State of California.

SUBJECT INDEX

CALIFORNIA—Continued

H.R. 2599 **June 25, 2003**

To direct the Secretary of the Interior to quitclaim to Yuba River Properties certain land in Yuba County, California, so as to extinguish a claim of title asserted by the Department of the Interior.

H.R. 2991 **Sept. 3, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga County Water District recycling project.

H.R. 3187 **Sept. 25, 2003**

To require a temporary moratorium on leasing, exploration, and development on lands of the Outer Continental Shelf off the State of California, and for other purposes.

H.R. 3325 **Oct. 16, 2003**

To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 3326 **Oct. 16, 2003**

To extend the King Range National Conservation Area boundary in the State of California to include the Mill Creek, Squaw Creek, and Indian Creek Forests.

H.R. 3327 **Oct. 16, 2003**

To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.

H.R. 3334 **Oct. 17, 2003**

To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.

H.R. 3529 **Nov. 19, 2003**

To direct the Secretary of the Interior to cancel certain Bureau of Land Management leases that authorize extraction of sand and gravel from the Federal mineral estate in lands in Soledad Canyon adjacent to the City of Santa Clarita, California, and for other purposes.

H.R. 3597 **Nov. 21, 2003**

To authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on the Alder Creek water storage and conservation project in El Dorado County, California, and for other purposes.

H.R. 3638 **Nov. 21, 2003**

To adjust the boundary of Redwood National Park in the State of California, and for other purposes.

H.R. 3805 **Feb. 11, 2004**

To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.

H.R. 3874 **Mar. 2, 2004**

To convey for public purposes certain Federal lands in Riverside County, California, that have been identified for disposal.

H.R. 3900 **Mar. 4, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of permanent facilities for the GREAT project to reclaim, reuse, and treat impaired waters water in the area of Oxnard, California.

H.R. 3932 **Mar. 10, 2004**

To amend Public Law 99-338 to authorize the continued use of certain lands within the Sequoia National Park by portions of an existing hydroelectric project.

H.R. 3945 **Mar. 11, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of a project to reclaim and reuse wastewater within and outside of the service area of the City of Corona Water Utility, California.

SUBJECT INDEX

CALIFORNIA—Continued

H.R. 3954 **Mar. 11, 2004**

To authorize the Secretary of the Interior to resolve boundary discrepancies in San Diego County, California, arising from an erroneous survey conducted by a Government contractor in 1881 that resulted in overlapping boundaries for certain lands, and for other purposes.

H.R. 4045 **Mar. 25, 2004**

To authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River, and for other purposes.

H.R. 4300 **May 6, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

H.R. 4389 **May 19, 2004**

To authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California, and for other purposes.

H.R. 4459 **May 20, 2004**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

H.R. 4469 **May 20, 2004**

To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

H.R. 4580 **June 15, 2004**

To remove certain restrictions on the Mammoth Community Water District's ability to use certain property acquired by that District from the United States.

H.R. 4606 **June 17, 2004**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

H.R. 4617 **June 18, 2004**

To amend the Small Tracts Act to facilitate the exchange of small tracts of land, and for other purposes.

H.R. 4716 **June 25, 2004**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating Ballona Bluff, located in Los Angeles, California, as a unit of the National Park System, and for other purposes.

H.R. 4791 **July 9, 2004**

To direct the Secretary of the Interior to conduct a feasibility study to design and construct a three-reservoir intertie system for the purposes of improving the water supply reliability and water yield of San Vicente, El Capitan, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the Sweetwater Authority, and for other purposes.

H.R. 4817 **July 12, 2004**

To facilitate the resolution of a minor boundary encroachment on lands of the Union Pacific Railroad Company in Tipton, California, which were originally conveyed by the United States as part of the right-of-way granted for the construction of transcontinental railroads.

H.R. 4907 **July 22, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.

H.R. 5158 **Sept. 28, 2004**

To clarify the authorities for the use of certain National Park Service properties within Golden Gate National Recreation Area and San Francisco Maritime National Historical Park, and for other purposes.

SUBJECT INDEX

CALIFORNIA—Continued

H.R. 5231 **Oct. 6, 2004**

To designate the Piedras Blancas Light Station and the surrounding public land as an Outstanding Natural Area to be administered as a part of the National Landscape Conservation System, and for other purposes.

CHRONIC WASTING DISEASE

H.R. 2430 **June 11, 2003**

To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.

H.R. 2431 **June 11, 2003**

To establish a National Chronic Wasting Disease Task Force, and for other purposes.

H.R. 2636 **June 26, 2003**

To authorize the Secretary of the Interior to make grants to State and tribal governments to assist State and tribal efforts to manage and control the spread of chronic wasting disease in deer and elk herds, and for other purposes.

COASTAL BARRIER RESOURCES

H.R. 154 **Jan. 7, 2003**

To exclude certain properties from the John H. Chafee Coastal Barrier Resources System.

S. 1066 **May 14, 2003**

To correct a technical error from Unit T-07 of the John H. Chafee Coastal Barrier Resources System.

S. 1643 **Sept. 23, 2003**

To exempt certain coastal barrier property from financial assistance and flood insurance limitations under the Coastal Barriers Resources Act and the National Flood Act of 1968.

S. 1663 **Sept. 25, 2003**

To replace certain Coastal Barrier Resources System maps.

H.R. 2501 **June 18, 2003**

To clarify the boundaries of Coastal Barrier Resources System Cape Fear Unit NC-07P.

H.R. 3056 **Sept. 10, 2003**

To clarify the boundaries of the John H. Chafee Coast Barrier Resources System Cedar Keys Unit P25 on Otherwise Protected Area P25P.

H.R. 3333 **Oct. 17, 2003**

To exempt certain coastal barrier areas in Florida from limitations on Federal expenditures and financial assistance under the Coastal Barriers Resources Act, and limitations on flood insurance coverage under the National Flood Insurance Act of 1968.

H.R. 5333 **Oct. 8, 2004**

To replace a Coastal Barrier Resources System map relating to Coastal Barrier Resources System Grayton Beach Unit FL-95P in Walton County, Florida.

H.R. 5412 **Nov. 19, 2004**

To correct maps depicting Unit T-10 of the John H. Chafee Coastal Barrier Resources System.

COASTAL ZONE MANAGEMENT

H.R. 1025 **Feb. 27, 2003**

To amend the Coastal Zone Management Act of 1972 to establish the National Estuarine Reserve System, and for other purposes.

H.R. 1026 **Feb. 27, 2003**

To amend the Coastal Zone Management Act of 1972 to reauthorize coastal services, training, education, and technical support programs of the National Oceanic and Atmospheric Administration, to establish a performance evaluation system for such administration, and for other purposes.

SUBJECT INDEX

COASTAL ZONE MANAGEMENT—Continued

H.R. 1028 **Feb. 27, 2003**

To amend the Coastal Zone Management Act of 1972 to authorize grants to coastal States under that Act, and for other purposes.

H.R. 1183 **Mar. 11, 2003**

To promote the Sensible Development of Renewable Energy in the Waters of the Coastal Zone, and for other purposes.

COLORADO

H.R. 639 **Feb. 5, 2003**

To amend the Act of March 3, 1875, to permit the State of Colorado to use land held in trust by the State as open space, and for other purposes.

H.R. 640 **Feb. 5, 2003**

To designate as wilderness certain lands within the Rocky Mountain National Park in the State of Colorado.

S. 677 **Mar. 20, 2003**

To revise the boundary of the Black Canyon of the Gunnison National Park and Gunnison Gorge National Conservation Area in the State of Colorado, and for other purposes.

H.R. 750 **Feb. 12, 2003**

To provide for a study of options for protecting the open space characteristics of certain lands in and adjacent to the Arapaho and Roosevelt National Forests in Colorado, and for other purposes.

H.R. 1058 **Mar. 4, 2003**

To provide for an exchange of certain private property in Colorado and certain Federal property in Utah.

H.R. 1399 **Mar. 20, 2003**

To revise the boundary of the Black Canyon of the Gunnison National Park and Gunnison Gorge National Conservation Area in the State of Colorado, and for other purposes.

H.R. 1484 **Mar. 27, 2003**

To provide for the implementation of air quality programs developed in accordance with an Intergovernmental Agreement between the Southern Ute Indian Tribe and the State of Colorado concerning Air Quality Control on the Southern Ute Indian Reservation, and for other purposes.

H.R. 2102 **May 14, 2003**

To provide a cost-sharing requirement for the construction of the Arkansas Valley Conduit in the State of Colorado.

S. 2181 **Mar. 9, 2004**

To adjust the boundary of Rocky Mountain National Park in the State of Colorado.

S. 2181 **Mar. 9, 2004**

To adjust the boundary of Rocky Mountain National Park in the State of Colorado.

H.R. 2305 **June 3, 2003**

To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.

H.R. 2766 **July 17, 2003**

To direct the Secretary of Agriculture to exchange certain lands in the Arapaho and Roosevelt National Forests in the State of Colorado.

H.R. 2955 **July 25, 2003**

To establish the Rio Grande Outstanding Natural Area in the State of Colorado, and for other purposes.

H.R. 4691 **June 24, 2004**

To authorize the Secretary of the Interior to engage in a feasibility study relating to long-term water needs for the area served by the Fryingpan-Arkansas Project, Colorado, and for other purposes.

H.R. 5142 **Sept. 23, 2004**

To authorize and direct the exchange of certain lands in the State of Colorado, and for other purposes.

SUBJECT INDEX

CONNECTICUT

S. 233 **Jan. 29, 2003**

To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.

H.R. 437 **Jan. 29, 2003**

To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.

H.R. 1798 **Apr. 11, 2003**

To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.

H.R. 2479 **June 16, 2003**

To authorize the Secretary of the Interior to provide to the States of Connecticut and Massachusetts technical and financial assistance for management of the Connecticut River in those States.

H.R. 4070 **Mar. 30, 2004**

To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

COUNCIL ON ENVIRONMENTAL QUALITY (CEQ)

H.R. 748 **Feb. 12, 2003**

To require the Council on Environmental Quality to conduct a study on urban sprawl and smart growth, and to ensure the consideration by Federal agencies of urban sprawl in the preparation of their environmental reviews under the National Environmental Policy Act of 1969.

H.R. 3164 **Sept. 24, 2003**

To provide for reduction of the Federal budget deficit by reducing wasteful government spending.

H.R. 3585 **Nov. 21, 2003**

To require the Secretary of Transportation to develop and implement an environmental review process for safety emergency highway projects.

DESALINATION

H.R. 3834 **Feb. 25, 2004**

To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

DINGELL-JOHNSON SPORT FISH RESTORATION

S. 2495 **June 3, 2004**

To strike limitations on funding and extend the period of authorization for certain coastal wetland conservation projects.

H.R. 3087 **Sept. 16, 2003**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3088 **Sept. 16, 2003**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3783 **Feb. 10, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3850 **Feb. 26, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

SUBJECT INDEX

**DINGELL-JOHNSON SPORT FISH
RESTORATION—Continued**

H.R. 5184 **Sept. 29, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

DUCK STAMPS

H.R. 4685 **June 24, 2004**

To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

DROUGHT

H.R. 2871 **July 24, 2003**

To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

EARTHQUAKE HAZARDS REDUCTION

H.R. 2608 **June 26, 2003**

To reauthorize the National Earthquake Hazards Reduction Program, and for other purposes.

ECOSYSTEM PROTECTION

H.R. 1105 **Mar. 5, 2003**

To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H. Res. 606 **Apr. 22, 2004**

Commending Kankakee County, the Kankakee River Basin Partnership, the Illinois Department of Natural Resources (IDNR), The Nature Conservancy (TNC), the Illinois Clean Energy Community Foundation, and local citizens for their work in preserving the Kankakee Sands Ecosystem in Kankakee County, Illinois.

EEZ

H.R. 1690 **Apr. 9, 2003**

To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.

ENDANGERED SPECIES

H. Res. 431 **Nov. 4, 2003**

Honoring the achievements of Siegfried and Roy, recognizing the impact of their efforts on the conservation of endangered species both domestically and worldwide, and wishing Roy Horn a full and speedy recovery.

H. Res. 480 **Dec. 8, 2003**

To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.

H.R. 1194 **Mar. 11, 2003**

To amend the Endangered Species Act of 1973 to enable Federal agencies responsible for the preservation of threatened species and endangered species to rescue and relocate members of any of those species that would be taken in the course of certain reconstruction, maintenance, or repair of Federal or non-Federal manmade flood control levees.

H.R. 1235 **Mar. 12, 2003**

To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.

H.R. 1253 **Mar. 12, 2003**

To amend the Endangered Species Act of 1973 to establish special requirements for determining whether the Preble's meadow jumping mouse is an endangered species or threatened species.

SUBJECT INDEX

ENDANGERED SPECIES—Continued

H.R. 1662 **Apr. 8, 2003**

To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

H.R. 1835 **Apr. 29, 2003**

To amend the Endangered Species Act of 1973 to limit designation as critical habitat of areas owned or controlled by the Department of Defense, and for other purposes.

H.R. 1965 **May 6, 2003**

To amend the Endangered Species Act of 1973 to limit the application of that Act with respect to actions on military land or private land and to provide incentives for voluntary habitat maintenance, and for other purposes.

H.R. 2602 **June 25, 2003**

To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.

H.R. 2933 **July 25, 2003**

To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

H.R. 4466 **May 20, 2004**

To amend the Endangered Species Act of 1973 to exclude the Preble's Meadow Jumping Mouse from lists of endangered species and threatened species published under that Act.

H.R. 4475 **June 1, 2004**

To amend the Endangered Species Act of 1973 to focus conservation efforts under that Act on the 109 species most in danger of extinction, and for other purposes.

H.R. 5096 **Sept. 15, 2004**

To assist in the conservation of flagship species throughout the world.

ENERGY

H.R. 6 **Apr. 7, 2003**

To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.

H.R. 39 **Jan. 7, 2003**

To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 238 **Jan. 8, 2003**

To provide for Federal energy research, development, demonstration, and commercial application activities, and for other purposes.

H.R. 1183 **Mar. 11, 2003**

To promote the Sensible Development of Renewable Energy in the Waters of the Coastal Zone, and for other purposes.

H.R. 1335 **Mar. 18, 2003**

To establish a program to provide funds for deployment of fuel cell and hydrogen infrastructure at National Parks, and for other purposes.

H.R. 1644 **Apr. 7, 2003**

To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.

H.R. 4500 **June 3, 2004**

To provide for energy research and development.

H.R. 4503 **June 3, 2004**

To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.

SUBJECT INDEX

ENERGY—Continued

H.R. 4513 **June 4, 2004**

To provide that in preparing an environmental assessment or environmental impact statement required under section 102 of the National Environmental Policy Act of 1969 with respect to any action authorizing a renewable energy project, no Federal agency is required to identify alternative project locations or actions other than the proposed action and the no action alternative, and for other purposes.

H.R. 4514 **June 4, 2004**

To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, and for other purposes.

H.R. 4529 **June 9, 2004**

To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, to resolve outstanding issues relating to the Surface Mining Control and Reclamation Act of 1977, to benefit the coal miners of America, and for other purposes.

H.R. 4549 **June 14, 2004**

To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, to resolve outstanding issues relating to the Surface Mining Control and Reclamation Act of 1977, to benefit the coal miners of America, to make related technical changes, and for other purposes.

ENVIRONMENTAL HAZARDS

H.R. 834 **Feb. 13, 2003**

To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

ENVIRONMENTAL HEALTH

H.R. 852 **Feb. 13, 2003**

To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

ENVIRONMENTAL POLICY

S. 163 **Jan. 15, 2003**

To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.

H.R. 421 **Jan. 28, 2003**

To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.

H.R. 654 **Feb. 7, 2003**

To require the head of each Federal agency in the Department of the Interior to consider whether actions of the agency have any disparate impact on any member of a racial, ethnic, or religious minority.

FEDERAL LAND MANAGEMENT

H.R. 67 **Jan. 7, 2003**

To provide temporary legal exemptions for certain land management activities of the Federal land management agencies undertaken in federally declared disaster areas.

H.R. 353 **Jan. 27, 2003**

To direct the Secretary of the Interior to dispose of all public lands administered by the Bureau of Land Management that have been identified for disposal under the Federal land use planning process.

S. 931 **Apr. 29, 2003**

To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on visitors to units of the National Park System and on other recreational users of public land.

H.R. 1014 **Feb. 27, 2003**

To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.

SUBJECT INDEX

FEDERAL LAND MANAGEMENT—Continued

H.R. 1595 **Apr. 3, 2003**

To further cooperation and support among Federal land managers and designated gateway communities where the results of such cooperation and support are likely to be mutually beneficial, and for other purposes.

H.R. 2707 **July 10, 2003**

To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.

H.R. 2966 **July 25, 2003**

To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

FEES

H.R. 420 **Jan. 28, 2003**

To establish a user fee system that provides for an equitable return to the Federal Government for the occupancy and use of National Forest System lands and facilities by organizational camps that serve the youth and disabled adults of America, and for other purposes.

H.R. 762 **Feb. 13, 2003**

To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts.

S. 1107 **May 22, 2003**

To enhance the Recreational Fee Demonstration Program for the National Park Service, and for other purposes.

H.R. 3283 **Oct. 8, 2003**

To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.

FISHERIES

H. Res. 30 **Jan. 27, 2003**

Concerning the San Diego long-range sportfishing fleet and rights to fish the waters near the Revillagigedo Islands of Mexico.

H.R. 155 **Jan. 7, 2003**

To support the domestic shrimping industry by eliminating taxpayer subsidies for certain competitors, and for other purposes.

H.R. 1024 **Feb. 27, 2003**

To establish in the National Marine Fisheries Service a pelagic longline highly migratory species bycatch and mortality reduction research program, and for other purposes.

H.R. 1097 **Mar. 5, 2003**

To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1286 **Mar. 13, 2003**

To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.

S. 1307 **June 20, 2003**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to assist in the implementation of fish passage and screening facilities at non-Federal water projects, and for other purposes.

H.R. 1945 **May 1, 2003**

To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.

SUBJECT INDEX

FISHERIES—Continued

H.R. 2048 **May 9, 2003**

To extend the period for reimbursement under the Fishermen's Protective Act of 1967, and to reauthorize the Yukon River Restoration and Enhancement Fund.

H.R. 2142 **May 15, 2003**

To amend the Marine Mammal Protection Act of 1972 to repeal the long-term goal for reducing to zero the incidental mortality and serious injury of marine mammals in commercial fishing operations, and to modify the goal of take reduction plans for reducing such takings.

H.R. 2406 **June 10, 2003**

To support the domestic shrimping industry by eliminating taxpayer subsidies for certain competitors, and for other purposes.

H.R. 2500 **June 17, 2003**

To enable the Great Lakes Fishery Commission to investigate effects of migratory birds on sustained productivity of stocks of fish of common concern in the Great Lakes.

H.R. 2621 **June 26, 2003**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.

H.R. 2679 **July 9, 2003**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.

H.R. 2693 **July 10, 2003**

To reauthorize the Marine Mammal Protection Act of 1972, and for other purposes.

H.R. 2889 **July 24, 2003**

To direct the Secretary of Commerce to conduct a study of existing and new fishery observer data to effectively map migratory patterns, delineate wintering areas and feeding grounds of Atlantic Striped Bass in the Mid-Atlantic exclusive economic zone, and for other purposes.

H.R. 2890 **July 24, 2003**

To protect the public's ability to fish for sport, and for other purposes.

H.R. 3316 **Oct. 16, 2003**

To reauthorize the Marine Mammal Protection Act of 1972, and for other purposes.

H.R. 3545 **Nov. 20, 2003**

To establish a program of research and other activities to provide for the recovery of the southern sea otter.

H.R. 3645 **Nov. 21, 2003**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to clarify the definition of "essential fish habitat", and for other purposes.

H.R. 3883 **Mar. 3, 2004**

To reauthorize the Atlantic Striped Bass Conservation Act.

H.R. 4383 **May 18, 2004**

To ensure the continuation of successful fish mitigation programs.

H.R. 4706 **June 24, 2004**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

H.R. 4869 **July 20, 2004**

To amend the Marine Mammal Protection Act of 1972 to authorize appropriations for the John H. Prescott Marine Mammal Rescue Assistance Grant Program, and for other purposes.

H.R. 4928 **July 22, 2004**

To prohibit the import, export, and take of certain coral reef species, and for other purposes.

H.R. 5104 **Sept. 17, 2004**

To amend the Marine Mammal Protection Act of 1972 to authorize appropriations for the John H. Prescott Marine Mammal Rescue Assistance Grant Program, and for other purposes.

SUBJECT INDEX

FISHERIES—Continued

H.R. 5352 **Oct. 8, 2004**

To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.

FLORIDA

S. 111 **Jan. 9, 2003**

To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.

H.R. 1361 **Mar. 19, 2003**

To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.

H.R. 2457 **June 12, 2003**

To authorize funds for an educational center for the Castillo de San Marcos National Monument, and for other purposes.

H.R. 3056 **Sept. 10, 2003**

To clarify the boundaries of the John H. Chafee Coast Barrier Resources System Cedar Keys Unit P25 on Otherwise Protected Area P25P.

H.R. 3333 **Oct. 17, 2003**

To exempt certain coastal barrier areas in Florida from limitations on Federal expenditures and financial assistance under the Coastal Barriers Resources Act, and limitations on flood insurance coverage under the National Flood Insurance Act of 1968.

H.R. 3354 **Oct. 21, 2003**

To include in St. Marks National Wildlife Refuge, Florida, the land and facilities comprising St. Marks lighthouse.

H.R. 3768 **Feb. 4, 2004**

To expand the Timucuan Ecological and Historic Preserve, Florida.

H.R. 3785 **Feb. 10, 2004**

To authorize the exchange of certain land in Everglades National Park.

H.R. 4027 **Mar. 24, 2004**

To authorize the Secretary of Commerce to make available to the University of Miami property under the administrative jurisdiction of the National Oceanic and Atmospheric Administration on Virginia Key, Florida, for use by the University for a Marine Life Science Center.

H.R. 4148 **Apr. 2, 2004**

To designate the information center at Canaveral National Seashore as the "T.C. Wilder, Jr., Canaveral National Seashore Information Center".

FORESTS

S. 33 **Jan. 7, 2003**

To authorize the Secretary of Agriculture to sell or exchange all or part of certain administrative sites and other land in the Ozark-St. Francis and Ouachita National Forests and to use funds derived from the sale or exchange to acquire, construct, or improve administrative sites.

H.R. 222 **Jan. 7, 2003**

To establish the T'uf Shur Bien Preservation Trust Area in the Cibola National Forest, and for other purposes.

H.R. 379 **Jan. 27, 2003**

To facilitate a Forest Service land exchange that will eliminate a private in-holding in the Sierra National Forest in the State of California and provide for the permanent enjoyment by the Boy Scouts of America of a parcel of National Forest System land currently used under a special use permit, and for other purposes.

S. 434 **Feb. 25, 2003**

To authorize the Secretary of Agriculture to sell or exchange all or part of certain parcels of National Forest System land in the State of Idaho and use the proceeds derived from the sale or exchange for National Forest System purposes.

SUBJECT INDEX

FORESTS—Continued

H.R. 622 **Feb. 5, 2003**

To provide for the exchange of certain lands in the Coconino and Tonto National Forests in Arizona, and for other purposes.

H.R. 652 **Feb. 7, 2003**

To assure that the American people have large areas of land in healthy natural condition throughout the country to maximize wildland recreational opportunities for people, maximize habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.

H.R. 708 **Feb. 11, 2003**

To require the conveyance of certain National Forest System lands in Mendocino National Forest, California, to provide for the use of the proceeds from such conveyance for National Forest purposes, and for other purposes.

H.R. 750 **Feb. 12, 2003**

To provide for a study of options for protecting the open space characteristics of certain lands in and adjacent to the Arapaho and Roosevelt National Forests in Colorado, and for other purposes.

H.R. 835 **Feb. 13, 2003**

To provide for enhanced collaborative forest stewardship management within the Clearwater and Nez Perce National Forests in Idaho, and for other purposes.

H.R. 849 **Feb. 13, 2003**

To authorize the Regional Foresters to exempt tree-thinning projects, which are necessary to prevent the occurrence of wildfire likely to cause extreme harm to the forest ecosystem, from laws that give rise to legal causes of action that delay or prevent such projects.

H.R. 903 **Feb. 25, 2003**

To provide for the conveyance by the Secretary of Agriculture of the Sandpoint Federal Building and adjacent land in Sandpoint, Idaho, and for other purposes.

H.R. 979 **Feb. 27, 2003**

To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1042 **Feb. 27, 2003**

To authorize collaborative forest restoration and wildland fire hazard mitigation projects on National Forest System lands and other public and private lands, to improve the implementation of the National Fire Plan, and for other purposes.

H.R. 1060 **Mar. 4, 2003**

To provide for an exchange of lands with the United Water Conservation District of California to eliminate private inholdings in the Los Padres National Forest, and for other purposes.

H.R. 1651 **Apr. 7, 2003**

To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.

H.R. 1904 **May 1, 2003**

To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 2169 **May 20, 2003**

To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

SUBJECT INDEX

FORESTS—Continued

S. 2334 **Apr. 22, 2004**

To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.

H.R. 2395 **June 9, 2003**

To provide suitable alternative grazing arrangements on National Forest System land to persons that hold a grazing permit adversely affected by the standards and guidelines contained in the Record of Decision of the Sierra Nevada Forest Plan Amendment and pertaining to the Willow Flycatcher and the Yosemite Toad.

S. 2408 **May 11, 2004**

To adjust the boundaries of the Helena, Lolo, and Beaverhead-Deerlodge National Forests in the State of Montana.

H.R. 2488 **June 17, 2003**

To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.

H.R. 2696 **July 10, 2003**

To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.

H.R. 2766 **July 17, 2003**

To direct the Secretary of Agriculture to exchange certain lands in the Arapaho and Roosevelt National Forests in the State of Colorado.

H.R. 3102 **Sept. 16, 2003**

To utilize the expertise of New Mexico State University, the University of Arizona, and Northern Arizona University in conducting studies under the National Environmental Policy Act of 1969 in connection with the grazing allotments and range and continuing range analysis for National Forest System lands in New Mexico and Arizona, and for other purposes.

H.R. 3249 **Oct. 3, 2003**

To extend the term of the Forest Counties Payments Committee.

H.R. 3566 **Nov. 20, 2003**

To amend the Cooperative Forestry Assistance Act of 1978 to establish a program using geospatial and information management technologies to inventory, monitor, characterize, assess, and identify forest stands and potential forest stands, and for other purposes.

H.R. 3667 **Dec. 8, 2003**

To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.

H.R. 3744 **Jan. 28, 2004**

To authorize the Secretary of Agriculture to sell or exchange all or part of certain administrative sites and other land in the Ozark-St. Francis and Ouachita National Forests and to use funds derived from the sale or exchange to acquire, construct, or improve administrative sites, and for other purposes.

H.R. 3805 **Feb. 11, 2004**

To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.

H.R. 3846 **Feb. 26, 2004**

To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.

H.R. 4700 **June 24, 2004**

To provide special authority to the Secretary of Agriculture to convey certain Forest Service administrative sites in the White River National Forest in Colorado, to reserve the proceeds from such conveyances to help resolve the facilities needs of that national forest, and for other purposes.

H.R. 4783 **July 8, 2004**

To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.

SUBJECT INDEX

FORESTS—Continued

H.R. 4838 **July 15, 2004**

To establish a Healthy Forest Youth Conservation Corps to provide a means by which young adults can carry out rehabilitation and enhancement projects to prevent fire and suppress fires, rehabilitate public land affected or altered by fires, and provide disaster relief, and for other purposes.

H.R. 4932 **July 22, 2004**

To establish management priorities for Federal forest lands in Oregon and Washington located west of the Cascade Crest that will protect old growth timber while improving the health of young managed stands, increasing the volume of commercial timber available from these lands, and providing economic opportunities in local communities, and for other purposes.

H.R. 5056 **Sept. 9, 2004**

To adjust the boundaries of the Helena, Lolo, and Beaverhead-Deerlodge National Forests in the State of Montana.

H.R. 5077 **Sept. 14, 2004**

To require the conveyance of a small parcel of Federal land in the Colville National Forest, Washington, and for other purposes.

H.R. 5312 **Oct. 8, 2004**

To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

H.R. 5343 **Oct. 8, 2004**

To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate certain lands in the Challis National Forest, the Sawtooth National Recreation Area, and the Challis District of the Bureau of Land Management as the Boulder-White Cloud Management Area to ensure the continued management of these lands for recreational use as well as for conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.

GEOLOGIC MAPPING

H.R. 4010 **Mar. 23, 2004**

To reauthorize and amend the National Geologic Mapping Act of 1992.

GEOLOGICAL SURVEY

H. Res. 556 **Mar. 10, 2004**

Congratulating the United States Geological Survey on its 125th Anniversary.

GEORGIA

H.R. 1113 **Mar. 6, 2003**

To authorize an exchange of land at Fort Frederica National Monument, and for other purposes.

H.R. 1616 **Apr. 3, 2003**

To authorize the exchange of certain lands within the Martin Luther King, Junior, National Historic Site for lands owned by the City of Atlanta, Georgia, and for other purposes.

H.R. 1618 **Apr. 3, 2003**

To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.

GEOHERMAL RESOURCES

H.R. 2772 **July 17, 2003**

To amend the Geothermal Steam Act of 1970 to promote the development and use of geothermal resources in the United States.

H.R. 4094 **Mar. 31, 2004**

To amend the Internal Revenue Code of 1986 to establish a Federal income tax credit for production of energy from geothermal energy resources, and for other purposes.

SUBJECT INDEX

GRAZING

H.R. 2395 **June 9, 2003**

To provide suitable alternative grazing arrangements on National Forest System land to persons that hold a grazing permit adversely affected by the standards and guidelines contained in the Record of Decision of the Sierra Nevada Forest Plan Amendment and pertaining to the Willow Flycatcher and the Yosemite Toad.

H.R. 3324 **Oct. 16, 2003**

To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.

H.R. 3337 **Oct. 17, 2003**

To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.

GREAT LAKES

H.R. 2720 **July 14, 2003**

To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 4416 **May 20, 2004**

To establish the Great Lakes Protection and Restoration Committee.

GULF HYPOXIA RESEARCH

H.R. 4686 **June 24, 2004**

To revitalize the Mississippi River.

HAWAII

S. 254 **Jan. 30, 2003**

To revise the boundary of the Kaloko-Honokohau National Historical Park in the State of Hawaii, and for other purposes.

H.R. 546 **Feb. 5, 2003**

To revise the boundary of the Kaloko-Honokohau National Historical Park in the State of Hawaii, and for other purposes.

H.R. 2355 **June 5, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000 to modify the water resources study.

H.R. 2619 **June 26, 2003**

To provide for the expansion of Kilauea Point National Wildlife Refuge.

H.R. 3544 **Nov. 20, 2003**

To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the southern coast of Maui, Hawaii, as a unit of the National Park System.

H.R. 4282 **May 5, 2004**

To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.

H.R. 4393 **May 19, 2004**

To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the northern coast of Maui, Hawaii, as a unit of the National Park System.

H.R. 5205 **Oct. 4, 2004**

To extend the boundary of the Hawaii Volcanoes National Park in the State of Hawaii.

HERITAGE AREAS

S. 211 **Jan. 23, 2003**

To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.

SUBJECT INDEX

HERITAGE AREAS—Continued

H.R. 280 **Jan. 8, 2003**

To establish the National Aviation Heritage Area, and for other purposes.

S. 323 **Feb. 5, 2003**

To establish the Atchafalaya National Heritage Area, Louisiana.

H.R. 505 **Jan. 29, 2003**

To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.

H.R. 524 **Feb. 4, 2003**

To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.

H.R. 567 **Feb. 5, 2003**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northern Neck National Heritage Area in Virginia, and for other purposes.

H.R. 744 **Feb. 12, 2003**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.

H.R. 907 **Feb. 25, 2003**

To direct the Secretary of the Interior to complete a special resource study of the national significance, suitability, and feasibility of establishing Highway 49 in California, known as the "Golden Chain Highway", as a National Heritage Corridor.

H.R. 1427 **Mar. 25, 2003**

To establish the criteria and mechanisms for the designation of certain areas in the United States containing nationally important natural, historic, and cultural resources and recreational and educational opportunities that are geographically assembled and thematically related as areas that provide unique frameworks for understanding the great and diverse character of the United States and the development of communities and their surroundings as national heritage areas, and for other purposes.

H.R. 1594 **Apr. 3, 2003**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the St. Croix National Heritage Area in St. Croix, United States Virgin Islands, and for other purposes.

H.R. 1618 **Apr. 3, 2003**

To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.

H.R. 1759 **Apr. 10, 2003**

To establish the Blue Ridge National Heritage Area in the State of North Carolina, and for other purposes.

H.R. 1762 **Apr. 10, 2003**

To amend title 38, United States Code, to provide for preservation and protection of historic buildings under the jurisdiction of the Secretary of Veterans Affairs, and for other purposes.

H.R. 1798 **Apr. 11, 2003**

To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.

H.R. 1862 **Apr. 29, 2003**

To establish the Oil Region National Heritage Area.

S. 2142 **Feb. 27, 2004**

To authorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.

H.R. 2278 **May 22, 2003**

To establish the Kenai Mountains-Turnagain Arm National Heritage Corridor in the State of Alaska, and for other purposes.

S. 2543 **June 17, 2004**

To establish a program and criteria for National Heritage Areas in the United States, and for other purposes.

SUBJECT INDEX

HERITAGE AREAS—Continued

H.R. 2689 **July 9, 2003**

To establish the Mississippi Gulf Coast National Heritage Area in the State of Mississippi, and for other purposes.

H.R. 2925 **July 25, 2003**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northeastern North Carolina Heritage Area in North Carolina, and for other purposes.

H.R. 3070 **Sept. 10, 2003**

To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.

H.R. 3257 **Oct. 7, 2003**

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.

H.R. 3553 **Nov. 20, 2003**

To establish the Abraham Lincoln National Heritage Area, and for other purposes.

H.R. 3909 **Mar. 4, 2004**

To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.

H.R. 3946 **Mar. 11, 2004**

To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.

H.R. 4683 **June 24, 2004**

To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.

H.R. 4884 **July 21, 2004**

To adjust the boundary of the Yuma Crossing National Heritage Area.

H.R. 5014 **Sept. 7, 2004**

To direct the Director of the National Park Service to prepare a report on the sustainability of the John H. Chafee Blackstone River Valley National Heritage Corridor and the John H. Chafee Blackstone River Valley National Heritage Commission.

H.R. 5348 **Oct. 8, 2004**

To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.

HISTORIC SITES

H.J. Res. 102 **Sept. 9, 2004**

Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.

S. 214 **Jan. 23, 2003**

To designate Fort Bayard Historic District in the State of New Mexico as a National Historic Landmark, and for other purposes.

H. Res. 224 **May 8, 2003**

Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.

H.R. 305 **Jan. 8, 2003**

To establish the Kate Mullany National Historic Site in the State of New York, and for other purposes.

H.R. 521 **Feb. 4, 2003**

To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.

H.R. 733 **Feb. 12, 2003**

To authorize the Secretary of the Interior to acquire the McLoughlin House National Historic Site in Oregon City, Oregon, and to administer the site as a unit of the National Park System, and for other purposes.

SUBJECT INDEX

HISTORIC SITES—Continued

SUBJECT INDEX

HISTORIC SITES—Continued

H.R. 5377 **Nov. 17, 2004**

To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.

HUNTING

H. Con. Res. 90 **Mar. 11, 2003**

Expressing the sense of the Congress that hunting seasons for migratory mourning doves should be modified so that individuals have a fair and equitable opportunity to hunt such birds.

S. 1003 **May 6, 2003**

To clarify the intent of Congress with respect to the continued use of established commercial outfitter hunting camps on the Salmon River.

H.R. 4959 **July 22, 2004**

To recognize the heritage of hunting and provide opportunities for continued hunting on Federal public land, to protect the public's ability to fish for sport, and for other purposes.

HYDROGRAPHIC SERVICES

H.R. 958 **Feb. 27, 2003**

To authorize certain hydrographic services programs, to name a cove in Alaska in honor of the late Able Bodied Seaman Eric Steiner Koss, and for other purposes.

H.R. 2775 **July 17, 2003**

To amend the Hydrographic Services Improvement Act of 1998 to authorize funds to be appropriated for the Great Lakes Water Level Observation Network.

IDAHO

S. 434 **Feb. 25, 2003**

To authorize the Secretary of Agriculture to sell or exchange all or part of certain parcels of National Forest System land in the State of Idaho and use the proceeds derived from the sale or exchange for National Forest System purposes.

S. 435 **Feb. 25, 2003**

To provide for the conveyance by the Secretary of Agriculture of the Sandpoint Federal Building and adjacent land in Sandpoint, Idaho, and for other purposes.

S. 520 **Mar. 5, 2003**

To authorize the Secretary of the Interior to convey certain facilities to the Fremont-Madison Irrigation District in the State of Idaho.

H.R. 835 **Feb. 13, 2003**

To provide for enhanced collaborative forest stewardship management within the Clearwater and Nez Perce National Forests in Idaho, and for other purposes.

H.R. 903 **Feb. 25, 2003**

To provide for the conveyance by the Secretary of Agriculture of the Sandpoint Federal Building and adjacent land in Sandpoint, Idaho, and for other purposes.

H.R. 1106 **Mar. 5, 2003**

To authorize the Secretary of the Interior to convey certain facilities to the Fremont-Madison Irrigation District in the State of Idaho.

S. 2605 **June 24, 2004**

To direct the Secretary of the Interior and the heads of other Federal agencies to carry out an agreement resolving major issues relating to the adjudication of water rights in the Snake River Basin, Idaho, and for other purposes.

H.R. 4981 **July 22, 2004**

To direct the Secretary of the Interior and the heads of other Federal agencies to carry out an agreement resolving major issues relating to the adjudication of water rights in the Snake River Basin, Idaho, and for other purposes.

INVASIVE SPECIES

SUBJECT INDEX

H.R. 119 **Jan. 7, 2003**

To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.

S. 144 **Jan. 13, 2003**

To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.

H.R. 266 **Jan. 8, 2003**

To establish the National Invasive Species Council, and for other purposes.

H.R. 1081 **Mar. 5, 2003**

To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 2310 **June 3, 2003**

To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.

H.R. 3479 **Nov. 7, 2003**

To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.

KANSAS

H.R. 698 **Feb. 11, 2003**

To provide for and approve settlement of certain land claims of the Wyandotte Nation, and for other purposes.

H.R. 3241 **Oct. 2, 2003**

To authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.

H.R. 3909 **Mar. 4, 2004**

To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.

KENTUCKY

H.R. 1809 **Apr. 11, 2003**

To authorize the Secretary of the Interior to acquire Fern Lake and the surrounding watershed in the States of Kentucky and Tennessee for addition to Cumberland Gap National Historical Park, and for other purposes.

LACY ACT

H.R. 1006 **Feb. 27, 2003**

To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

**LAND CONVEYANCES/EXCHANGES/BOUNDARY
ADJUSTMENTS/CLAIMS**

S. 33 **Jan. 7, 2003**

To authorize the Secretary of Agriculture to sell or exchange all or part of certain administrative sites and other land in the Ozark-St. Francis and Ouachita National Forests and to use funds derived from the sale or exchange to acquire, construct, or improve administrative sites.

H.R. 108 **Jan. 7, 2003**

To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.

SUBJECT INDEX

**LAND CONVEYANCES/EXCHANGES/BOUNDARY
ADJUSTMENTS/CLAIMS—Continued**

H.R. 272 **Jan. 8, 2003**

To direct the Secretary of Agriculture to convey certain land to Lander County, Nevada, and the Secretary of the Interior to convey certain land to Eureka County, Nevada, for continued use as cemeteries.

H.R. 379 **Jan. 27, 2003**

To facilitate a Forest Service land exchange that will eliminate a private in-holding in the Sierra National Forest in the State of California and provide for the permanent enjoyment by the Boy Scouts of America of a parcel of National Forest System land currently used under a special use permit, and for other purposes.

S. 435 **Feb. 25, 2003**

To provide for the conveyance by the Secretary of Agriculture of the Sandpoint Federal Building and adjacent land in Sandpoint, Idaho, and for other purposes.

H.R. 903 **Feb. 25, 2003**

To provide for the conveyance by the Secretary of Agriculture of the Sandpoint Federal Building and adjacent land in Sandpoint, Idaho, and for other purposes.

H.R. 1058 **Mar. 4, 2003**

To provide for an exchange of certain private property in Colorado and certain Federal property in Utah.

S. 1537 **July 31, 2003**

To direct the Secretary of Agriculture to convey to the New Hope Cemetery Association certain land in the State of Arkansas for use as a cemetery.

S. 1814 **Nov. 3, 2003**

To transfer federal lands between the Secretary of Agriculture and the Secretary of the Interior.

H.R. 2326 **June 4, 2003**

To require the conveyance of certain Bureau of Land Management lands in Nye County, Nevada, to Ponderosa Dairy in Amargosa, Nevada.

H.R. 2367 **June 5, 2003**

To provide for the conveyance of certain public lands in and around historic mining townsites in Nevada, and for other purposes.

H.R. 2766 **July 17, 2003**

To direct the Secretary of Agriculture to exchange certain lands in the Arapaho and Roosevelt National Forests in the State of Colorado.

H.R. 2907 **July 25, 2003**

To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.

H.R. 3206 **Sept. 30, 2003**

To provide for the conveyance of a small parcel of Bureau of Land Management land in Coos County, Oregon, to the Oregon International Port of Coos Bay, and for other purposes.

H.R. 3252 **Oct. 7, 2003**

To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.

H.R. 3427 **Oct. 30, 2003**

To authorize a land conveyance between the United States and the City of Craig, Alaska, and for other purposes.

H.R. 3433 **Nov. 4, 2003**

To transfer federal lands between the Secretary of Agriculture and the Secretary of the Interior.

H.R. 3445 **Nov. 5, 2003**

To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.

H.R. 3505 **Nov. 17, 2003**

To amend the Bend Pine Nursery Land Conveyance Act to specify the recipients and consideration for conveyance of the Bend Pine Nursery, and for other purposes.

SUBJECT INDEX

**LAND CONVEYANCES/EXCHANGES/BOUNDARY
ADJUSTMENTS/CLAIMS—Continued**

H.R. 3571 **Nov. 21, 2003**

To modify the boundary of the San Juan Island National Historical Park.

H.R. 3638 **Nov. 21, 2003**

To adjust the boundary of Redwood National Park in the State of California, and for other purposes.

H.R. 3874 **Mar. 2, 2004**

To convey for public purposes certain Federal lands in Riverside County, California, that have been identified for disposal.

H.R. 3954 **Mar. 11, 2004**

To authorize the Secretary of the Interior to resolve boundary discrepancies in San Diego County, California, arising from an erroneous survey conducted by a Government contractor in 1881 that resulted in overlapping boundaries for certain lands, and for other purposes.

H.R. 3997 **Mar. 18, 2004**

To direct the Secretary of Agriculture to convey to the New Hope Cemetery Association a small parcel of National Forest System land in the State of Arkansas for use as a cemetery.

H.R. 4242 **Apr. 28, 2004**

To transfer jurisdiction over certain public lands from the Bureau of Land Management to the Department of Defense.

H.R. 4285 **May 5, 2004**

To provide for the conveyance of certain public land in Clark County, Nevada, for use as a heliport.

H.R. 4596 **June 16, 2004**

To amend Public Law 97-435 to extend the authorization for the Secretary of the Interior to release certain conditions contained in a patent concerning certain land conveyed by the United States to Eastern Washington University until December 31, 2009.

H.R. 4617 **June 18, 2004**

To amend the Small Tracts Act to facilitate the exchange of small tracts of land, and for other purposes.

H.R. 4690 **June 24, 2004**

To transfer certain lands along the Cle Elum River in the State of Washington to the administrative jurisdiction of the Secretary of the Interior, to support a land exchange involving a portion of such lands, and for other purposes.

H.R. 4783 **July 8, 2004**

To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.

H.R. 4806 **July 9, 2004**

To provide for a land exchange involving Federal lands in the Lincoln National Forest in the State of New Mexico, and for other purposes.

H.R. 4808 **July 9, 2004**

To provide for a land exchange involving private land and Bureau of Land Management land in the vicinity of Holloman Air Force Base, New Mexico, for the purpose of removing private land from the required safety zone surrounding munitions storage bunkers at Holloman Air Force Base.

H.R. 4817 **July 12, 2004**

To facilitate the resolution of a minor boundary encroachment on lands of the Union Pacific Railroad Company in Tipton, California, which were originally conveyed by the United States as part of the right-of-way granted for the construction of transcontinental railroads.

H.R. 4943 **July 22, 2004**

To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona for the purpose of consolidating Federal land ownership within the boundaries of the Ironwood Forest National Monument and the Las Cienegas National Conservation Area, and for other purposes.

H.R. 5056 **Sept. 9, 2004**

To adjust the boundaries of the Helena, Lolo, and Beaverhead-Deerlodge National Forests in the State of Montana.

SUBJECT INDEX

**LAND CONVEYANCES/EXCHANGES/BOUNDARY
ADJUSTMENTS/CLAIMS—Continued**

H.R. 5077 **Sept. 14, 2004**

To require the conveyance of a small parcel of Federal land in the Colville National Forest, Washington, and for other purposes.

H.R. 5145 **Sept. 23, 2004**

To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.

H.R. 5151 **Sept. 28, 2004**

To transfer administrative jurisdiction over certain land in Clark County, Nevada, from the Secretary of the Interior to the Secretary of Veterans Affairs.

H.R. 5330 **Oct. 8, 2004**

To authorize and direct the exchange of lands in Grand and Uintah Counties, Utah, and for other purposes.

LAND AND WATER CONSERVATION FUND

H.R. 1517 **Mar. 31, 2003**

To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.

LANDSCAPE CONSERVATION

H.R. 749 **Feb. 12, 2003**

To direct the Secretary of the Interior to establish the Cooperative Landscape Conservation Program.

LIFE-SAVING SERVICE STATIONS

H.R. 904 **Feb. 25, 2003**

To authorize the Secretary of the Interior to establish a program to inventory, evaluate, document, and assist efforts to preserve surviving United States Life-Saving Service stations.

LOUISIANA

H.R. 273 **Jan. 8, 2003**

To provide for the eradication and control of nutria in Maryland and Louisiana.

S. 499 **Mar. 3, 2003**

To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.

H.R. 542 **Feb. 5, 2003**

To repeal the reservation of mineral rights made by the United States when certain lands in Livingston Parish, Louisiana, were conveyed by Public Law 102-562.

S. 2287 **Apr. 6, 2004**

To adjust the boundary of the Barataria Preserve Unit of Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.

MAINE

H.R. 4803 **July 9, 2004**

To designate the memorial to Edmund S. Muskie located in Rumford, Maine, as a national memorial.

H.R. 4804 **July 9, 2004**

To authorize the Secretary of the Interior to conduct a special resources study to determine the suitability and feasibility of designating the memorial to Edmund S. Muskie located in Rumford, Maine, as a unit of the National Park System.

MARYLAND

H.R. 273 **Jan. 8, 2003**

To provide for the eradication and control of nutria in Maryland and Louisiana.

SUBJECT INDEX

MARYLAND—Continued

H.R. 274 **Jan. 8, 2003**

To authorize the Secretary of the Interior to acquire the property in Cecil County, Maryland, known as Garrett Island for inclusion in the Blackwater National Wildlife Refuge.

S. 328 **Feb. 6, 2003**

To designate Catoctin Mountain Park in the State of Maryland as the "Catoctin Mountain National Recreation Area", and for other purposes.

MASSACHUSETTS

H.R. 1798 **Apr. 11, 2003**

To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.

H.R. 2129 **May 15, 2003**

To direct the Secretary of the Interior to conduct a special resources study regarding the suitability and feasibility of designating certain historic buildings and areas in Taunton, Massachusetts, as a unit of the National Park System, and for other purposes.

H.R. 2479 **June 16, 2003**

To authorize the Secretary of the Interior to provide to the States of Connecticut and Massachusetts technical and financial assistance for management of the Connecticut River in those States.

H.R. 3443 **Nov. 5, 2003**

To amend the Adams National Historical Park Act of 1998 to include the Quincy Homestead within the boundary of the Adams National Historical Park, and for other purposes.

H.R. 4291 **May 5, 2004**

To direct the Secretary of the Interior to conduct a boundary study to evaluate the significance of the Colonel James Barrett Farm in the Commonwealth of Massachusetts and the suitability and feasibility of its inclusion in the National Park System as part of the Minute Man National Historical Park, and for other purposes.

MICHIGAN

H. Res. 121 **Mar. 4, 2003**

Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.

H.R. 3946 **Mar. 11, 2004**

To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.

H.R. 4666 **June 23, 2004**

To provide for and approve the settlement of certain land claims of the Sault Ste. Marie Tribe of Chippewa Indians.

MIGRATORY SPECIES

H. Con. Res. 268 **July 25, 2003**

Expressing the sense of the Congress regarding the imposition of sanctions on nations that are undermining the effectiveness of conservation and management measures for Atlantic highly migratory species, including marlin, adopted by the International Commission for the Conservation of Atlantic Tunas and that are threatening the continued viability of United States commercial and recreational fisheries.

H.R. 512 **Jan. 31, 2003**

To authorize the Secretary of the Interior to construct an education and administrative center at the Bear River Migratory Bird Refuge in Box Elder County, Utah.

H.R. 2500 **June 17, 2003**

To enable the Great Lakes Fishery Commission to investigate effects of migratory birds on sustained productivity of stocks of fish of common concern in the Great Lakes.

H.R. 3320 **Oct. 16, 2003**

To improve migratory bird management by the Animal and Plant Health Inspection Service of the Department of Agriculture, and for other purposes.

H.R. 4114 **Apr. 1, 2004**

To amend the Migratory Bird Treaty Act to exclude non-native migratory bird species from the application of that Act, and for other purposes.

SUBJECT INDEX

MIGRATORY SPECIES—Continued

H.R. 4685 **June 24, 2004**

To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

MINERAL EXPLORATION

H.R. 2141 **May 15, 2003**

To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

MINERAL LEASING

H.R. 794 **Feb. 13, 2003**

To amend the Mineral Leasing Act to provide for the development of Federal coal resources.

H.R. 1221 **Mar. 12, 2003**

To provide for the stabilization of prices for gasoline, and for other purposes.

H.R. 3062 **Sept. 10, 2003**

To amend the Mineral Leasing Act to authorize the Secretary of the Interior to issue separately, for the same area, a lease for tar sand and a lease for oil and gas, and for other purposes.

H.R. 3529 **Nov. 19, 2003**

To direct the Secretary of the Interior to cancel certain Bureau of Land Management leases that authorize extraction of sand and gravel from the Federal mineral estate in lands in Soledad Canyon adjacent to the City of Santa Clarita, California, and for other purposes.

MINERAL RIGHTS

H.R. 542 **Feb. 5, 2003**

To repeal the reservation of mineral rights made by the United States when certain lands in Livingston Parish, Louisiana, were conveyed by Public Law 102-562.

H.R. 2653 **June 26, 2003**

To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.

H.R. 3303 **Oct. 15, 2003**

To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.

MINING

H.R. 313 **Jan. 8, 2003**

To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.

H.R. 504 **Jan. 29, 2003**

To provide for the reclamation of abandoned hardrock mines, and for other purposes.

H.R. 2869 **July 24, 2003**

To direct the Secretary of the Interior to sell certain public lands subject to mining operations in Eureka, Lander, White Pine, Elko, and Humboldt Counties, Nevada, for the reclamation of abandoned mines in Nevada, to promote and enhance economic development, education, and local government revenues, and for other purposes.

H.R. 3778 **Feb. 4, 2004**

To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

H.R. 3796 **Feb. 11, 2004**

To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

SUBJECT INDEX

MINING—Continued

H.R. 4549 **June 14, 2004**

To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, to resolve outstanding issues relating to the Surface Mining Control and Reclamation Act of 1977, to benefit the coal miners of America, to make related technical changes, and for other purposes.

H.R. 5308 **Oct. 8, 2004**

To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.

MISSISSIPPI

H.R. 2689 **July 9, 2003**

To establish the Mississippi Gulf Coast National Heritage Area in the State of Mississippi, and for other purposes.

MISSOURI

S. 1814 **Nov. 3, 2003**

To transfer federal lands between the Secretary of Agriculture and the Secretary of the Interior.

H.R. 3433 **Nov. 4, 2003**

To transfer federal lands between the Secretary of Agriculture and the Secretary of the Interior.

H.R. 4481 **June 2, 2004**

To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.

H.R. 4756 **July 6, 2004**

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum located in St. Louis, Missouri, as a unit of the National Park System.

MONTANA

H.R. 2257 **May 22, 2003**

To convey the Lower Yellowstone Irrigation Project, the Savage Unit of the Pick-Sloan Missouri Basin Program, and the Intake Irrigation Project to the appurtenant Irrigation Districts.

S. 2408 **May 11, 2004**

To adjust the boundaries of the Helena, Lolo, and Beaverhead-Deerlodge National Forests in the State of Montana.

H.R. 5009 **Sept. 7, 2004**

To extend water contracts between the United States and specific irrigation districts and the City of Helena in Montana, and for other purposes.

H.R. 5056 **Sept. 9, 2004**

To adjust the boundaries of the Helena, Lolo, and Beaverhead-Deerlodge National Forests in the State of Montana.

**NATIONAL
PARKS/BATTLEFIELDS/MEMORIALS/RECREATION
AREAS**

H. Con. Res. 21 **Jan. 28, 2003**

Commemorating the Bicentennial of the Louisiana Purchase.

S. 111 **Jan. 9, 2003**

To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.

H.R. 114 **Jan. 7, 2003**

To require that the Secretary of the Interior conduct a study to identify sites and resources, to recommend alternatives for commemorating and interpreting the Cold War, and for other purposes.

SUBJECT INDEX

**NATIONAL
PARKS/BATTLEFIELDS/MEMORIALS/RECREATION
AREAS—Continued**

S. 164 **Jan. 15, 2003**

To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 164 **Jan. 7, 2003**

To provide for the retention of the name of Mount McKinley.

H.R. 196 **Jan. 7, 2003**

To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.

H.R. 216 **Jan. 7, 2003**

To establish as a unit of Chickamauga and Chattanooga National Military Park, the Moccasin Bend National Archeological District.

S. 233 **Jan. 29, 2003**

To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.

S. 254 **Jan. 30, 2003**

To revise the boundary of the Kaloko-Honokohau National Historical Park in the State of Hawaii, and for other purposes.

H.R. 265 **Jan. 8, 2003**

To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.

S. 273 **Feb. 4, 2003**

To provide for the expeditious completion of the acquisition of land owned by the State of Wyoming within the boundaries of Grand Teton National Park, and for other purposes.

S. 302 **Feb. 5, 2003**

To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.

H. Con. Res. 316 **Oct. 30, 2003**

Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

S. 328 **Feb. 6, 2003**

To designate Catoctin Mountain Park in the State of Maryland as the "Catoctin Mountain National Recreation Area", and for other purposes.

H.R. 332 **Jan. 8, 2003**

To direct the Secretary of the Interior to study certain sites in the historic district of Beaufort, South Carolina, relating to the Reconstruction Era to assess the suitability and feasibility of designating the study area as a unit of the National Park System.

S. 347 **Feb. 11, 2003**

To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area, and for other purposes.

H. Res. 406 **Oct. 17, 2003**

Recognizing the 10th anniversary of the dedication of the Vietnam Women's Memorial.

H.R. 408 **Jan. 28, 2003**

To provide for expansion of Sleeping Bear Dunes National Lakeshore.

H. Con. Res. 409 **Apr. 28, 2004**

Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

Honoring the late Rick Lupe, lead forestry technician for the Bureau of Indian Affairs Fort Apache Agency, for his dedication and service to the United States and for his essential service in fighting wildfires and protecting the environment and communities of Arizona.

S. 246 **Jan. 29, 2003**

To provide that certain Bureau of Land Management land shall be held in trust for the Pueblo of Santa Clara and the Pueblo of San Ildefonso in the State of New Mexico.

S. 246 **Jan. 29, 2003**

To provide that certain Bureau of Land Management land shall be held in trust for the Pueblo of Santa Clara and the Pueblo of San Ildefonso in the State of New Mexico.

S. 285 **Feb. 4, 2003**

To authorize the integration and consolidation of alcohol and substance abuse programs and services provided by Indian tribal governments, and for other purposes.

H. Con. Res. 341 **Nov. 21, 2003**

Recognizing the 20th anniversary of the restoration of Federal recognition of the Confederated Tribes of the Grand Ronde Community of Oregon.

H.R. 410 **Jan. 28, 2003**

To provide for the issuance of bonds to construct and modernize Indian schools and to provide a credit against Federal income tax for holders of such bonds.

H.R. 421 **Jan. 28, 2003**

To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.

H.R. 458 **Jan. 29, 2003**

To provide for the use and distribution of certain funds awarded to the Gila River Pima-Maricopa Indian Community, and for other purposes.

H.R. 477 **Jan. 29, 2003**

To extend Federal recognition to the Duwamish Tribe, and for other purposes.

H.R. 495 **Jan. 29, 2003**

To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.

H.R. 507 **Jan. 29, 2003**

To declare that the United States holds certain public domain lands in trust for the Pueblos of San Ildefonso and Santa Clara.

H. Con. Res. 511 **Oct. 7, 2004**

Expressing the sense of the Congress with respect to Inez Sitter.

S. 519 **Mar. 5, 2003**

To establish a Native American-owned financial entity to provide financial services to Indian tribes, Native American organizations, and Native Americans, and for other purposes.

SUBJECT INDEX

NATIVE AMERICANS—Continued

S. 523 **Mar. 5, 2003**

To make technical corrections to law relating to Native Americans, and for other purposes.

S. 551 **Mar. 6, 2003**

To provide for the implementation of air quality programs developed in accordance with an Intergovernmental Agreement between the Southern Ute Indian Tribe and the State of Colorado concerning Air Quality Control on the Southern Ute Indian Reservation, and for other purposes.

S. 555 **Mar. 6, 2003**

To establish the Native American Health and Wellness Foundation, and for other purposes.

S. 558 **Mar. 6, 2003**

To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.

H.R. 665 **Feb. 11, 2003**

To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.

H.R. 676 **Feb. 11, 2003**

To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 698 **Feb. 11, 2003**

To provide for and approve settlement of certain land claims of the Wyandotte Nation, and for other purposes.

H.R. 831 **Feb. 13, 2003**

To provide for and approve the settlement of certain land claims of the Bay Mills Indian Community.

H.R. 884 **Feb. 25, 2003**

To provide for the use and distribution of the funds awarded to the Western Shoshone identifiable group under Indian Claims Commission Docket Numbers 326-A-1, 326-A-3, and 326-K, and for other purposes.

H.R. 898 **Feb. 25, 2003**

To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 918 **Feb. 26, 2003**

To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 954 **Feb. 27, 2003**

To confirm Federal recognition of the Miami Nation of Indiana.

H.R. 1408 **Mar. 20, 2003**

To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.

H.R. 1409 **Mar. 20, 2003**

To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.

S. 1438 **July 22, 2003**

To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes..

SUBJECT INDEX

NATIVE AMERICANS—Continued

H.R. 1484 **Mar. 27, 2003**

To provide for the implementation of air quality programs developed in accordance with an Intergovernmental Agreement between the Southern Ute Indian Tribe and the State of Colorado concerning Air Quality Control on the Southern Ute Indian Reservation, and for other purposes.

S. 1530 **July 31, 2003**

To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.

S. 1601 **Sept. 9, 2003**

To amend the Indian Child Protection and Family Violence Prevention Act to provide for the reporting and reduction of child abuse and family violence incidences on Indian reservations, and for other purposes.

S. 1721 **Oct. 14, 2003**

To amend the Indian Land Consolidation Act to improve provisions relating to probate of trust and restricted land, and for other purposes.

H.R. 1753 **Apr. 10, 2003**

To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes.

H.R. 1938 **May 1, 2003**

To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.

S. 1996 **Dec. 9, 2003**

To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.

H.R. 2200 **May 21, 2003**

To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.

H.R. 2242 **May 22, 2003**

To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.

H.R. 2419 **June 11, 2003**

To protect sacred Native American Federal land from significant damage.

H.R. 2425 **June 11, 2003**

To provide for the use and distribution of the funds awarded to the Quinault Indian Nation under United States Claims Court Dockets 772-71, 773-71, 774-71, and 775-71, and for other purposes.

H.R. 2440 **June 11, 2003**

To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.

H.R. 2495 **June 17, 2003**

To amend the Ysleta del Sur Pueblo and Alabama and Coushatta Indian Tribes of Texas Restoration Act to decrease the requisite blood quantum required for membership in the Ysleta del Sur Pueblo tribe.

H.R. 2656 **June 26, 2003**

To amend the Graton Rancheria Restoration Act to give the Secretary of the Interior discretion regarding taking land into trust.

H.R. 2750 **July 15, 2003**

To make technical amendments to the Indian Child Welfare Act of 1978.

H.R. 2770 **July 17, 2003**

To amend part A of title IV of the Social Security Act to reauthorize and improve the operation of temporary assistance to needy families programs operated by Indian tribes, and for other purposes.

H.R. 2793 **July 18, 2003**

To provide for and approve the settlement of certain land claims of the Sault Ste. Marie Tribe of Chippewa Indians.

SUBJECT INDEX

NATIVE AMERICANS—Continued

H.R. 2912 **July 25, 2003**

To reaffirm the inherent sovereign rights of the Osage Tribe to determine its membership and form of government.

H.R. 2941 **July 25, 2003**

To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.

H.R. 2981 **July 25, 2003**

To provide for reform of management of Indian trust funds and assets under the jurisdiction of the Department of the Interior, and for other purposes.

H.R. 2996 **Sept. 3, 2003**

To amend the Indian Health Care Improvement Act to require that certain technical medical employees of the Indian Health Service be compensated for time during which they are required to be on-call.

H.R. 3394 **Oct. 29, 2003**

To clarify the lands over which Indian tribes shall have jurisdiction or exercise governmental power.

H.R. 3459 **Nov. 6, 2003**

To improve the health of minority individuals.

H.R. 3504 **Nov. 17, 2003**

To amend the Indian Self-Determination and Education Assistance Act to redesignate the American Indian Education Foundation as the National Fund for Excellence in American Indian Education.

H.R. 3745 **Jan. 28, 2004**

To amend the Indian Gaming Regulatory Act to require State legislature approval of new gambling facilities, to provide for minimum requirements for Federal regulation of Indian gaming, to set up a commission to report to Congress on current living and health standards in Indian country, and for other purposes.

H.R. 3838 **Feb. 25, 2004**

To provide grants to local governments to assist such local governments in participating in certain decisions related to certain Indian groups and Indian tribes.

H.R. 3982 **Mar. 17, 2004**

To direct the Secretary of Interior to convey certain land held in trust for the Paiute Indian Tribe of Utah to the City of Richfield, Utah, and for other purposes.

H.R. 4115 **Apr. 1, 2004**

To amend the Act of November 2, 1966 (80 Stat. 1112), to allow binding arbitration clauses to be included in all contracts affecting the land within the Salt River Pima-Maricopa Indian Reservation.

H.R. 4213 **Apr. 22, 2004**

To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.

H.R. 4490 **June 2, 2004**

To provide for acquisition of subsurface mineral rights to land owned by the Pascua Yaqui Tribe and land held in trust for the Tribe, and for other purposes.

H.R. 4526 **June 8, 2004**

To ensure the coordination and integration of Indian tribes in the National Homeland Security strategy and to establish an Office of Tribal Government Homeland Security within the Department of Homeland Security, and for other purposes.

H.R. 4577 **June 15, 2004**

To allow binding arbitration clauses to be included in all contracts affecting the land within the Gila River Indian Community Reservation.

H.R. 4647 **June 22, 2004**

To provide for certain lands to be held in trust for the Utu Utu Gwaitu Paiute Tribe.

H.R. 4666 **June 23, 2004**

To provide for and approve the settlement of certain land claims of the Sault Ste. Marie Tribe of Chippewa Indians.

SUBJECT INDEX

NATIVE AMERICANS—Continued

H.R. 4734 **June 25, 2004**

To amend the Indian Gaming Regulatory Act to include a definition of initial reservation and consultation, and for other purposes.

H.R. 4786 **July 8, 2004**

To provide grants to tribes to assist those tribes in participating in the Federal acknowledgement process.

H.R. 4908 **July 22, 2004**

To transfer certain land in Riverside County, California, from the Bureau of Land Management to the United States to be held in trust for the Pechanga Band of Luiseno Mission Indians, and for other purposes.

H.R. 4933 **July 22, 2004**

To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.

H.R. 4934 **July 22, 2004**

To direct the Secretary of the Interior to take certain tribally-owned reservation land into trust for the Puyallup Tribe.

H.R. 5134 **Sept. 23, 2004**

To require the prompt review by the Secretary of the Interior of the long-standing petitions for Federal recognition of certain Indian tribes, and for other purposes.

H.R. 5168 **Sept. 29, 2004**

To repeal the Bennett Freeze thus ending a gross treaty violation with the Navajo Nation and allowing the Navajo Nation to live in habitable dwellings and raise their living conditions, and for other purposes.

H.R. 5198 **Sept. 30, 2004**

To clarify issues of criminal jurisdiction within the exterior boundaries of Pueblo lands.

H.R. 5289 **Oct. 7, 2004**

To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.

NEBRASKA

H.R. 255 **Jan. 8, 2003**

To authorize the Secretary of the Interior to grant an easement to facilitate access to the Lewis and Clark Interpretative Center in Nebraska City, Nebraska.

H.R. 3241 **Oct. 2, 2003**

To authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.

NEPA (NATIONAL ENVIRONMENTAL POLICY ACT)

H.R. 108 **Jan. 7, 2003**

To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.

H.R. 3921 **Mar. 9, 2004**

To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.

H.R. 3992 **Mar. 17, 2004**

To amend the National Environmental Policy Act of 1969 to require preparation of statements regarding the environmental impacts of legal and illegal immigration.

H.R. 4513 **June 4, 2004**

To provide that in preparing an environmental assessment or environmental impact statement required under section 102 of the National Environmental Policy Act of 1969 with respect to any action authorizing a renewable energy project, no Federal agency is required to identify alternative project locations or actions other than the proposed action and the no action alternative, and for other purposes.

NEVADA

SUBJECT INDEX

H.R. 74 **Jan. 7, 2003**

To direct the Secretary of Agriculture to convey certain land in the lake Tahoe Basin Management Unit, Nevada, to the Secretary of the Interior, in trust for the Washoe Indian Tribe of Nevada and California.

H.R. 272 **Jan. 8, 2003**

To direct the Secretary of Agriculture to convey certain land to Lander County, Nevada, and the Secretary of the Interior to convey certain land to Eureka County, Nevada, for continued use as cemeteries.

H.R. 1092 **Mar. 5, 2003**

To authorize the Secretary of Agriculture to sell certain parcels of Federal land in Carson City and Douglas County, Nevada.

S. 1521 **July 31, 2003**

To direct the Secretary of the Interior to convey certain land to the Edward H. McDaniel American Legion Post No. 22 in Pahrump, Nevada, for the construction of a post building and memorial park for use by the American Legion, other veterans' groups, and the local community.

H.R. 2326 **June 4, 2003**

To require the conveyance of certain Bureau of Land Management lands in Nye County, Nevada, to Ponderosa Dairy in Amargosa, Nevada.

H.R. 2367 **June 5, 2003**

To provide for the conveyance of certain public lands in and around historic mining townsites in Nevada, and for other purposes.

H.R. 2869 **July 24, 2003**

To direct the Secretary of the Interior to sell certain public lands subject to mining operations in Eureka, Lander, White Pine, Elko, and Humboldt Counties, Nevada, for the reclamation of abandoned mines in Nevada, to promote and enhance economic development, education, and local government revenues, and for other purposes.

H.R. 3445 **Nov. 5, 2003**

To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.

H.R. 4285 **May 5, 2004**

To provide for the conveyance of certain public land in Clark County, Nevada, for use as a heliport.

H.R. 4332 **May 11, 2004**

To provide for the proper development of Federal lands in Clark County, Nevada, to best promote public welfare and economic development consistent with surrounding airport usage.

H.R. 4593 **June 16, 2004**

To establish wilderness areas, promote conservation, improve public land, and provide for the high quality development in Lincoln County, Nevada, and for other purposes.

H.R. 5151 **Sept. 28, 2004**

To transfer administrative jurisdiction over certain land in Clark County, Nevada, from the Secretary of the Interior to the Secretary of Veterans Affairs.

NEW HAMPSHIRE

H.R. 4722 **June 25, 2004**

To authorize the establishment at Antietam National Battlefield of a memorial to the officers and enlisted men of the Fifth, Sixth, and Ninth New Hampshire Volunteer Infantry Regiments and the First New Hampshire Light Artillery Battery who fought in the Battle of Antietam on September 17, 1862, and for other purposes.

NEW JERSEY

H.R. 524 **Feb. 4, 2003**

To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.

S. 2142 **Feb. 27, 2004**

To authorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.

H.R. 2244 **May 22, 2003**

To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.

SUBJECT INDEX

NEW JERSEY—Continued

H.R. 2686 **July 9, 2003**

To ensure the safety of recreational fishermen and other persons who use motor vehicles to access beaches adjacent to the Brigantine Wilderness Area in the Edwin B. Forsythe National Wildlife Refuge, New Jersey, by providing a narrow transition zone above the mean high tide line where motor vehicles can be safely driven and parked.

H.R. 3070 **Sept. 10, 2003**

To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.

H.R. 3902 **Mar. 4, 2004**

To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.

H.R. 4642 **June 22, 2004**

To provide for the extension of the New Jersey Coastal Heritage Trail into the Township of Woodbridge, New Jersey.

NEW MEXICO

S. 211 **Jan. 23, 2003**

To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.

S. 213 **Jan. 23, 2003**

To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.

S. 214 **Jan. 23, 2003**

To designate Fort Bayard Historic District in the State of New Mexico as a National Historic Landmark, and for other purposes.

S. 222 **Jan. 28, 2003**

To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.

H.R. 505 **Jan. 29, 2003**

To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.

H.R. 506 **Jan. 29, 2003**

To provide for the protection of archaeological sites in the Galisteo Basin in New Mexico, and for other purposes.

H.R. 507 **Jan. 29, 2003**

To declare that the United States holds certain public domain lands in trust for the Pueblos of San Ildefonso and Santa Clara.

S. 1071 **May 15, 2003**

To authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on a water conservation project within the Arch Hurley Conservancy District in the State of New Mexico, and for other purposes.

S. 2460 **May 20, 2004**

To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.

S. 2511 **June 8, 2004**

To direct the Secretary of the Interior to conduct a feasibility study of a Chimayo water supply system, to provide for the planning, design, and construction of a water supply, reclamation, and filtration facility for Espanola, New Mexico, and for other purposes.

S. 2622 **July 8, 2004**

To provide for the exchange of certain Federal land in the Santa Fe National Forest and certain non-Federal land in the Pecos National Historical Park in the State of New Mexico.

H.R. 2982 **July 25, 2003**

To amend the Flood Control Act of 1948 with respect to the Middle Rio Grande Project to authorize programs for water conservation, and for other purposes.

SUBJECT INDEX

NEW MEXICO—Continued

H.R. 3102 **Sept. 16, 2003**

To utilize the expertise of New Mexico State University, the University of Arizona, and Northern Arizona University in conducting studies under the National Environmental Policy Act of 1969 in connection with the grazing allotments and range and continuing range analysis for National Forest System lands in New Mexico and Arizona, and for other purposes.

H.R. 3176 **Sept. 24, 2003**

To designate the Ojito Wilderness Study Area as wilderness, to take certain land into trust for the Pueblo of Zia, and for other purposes.

H.R. 4623 **June 18, 2004**

To authorize the Secretary of the Interior to provide financial assistance to the Eastern New Mexico Rural Water Authority for the planning, design, and construction of the Eastern New Mexico Rural Water System, and for other purposes.

H.R. 4806 **July 9, 2004**

To provide for a land exchange involving Federal lands in the Lincoln National Forest in the State of New Mexico, and for other purposes.

H.R. 4808 **July 9, 2004**

To provide for a land exchange involving private land and Bureau of Land Management land in the vicinity of Holloman Air Force Base, New Mexico, for the purpose of removing private land from the required safety zone surrounding munitions storage bunkers at Holloman Air Force Base.

NEW YORK

H.R. 305 **Jan. 8, 2003**

To establish the Kate Mullany National Historic Site in the State of New York, and for other purposes.

H.R. 752 **Feb. 12, 2003**

To prohibit oil and gas drilling in Finger Lakes National Forest in New York.

H.R. 1364 **Mar. 19, 2003**

To authorize a national memorial at, or proximate to, the World Trade Center site to commemorate the tragic events of September 11, 2001, to establish the World Trade Center Memorial Advisory Board, and for other purposes.

S. 2691 **July 20, 2004**

To establish the Long Island Sound Stewardship Initiative.

H.R. 3471 **Nov. 6, 2003**

To authorize the Secretary of the Interior to conduct a special resource study of the area at or near the footprints of the former World Trade Center towers for possible inclusion in the National Park System to commemorate the tragic events of September 11, 2001.

H.R. 4040 **Mar. 25, 2004**

To authorize a national memorial to commemorate the final resting place of those lost at the World Trade Center on September 11, 2001, and for other purposes.

H.R. 4047 **Mar. 25, 2004**

To require the National Park Service to make necessary safety improvements to the Statue of Liberty and to reopen the Statue to the public.

H.R. 4668 **June 23, 2004**

To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".

H.R. 4876 **July 20, 2004**

To establish the Long Island Sound Stewardship Initiative.

NOAA

S. 886 **Apr. 10, 2003**

To ratify otherwise legal appointments and promotions in the commissioned corps of the National Oceanic and Atmospheric Administration that failed to be submitted to the Senate for its advice and consent as required by law, and for other purposes.

SUBJECT INDEX

NOAA—Continued

H.R. 959 **Feb. 27, 2003**

To improve the conservation and management of coastal and ocean resources by authorizing National Oceanic and Atmospheric Administration oceanographic programs.

H.R. 984 **Feb. 27, 2003**

To improve the conservation and management of coastal and ocean resources by reenacting and clarifying provisions of a reorganization plan authorizing the National Oceanic and Atmospheric Administration.

H.R. 2584 **June 24, 2003**

To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.

H.R. 2775 **July 17, 2003**

To amend the Hydrographic Services Improvement Act of 1998 to authorize funds to be appropriated for the Great Lakes Water Level Observation Network.

H.R. 4027 **Mar. 24, 2004**

To authorize the Secretary of Commerce to make available to the University of Miami property under the administrative jurisdiction of the National Oceanic and Atmospheric Administration on Virginia Key, Florida, for use by the University for a Marine Life Science Center.

H.R. 4158 **Apr. 2, 2004**

To provide for the conveyance to the Government of Mexico of a decommissioned National Oceanic and Atmospheric Administration ship, and for other purposes.

H.R. 4368 **May 13, 2004**

To transfer the National Oceanic and Atmospheric Administration to the Department of the Interior.

H.R. 4546 **June 14, 2004**

To provide for the National Oceanic and Atmospheric Administration, to authorize appropriations for the National Oceanic and Atmospheric Administration, and for other purposes.

H.R. 4607 **June 17, 2004**

To establish the National Oceanic and Atmospheric Administration (NOAA), to amend the organization and functions of the NOAA Advisory Committee on Oceans and Atmosphere, and for other purposes.

NORTH CAROLINA

H.R. 898 **Feb. 25, 2003**

To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 1408 **Mar. 20, 2003**

To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.

S. 1663 **Sept. 25, 2003**

To replace certain Coastal Barrier Resources System maps.

H.R. 2501 **June 18, 2003**

To clarify the boundaries of Coastal Barrier Resources System Cape Fear Unit NC-07P.

H.R. 2925 **July 25, 2003**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northeastern North Carolina Heritage Area in North Carolina, and for other purposes.

NORTH DAKOTA

S. 1146 **May 23, 2003**

To implement the recommendations of the Garrison Unit Tribal Advisory Committee by providing authorization for the construction of a rural health care facility on the Fort Berthold Indian Reservation, North Dakota.

NUTRIA

SUBJECT INDEX

H.R. 273 **Jan. 8, 2003**

To provide for the eradication and control of nutria in Maryland and Louisiana.

OCEANS

H. Con. Res. 202 **June 3, 2003**

Expressing the sense of Congress in support of a National Oceans Week.

S. 1400 **July 14, 2003**

To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.

H.R. 1690 **Apr. 9, 2003**

To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.

H.R. 3627 **Nov. 21, 2003**

To establish in the Executive Office of the President the Office of Oceans and Coastal Policy.

H.R. 4897 **July 22, 2004**

To protect deep sea corals and sponges, and for other purposes.

H.R. 4900 **July 22, 2004**

To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.

H.R. 5001 **July 22, 2004**

To establish a pilot program to develop a comprehensive system of ocean and coastal observations for the Nation's oceans, coasts, and Great Lakes, including enhanced security at United States ports, and for other purposes.

OHIO

H.R. 280 **Jan. 8, 2003**

To establish the National Aviation Heritage Area, and for other purposes.

OIL AND GAS RESOURCES

H.R. 752 **Feb. 12, 2003**

To prohibit oil and gas drilling in Finger Lakes National Forest in New York.

H.R. 1491 **Mar. 27, 2003**

To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.

H.R. 1570 **Apr. 2, 2003**

To accelerate natural gas exploration, development, and production from oil and gas wells drilled to deep depths on existing lease tracts on the Outer Continental Shelf, and for other purposes.

H.R. 1697 **Apr. 9, 2003**

To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.

H.R. 2244 **May 22, 2003**

To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.

H.R. 4017 **Mar. 23, 2004**

To assure that development of certain Federal oil and gas resources will occur in ways that protect water resources and respect the rights of the surface owners, and for other purposes.

H.R. 4611 **June 17, 2004**

To enable increased gasoline supplies and otherwise ensure lower gasoline prices in the United States.

SUBJECT INDEX

OKLAHOMA

H.R. 4066 **Mar. 30, 2004**

To provide for the conveyance of certain land to the United States and to revise the boundary of Chickasaw National Recreation Area, Oklahoma, and for other purposes.

H.R. 4725 **June 25, 2004**

To amend the Wild and Scenic Rivers Act to designate a segment of the Glover River in the State of Oklahoma as a component of the National Wild and Scenic Rivers System.

OREGON

H. Con. Res. 341 **Nov. 21, 2003**

Recognizing the 20th anniversary of the restoration of Federal recognition of the Confederated Tribes of the Grand Ronde Community of Oregon.

H.R. 514 **Jan. 31, 2003**

To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.

S. 625 **Mar. 13, 2003**

To authorize the Bureau of Reclamation to conduct certain feasibility studies in the Tualatin River Basin in Oregon, and for other purposes.

S. 714 **Mar. 26, 2003**

To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.

H.R. 733 **Feb. 12, 2003**

To authorize the Secretary of the Interior to acquire the McLoughlin House National Historic Site in Oregon City, Oregon, and to administer the site as a unit of the National Park System, and for other purposes.

H.R. 1525 **Mar. 31, 2003**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a feasibility study of the Tualatin River Basin in Oregon.

H.R. 3210 **Sept. 30, 2003**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a water resource feasibility study for the Little Butte/Bear Creek Subbasins in Oregon.

H.R. 3505 **Nov. 17, 2003**

To amend the Bend Pine Nursery Land Conveyance Act to specify the recipients and consideration for conveyance of the Bend Pine Nursery, and for other purposes.

H.R. 3747 **Jan. 28, 2004**

To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.

H.R. 4932 **July 22, 2004**

To establish management priorities for Federal forest lands in Oregon and Washington located west of the Cascade Crest that will protect old growth timber while improving the health of young managed stands, increasing the volume of commercial timber available from these lands, and providing economic opportunities in local communities, and for other purposes.

OUTDOOR ACT

H.R. 4100 **Mar. 31, 2004**

To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.

OUTER CONTINENTAL SHELF (OCS)

H.R. 793 **Feb. 13, 2003**

To amend the Outer Continental Shelf Lands Act to authorized the Secretary of the Interior to grant easements and rights-of-way on the Outer Continental Shelf for activities otherwise authorized by that Act.

SUBJECT INDEX

OUTER CONTINENTAL SHELF (OCS)—Continued

H.R. 910 **Feb. 25, 2003**

To provide for the distribution to coastal States and counties of revenues collected under the Outer Continental Shelf Lands Act.

H.R. 2654 **June 26, 2003**

To amend the Outer Continental Shelf Lands Act to direct the Secretary of the Interior to issue regulations under which the Secretary may authorize use of a decommissioned offshore oil and gas platform for culture of marine organisms, an artificial reef, or scientific research, and for other purposes.

H.R. 3187 **Sept. 25, 2003**

To require a temporary moratorium on leasing, exploration, and development on lands of the Outer Continental Shelf off the State of California, and for other purposes.

H.R. 4515 **June 4, 2004**

To promote natural gas production from the abundant natural gas hydrate resources on the outer Continental Shelf and Federal lands in Alaska by providing royalty incentives, and for other purposes.

H.R. 4958 **July 22, 2004**

To direct the Secretary of the Interior to conduct a sale of oil and gas leases on certain submerged lands of the outer Continental Shelf in the Eastern Gulf of Mexico.

PALEONTOLOGICAL RESOURCES

S. 546 **Mar. 6, 2003**

To provide for the protection of paleontological resources on Federal lands, and for other purposes.

H.R. 2416 **June 11, 2003**

To provide for the protection of paleontological resources on Federal lands, and for other purposes.

H.R. 2520 **June 19, 2003**

To authorize the Secretary of the Interior to acquire by donation certain property in Alabama to provide for the protection and preservation of certain rare paleontological resources on that property, and for other purposes.

H.R. 4913 **July 22, 2004**

To provide for the protection and preservation of certain rare paleontological resources on the former Union Chapel Mine site in Alabama, and for other purposes.

PAYMENT IN LIEU OF TAXES (PILT)

H.R. 380 **Jan. 27, 2003**

To provide full funding for the payment in lieu of taxes program for the next five fiscal years, to protect local jurisdictions against the loss of property tax revenues when private lands are acquired by a Federal land management agency, and for other purposes.

H.R. 1005 **Feb. 27, 2003**

To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

PENNSYLVANIA

H.R. 1521 **Mar. 31, 2003**

To provide for additional lands to be included within the boundary of the Johnstown Flood National Memorial in the State of Pennsylvania, and for other purposes.

H.R. 1862 **Apr. 29, 2003**

To establish the Oil Region National Heritage Area.

H.R. 3753 **Feb. 3, 2004**

To provide for the restoration of the Benjamin Franklin National Memorial, and for other purposes.

H.R. 4494 **June 2, 2004**

To designate the Grey Towers National Historic Site in the Commonwealth of Pennsylvania, and for other purposes.

PUBLIC LANDS

SUBJECT INDEX

H.R. 3247

Oct. 2, 2003

To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.

PIPELINE

H.R. 5369

Nov. 16, 2004

To authorize the Secretary of the Interior to allow the Columbia Gas Transmission Corporation to increase the diameter of a natural gas pipeline located in the Delaware Water Gap National Recreation Area.

PUERTO RICO

H.R. 1723

Apr. 10, 2003

To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.

RIGHT-OF-WAY

H.R. 762

Feb. 13, 2003

To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts.

H.R. 1639

Apr. 3, 2003

To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.

H.R. 1658

Apr. 7, 2003

To amend the Railroad Right-of-Way Conveyance Validation Act to validate additional conveyances of certain lands in the State of California that form part of the right-of-way granted by the United States to facilitate the construction of the transcontinental railway, and for other purposes.

RIVERS

H.R. 2479

June 16, 2003

To authorize the Secretary of the Interior to provide to the States of Connecticut and Massachusetts technical and financial assistance for management of the Connecticut River in those States.

H.R. 3373

Oct. 24, 2003

To direct the Secretary of the Interior to monitor the health of the Missouri River and measure biological, chemical, and physical responses to changes in river management and other significant variables.

ROADLESS AREAS

H.R. 2369

June 5, 2003

To protect inventoried roadless areas in the National Forest System, and for other purposes.

ROYALTY

H.R. 4984

July 22, 2004

To provide that the royalty rate on the output from Federal lands of potassium and potassium compounds from the mineral sylvite in the 5-year period beginning on the date of the enactment of this Act shall be reduced to 1.0 percent, and for other purposes.

SIKES ACT

H.R. 1497

Mar. 27, 2003

To reauthorize title I of the Sikes Act.

SODA ASH ROYALTY

H.R. 4194

Apr. 22, 2004

To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.

SUBJECT INDEX

SODA ASH ROYALTY—Continued

H.R. 4625 **June 21, 2004**

To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.

SOUTH CAROLINA

H.R. 332 **Jan. 8, 2003**

To direct the Secretary of the Interior to study certain sites in the historic district of Beaufort, South Carolina, relating to the Reconstruction Era to assess the suitability and feasibility of designating the study area as a unit of the National Park System.

S. 500 **Mar. 3, 2003**

To direct the Secretary of the Interior to study certain sites in the historic district of Beaufort, South Carolina, relating to the Reconstruction Era.

H.R. 3074 **Sept. 10, 2003**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.

SOUTH DAKOTA

S. 425 **Feb. 14, 2003**

To revise the boundary of the Wind Cave National Park in the State of South Dakota.

S. 426 **Feb. 14, 2003**

To direct the Secretary of the Interior to convey certain parcels of land acquired for the Blunt Reservoir and Pierre Canal features of the initial stage of the Oahe Unit, James Division, South Dakota, to the Commission of Schools and Public Lands and the Department of Game, Fish, and Parks of the State of South Dakota for the purpose of mitigating lost wildlife habitat, on the condition that the current preferential leaseholders shall have an option to purchase the parcels from the Commission, and for other purposes.

H.R. 2132 **May 15, 2003**

To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal and industrial and fish and wildlife purposes.

SPORTSMEN

H. Res. 362 **Sept. 9, 2003**

Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

TAKINGS

H.R. 701 **Feb. 11, 2003**

To restore to the original owners certain lands that the Federal Government took for military purposes in 1940.

TENNESSEE

H.R. 216 **Jan. 7, 2003**

To establish as a unit of Chickamauga and Chattanooga National Military Park, the Moccasin Bend National Archeological District.

S. 524 **Mar. 5, 2003**

To expand the boundaries of the Fort Donelson National Battlefield to authorize the acquisition and interpretation of lands associated with the campaign that resulted in the capture of the fort in 1862, and for other purposes.

H.R. 1809 **Apr. 11, 2003**

To authorize the Secretary of the Interior to acquire Fern Lake and the surrounding watershed in the States of Kentucky and Tennessee for addition to Cumberland Gap National Historical Park, and for other purposes.

H.R. 4667 **June 23, 2004**

To authorize and facilitate hydroelectric power licensing of the Tapoco Project, and for other purposes.

TERRITORIES

SUBJECT INDEX

H.J. Res. 63 **July 8, 2003**

To approve the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Federated States of Micronesia," and the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Republic of the Marshall Islands," and otherwise to amend Public Law 99-239, and to appropriate for the purposes of amended Public Law 99-239 for fiscal years ending on or before September 30, 2023, and for other purposes.

H. Res. 737 **July 21, 2004**

Recognizing the 60th anniversary of the Liberation of Guam during World War II.

H.R. 982 **Feb. 27, 2003**

To clarify the tax treatment of bonds and other obligations issued by the Government of American Samoa.

H.R. 1189 **Mar. 11, 2003**

To increase the waiver requirement for certain local matching requirements for grants provided to American Samoa, Guam, the Virgin Islands, or the Commonwealth of the Northern Mariana Islands, and for other purposes.

H.R. 2010 **May 7, 2003**

To protect the voting rights of members of the Armed Services in elections for the Delegate representing American Samoa in the United States House of Representatives, and for other purposes.

H.R. 2400 **June 10, 2003**

To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.

H.R. 2488 **June 17, 2003**

To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.

H.R. 2522 **June 19, 2003**

To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.

H.R. 2716 **July 14, 2003**

To amend the Compact of Free Association of 1985 to provide for adequate Compact-impact aid.

H.R. 3589 **Nov. 21, 2003**

To create the Office of Chief Financial Officer of the Government of the Virgin Islands.

H.R. 5065 **Sept. 13, 2004**

To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.

H.R. 5135 **Sept. 23, 2004**

To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.

TEXAS

H.R. 856 **Feb. 13, 2003**

To authorize the Secretary of the Interior to revise a repayment contract with the Tom Green County Water Control and Improvement District No. 1, San Angelo project, Texas, and for other purposes.

H.R. 1732 **Apr. 10, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Williamson County, Texas, Water Recycling and Reuse Project, and for other purposes.

H.R. 4751 **June 25, 2004**

To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

H.R. 4775 **July 7, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.

SUBJECT INDEX

TRAILS SYSTEM

H.R. 461 **Jan. 29, 2003**

To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail.

S. 635 **Mar. 17, 2003**

To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.

S. 651 **Mar. 18, 2003**

To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.

H.R. 897 **Feb. 25, 2003**

To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.

H.R. 1051 **Mar. 4, 2003**

To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.

S. 2052 **Feb. 5, 2004**

To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.

H.R. 2327 **June 4, 2003**

To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

H.R. 3342 **Oct. 20, 2003**

To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.

H.R. 3532 **Nov. 19, 2003**

To amend the National Trails System Act to improve the efficiency and fairness of acquiring railroad rights-of-way for interim use as public trails by applying the procedures that govern other Federal real estate acquisitions.

H.R. 3626 **Nov. 21, 2003**

To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.

H.R. 3860 **Feb. 26, 2004**

To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.

H.R. 4122 **Apr. 1, 2004**

To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.

H.R. 4240 **Apr. 28, 2004**

To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.

H.R. 4865 **July 20, 2004**

To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross country American Discovery Trail as the first national discovery trail.

H.R. 4944 **July 22, 2004**

To designate the Ice Age Floods National Geologic Trail, and for other purposes.

TRANSPORTATION

H.R. 2088 **May 14, 2003**

To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

SUBJECT INDEX

TRANSPORTATION—Continued

H.R. 3087 **Sept. 16, 2003**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3088 **Sept. 16, 2003**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3550 **Nov. 20, 2003**

To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

H.R. 3783 **Feb. 10, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3850 **Feb. 26, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 4219 **Apr. 27, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 4635 **June 22, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 4864 **July 20, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 4916 **July 22, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 5183 **Sept. 29, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 5184 **Sept. 29, 2004**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

UTAH

H.R. 511 **Jan. 31, 2003**

To make certain adjustments to be boundaries of the Mount Naomi Wilderness Area, and for other purposes.

H.R. 512 **Jan. 31, 2003**

To authorize the Secretary of the Interior to construct an education and administrative center at the Bear River Migratory Bird Refuge in Box Elder County, Utah.

H.R. 788 **Feb. 13, 2003**

To revise the boundary of the Glen Canyon National Recreation Area in the States of Utah and Arizona.

SUBJECT INDEX

UTAH—Continued

H.R. 1058 **Mar. 4, 2003**

To provide for an exchange of certain private property in Colorado and certain Federal property in Utah.

H.R. 1796 **Apr. 11, 2003**

To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

S. 2285 **Apr. 6, 2004**

To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.

H.R. 2909 **July 25, 2003**

To ensure the continued availability of the Utah Test and Training Range to support the readiness and training needs of the Armed Forces.

H.R. 3252 **Oct. 7, 2003**

To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.

H.R. 3667 **Dec. 8, 2003**

To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.

H.R. 3982 **Mar. 17, 2004**

To direct the Secretary of Interior to convey certain land held in trust for the Paiute Indian Tribe of Utah to the City of Richfield, Utah, and for other purposes.

H.R. 5330 **Oct. 8, 2004**

To authorize and direct the exchange of lands in Grand and Uintah Counties, Utah, and for other purposes.

VEHICLE ENFORCEMENT

H.R. 751 **Feb. 12, 2003**

To authorize increased fines for improper use of vehicles that results in damage to public lands or national forests, and for other purposes.

H.R. 2686 **July 9, 2003**

To ensure the safety of recreational fishermen and other persons who use motor vehicles to access beaches adjacent to the Brigantine Wilderness Area in the Edwin B. Forsythe National Wildlife Refuge, New Jersey, by providing a narrow transition zone above the mean high tide line where motor vehicles can be safely driven and parked.

VIRGIN ISLANDS

H.R. 1594 **Apr. 3, 2003**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the St. Croix National Heritage Area in St. Croix, United States Virgin Islands, and for other purposes.

H.R. 2663 **July 8, 2003**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating Castle Nugent Farms located on St. Croix, Virgin Islands, as a unit of the National Park System, and for other purposes.

H.R. 5065 **Sept. 13, 2004**

To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.

VIRGINIA

H.R. 1938 **May 1, 2003**

To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.

H.R. 4202 **Apr. 22, 2004**

To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Crawford Valley Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.

VOLUNTEER RECRUITMENT

SUBJECT INDEX

H.R. 4170 **Apr. 20, 2004**

To authorize the Secretary of the Interior to recruit volunteers to assist with, or facilitate, the activities of various agencies and offices of the Department of the Interior.

WASHINGTON

H.R. 265 **Jan. 8, 2003**

To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.

S. 391 **Feb. 13, 2003**

To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 822 **Feb. 13, 2003**

To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 4690 **June 24, 2004**

To transfer certain lands along the Cle Elum River in the State of Washington to the administrative jurisdiction of the Secretary of the Interior, to support a land exchange involving a portion of such lands, and for other purposes.

H.R. 4932 **July 22, 2004**

To establish management priorities for Federal forest lands in Oregon and Washington located west of the Cascade Crest that will protect old growth timber while improving the health of young managed stands, increasing the volume of commercial timber available from these lands, and providing economic opportunities in local communities, and for other purposes.

H.R. 5077 **Sept. 14, 2004**

To require the conveyance of a small parcel of Federal land in the Colville National Forest, Washington, and for other purposes.

H.R. 5083 **Sept. 15, 2004**

To designate certain lower-elevation Federal lands in the Skykomish River valley of the State of Washington as wilderness, to designate a portion of such lands for management as a backcountry wilderness management area, and for other purposes.

WATER AND POWER

H.R. 135 **Jan. 7, 2003**

To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

H.R. 142 **Jan. 7, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional water recycling project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, and to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project.

S. 155 **Jan. 14, 2003**

To convey to the town of Frannie, Wyoming, certain land withdrawn by the Commissioner of Reclamation.

S. 162 **Jan. 15, 2003**

To provide for the use of distribution of certain funds awarded to the Gila River Pima-Maricopa Indian Community, and for other purposes.

S. 212 **Jan. 23, 2003**

To authorize the Secretary of the Interior to cooperate with the High Plains States in conducting a hydrogeologic characterization, mapping, modeling and monitoring program for the High Plains Aquifer, and for other purposes.

S. 213 **Jan. 23, 2003**

To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.

S. 222 **Jan. 28, 2003**

To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 309 **Jan. 8, 2003**

To direct the Secretary of the Interior to conduct a study to determine the feasibility of increasing the capacity of water storage, increasing power generation, improving water supply reliability and quality, improving water management efficiency, and improving ecosystem function and flood control on the San Joaquin River through the construction of a reservoir at Temperance Flat and other reasonable measures.

S. 426 **Feb. 14, 2003**

To direct the Secretary of the Interior to convey certain parcels of land acquired for the Blunt Reservoir and Pierre Canal features of the initial stage of the Oahe Unit, James Division, South Dakota, to the Commission of Schools and Public Lands and the Department of Game, Fish, and Parks of the State of South Dakota for the purpose of mitigating lost wildlife habitat, on the condition that the current preferential leaseholders shall have an option to purchase the parcels from the Commission, and for other purposes.

H.R. 458 **Jan. 29, 2003**

To provide for the use and distribution of certain funds awarded to the Gila River Pima-Maricopa Indian Community, and for other purposes.

H.R. 495 **Jan. 29, 2003**

To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.

S. 520 **Mar. 5, 2003**

To authorize the Secretary of the Interior to convey certain facilities to the Fremont-Madison Irrigation District in the State of Idaho.

S. 625 **Mar. 13, 2003**

To authorize the Bureau of Reclamation to conduct certain feasibility studies in the Tualatin River Basin in Oregon, and for other purposes.

H.R. 699 **Feb. 11, 2003**

To direct the Secretary of the Interior to conduct a comprehensive study of the Rathdrum Prairie/Spokane Valley Aquifer, located in Idaho and Washington.

H.R. 856 **Feb. 13, 2003**

To authorize the Secretary of the Interior to revise a repayment contract with the Tom Green County Water Control and Improvement District No. 1, San Angelo project, Texas, and for other purposes.

H.R. 885 **Feb. 25, 2003**

To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.

H.R. 901 **Feb. 25, 2003**

To authorize the Secretary of the Interior to construct a bridge on Federal land west of and adjacent to Folsom Dam in California, and for other purposes.

S. 943 **Apr. 29, 2003**

To authorize the Secretary of the Interior to enter into 1 or more contracts with the city of Cheyenne, Wyoming, for the storage of water in the Kendrick Project, Wyoming.

S. 960 **Apr. 30, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000 to modify the water resources study.

H.R. 961 **Feb. 27, 2003**

To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.

S. 1071 **May 15, 2003**

To authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on a water conservation project within the Arch Hurley Conservancy District in the State of New Mexico, and for other purposes.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 1097 **Mar. 5, 2003**

To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1106 **Mar. 5, 2003**

To authorize the Secretary of the Interior to convey certain facilities to the Fremont-Madison Irrigation District in the State of Idaho.

H.R. 1156 **Mar. 6, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project.

H.R. 1284 **Mar. 13, 2003**

To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to increase the Federal share of the costs of the San Gabriel Basin demonstration project.

S. 1355 **June 26, 2003**

To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.

S. 1438 **July 22, 2003**

To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes..

H.R. 1525 **Mar. 31, 2003**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a feasibility study of the Tualatin River Basin in Oregon.

S. 1530 **July 31, 2003**

To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.

H.R. 1598 **Apr. 3, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in projects within the San Diego Creek Watershed, California, and for other purposes.

H.R. 1604 **Apr. 3, 2003**

To amend Public Law 105-295 to increase the amount of funds authorized to be appropriated for construction of temperature control devices.

H.R. 1648 **Apr. 7, 2003**

To authorize the Secretary of the Interior to convey certain water distribution systems of the Cachuma Project, California, to the Carpinteria Valley Water District and the Montecito Water District.

H.R. 1732 **Apr. 10, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Williamson County, Texas, Water Recycling and Reuse Project, and for other purposes.

H.R. 1760 **Apr. 10, 2003**

To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.

H.R. 1794 **Apr. 11, 2003**

To authorize the Secretary of the Interior to construct and rehabilitate Federal water supply lines associated with Folsom Dam in California, and for other purposes.

S. 1957 **Nov. 25, 2003**

To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.

SUBJECT INDEX

WATER AND POWER—Continued

S. 1996 **Dec. 9, 2003**

To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.

H.R. 2040 **May 8, 2003**

To amend the Irrigation Project Contract Extension Act of 1998 to extend certain contracts between the Bureau of Reclamation and certain irrigation water contractors in the States of Wyoming and Nebraska.

H.R. 2102 **May 14, 2003**

To provide a cost-sharing requirement for the construction of the Arkansas Valley Conduit in the State of Colorado.

H.R. 2132 **May 15, 2003**

To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal and industrial and fish and wildlife purposes.

H.R. 2257 **May 22, 2003**

To convey the Lower Yellowstone Irrigation Project, the Savage Unit of the Pick-Sloan Missouri Basin Program, and the Intake Irrigation Project to the appurtenant Irrigation Districts.

H.R. 2355 **June 5, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000 to modify the water resources study.

S. 2460 **May 20, 2004**

To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.

S. 2511 **June 8, 2004**

To direct the Secretary of the Interior to conduct a feasibility study of a Chimayo water supply system, to provide for the planning, design, and construction of a water supply, reclamation, and filtration facility for Espanola, New Mexico, and for other purposes.

H.R. 2603 **June 25, 2003**

To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.

S. 2605 **June 24, 2004**

To direct the Secretary of the Interior and the heads of other Federal agencies to carry out an agreement resolving major issues relating to the adjudication of water rights in the Snake River Basin, Idaho, and for other purposes.

H.R. 2641 **June 26, 2003**

To authorize the Secretary of the Interior to implement the Calfed Bay-Delta Program.

H.R. 2828 **July 23, 2003**

To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.

H.R. 2831 **July 23, 2003**

To authorize the Secretary of the Interior to convey the Newlands Project Headquarters and Maintenance Yard Facility to the Truckee-Carson Irrigation District.

S. 2847 **Sept. 27, 2004**

To reauthorize the Water Resources Research Act of 1984.

H.R. 2960 **July 25, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Brownsville Public Utility Board water recycling and desalinization project.

H.R. 2982 **July 25, 2003**

To amend the Flood Control Act of 1948 with respect to the Middle Rio Grande Project to authorize programs for water conservation, and for other purposes.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 2991 **Sept. 3, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga County Water District recycling project.

H.R. 3209 **Sept. 30, 2003**

To amend the Reclamation Project Authorization Act of 1972 to clarify the acreage for which the North Loup division is authorized to provide irrigation water under the Missouri River Basin project.

H.R. 3210 **Sept. 30, 2003**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a water resource feasibility study for the Little Butte/Bear Creek Subbasins in Oregon.

H.R. 3241 **Oct. 2, 2003**

To authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.

H.R. 3265 **Oct. 8, 2003**

To direct the Secretary of Energy to convey a parcel of land at the facility of the Southwestern Power Administration in Tupelo, Oklahoma.

H.R. 3334 **Oct. 17, 2003**

To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.

H.R. 3391 **Oct. 29, 2003**

To authorize the Secretary of the Interior to convey certain lands and facilities of the Provo River Project.

H.R. 3400 **Oct. 29, 2003**

To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.

H.R. 3466 **Nov. 6, 2003**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Yucaipa Valley Regional Water Supply Renewal Project.

H.R. 3467 **Nov. 6, 2003**

To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California as the "C.W. Bill" Jones Pumping Plant ".

H.R. 3597 **Nov. 21, 2003**

To authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on the Alder Creek water storage and conservation project in El Dorado County, California, and for other purposes.

H.R. 3747 **Jan. 28, 2004**

To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.

H.R. 3900 **Mar. 4, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of permanent facilities for the GREAT project to reclaim, reuse, and treat impaired waters water in the area of Oxnard, California.

H.R. 3945 **Mar. 11, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of a project to reclaim and reuse wastewater within and outside of the service area of the City of Corona Water Utility, California.

H.R. 4045 **Mar. 25, 2004**

To authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River, and for other purposes.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 4300 **May 6, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

H.R. 4389 **May 19, 2004**

To authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California, and for other purposes.

H.R. 4459 **May 20, 2004**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

H.R. 4580 **June 15, 2004**

To remove certain restrictions on the Mammoth Community Water District's ability to use certain property acquired by that District from the United States.

H.R. 4588 **June 16, 2004**

To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.

H.R. 4606 **June 17, 2004**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

H.R. 4623 **June 18, 2004**

To authorize the Secretary of the Interior to provide financial assistance to the Eastern New Mexico Rural Water Authority for the planning, design, and construction of the Eastern New Mexico Rural Water System, and for other purposes.

H.R. 4650 **June 22, 2004**

To amend the Act entitled "An Act to provide for the construction of the Cheney division, Wichita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.

H.R. 4667 **June 23, 2004**

To authorize and facilitate hydroelectric power licensing of the Tapoco Project, and for other purposes.

H.R. 4691 **June 24, 2004**

To authorize the Secretary of the Interior to engage in a feasibility study relating to long-term water needs for the area served by the Fryingpan-Arkansas Project, Colorado, and for other purposes.

H.R. 4775 **July 7, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.

H.R. 4791 **July 9, 2004**

To direct the Secretary of the Interior to conduct a feasibility study to design and construct a three-reservoir intertie system for the purposes of improving the water supply reliability and water yield of San Vicente, El Capitan, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the Sweetwater Authority, and for other purposes.

H.R. 4835 **July 14, 2004**

To establish a water supply enhancement demonstration program, including the demonstration of desalination, and for other purposes.

H.R. 4893 **July 22, 2004**

To authorize additional appropriations for the Reclamation Safety of Dams Act of 1978.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 4907 **July 22, 2004**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.

H.R. 4949 **July 22, 2004**

To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.

H.R. 4981 **July 22, 2004**

To direct the Secretary of the Interior and the heads of other Federal agencies to carry out an agreement resolving major issues relating to the adjudication of water rights in the Snake River Basin, Idaho, and for other purposes.

H.R. 5009 **Sept. 7, 2004**

To extend water contracts between the United States and specific irrigation districts and the City of Helena in Montana, and for other purposes.

H.R. 5016 **Sept. 7, 2004**

To extend the water service contract for the Ainsworth Unit, Sandhills Division, Pick-Sloan Missouri Basin Program, Nebraska.

H.R. 5044 **Sept. 9, 2004**

To provide for a study of the potential for increasing hydroelectric power production at existing Federal facilities, and for other purposes.

H.R. 5139 **Sept. 23, 2004**

To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.

H.R. 5373 **Nov. 17, 2004**

To authorize the Secretary of the Interior to enter into contracts for the use of excess storage and conveyance capacity of the Fryingpan-Arkansas Project, Colorado, and for other purposes.

H.R. 5418 **Nov. 19, 2004**

To authorize the Secretary of the Interior to enter into new and renewal contracts with the City of Aurora, Colorado, or an enterprise of the City, for the use of excess capacity water in the Fryingpan-Arkansas Project.

WEED CONTROL

H.R. 119 **Jan. 7, 2003**

To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.

H.R. 1904 **May 1, 2003**

To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

WEST VIRGINIA

S. 1576 **Sept. 3, 2003**

To revise the boundary of Harpers Ferry National Historical Park, and for other purposes.

H.R. 3305 **Oct. 16, 2003**

To revise the boundary of Harpers Ferry National Historical Park, and for other purposes.

WILD AND SCENIC RIVERS

H.R. 987 **Feb. 27, 2003**

To amend the Wild and Scenic Rivers Act to ensure congressional involvement in the process by which a river that is designated as a wild, scenic, or recreational river by an act of the legislature of the State or States through which the river flows may be included in the National Wild and Scenic Rivers System, and for other purposes.

SUBJECT INDEX

WILD AND SCENIC RIVERS—Continued

S. 1614 **Sept. 15, 2003**

To designate a portion of White Salmon River as a component of the National Wild and Scenic Rivers System.

H.R. 2266 **May 22, 2003**

To clarify the intent of Congress with respect to the continued use of established commercial outfitter hunting camps on the Salmon River.

H.R. 2397 **June 10, 2003**

To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.

H.R. 3325 **Oct. 16, 2003**

To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 3327 **Oct. 16, 2003**

To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.

H.R. 3902 **Mar. 4, 2004**

To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.

H.R. 4070 **Mar. 30, 2004**

To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

H.R. 4725 **June 25, 2004**

To amend the Wild and Scenic Rivers Act to designate a segment of the Glover River in the State of Oklahoma as a component of the National Wild and Scenic Rivers System.

WILDERNESS

S. 278 **Feb. 4, 2003**

To make certain adjustments to the boundaries of the Mount Naomi Wilderness Area, and for other purposes.

S. 391 **Feb. 13, 2003**

To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 511 **Jan. 31, 2003**

To make certain adjustments to be boundaries of the Mount Naomi Wilderness Area, and for other purposes.

H.R. 640 **Feb. 5, 2003**

To designate as wilderness certain lands within the Rocky Mountain National Park in the State of Colorado.

H. Res. 746 **July 22, 2004**

Honoring the 40th Anniversary of the Wilderness Act.

H.R. 822 **Feb. 13, 2003**

To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 1153 **Mar. 6, 2003**

To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.

H.R. 1501 **Mar. 27, 2003**

To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

SUBJECT INDEX

WILDERNESS—Continued

H.R. 1723 **Apr. 10, 2003**

To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.

H.R. 1796 **Apr. 11, 2003**

To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2305 **June 3, 2003**

To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.

H.R. 3176 **Sept. 24, 2003**

To designate the Ojito Wilderness Study Area as wilderness, to take certain land into trust for the Pueblo of Zia, and for other purposes.

H.R. 3325 **Oct. 16, 2003**

To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 3327 **Oct. 16, 2003**

To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.

H.R. 4202 **Apr. 22, 2004**

To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Crawfish Valley Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.

H.R. 4827 **July 13, 2004**

To amend the Colorado Canyons National Conservation Area and Black Ridge Canyons Wilderness Act of 2000 to rename the Colorado Canyons National Conservation Area as the McInnis Canyons National Conservation Area.

H.R. 4887 **July 21, 2004**

To adjust the boundary of the Cumberland Island Wilderness, to authorize tours of the Cumberland Island National Seashore, and for other purposes.

H.R. 5083 **Sept. 15, 2004**

To designate certain lower-elevation Federal lands in the Skykomish River valley of the State of Washington as wilderness, to designate a portion of such lands for management as a backcountry wilderness management area, and for other purposes.

WILDFIRES

H.R. 387 **Jan. 27, 2003**

To authorize the Regional Foresters to exempt tree-thinning projects, which are necessary to prevent the occurrence of wildfire likely to cause extreme harm to the forest ecosystem, from laws that give rise to legal causes of action that delay or prevent such projects.

H.R. 460 **Jan. 29, 2003**

To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.

H.R. 575 **Feb. 5, 2003**

To expedite the process by which the Secretary of the Interior and the Secretary of Agriculture may utilize military aircraft to fight wildfires, and for other purposes.

H.R. 988 **Feb. 27, 2003**

To provide compensation to individuals who are injured by an escaped prescribed fire and to amend the tort procedure provisions of title 28, United States Code, relating to claims for such fires, and for other purposes.

H.R. 1038 **Feb. 27, 2003**

To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.

SUBJECT INDEX

WILDFIRES—Continued

H.R. 1042 **Feb. 27, 2003**

To authorize collaborative forest restoration and wildland fire hazard mitigation projects on National Forest System lands and other public and private lands, to improve the implementation of the National Fire Plan, and for other purposes.

H.R. 1061 **Mar. 4, 2003**

To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.

H.R. 1621 **Apr. 3, 2003**

To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.

H.R. 2551 **June 19, 2003**

To amend the Federal Land Policy and Management Act of 1976 to provide owners of non-Federal lands with a reliable method of receiving compensation for damages resulting from the spread of wildfire from nearby forested National Forest System lands or Bureau of Land Management lands, when those forested Federal lands are not maintained in the forest health status known as condition class 1.

H.R. 2639 **June 26, 2003**

To expedite procedures for hazardous fuels reduction activities and restoration in wildland fire prone National Forests, and for other purposes.

H.R. 2696 **July 10, 2003**

To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.

WILDLIFE

H.R. 1006 **Feb. 27, 2003**

To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

S. 1210 **June 9, 2003**

To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.

H.R. 1472 **Mar. 27, 2003**

To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1647 **Apr. 7, 2003**

To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.

H.R. 2057 **May 9, 2003**

To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.

H.R. 3378 **Oct. 28, 2003**

To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.

H.R. 3446 **Nov. 5, 2003**

To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.

H.R. 4826 **July 13, 2004**

To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

WILDLIFE REFUGES

SUBJECT INDEX

H.R. 274 **Jan. 8, 2003**

To authorize the Secretary of the Interior to acquire the property in Cecil County, Maryland, known as Garrett Island for inclusion in the Blackwater National Wildlife Refuge.

H.R. 289 **Jan. 8, 2003**

To expand the boundaries of the Ottawa National Wildlife Refuge Complex and the Detroit River International Wildlife Refuge.

H. Con. Res. 382 **Mar. 11, 2004**

Affirming that the intent of Congress in passing the National Wildlife Refuge System Improvement Act of 1997 was to allow hunting and fishing on public lands within the National Wildlife Refuge System and declaring that the purpose of reserving certain lands as public lands is to make them available to the public for reasonable uses.

H.R. 417 **Jan. 28, 2003**

To revoke a Public Land Order with respect to certain lands erroneously included in the Cibola National Wildlife Refuge, California.

H.R. 1204 **Mar. 11, 2003**

To amend the National Wildlife Refuge System Administration Act of 1966 to establish requirements for the award of concessions in the National Wildlife Refuge System, to provide for maintenance and repair of properties located in the System by concessionaires authorized to use such properties, and for other purposes.

H.R. 1760 **Apr. 10, 2003**

To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.

H.R. 2408 **June 10, 2003**

To amend the Fish and Wildlife Act of 1956 to reauthorize volunteer programs and community partnerships for national wildlife refuges.

H.R. 2619 **June 26, 2003**

To provide for the expansion of Kilauea Point National Wildlife Refuge.

H.R. 2623 **June 26, 2003**

To provide for the expansion of the Cahaba River National Wildlife Refuge in Bibb County, Alabama.

H.R. 2686 **July 9, 2003**

To ensure the safety of recreational fishermen and other persons who use motor vehicles to access beaches adjacent to the Brigantine Wilderness Area in the Edwin B. Forsythe National Wildlife Refuge, New Jersey, by providing a narrow transition zone above the mean high tide line where motor vehicles can be safely driven and parked.

H.R. 2894 **July 24, 2003**

To establish the Theodore Roosevelt National Wildlife Refuge and the Holt Collier Wildlife Interpretation and Education Center.

H.R. 3354 **Oct. 21, 2003**

To include in St. Marks National Wildlife Refuge, Florida, the land and facilities comprising St. Marks lighthouse.

H.R. 5176 **Sept. 29, 2004**

To amend the Rocky Mountain Arsenal National Wildlife Refuge Act of 1992 to rename the Rocky Mountain Arsenal National Wildlife Refuge as the Pat Schroeder National Wildlife Refuge.

H.R. 5361 **Nov. 16, 2004**

To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.

WOOD PRESERVATION

H.R. 688 **Feb. 11, 2003**

To direct the Secretary of Agriculture to conduct a study of the effectiveness of silver-based biocides as an alternative treatment to preserve wood.

WYOMING

S. 155 **Jan. 14, 2003**

To convey to the town of Frannie, Wyoming, certain land withdrawn by the Commissioner of Reclamation.

SUBJECT INDEX

WYOMING—Continued

S. 203 **Jan. 22, 2003**

To open certain withdrawn land in Big Horn County, Wyoming, to locatable mineral development for bentonite mining.

S. 273 **Feb. 4, 2003**

To provide for the expeditious completion of the acquisition of land owned by the State of Wyoming within the boundaries of Grand Teton National Park, and for other purposes.

AUTHOR INDEX

ABERCROMBIE, Neil of Hawaii

- H.R. 546** To revise the boundary of the Kaloko-Honokohau National Historical Park in the State of Hawaii, and for other purposes.
- H.R. 665** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1938** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2355** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000 to modify the water resources study.
- H.R. 2400** To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2619** To provide for the expansion of Kilauea Point National Wildlife Refuge.
- H.R. 2716** To amend the Compact of Free Association of 1985 to provide for adequate Compact-impact aid.
- H.R. 2750** To make technical amendments to the Indian Child Welfare Act of 1978.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3479** To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.
- H.R. 3544** To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the southern coast of Maui, Hawaii, as a unit of the National Park System.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.

ABERCROMBIE, Neil of Hawaii—Continued

- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4282** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4928** To prohibit the import, export, and take of certain coral reef species, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Res. 301** Expressing the sense of the House of Representatives that the Federal Government should actively pursue a unified approach to strengthen and promote the national policy on aquaculture.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.

ACEVEDO-VILA, Anibal of Puerto Rico

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2400** To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2584** To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.

ACEVEDO-VILA, Anibal of Puerto Rico—Continued

- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3479** To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4928** To prohibit the import, export, and take of certain coral reef species, and for other purposes.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

ACKERMAN, Gary L. of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

ADERHOLT, Robert B. of Alabama

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 2520** To authorize the Secretary of the Interior to acquire by donation certain property in Alabama to provide for the protection and preservation of certain rare paleontological resources on that property, and for other purposes.
- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.

AUTHOR INDEX

ADERHOLT, Robert B. of Alabama—Continued

H.R. 4913 To provide for the protection and preservation of certain rare paleontological resources on the former Union Chapel Mine site in Alabama, and for other purposes.

AKAKA, Daniel K. of Hawaii

S. 144 To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.

S. 254 To revise the boundary of the Kaloko-Honokohau National Historical Park in the State of Hawaii, and for other purposes.

S. 546 To provide for the protection of paleontological resources on Federal lands, and for other purposes.

S. 960 To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000 to modify the water resources study.

AKIN, W. Todd of Missouri

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 1153 To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.

H.R. 1662 To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 4481 To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.

H.Res. 752 Expressing continued support for the construction of the Victims of Communism Memorial.

ALEXANDER, Lamar of Tennessee

S. 1108 To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative Program, and for other purposes.

ALEXANDER, Rodney of Louisiana

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 2933 To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

H.R. 3550 To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

H.R. 5348 To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.

H.Con.Res. 21 Commemorating the Bicentennial of the Louisiana Purchase.

ALLARD, Wayne of Colorado

S. 651 To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.

S. 677 To revise the boundary of the Black Canyon of the Gunnison National Park and Gunnison Gorge National Conservation Area in the State of Colorado, and for other purposes.

S. 2173 To further the purposes of the Sand Creek Massacre National Historic Site Establishment Act of 2000.

S. 2508 To redesignate the Ridges Basin Reservoir, Colorado, as Lake Nighthorse.

ALLEN, George of Virginia

S. 1076 To authorize construction of an education center at or near the Vietnam Veterans Memorial.

ALLEN, Thomas H. of Maine

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

ALLEN, Thomas H. of Maine—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1286** To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 4010** To reauthorize and amend the National Geologic Mapping Act of 1992.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".

- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 5001** To establish a pilot program to develop a comprehensive system of ocean and coastal observations for the Nation's oceans, coasts, and Great Lakes, including enhanced security at United States ports, and for other purposes.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

ANDREWS, Robert E. of New Jersey

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 652** To assure that the American people have large areas of land in healthy natural condition throughout the country to maximize wildland recreational opportunities for people, maximize habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 654** To require the head of each Federal agency in the Department of the Interior to consider whether actions of the agency have any disparate impact on any member of a racial, ethnic, or religious minority.
- H.R. 665** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

ANDREWS, Robert E. of New Jersey—Continued

- H.R. 1024** To establish in the National Marine Fisheries Service a pelagic longline highly migratory species bycatch and mortality reduction research program, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1938** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2889** To direct the Secretary of Commerce to conduct a study of existing and new fishery observer data to effectively map migratory patterns, delineate wintering areas and feeding grounds of Atlantic Striped Bass in the Mid-Atlantic exclusive economic zone, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

BACA, Joe of California

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 885** To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.

BACA, Joe of California—Continued

- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2941** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 2991** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga County Water District recycling project.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3846** To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.
- H.R. 3874** To convey for public purposes certain Federal lands in Riverside County, California, that have been identified for disposal.
- H.R. 4459** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

- H.R. 4606** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.

BACHUS, Spencer T. III of Alabama

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 313** To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 2623** To provide for the expansion of the Cahaba River National Wildlife Refuge in Bibb County, Alabama.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

BAIRD, Brian of Washington

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 265** To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.
- H.R. 733** To authorize the Secretary of the Interior to acquire the McLoughlin House National Historic Site in Oregon City, Oregon, and to administer the site as a unit of the National Park System, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

BAIRD, Brian of Washington—Continued

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2397** To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.
- H.R. 2489** To provide for the distribution of judgment funds to the Cowlitz Indian Tribe.
- H.R. 2608** To reauthorize the National Earthquake Hazards Reduction Program, and for other purposes.
- H.R. 2650** To prohibit the study or implementation of any plan to privatize, divest, or transfer any part of the mission, function, or responsibility of the National Park Service.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.

- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

BAKER, Richard H. of Louisiana

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 155** To support the domestic shrimping industry by eliminating taxpayer subsidies for certain competitors, and for other purposes.
- H.R. 542** To repeal the reservation of mineral rights made by the United States when certain lands in Livingston Parish, Louisiana, were conveyed by Public Law 102-562.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.R. 5348** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

BALDWIN, Tammy of Wisconsin

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

BALDWIN, Tammy of Wisconsin—Continued

- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1647** To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4686** To revitalize the Mississippi River.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

BALLANCE, Frank W. Jr. of North Carolina

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

BALLANCE, Frank W. Jr. of North Carolina—Continued

- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2925** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northeastern North Carolina Heritage Area in North Carolina, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.

BALLENGER, Cass of North Carolina

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1759** To establish the Blue Ridge National Heritage Area in the State of North Carolina, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

BARRETT, J. Gresham of South Carolina

- H.R. 744** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

BARTLETT, Roscoe G. of Maryland

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

AUTHOR INDEX

BARTON, Joe of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1644** To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3585** To require the Secretary of Transportation to develop and implement an environmental review process for safety emergency highway projects.
- H.R. 4503** To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.

BASS, Charles F. of New Hampshire

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1069** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 4383** To ensure the continuation of successful fish mitigation programs.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4722** To authorize the establishment at Antietam National Battlefield of a memorial to the officers and enlisted men of the Fifth, Sixth, and Ninth New Hampshire Volunteer Infantry Regiments and the First New Hampshire Light Artillery Battery who fought in the Battle of Antietam on September 17, 1862, and for other purposes.

- H.R. 4887** To adjust the boundary of the Cumberland Island Wilderness, to authorize tours of the Cumberland Island National Seashore, and for other purposes.
- H.R. 5010** To authorize the establishment at Antietam National Battlefield of a memorial to the officers and enlisted men of the Fifth, Sixth, and Ninth New Hampshire Volunteer Infantry Regiments and the First New Hampshire Light Artillery Battery who fought in the Battle of Antietam on September 17, 1862, and for other purposes.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

BAUCUS, Max of Montana

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 546** To provide for the protection of paleontological resources on Federal lands, and for other purposes.

BEAUPREZ, Bob of Colorado

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2102** To provide a cost-sharing requirement for the construction of the Arkansas Valley Conduit in the State of Colorado.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2766** To direct the Secretary of Agriculture to exchange certain lands in the Arapaho and Roosevelt National Forests in the State of Colorado.
- H.R. 2955** To establish the Rio Grande Outstanding Natural Area in the State of Colorado, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

BEAUPREZ, Bob of Colorado—Continued

- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3303** To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4691** To authorize the Secretary of the Interior to engage in a feasibility study relating to long-term water needs for the area served by the Fryingpan-Arkansas Project, Colorado, and for other purposes.
- H.R. 4838** To establish a Healthy Forest Youth Conservation Corps to provide a means by which young adults can carry out rehabilitation and enhancement projects to prevent fire and suppress fires, rehabilitate public land affected or altered by fires, and provide disaster relief, and for other purposes.
- H.R. 5373** To authorize the Secretary of the Interior to enter into contracts for the use of excess storage and conveyance capacity of the Fryingpan-Arkansas Project, Colorado, and for other purposes.

BECERRA, Xavier of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

BELL, Chris of Texas

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

BELL, Chris of Texas—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

BENNETT, Robert F. of Utah

- S. 278** To make certain adjustments to the boundaries of the Mount Naomi Wilderness Area, and for other purposes.
- S. 1678** To provide for the establishment of the Uintah Research and Curatorial Center for Dinosaur National Monument in the States of Colorado and Utah, and for other purposes.

- S. 2285** To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.

BEREUTER, Doug of Nebraska

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 255** To authorize the Secretary of the Interior to grant an easement to facilitate access to the Lewis and Clark Interpretative Center in Nebraska City, Nebraska.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1051** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3373** To direct the Secretary of the Interior to monitor the health of the Missouri River and measure biological, chemical, and physical responses to changes in river management and other significant variables.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4865** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross country American Discovery Trail as the first national discovery trail.

BERKLEY, Shelley of Nevada

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

BERKLEY, Shelley of Nevada—Continued

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 4285** To provide for the conveyance of certain public land in Clark County, Nevada, for use as a heliport.
- H.R. 4332** To provide for the proper development of Federal lands in Clark County, Nevada, to best promote public welfare and economic development consistent with surrounding airport usage.
- H.R. 4593** To establish wilderness areas, promote conservation, improve public land, and provide for the high quality development in Lincoln County, Nevada, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5151** To transfer administrative jurisdiction over certain land in Clark County, Nevada, from the Secretary of the Interior to the Secretary of Veterans Affairs.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 431** Honoring the achievements of Siegfried and Roy, recognizing the impact of their efforts on the conservation of endangered species both domestically and worldwide, and wishing Roy Horn a full and speedy recovery.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

BERMAN, Howard L. of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 704** To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the area known as the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area in the State of California, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

BERMAN, Howard L. of California—Continued

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

BERMAN, Howard L. of California—Continued

- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

BERRY, Marion of Arkansas

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2051** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the Wolf House, located in Norfolk, Arkansas, as a unit of the National Park System, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3320** To improve migratory bird management by the Animal and Plant Health Inspection Service of the Department of Agriculture, and for other purposes.
- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

BIDEN, Joseph R. Jr. of Delaware

- S. 1108** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative Program, and for other purposes.

BIGGERT, Judy of Illinois

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4500** To provide for energy research and development.

BILIRAKIS, Michael of Florida

- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.

BINGAMAN, Jeff of New Mexico

- S. 210** To provide for the protection of archaeological sites in the Galisteo Basin in New Mexico, and for other purposes.
- S. 211** To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.
- S. 212** To authorize the Secretary of the Interior to cooperate with the High Plains States in conducting a hydrogeologic characterization, mapping, modeling and monitoring program for the High Plains Aquifer, and for other purposes.
- S. 213** To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.
- S. 214** To designate Fort Bayard Historic District in the State of New Mexico as a National Historic Landmark, and for other purposes.

BINGAMAN, Jeff of New Mexico—Continued

- S. 246** To provide that certain Bureau of Land Management land shall be held in trust for the Pueblo of Santa Clara and the Pueblo of San Ildefonso in the State of New Mexico.
- S. 558** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.
- S. 1071** To authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on a water conservation project within the Arch Hurley Conservancy District in the State of New Mexico, and for other purposes.
- S. 1582** To amend the Valles Preservation Act to improve the preservation of the Valles Caldera, and for other purposes.
- S. 1791** To amend the Lease Lot Conveyance Act of 2002 to provide that the amounts received by the United States under that Act shall be deposited in the reclamation fund, and for other purposes.
- S. 1957** To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.
- S. 2460** To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.
- S. 2511** To direct the Secretary of the Interior to conduct a feasibility study of a Chimayo water supply system, to provide for the planning, design, and construction of a water supply, reclamation, and filtration facility for Espanola, New Mexico, and for other purposes.
- S. 2622** To provide for the exchange of certain Federal land in the Santa Fe National Forest and certain non-Federal land in the Pecos National Historical Park in the State of New Mexico.

BISHOP, Rob of Utah

- H.R. 511** To make certain adjustments to be boundaries of the Mount Naomi Wilderness Area, and for other purposes.
- H.R. 512** To authorize the Secretary of the Interior to construct an education and administrative center at the Bear River Migratory Bird Refuge in Box Elder County, Utah.
- H.R. 794** To amend the Mineral Leasing Act to provide for the development of Federal coal resources.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1014** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2603** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.
- H.R. 2909** To ensure the continued availability of the Utah Test and Training Range to support the readiness and training needs of the Armed Forces.
- H.R. 3062** To amend the Mineral Leasing Act to authorize the Secretary of the Interior to issue separately, for the same area, a lease for tar sand and a lease for oil and gas, and for other purposes.
- H.R. 3391** To authorize the Secretary of the Interior to convey certain lands and facilities of the Provo River Project.
- H.R. 4242** To transfer jurisdiction over certain public lands from the Bureau of Land Management to the Department of Defense.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.

AUTHOR INDEX

BISHOP, Sanford D. Jr. of Georgia

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4887** To adjust the boundary of the Cumberland Island Wilderness, to authorize tours of the Cumberland Island National Seashore, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

BISHOP, Timothy H. of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.

BISHOP, Timothy H. of New York—Continued

H.R. 5312 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

BLACKBURN, Marsha of Tennessee

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 4685 To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

BLUMENAUER, Earl of Oregon

H.R. 151 To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.

H.R. 504 To provide for the reclamation of abandoned hardrock mines, and for other purposes.

H.R. 514 To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.

H.R. 733 To authorize the Secretary of the Interior to acquire the McLoughlin House National Historic Site in Oregon City, Oregon, and to administer the site as a unit of the National Park System, and for other purposes.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 822 To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1006 To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

H.R. 1038 To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.

H.R. 1051 To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.

H.R. 1080 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1081 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1209 To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1491 To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.

H.R. 1501 To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

H.R. 1639 To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.

H.R. 1760 To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2141 To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

H.R. 2242 To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.

BLUMENAUER, Earl of Oregon—Continued

- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 4010** To reauthorize and amend the National Geologic Mapping Act of 1992.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.

- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5289** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.
- H.Con.Res. 341** Recognizing the 20th anniversary of the restoration of Federal recognition of the Confederated Tribes of the Grand Ronde Community of Oregon.

BLUNT, Roy of Missouri

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3394** To clarify the lands over which Indian tribes shall have jurisdiction or exercise governmental power.
- H.R. 4481** To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.
- H.R. 4579** To modify the boundary of the Harry S Truman National Historic Site in the State of Missouri, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.

AUTHOR INDEX

BOEHLERT, Sherwood L. of New York

- H.R. 6** To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.
- H.R. 238** To provide for Federal energy research, development, demonstration, and commercial application activities, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3394** To clarify the lands over which Indian tribes shall have jurisdiction or exercise governmental power.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4500** To provide for energy research and development.

- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

BOEHNER, John A. of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

BOND, Christopher S. of Missouri

- S. 1814** To transfer federal lands between the Secretary of Agriculture and the Secretary of the Interior.

BONILLA, Henry of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 4588** To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.

BONNER, Jo of Alabama

- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

BONNER, Jo of Alabama—Continued

- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

BONO, Mary of California

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3874** To convey for public purposes certain Federal lands in Riverside County, California, that have been identified for disposal.
- H.R. 4094** To amend the Internal Revenue Code of 1986 to establish a Federal income tax credit for production of energy from geothermal energy resources, and for other purposes.
- H.R. 4300** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

BOOZMAN, John of Arkansas

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3997** To direct the Secretary of Agriculture to convey to the New Hope Cemetery Association a small parcel of National Forest System land in the State of Arkansas for use as a cemetery.

BORDALLO, Madeleine Z. of Guam

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 665** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

BORDALLO, Madeleine Z. of Guam—Continued

- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1189** To increase the waiver requirement for certain local matching requirements for grants provided to American Samoa, Guam, the Virgin Islands, or the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2400** To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2584** To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.
- H.R. 2716** To amend the Compact of Free Association of 1985 to provide for adequate Compact-impact aid.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3479** To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 4282** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4546** To provide for the National Oceanic and Atmospheric Administration, to authorize appropriations for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4786** To provide grants to tribes to assist those tribes in participating in the Federal acknowledgement process.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4928** To prohibit the import, export, and take of certain coral reef species, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.

BORDALLO, Madeleine Z. of Guam—Continued

- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal holiday in honor of Native Americans.
- H.Res. 301** Expressing the sense of the House of Representatives that the Federal Government should actively pursue a unified approach to strengthen and promote the national policy on aquaculture.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

BOSWELL, Leonard L. of Iowa

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

BOUCHER, Rick of Virginia

- H.R. 313** To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4202** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Crawfish Valley Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.

BOUCHER, Rick of Virginia—Continued

- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

BOXER, Barbara of California

- S. 302** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.

BOYD, Allen of Florida

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3333** To exempt certain coastal barrier areas in Florida from limitations on Federal expenditures and financial assistance under the Coastal Barriers Resources Act, and limitations on flood insurance coverage under the National Flood Insurance Act of 1968.
- H.R. 3354** To include in St. Marks National Wildlife Refuge, Florida, the land and facilities comprising St. Marks lighthouse.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

BRADLEY, Jeb of New Hampshire

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1069** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 4722** To authorize the establishment at Antietam National Battlefield of a memorial to the officers and enlisted men of the Fifth, Sixth, and Ninth New Hampshire Volunteer Infantry Regiments and the First New Hampshire Light Artillery Battery who fought in the Battle of Antietam on September 17, 1862, and for other purposes.
- H.R. 5010** To authorize the establishment at Antietam National Battlefield of a memorial to the officers and enlisted men of the Fifth, Sixth, and Ninth New Hampshire Volunteer Infantry Regiments and the First New Hampshire Light Artillery Battery who fought in the Battle of Antietam on September 17, 1862, and for other purposes.

BRADY, Kevin of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

BRADY, Robert A. of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3753** To provide for the restoration of the Benjamin Franklin National Memorial, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

BREAUX, John B. of Louisiana

- S. 323** To establish the Atchafalaya National Heritage Area, Louisiana.
- S. 499** To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.
- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.
- S. 2495** To strike limitations on funding and extend the period of authorization for certain coastal wetland conservation projects.

BROWN-WAITE, Ginny of Florida

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3056** To clarify the boundaries of the John H. Chafee Coast Barrier Resources System Cedar Keys Unit P25 on Otherwise Protected Area P25P.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

BROWN, Corrine of Florida

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

BROWN, Corrine of Florida—Continued

- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3768** To expand the Timucuan Ecological and Historic Preserve, Florida.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

BROWN, Henry E. Jr. of South Carolina

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 744** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

BROWN, Henry E. Jr. of South Carolina—Continued

- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4683** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.

BROWN, Sherrod of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

BROWNBACK, Sam of Kansas

- S. 212** To authorize the Secretary of the Interior to cooperate with the High Plains States in conducting a hydrogeologic characterization, mapping, modeling and monitoring program for the High Plains Aquifer, and for other purposes.
- S. 1233** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

BUNNING, Jim of Kentucky

- S. 524** To expand the boundaries of the Fort Donelson National Battlefield to authorize the acquisition and interpretation of lands associated with the campaign that resulted in the capture of the fort in 1862, and for other purposes.
- S. 546** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.

BURGESS, Michael C. of Texas

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3585** To require the Secretary of Transportation to develop and implement an environmental review process for safety emergency highway projects.

BURNS, Conrad R. of Montana

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 2408** To adjust the boundaries of the Helena, Lolo, and Beaverhead-Deerlodge National Forests in the State of Montana.
- S. 2543** To establish a program and criteria for National Heritage Areas in the United States, and for other purposes.

BURNS, Max of Georgia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 5044** To provide for a study of the potential for increasing hydroelectric power production at existing Federal facilities, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

BURR, Richard of North Carolina

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1408** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.
- H.R. 1759** To establish the Blue Ridge National Heritage Area in the State of North Carolina, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.

BURTON, Dan of Indiana

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2584** To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.

BURTON, Dan of Indiana—Continued

- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.

BUTTERFIELD, G. K. of North Carolina

- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

BUYER, Steve of Indiana

- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

BYRD, Robert C. of West Virginia

- S. 1576** To revise the boundary of Harpers Ferry National Historical Park, and for other purposes.

CALVERT, Ken of California

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 380** To provide full funding for the payment in lieu of taxes program for the next five fiscal years, to protect local jurisdictions against the loss of property tax revenues when private lands are acquired by a Federal land management agency, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1230** To provide an environmentally sound process for the expeditious consideration and approval of a high-voltage electricity transmission line right-of-way through the Trabuco Ranger District of the Cleveland National Forest in the State of California and adjacent lands under the jurisdiction of the Bureau of Land Management and the Forest Service.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1762** To amend title 38, United States Code, to provide for preservation and protection of historic buildings under the jurisdiction of the Secretary of Veterans Affairs, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3334** To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.

CALVERT, Ken of California—Continued

- H.R. 3467** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California as the "C.W. Bill' Jones Pumping Plant ".
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 3945** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of a project to reclaim and reuse wastewater within and outside of the service area of the City of Corona Water Utility, California.
- H.R. 4300** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.
- H.R. 4606** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 4835** To establish a water supply enhancement demonstration program, including the demonstration of desalination, and for other purposes.
- H.R. 4893** To authorize additional appropriations for the Reclamation Safety of Dams Act of 1978.
- H.R. 4907** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

CAMP, Dave of Michigan

- H.R. 408** To provide for expansion of Sleeping Bear Dunes National Lakeshore.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.

CAMPBELL, Ben Nighthorse of Colorado

- S. 285** To authorize the integration and consolidation of alcohol and substance abuse programs and services provided by Indian tribal governments, and for other purposes.
- S. 499** To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.
- S. 519** To establish a Native American-owned financial entity to provide financial services to Indian tribes, Native American organizations, and Native Americans, and for other purposes.
- S. 523** To make technical corrections to laws relating to Native Americans, and for other purposes.
- S. 546** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 551** To provide for the implementation of air quality programs developed in accordance with an Intergovernmental Agreement between the Southern Ute Indian Tribe and the State of Colorado concerning Air Quality Control on the Southern Ute Indian Reservation, and for other purposes.
- S. 555** To establish the Native American Health and Wellness Foundation, and for other purposes.
- S. 558** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.
- S. 677** To revise the boundary of the Black Canyon of the Gunnison National Park and Gunnison Gorge National Conservation Area in the State of Colorado, and for other purposes.
- S. 931** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on visitors to units of the National Park System and on other recreational users of public land.
- S. 1146** To implement the recommendations of the Garrison Unit Joint Tribal Advisory Committee by providing authorization for the construction of a rural health care facility on the Fort Berthold Indian Reservation, North Dakota.
- S. 1467** To establish the Rio Grande Outstanding Natural Area in the State of Colorado, and for other purposes.

CAMPBELL, Ben Nighthorse of Colorado—Continued

- S. 1601** To amend the Indian Child Protection and Family Violence Prevention Act to provide for the reporting and reduction of child abuse and family violence incidences on Indian reservations, and for other purposes.
- S. 1721** To amend the Indian Land Consolidation Act to improve provisions relating to probate of trust and restricted land, and for other purposes.
- S. 1996** To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.
- S. 2173** To further the purposes of the Sand Creek Massacre National Historic Site Establishment Act of 2000.
- S. 2181** To adjust the boundary of Rocky Mountain National Park in the State of Colorado.

CANNON, Chris of Utah

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 353** To direct the Secretary of the Interior to dispose of all public lands administered by the Bureau of Land Management that have been identified for disposal under the Federal land use planning process.
- H.R. 788** To revise the boundary of the Glen Canyon National Recreation Area in the States of Utah and Arizona.
- H.R. 794** To amend the Mineral Leasing Act to provide for the development of Federal coal resources.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1014** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1831** To extend the grace period for personal watercraft use in Glen Canyon National Recreation Area.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2102** To provide a cost-sharing requirement for the construction of the Arkansas Valley Conduit in the State of Colorado.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2869** To direct the Secretary of the Interior to sell certain public lands subject to mining operations in Eureka, Lander, White Pine, Elko, and Humboldt Counties, Nevada, for the reclamation of abandoned mines in Nevada, to promote and enhance economic development, education, and local government revenues, and for other purposes.
- H.R. 2909** To ensure the continued availability of the Utah Test and Training Range to support the readiness and training needs of the Armed Forces.
- H.R. 3062** To amend the Mineral Leasing Act to authorize the Secretary of the Interior to issue separately, for the same area, a lease for tar sand and a lease for oil and gas, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3252** To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.
- H.R. 3391** To authorize the Secretary of the Interior to convey certain lands and facilities of the Provo River Project.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.
- H.R. 3667** To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.

CANNON, Chris of Utah—Continued

- H.R. 3982** To direct the Secretary of Interior to convey certain land held in trust for the Paiute Indian Tribe of Utah to the City of Richfield, Utah, and for other purposes.
- H.R. 4242** To transfer jurisdiction over certain public lands from the Bureau of Land Management to the Department of Defense.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.R. 5330** To authorize and direct the exchange of lands in Grand and Uintah Counties, Utah, and for other purposes.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

CANTOR, Eric of Virginia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

CANTWELL, Maria of Washington

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 391** To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- S. 1438** To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes.
- S. 1614** To designate a portion of White Salmon River as a component of the National Wild and Scenic Rivers System.

CAPITO, Shelley Moore of West Virginia

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1589** To authorize the Secretary of the Interior to provide grants for the preservation of historic courthouses.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3305** To revise the boundary of Harpers Ferry National Historical Park, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 5304** To establish a memorial for 40 fallen American servicemen who perished in the tragic air crash during World War II at Bakers Creek, Australia on June 14, 1943.
- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

CAPPS, Lois of California

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

CAPPS, Lois of California—Continued

- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1648** To authorize the Secretary of the Interior to convey certain water distribution systems of the Cachuma Project, California, to the Carpinteria Valley Water District and the Montecito Water District.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 3900** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of permanent facilities for the GREAT project to reclaim, reuse, and treat impaired waters water in the area of Oxnard, California.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5231** To designate the Piedras Blancas Light Station and the surrounding public land as an Outstanding Natural Area to be administered as a part of the National Landscape Conservation System, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

CAPPS, Lois of California—Continued

- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

CAPUANO, Michael E. of Massachusetts

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1869** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.

- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

CARDIN, Benjamin L. of Maryland

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

CARDIN, Benjamin L. of Maryland—Continued

- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

CARDOZA, Dennis A. of California

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1289** To establish the National Parks Institute at the University of California, Merced, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.

- H.R. 3459** To improve the health of minority individuals.
- H.R. 3467** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California as the "C.W. Bill' Jones Pumping Plant".
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

CARSON, Brad of Oklahoma

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 410** To provide for the issuance of bonds to construct and modernize Indian schools and to provide a credit against Federal income tax for holders of such bonds.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1408** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.

CARSON, Brad of Oklahoma—Continued

- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2912** To reaffirm the inherent sovereign rights of the Osage Tribe to determine its membership and form of government.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3164** To provide for reduction of the Federal budget deficit by reducing wasteful government spending.
- H.R. 3265** To direct the Secretary of Energy to convey a parcel of land at the facility of the Southwestern Power Administration in Tupelo, Oklahoma.
- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.
- H.R. 3406** To amend the Oklahoma City National Memorial Act of 1997 to transfer the Oklahoma City National Memorial to the Oklahoma City National Memorial Foundation, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 4383** To ensure the continuation of successful fish mitigation programs.
- H.R. 4725** To amend the Wild and Scenic Rivers Act to designate a segment of the Glover River in the State of Oklahoma as a component of the National Wild and Scenic Rivers System.
- H.R. 4783** To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

- H.Con.Res. 511** Expressing the sense of the Congress with respect to Inez Sitter.

CARSON, Julia of Indiana

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 954** To confirm Federal recognition of the Miami Nation of Indiana.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

CARSON, Julia of Indiana—Continued

- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

CARTER, John R. of Texas

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1732** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Williamson County, Texas, Water Recycling and Reuse Project, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

CASE, Ed of Hawaii

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 546** To revise the boundary of the Kaloko-Honokohau National Historical Park in the State of Hawaii, and for other purposes.

- H.R. 665** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

CASE, Ed of Hawaii—Continued

- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2355** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000 to modify the water resources study.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2619** To provide for the expansion of Kilauea Point National Wildlife Refuge.
- H.R. 2716** To amend the Compact of Free Association of 1985 to provide for adequate Compact-impact aid.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3479** To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3544** To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the southern coast of Maui, Hawaii, as a unit of the National Park System.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4282** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 4393** To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the northern coast of Maui, Hawaii, as a unit of the National Park System.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 4928** To prohibit the import, export, and take of certain coral reef species, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 5205** To extend the boundary of the Hawaii Volcanoes National Park in the State of Hawaii.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

CASE, Ed of Hawaii—Continued

- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

CASTLE, Michael N. of Delaware

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

CHABOT, Steve of Ohio

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

CHANDLER, Ben of Kentucky

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

- H.R. 4887** To adjust the boundary of the Cumberland Island Wilderness, to authorize tours of the Cumberland Island National Seashore, and for other purposes.

CHOCOLA, Chris of Indiana

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

CHRISTENSEN, Donna M. of Virgin Islands

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

CHRISTENSEN, Donna M. of Virgin Islands—Continued

- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1594** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the St. Croix National Heritage Area in St. Croix, United States Virgin Islands, and for other purposes.
- H.R. 1595** To further cooperation and support among Federal land managers and designated gateway communities where the results of such cooperation and support are likely to be mutually beneficial, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2400** To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2663** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Castle Nugent Farms located on St. Croix, Virgin Islands, as a unit of the National Park System, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.

- H.R. 3479** To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.
- H.R. 3589** To create the Office of Chief Financial Officer of the Government of the Virgin Islands.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4683** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 4786** To provide grants to tribes to assist those tribes in participating in the Federal acknowledgement process.
- H.R. 5065** To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

CLAY, Wm. Lacy of Missouri

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

CLAY, Wm. Lacy of Missouri—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4481** To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.
- H.R. 4579** To modify the boundary of the Harry S Truman National Historic Site in the State of Missouri, and for other purposes.

- H.R. 4756** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum located in St. Louis, Missouri, as a unit of the National Park System.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

CLINTON, Hillary Rodham of New York

- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1108** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative Program, and for other purposes.
- S. 1233** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- S. 1241** To establish the Kate Mullany National Historic Site in the State of New York, and for other purposes.
- S. 2334** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- S. 2691** To establish the Long Island Sound Stewardship Initiative.

CLYBURN, James E. of South Carolina

- H.R. 332** To direct the Secretary of the Interior to study certain sites in the historic district of Beaufort, South Carolina, relating to the Reconstruction Era to assess the suitability and feasibility of designating the study area as a unit of the National Park System.
- H.R. 744** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

CLYBURN, James E. of South Carolina—Continued

- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2580** To establish the Congaree Swamp National Park in the State of South Carolina, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4683** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4887** To adjust the boundary of the Cumberland Island Wilderness, to authorize tours of the Cumberland Island National Seashore, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

COBLE, Howard of North Carolina

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

COLE, Tom of Oklahoma

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1835** To amend the Endangered Species Act of 1973 to limit designation as critical habitat of areas owned or controlled by the Department of Defense, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2912** To reaffirm the inherent sovereign rights of the Osage Tribe to determine its membership and form of government.
- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.
- H.R. 3406** To amend the Oklahoma City National Memorial Act of 1997 to transfer the Oklahoma City National Memorial to the Oklahoma City National Memorial Foundation, and for other purposes.
- H.R. 4066** To provide for the conveyance of certain land to the United States and to revise the boundary of Chickasaw National Recreation Area, Oklahoma, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Con.Res. 511** Expressing the sense of the Congress with respect to Inez Sitter.

AUTHOR INDEX

COLLINS, Mac of Georgia

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 4383** To ensure the continuation of successful fish mitigation programs.

COLLINS, Susan M. of Maine

- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.

CONRAD, Kent of North Dakota

- S. 558** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.
- S. 1146** To implement the recommendations of the Garrison Unit Joint Tribal Advisory Committee by providing authorization for the construction of a rural health care facility on the Fort Berthold Indian Reservation, North Dakota.

CONYERS, John Jr. of Michigan

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4416** To establish the Great Lakes Protection and Restoration Committee.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.

CONYERS, John Jr. of Michigan—Continued

H.Con.Res. 495 Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

COOPER, Jim of Tennessee

H.R. 461 To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail.

H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1209 To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

H.R. 2388 To authorize leases for terms not to exceed 99 years on lands held in trust for the Yurok Tribe and the Hopland Band of Pomo Indians.

H.R. 3459 To improve the health of minority individuals.

H.R. 3498 To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.

H.R. 5312 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

CORNYN, John of Texas

S. 1066 To correct a technical error from Unit T-07 of the John H. Chafee Coastal Barrier Resources System.

CORZINE, Jon of New Jersey

S. 1233 To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

S. 2142 To authorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.

COSTELLO, Jerry F. of Illinois

H.R. 313 To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 961 To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

COSTELLO, Jerry F. of Illinois—Continued

- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 5307** To authorize the Gateway Arch in St. Louis, Missouri, to be illuminated by pink lights in honor of breast cancer awareness month.
- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.

COX, Christopher of California

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1598** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in projects within the San Diego Creek Watershed, California, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.Res. 752** Expressing continued support for the construction of the Victims of Communism Memorial.

CRAIG, Larry E. of Idaho

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 434** To authorize the Secretary of Agriculture to sell or exchange all or part of certain parcels of National Forest System land in the State of Idaho and use the proceeds derived from the sale or exchange for National Forest System purposes.
- S. 435** To provide for the conveyance by the Secretary of Agriculture of the Sandpoint Federal Building and adjacent land in Sandpoint, Idaho, and for other purposes.
- S. 520** To authorize the Secretary of the Interior to convey certain facilities to the Fremont-Madison Irrigation District in the State of Idaho.
- S. 1003** To clarify the intent of Congress with respect to the continued use of established commercial outfitter hunting camps on the Salmon River.
- S. 2605** To direct the Secretary of the Interior and the heads of other Federal agencies to carry out an agreement resolving major issues relating to the adjudication of water rights in the Snake River Basin, Idaho, and for other purposes.

CRAMER, Robert E. (Bud) Jr. of Alabama

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.

AUTHOR INDEX

CRANE, Philip M. of Illinois

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.

CRAPO, Michael D. of Idaho

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 434** To authorize the Secretary of Agriculture to sell or exchange all or part of certain parcels of National Forest System land in the State of Idaho and use the proceeds derived from the sale or exchange for National Forest System purposes.
- S. 435** To provide for the conveyance by the Secretary of Agriculture of the Sandpoint Federal Building and adjacent land in Sandpoint, Idaho, and for other purposes.
- S. 520** To authorize the Secretary of the Interior to convey certain facilities to the Fremont-Madison Irrigation District in the State of Idaho.
- S. 1003** To clarify the intent of Congress with respect to the continued use of established commercial outfitter hunting camps on the Salmon River.
- S. 2605** To direct the Secretary of the Interior and the heads of other Federal agencies to carry out an agreement resolving major issues relating to the adjudication of water rights in the Snake River Basin, Idaho, and for other purposes.
- S. 2847** To reauthorize the Water Resources Research Act of 1984.

CRENSHAW, Ander of Florida

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3768** To expand the Timucuan Ecological and Historic Preserve, Florida.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

CROWLEY, Joseph of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1221** To provide for the stabilization of prices for gasoline, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.

CROWLEY, Joseph of New York—Continued

- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

CUBIN, Barbara of Wyoming

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 108** To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.
- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 762** To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts.
- H.R. 793** To amend the Outer Continental Shelf Lands Act to authorized the Secretary of the Interior to grant easements and rights-of-way on the Outer Continental Shelf for activities otherwise authorized by that Act.
- H.R. 794** To amend the Mineral Leasing Act to provide for the development of Federal coal resources.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1014** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 4010** To reauthorize and amend the National Geologic Mapping Act of 1992.
- H.R. 4194** To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 4625** To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

CUBIN, Barbara of Wyoming—Continued

H.Res. 556 Congratulating the United States Geological Survey on its 125th Anniversary.

CULBERSON, John Abney of Texas

H.R. 39 To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 1153 To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.Res. 556 Congratulating the United States Geological Survey on its 125th Anniversary.

H.Con.Res. 21 Commemorating the Bicentennial of the Louisiana Purchase.

CUMMINGS, Elijah E. of Maryland

H.R. 196 To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1080 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1081 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1209 To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1491 To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2169 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

H.R. 2424 To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

H.R. 3088 To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3459 To improve the health of minority individuals.

H.R. 3550 To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

H.R. 4706 To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

H.R. 5312 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

H.Con.Res. 495 Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

AUTHOR INDEX

CUNNINGHAM, Randy "Duke" of California

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3187** To require a temporary moratorium on leasing, exploration, and development on lands of the Outer Continental Shelf off the State of California, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.Res. 30** Concerning the San Diego long-range sportfishing fleet and rights to fish the waters near the Revillagigedo Islands of Mexico.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

DASCHLE, Thomas A. of South Dakota

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.

- S. 163** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.
- S. 425** To revise the boundary of the Wind Cave National Park in the State of South Dakota.
- S. 426** To direct the Secretary of the Interior to convey certain parcels of land acquired for the Blunt Reservoir and Pierre Canal features of the initial stage of the Oahe Unit, James Division, South Dakota, to the Commission of Schools and Public Lands and the Department of Game, Fish, and Parks of the State of South Dakota for the purpose of mitigating lost wildlife habitat, on the condition that the current preferential leaseholders shall have an option to purchase the parcels from the Commission, and for other purposes.
- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1530** To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.
- S. 1601** To amend the Indian Child Protection and Family Violence Prevention Act to provide for the reporting and reduction of child abuse and family violence incidences on Indian reservations, and for other purposes.
- S. 1721** To amend the Indian Land Consolidation Act to improve provisions relating to probate of trust and restricted land, and for other purposes.
- S. 1996** To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.

DAVIS, Artur of Alabama

- H.R. 313** To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.

DAVIS, Susan A. of California—Continued

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

- H.R. 3874** To convey for public purposes certain Federal lands in Riverside County, California, that have been identified for disposal.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

DAVIS, Tom of Virginia

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1938** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 4202** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Crawfish Valley Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

DAYTON, Mark of Minnesota

- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.

DEAL, Nathan of Georgia

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

DEAL, Nathan of Georgia—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 4383** To ensure the continuation of successful fish mitigation programs.

DEFAZIO, Peter A. of Oregon

- H.R. 514** To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.
- H.R. 733** To authorize the Secretary of the Interior to acquire the McLoughlin House National Historic Site in Oregon City, Oregon, and to administer the site as a unit of the National Park System, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1051** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1221** To provide for the stabilization of prices for gasoline, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1621** To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3206** To provide for the conveyance of a small parcel of Bureau of Land Management land in Coos County, Oregon, to the Oregon International Port of Coos Bay, and for other purposes.
- H.R. 3249** To extend the term of the Forest Counties Payments Committee.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.

DEFAZIO, Peter A. of Oregon—Continued

- H.R. 4932** To establish management priorities for Federal forest lands in Oregon and Washington located west of the Cascade Crest that will protect old growth timber while improving the health of young managed stands, increasing the volume of commercial timber available from these lands, and providing economic opportunities in local communities, and for other purposes.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 5289** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.
- H.Con.Res. 341** Recognizing the 20th anniversary of the restoration of Federal recognition of the Confederated Tribes of the Grand Ronde Community of Oregon.

DEGETTE, Diana of Colorado

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2305** To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 5176** To amend the Rocky Mountain Arsenal National Wildlife Refuge Act of 1992 to rename the Rocky Mountain Arsenal National Wildlife Refuge as the Pat Schroeder National Wildlife Refuge.

DELAHUNT, William D. of Massachusetts

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1183** To promote the Sensible Development of Renewable Energy in the Waters of the Coastal Zone, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.

DELAHUNT, William D. of Massachusetts—Continued

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3443** To amend the Adams National Historical Park Act of 1998 to include the Quincy Homestead within the boundary of the Adams National Historical Park, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

DELAURO, Rosa L. of Connecticut

- H.R. 437** To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.

DELAURO, Rosa L. of Connecticut—Continued

- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4070** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 4213** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.

DELAY, Tom of Texas

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

DEMINT, Jim of South Carolina

- H.R. 332** To direct the Secretary of the Interior to study certain sites in the historic district of Beaufort, South Carolina, relating to the Reconstruction Era to assess the suitability and feasibility of designating the study area as a unit of the National Park System.
- H.R. 744** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

DEUTSCH, Peter of Florida

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

DEUTSCH, Peter of Florida—Continued

- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

DIAZ-BALART, Lincoln of Florida

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4027** To authorize the Secretary of Commerce to make available to the University of Miami property under the administrative jurisdiction of the National Oceanic and Atmospheric Administration on Virginia Key, Florida, for use by the University for a Marine Life Science Center.

DIAZ-BALART, Mario of Florida

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 4027** To authorize the Secretary of Commerce to make available to the University of Miami property under the administrative jurisdiction of the National Oceanic and Atmospheric Administration on Virginia Key, Florida, for use by the University for a Marine Life Science Center.

DICKS, Norman D. of Washington

- H.R. 265** To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

DICKS, Norman D. of Washington—Continued

- H.R. 1753** To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2397** To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.
- H.R. 2425** To provide for the use and distribution of the funds awarded to the Quinault Indian Nation under United States Claims Court Dockets 772-71, 773-71, 774-71, and 775-71, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 4934** To direct the Secretary of the Interior to take certain tribally-owned reservation land into trust for the Puyallup Tribe.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

DINGELL, John D. of Michigan

- H.R. 289** To expand the boundaries of the Ottawa National Wildlife Refuge Complex and the Detroit River International Wildlife Refuge.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2793** To provide for and approve the settlement of certain land claims of the Sault Ste. Marie Tribe of Chippewa Indians.

- H.R. 3459** To improve the health of minority individuals.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4666** To provide for and approve the settlement of certain land claims of the Sault Ste. Marie Tribe of Chippewa Indians.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

DODD, Christopher J. of Connecticut

- S. 233** To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.
- S. 1108** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative Program, and for other purposes.
- S. 2691** To establish the Long Island Sound Stewardship Initiative.

DOGGETT, Lloyd of Texas

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

DOGGETT, Lloyd of Texas—Continued

- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3626** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4122** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.Res. 752** Expressing continued support for the construction of the Victims of Communism Memorial.

DOLE, Elizabeth H. of North Carolina

- S. 1663** To replace certain Coastal Barrier Resources System maps.

DOMENICI, Pete V. of New Mexico

- S. 211** To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.
- S. 212** To authorize the Secretary of the Interior to cooperate with the High Plains States in conducting a hydrogeologic characterization, mapping, modeling and monitoring program for the High Plains Aquifer, and for other purposes.
- S. 213** To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.
- S. 214** To designate Fort Bayard Historic District in the State of New Mexico as a National Historic Landmark, and for other purposes.
- S. 246** To provide that certain Bureau of Land Management land shall be held in trust for the Pueblo of Santa Clara and the Pueblo of San Ildefonso in the State of New Mexico.
- S. 285** To authorize the integration and consolidation of alcohol and substance abuse programs and services provided by Indian tribal governments, and for other purposes.
- S. 558** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.
- S. 643** To authorize the Secretary of the Interior, in cooperation with the University of New Mexico, to construct and occupy a portion of the Hibben Center for Archaeological Research at the University of New Mexico.
- S. 931** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on visitors to units of the National Park System and on other recreational users of public land.
- S. 1582** To amend the Valles Preservation Act to improve the preservation of the Valles Caldera, and for other purposes.
- S. 1601** To amend the Indian Child Protection and Family Violence Prevention Act to provide for the reporting and reduction of child abuse and family violence incidences on Indian reservations, and for other purposes.
- S. 1791** To amend the Lease Lot Conveyance Act of 2002 to provide that the amounts received by the United States under that Act shall be deposited in the reclamation fund, and for other purposes.
- S. 1957** To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.
- S. 2178** To make technical corrections to laws relating to certain units of the National Park System and to National Park programs.
- S. 2460** To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.
- S. 2508** To redesignate the Ridges Basin Reservoir, Colorado, as Lake Nighthorse.
- S. 2511** To direct the Secretary of the Interior to conduct a feasibility study of a Chimayo water supply system, to provide for the planning, design, and construction of a water supply, reclamation, and filtration facility for Espanola, New Mexico, and for other purposes.

DOMENICI, Pete V. of New Mexico—Continued

S. 2622 To provide for the exchange of certain Federal land in the Santa Fe National Forest and certain non-Federal land in the Pecos National Historical Park in the State of New Mexico.

DOOLEY, Calvin M. of California

H.R. 379 To facilitate a Forest Service land exchange that will eliminate a private in-holding in the Sierra National Forest in the State of California and provide for the permanent enjoyment by the Boy Scouts of America of a parcel of National Forest System land currently used under a special use permit, and for other purposes.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 977 To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

H.R. 1061 To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1446 To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1501 To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

H.R. 1651 To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.

H.R. 1662 To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 2828 To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.

H.R. 2933 To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

H.R. 2966 To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

H.R. 3292 To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.

H.R. 3467 To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California as the "C.W. Bill" Jones Pumping Plant ".

H.R. 3846 To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.

H.R. 4469 To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

DOOLITTLE, John T. of California

H.R. 39 To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 135 To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 901 To authorize the Secretary of the Interior to construct a bridge on Federal land west of and adjacent to Folsom Dam in California, and for other purposes.

H.R. 977 To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

H.R. 987 To amend the Wild and Scenic Rivers Act to ensure congressional involvement in the process by which a river that is designated as a wild, scenic, or recreational river by an act of the legislature of the State or States through which the river flows may be included in the National Wild and Scenic Rivers System, and for other purposes.

DOOLITTLE, John T. of California—Continued

- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1604** To amend Public Law 105-295 to increase the amount of funds authorized to be appropriated for construction of temperature control devices.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1794** To authorize the Secretary of the Interior to construct and rehabilitate Federal water supply lines associated with Folsom Dam in California, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2395** To provide suitable alternative grazing arrangements on National Forest System land to persons that hold a grazing permit adversely affected by the standards and guidelines contained in the Record of Decision of the Sierra Nevada Forest Plan Amendment and pertaining to the Willow Flycatcher and the Yosemite Toad.
- H.R. 2584** To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.
- H.R. 2599** To direct the Secretary of the Interior to quitclaim to Yuba River Properties certain land in Yuba County, California, so as to extinguish a claim of title asserted by the Department of the Interior.
- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.
- H.R. 3467** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California as the "C.W. Bill" Jones Pumping Plant ".
- H.R. 3597** To authorize the Secretary of the Interior, through the Bureau of Reclamation, to conduct a feasibility study on the Alder Creek water storage and conservation project in El Dorado County, California, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4617** To amend the Small Tracts Act to facilitate the exchange of small tracts of land, and for other purposes.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

DORGAN, Byron L. of North Dakota

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 452** To require that the Secretary of the Interior conduct a study to identify sites and resources, to recommend alternatives for commemorating and interpreting the Cold War, and for other purposes.
- S. 1146** To implement the recommendations of the Garrison Unit Joint Tribal Advisory Committee by providing authorization for the construction of a rural health care facility on the Fort Berthold Indian Reservation, North Dakota.

DOYLE, Michael F. of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

DOYLE, Michael F. of Pennsylvania—Continued

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

DREIER, David of California

- H.R. 142** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional water recycling project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, and to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project.
- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 704** To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the area known as the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area in the State of California, and for other purposes.

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1284** To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to increase the Federal share of the costs of the San Gabriel Basin demonstration project.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2991** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga County Water District recycling project.

DUNCAN, John J. Jr. of Tennessee

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 155** To support the domestic shrimping industry by eliminating taxpayer subsidies for certain competitors, and for other purposes.
- H.R. 216** To establish as a unit of Chickamauga and Chattanooga National Military Park, the Moccasin Bend National Archeological District.
- H.R. 353** To direct the Secretary of the Interior to dispose of all public lands administered by the Bureau of Land Management that have been identified for disposal under the Federal land use planning process.
- H.R. 924** To direct the Secretary of the Interior to replace the U.S. Fish and Wildlife Service as the Federal agency responsible for the administration, protection, and preservation of Midway Atoll, and for other purposes.
- H.R. 1058** To provide for an exchange of certain private property in Colorado and certain Federal property in Utah.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

DUNCAN, John J. Jr. of Tennessee—Continued

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4443** To amend the National Historic Preservation Act to extend the authorization of appropriations for the historic preservation fund.
- H.R. 4667** To authorize and facilitate hydroelectric power licensing of the Tapoco Project, and for other purposes.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

DUNN, Jennifer of Washington

- H.R. 265** To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1014** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.

- H.R. 5083** To designate certain lower-elevation Federal lands in the Skykomish River valley of the State of Washington as wilderness, to designate a portion of such lands for management as a backcountry wilderness management area, and for other purposes.

DURBIN, Richard J. of Illinois

- S. 546** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1233** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

EDWARDS, Chet of Texas

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1732** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Williamson County, Texas, Water Recycling and Reuse Project, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

EDWARDS, John of North Carolina

- S. 1233** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

EHLERS, Vernon J. of Michigan

- H.R. 266** To establish the National Invasive Species Council, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

EHLERS, Vernon J. of Michigan—Continued

- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3745** To amend the Indian Gaming Regulatory Act to require State legislature approval of new gambling facilities, to provide for minimum requirements for Federal regulation of Indian gaming, to set up a commission to report to Congress on current living and health standards in Indian country, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4416** To establish the Great Lakes Protection and Restoration Committee.
- H.R. 4546** To provide for the National Oceanic and Atmospheric Administration, to authorize appropriations for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 4607** To establish the National Oceanic and Atmospheric Administration (NOAA), to amend the organization and functions of the NOAA Advisory Committee on Oceans and Atmosphere, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

EMANUEL, Rahm of Illinois

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

EMERSON, Jo Ann of Missouri

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3433** To transfer federal lands between the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 4481** To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.
- H.R. 4579** To modify the boundary of the Harry S Truman National Historic Site in the State of Missouri, and for other purposes.
- H.R. 5307** To authorize the Gateway Arch in St. Louis, Missouri, to be illuminated by pink lights in honor of breast cancer awareness month.

ENGEL, Eliot L. of New York

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

ENGEL, Eliot L. of New York—Continued

- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

ENGLISH, Phil of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4416** To establish the Great Lakes Protection and Restoration Committee.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

ENSIGN, John of Nevada

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 1521** To direct the Secretary of the Interior to convey certain land to the Edward H. McDaniel American Legion Post No. 22 in Pahrump, Nevada, for the construction of a post building and memorial park for use by the American Legion, other veterans' groups, and the local community.

ENZI, Michael B. of Wyoming

- S. 155** To convey to the town of Frannie, Wyoming, certain land withdrawn by the Commissioner of Reclamation.
- S. 203** To open certain withdrawn land in Big Horn County, Wyoming, to locatable mineral development for bentonite mining.
- S. 273** To provide for the expeditious completion of the acquisition of land owned by the State of Wyoming within the boundaries of Grand Teton National Park, and for other purposes.
- S. 943** To authorize the Secretary of the Interior to enter into 1 or more contracts with the city of Cheyenne, Wyoming, for the storage of water in the Kendrick Project, Wyoming.

ESHOO, Anna G. of California

- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.

ESHOO, Anna G. of California—Continued

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

ESHOO, Anna G. of California—Continued

- H.J.Res. 98** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

ETHERIDGE, Bob of North Carolina

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

EVANS, Lane of Illinois

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4928** To prohibit the import, export, and take of certain coral reef species, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

EVERETT, Terry of Alabama

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

FALEOMAVAEGA, Ani F.H. of American Samoa

H.R. 151 To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 982 To clarify the tax treatment of bonds and other obligations issued by the Government of American Samoa.

H.R. 1034 To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 1080 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1081 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1189 To increase the waiver requirement for certain local matching requirements for grants provided to American Samoa, Guam, the Virgin Islands, or the Commonwealth of the Northern Mariana Islands, and for other purposes.

H.R. 1442 To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1690 To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.

H.R. 1723 To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.

H.R. 1760 To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.

H.R. 2010 To protect the voting rights of members of the Armed Services in elections for the Delegate representing American Samoa in the United States House of Representatives, and for other purposes.

H.R. 2141 To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

H.R. 2201 To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.

H.R. 2242 To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.

H.R. 2310 To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.

H.R. 2400 To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.

H.R. 2430 To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.

H.R. 2431 To establish a National Chronic Wasting Disease Task Force, and for other purposes.

H.R. 2440 To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.

H.R. 2522 To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.

H.R. 2584 To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.

H.R. 2716 To amend the Compact of Free Association of 1985 to provide for adequate Compact-impact aid.

H.R. 2770 To amend part A of title IV of the Social Security Act to reauthorize and improve the operation of temporary assistance to needy families programs operated by Indian tribes, and for other purposes.

H.R. 3378 To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.

H.R. 3459 To improve the health of minority individuals.

H.R. 3479 To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.

FALEOMAVEGA, Eni F.H. of American Samoa—Continued

- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4282** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4928** To prohibit the import, export, and take of certain coral reef species, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.J.Res. 63** To approve the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Federated States of Micronesia," and the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Republic of the Marshall Islands," and otherwise to amend Public Law 99-239, and to appropriate for the purposes of amended Public Law 99-239 for fiscal years ending on or before September 30, 2023, and for other purposes.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.
- H.Con.Res. 268** Expressing the sense of the Congress regarding the imposition of sanctions on nations that are undermining the effectiveness of conservation and management measures for Atlantic highly migratory species, including marlin, adopted by the International Commission for the Conservation of Atlantic Tunas and that are threatening the continued viability of United States commercial and recreational fisheries.

FARR, Sam of California

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1621** To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

FARR, Sam of California—Continued

- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 5001** To establish a pilot program to develop a comprehensive system of ocean and coastal observations for the Nation's oceans, coasts, and Great Lakes, including enhanced security at United States ports, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

H.Res. 362 Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

H.Con.Res. 202 Expressing the sense of Congress in support of a National Oceans Week.

FATTAH, Chaka of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1862** To establish the Oil Region National Heritage Area.

FATTAH, Chaka of Pennsylvania—Continued

- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3753** To provide for the restoration of the Benjamin Franklin National Memorial, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

FEENEY, Tom of Florida

- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 4148** To designate the information center at Canaveral National Seashore as the "T.C. Wilder, Jr., Canaveral National Seashore Information Center".
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

FEINSTEIN, Dianne of California

- S. 302** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- S. 347** To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area, and for other purposes.
- S. 546** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 2567** To adjust the boundary of Redwood National Park in the State of California.

FERGUSON, Mike of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2244** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3902** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 4642** To provide for the extension of the New Jersey Coastal Heritage Trail into the Township of Woodbridge, New Jersey.
- H.R. 5377** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.

AUTHOR INDEX

FILNER, Bob of California

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 477** To extend Federal recognition to the Duwamish Tribe, and for other purposes.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1524** To authorize the Secretary of the Interior to establish a commemorative trail in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2770** To amend part A of title IV of the Social Security Act to reauthorize and improve the operation of temporary assistance to needy families programs operated by Indian tribes, and for other purposes.

FILNER, Bob of California—Continued

- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4094** To amend the Internal Revenue Code of 1986 to establish a Federal income tax credit for production of energy from geothermal energy resources, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

FLAKE, Jeff of Arizona

- H.R. 67** To provide temporary legal exemptions for certain land management activities of the Federal land management agencies undertaken in federally declared disaster areas.
- H.R. 387** To authorize the Regional Foresters to exempt tree-thinning projects, which are necessary to prevent the occurrence of wildfire likely to cause extreme harm to the forest ecosystem, from laws that give rise to legal causes of action that delay or prevent such projects.
- H.R. 495** To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.
- H.R. 885** To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2400** To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.
- H.R. 2584** To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2941** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 4115** To amend the Act of November 2, 1966 (80 Stat. 1112), to allow binding arbitration clauses to be included in all contracts affecting the land within the Salt River Pima-Maricopa Indian Reservation.
- H.R. 4240** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

FLAKE, Jeff of Arizona—Continued

H.J.Res. 102 Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.

H.Con.Res. 237 Honoring the late Rick Lupe, lead forestry technician for the Bureau of Indian Affairs Fort Apache Agency, for his dedication and service to the United States and for his essential service in fighting wildfires and protecting the environment and communities of Arizona.

FLETCHER, Ernie of Kentucky

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 2327 To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

FOLEY, Mark Adam of Florida

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 1361 To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.

H.R. 1442 To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 2201 To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.

H.R. 2242 To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.

H.R. 2871 To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

H.R. 3785 To authorize the exchange of certain land in Everglades National Park.

H.R. 3834 To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

H.Res. 173 Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.

H.Res. 362 Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

FORBES, J. Randy of Virginia

H.R. 1869 To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 2327 To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

FORD, Harold E. Jr. of Tennessee

H.R. 196 To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

FORD, Harold E. Jr. of Tennessee—Continued

- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1042** To authorize collaborative forest restoration and wildland fire hazard mitigation projects on National Forest System lands and other public and private lands, to improve the implementation of the National Fire Plan, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

FOSSELLA, Vito of New York

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 4040** To authorize a national memorial to commemorate the final resting place of those lost at the World Trade Center on September 11, 2001, and for other purposes.

FRANK, Barney of Massachusetts

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

FRANK, Barney of Massachusetts—Continued

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1869** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2129** To direct the Secretary of the Interior to conduct a special resources study regarding the suitability and feasibility of designating certain historic buildings and areas in Taunton, Massachusetts, as a unit of the National Park System, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

FRANKS, Trent of Arizona

- H.R. 842** To provide for the conveyance of certain Federal lands administered by the Bureau of Land Management in Maricopa County, Arizona, in exchange for private lands located in Yavapai County, Arizona, and for other purposes.
- H.R. 885** To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

FRANKS, Trent of Arizona—Continued

- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 2603** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.
- H.R. 4240** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 4242** To transfer jurisdiction over certain public lands from the Bureau of Land Management to the Department of Defense.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.Con.Res. 237** Honoring the late Rick Lupe, lead forestry technician for the Bureau of Indian Affairs Fort Apache Agency, for his dedication and service to the United States and for his essential service in fighting wildfires and protecting the environment and communities of Arizona.

FRELINGHUYSEN, Rodney P. of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2244** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3902** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.

FROST, Martin of Texas

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1938** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.

FROST, Martin of Texas—Continued

- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2770** To amend part A of title IV of the Social Security Act to reauthorize and improve the operation of temporary assistance to needy families programs operated by Indian tribes, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3626** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4122** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 4786** To provide grants to tribes to assist those tribes in participating in the Federal acknowledgement process.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

GALLEGLY, Elton of California

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1060** To provide for an exchange of lands with the United Water Conservation District of California to eliminate private inholdings in the Los Padres National Forest, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1835** To amend the Endangered Species Act of 1973 to limit designation as critical habitat of areas owned or controlled by the Department of Defense, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2400** To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2584** To provide for the conveyance to the Utrok Atoll local government of a decommissioned National Oceanic and Atmospheric Administration ship.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

AUTHOR INDEX

GARRETT, Scott of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3902** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 5377** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.

GEPHARDT, Richard A. of Missouri

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 4481** To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.
- H.R. 5307** To authorize the Gateway Arch in St. Louis, Missouri, to be illuminated by pink lights in honor of breast cancer awareness month.

GERLACH, Jim of Pennsylvania

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2889** To direct the Secretary of Commerce to conduct a study of existing and new fishery observer data to effectively map migratory patterns, delineate wintering areas and feeding grounds of Atlantic Striped Bass in the Mid-Atlantic exclusive economic zone, and for other purposes.

- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.

GIBBONS, Jim of Nevada

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 74** To direct the Secretary of Agriculture to convey certain land in the lake Tahoe Basin Management Unit, Nevada, to the Secretary of the Interior, in trust for the Washoe Indian Tribe of Nevada and California.
- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 272** To direct the Secretary of Agriculture to convey certain land to Lander County, Nevada, and the Secretary of the Interior to convey certain land to Eureka County, Nevada, for continued use as cemeteries.
- H.R. 688** To direct the Secretary of Agriculture to conduct a study of the effectiveness of silver-based biocides as an alternative treatment to preserve wood.
- H.R. 762** To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts.
- H.R. 794** To amend the Mineral Leasing Act to provide for the development of Federal coal resources.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 884** To provide for the use and distribution of the funds awarded to the Western Shoshone identifiable group under Indian Claims Commission Docket Numbers 326-A-1, 326-A-3, and 326-K, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.

GIBBONS, Jim of Nevada—Continued

- H.R. 1062** To require the Secretary of the Interior to make reimbursement for certain damages incurred as a result of bonding regulations adopted by the Bureau of Land Management on February 28, 1997, and subsequently determined to be in violation of Federal law.
- H.R. 1092** To authorize the Secretary of Agriculture to sell certain parcels of Federal land in Carson City and Douglas County, Nevada.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1835** To amend the Endangered Species Act of 1973 to limit designation as critical habitat of areas owned or controlled by the Department of Defense, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 1965** To amend the Endangered Species Act of 1973 to limit the application of that Act with respect to actions on military land or private land and to provide incentives for voluntary habitat maintenance, and for other purposes.
- H.R. 2326** To require the conveyance of certain Bureau of Land Management lands in Nye County, Nevada, to Ponderosa Dairy in Amargosa, Nevada.
- H.R. 2367** To provide for the conveyance of certain public lands in and around historic mining townsites in Nevada, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 2656** To amend the Graton Rancheria Restoration Act to give the Secretary of the Interior discretion regarding taking land into trust.
- H.R. 2772** To amend the Geothermal Steam Act of 1970 to promote the development and use of geothermal resources in the United States.
- H.R. 2831** To authorize the Secretary of the Interior to convey the Newlands Project Headquarters and Maintenance Yard Facility to the Truckee-Carson Irrigation District.
- H.R. 2869** To direct the Secretary of the Interior to sell certain public lands subject to mining operations in Eureka, Lander, White Pine, Elko, and Humboldt Counties, Nevada, for the reclamation of abandoned mines in Nevada, to promote and enhance economic development, education, and local government revenues, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3062** To amend the Mineral Leasing Act to authorize the Secretary of the Interior to issue separately, for the same area, a lease for tar sand and a lease for oil and gas, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.
- H.R. 3445** To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.
- H.R. 3667** To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4010** To reauthorize and amend the National Geologic Mapping Act of 1992.
- H.R. 4285** To provide for the conveyance of certain public land in Clark County, Nevada, for use as a heliport.
- H.R. 4332** To provide for the proper development of Federal lands in Clark County, Nevada, to best promote public welfare and economic development consistent with surrounding airport usage.
- H.R. 4593** To establish wilderness areas, promote conservation, improve public land, and provide for the high quality development in Lincoln County, Nevada, and for other purposes.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.R. 5151** To transfer administrative jurisdiction over certain land in Clark County, Nevada, from the Secretary of the Interior to the Secretary of Veterans Affairs.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

GIBBONS, Jim of Nevada—Continued

- H.Res. 431** Honoring the achievements of Siegfried and Roy, recognizing the impact of their efforts on the conservation of endangered species both domestically and worldwide, and wishing Roy Horn a full and speedy recovery.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

GILCHREST, Wayne T. of Maryland

- H.R. 266** To establish the National Invasive Species Council, and for other purposes.
- H.R. 273** To provide for the eradication and control of nutria in Maryland and Louisiana.
- H.R. 274** To authorize the Secretary of the Interior to acquire the property in Cecil County, Maryland, known as Garrett Island for inclusion in the Blackwater National Wildlife Refuge.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 984** To improve the conservation and management of coastal and ocean resources by reenacting and clarifying provisions of a reorganization plan authorizing the National Oceanic and Atmospheric Administration.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

- H.R. 2048** To extend the period for reimbursement under the Fishermen's Protective Act of 1967, and to reauthorize the Yukon River Restoration and Enhancement Fund.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2693** To reauthorize the Marine Mammal Protection Act of 1972, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3883** To reauthorize the Atlantic Striped Bass Conservation Act.
- H.R. 4114** To amend the Migratory Bird Treaty Act to exclude non-native migratory bird species from the application of that Act, and for other purposes.
- H.R. 4607** To establish the National Oceanic and Atmospheric Administration (NOAA), to amend the organization and functions of the NOAA Advisory Committee on Oceans and Atmosphere, and for other purposes.
- H.R. 4869** To amend the Marine Mammal Protection Act of 1972 to authorize appropriations for the John H. Prescott Marine Mammal Rescue Assistance Grant Program, and for other purposes.
- H.R. 5096** To assist in the conservation of flagship species throughout the world.
- H.R. 5104** To amend the Marine Mammal Protection Act of 1972 to authorize appropriations for the John H. Prescott Marine Mammal Rescue Assistance Grant Program, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

GILCHREST, Wayne T. of Maryland—Continued

- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.
- H.Con.Res. 268** Expressing the sense of the Congress regarding the imposition of sanctions on nations that are undermining the effectiveness of conservation and management measures for Atlantic highly migratory species, including marlin, adopted by the International Commission for the Conservation of Atlantic Tunas and that are threatening the continued viability of United States commercial and recreational fisheries.

GILLMOR, Paul E. of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 422** To authorize the Pyramid of Remembrance Foundation to establish a memorial in the District of Columbia or its environs to soldiers who have lost their lives during peacekeeping operations, humanitarian efforts, training, terrorist attacks, or covert operations.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

GINGREY, Phil of Georgia

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

GONZALEZ, Charles A. of Texas

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

GONZALEZ, Charles A. of Texas—Continued

- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3626** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4158** To provide for the conveyance to the Government of Mexico of a decommissioned National Oceanic and Atmospheric Administration ship, and for other purposes.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

GOODE, Virgil H. Jr. of Virginia

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.

- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

GOODLATTE, Bob of Virginia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

GORDON, Bart of Tennessee

- H.R. 646** To expand the boundaries of the Fort Donelson National Battlefield to authorize the acquisition and interpretation of lands associated with the campaign that resulted in the capture of the fort in 1862, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

GORDON, Bart of Tennessee—Continued

- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4094** To amend the Internal Revenue Code of 1986 to establish a Federal income tax credit for production of energy from geothermal energy resources, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

GOSS, Porter J. of Florida

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.

GRAHAM, Bob of Florida

- S. 111** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.

GRANGER, Kay of Texas

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

GRAVES, Sam of Missouri

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

GRAVES, Sam of Missouri—Continued

- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4475** To amend the Endangered Species Act of 1973 to focus conservation efforts under that Act on the 109 species most in danger of extinction, and for other purposes.
- H.R. 4481** To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.

GREEN, Gene of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4122** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4158** To provide for the conveyance to the Government of Mexico of a decommissioned National Oceanic and Atmospheric Administration ship, and for other purposes.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

GREEN, Mark of Wisconsin

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

GREEN, Mark of Wisconsin—Continued

- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2057** To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.
- H.R. 2636** To authorize the Secretary of the Interior to make grants to State and tribal governments to assist State and tribal efforts to manage and control the spread of chronic wasting disease in deer and elk herds, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4416** To establish the Great Lakes Protection and Restoration Committee.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

GREENWOOD, James C. of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3753** To provide for the restoration of the Benjamin Franklin National Memorial, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 5001** To establish a pilot program to develop a comprehensive system of ocean and coastal observations for the Nation's oceans, coasts, and Great Lakes, including enhanced security at United States ports, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

GREENWOOD, James C. of Pennsylvania—Continued

H.Con.Res. 202 Expressing the sense of Congress in support of a National Oceans Week.

GREGG, Judd of New Hampshire

S. 1433 To authorize the Secretary of the Interior to provide assistance in implementing cultural heritage, conservation, and recreational activities in the Connecticut River watershed of the States of New Hampshire and Vermont.

GRIJALVA, Raul M. of Arizona

H.R. 135 To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

H.R. 421 To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.

H.R. 458 To provide for the use and distribution of certain funds awarded to the Gila River Pima-Maricopa Indian Community, and for other purposes.

H.R. 495 To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.

H.R. 504 To provide for the reclamation of abandoned hardrock mines, and for other purposes.

H.R. 591 To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 751 To authorize increased fines for improper use of vehicles that results in damage to public lands or national forests, and for other purposes.

H.R. 752 To prohibit oil and gas drilling in Finger Lakes National Forest in New York.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 822 To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 885 To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.

H.R. 897 To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 977 To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1006 To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

H.R. 1034 To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 1080 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1081 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1491 To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.

GRIJALVA, Raul M. of Arizona—Continued

- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1621** To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2305** To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2770** To amend part A of title IV of the Social Security Act to reauthorize and improve the operation of temporary assistance to needy families programs operated by Indian tribes, and for other purposes.
- H.R. 2941** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3504** To amend the Indian Self-Determination and Education Assistance Act to redesignate the American Indian Education Foundation as the National Fund for Excellence in American Indian Education.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 4017** To assure that development of certain Federal oil and gas resources will occur in ways that protect water resources and respect the rights of the surface owners, and for other purposes.

GRIJALVA, Raul M. of Arizona—Continued

- H.R. 4240** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 4282** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4490** To provide for acquisition of subsurface mineral rights to land owned by the Pascua Yaqui Tribe and land held in trust for the Tribe, and for other purposes.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 4577** To allow binding arbitration clauses to be included in all contracts affecting the land within the Gila River Indian Community Reservation.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4786** To provide grants to tribes to assist those tribes in participating in the Federal acknowledgement process.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 4884** To adjust the boundary of the Yuma Crossing National Heritage Area.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4943** To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona for the purpose of consolidating Federal land ownership within the boundaries of the Ironwood Forest National Monument and the Las Cienegas National Conservation Area, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

- H.Con.Res. 237** Honoring the late Rick Lupe, lead forestry technician for the Bureau of Indian Affairs Fort Apache Agency, for his dedication and service to the United States and for his essential service in fighting wildfires and protecting the environment and communities of Arizona.

GUTIERREZ, Luis V. of Illinois

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

AUTHOR INDEX

GUTIERREZ, Luis V. of Illinois—Continued

- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

GUTKNECHT, Gil of Minnesota

- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.

- H.R. 961** To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

HAGEL, Chuck of Nebraska

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.

HALL, Ralph M. of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 154** To exclude certain properties from the John H. Chafee Coastal Barrier Resources System.
- H.R. 238** To provide for Federal energy research, development, demonstration, and commercial application activities, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

HALL, Ralph M. of Texas—Continued

- H.R. 1051** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

HARMAN, Jane of California

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.

HARRIS, Katherine of Florida

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

HART, Melissa A. of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

AUTHOR INDEX

HART, Melissa A. of Pennsylvania—Continued

- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.

HASTERT, J. Dennis of Illinois

- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.

HASTINGS, Alcee L. of Florida

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

HASTINGS, Alcee L. of Florida—Continued

- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

HASTINGS, Doc of Washington

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 265** To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 3207** To direct the Secretary of the Interior to conduct a study on the preservation and interpretation of the historic sites of the Manhattan Project for potential inclusion in the National Park System.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 4690** To transfer certain lands along the Cle Elum River in the State of Washington to the administrative jurisdiction of the Secretary of the Interior, to support a land exchange involving a portion of such lands, and for other purposes.

- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.

HATCH, Orrin G. of Utah

- S. 635** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
- S. 931** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on visitors to units of the National Park System and on other recreational users of public land.
- S. 1233** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- S. 1601** To amend the Indian Child Protection and Family Violence Prevention Act to provide for the reporting and reduction of child abuse and family violence incidences on Indian reservations, and for other purposes.
- S. 2285** To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.

HAYES, Robin of North Carolina

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

HAYWORTH, J. D. of Arizona

- H.R. 67** To provide temporary legal exemptions for certain land management activities of the Federal land management agencies undertaken in federally declared disaster areas.

AUTHOR INDEX

HAYWORTH, J. D. of Arizona—Continued

- H.R. 108** To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 458** To provide for the use and distribution of certain funds awarded to the Gila River Pima-Maricopa Indian Community, and for other purposes.
- H.R. 460** To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.
- H.R. 495** To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.
- H.R. 622** To provide for the exchange of certain lands in the Coconino and Tonto National Forests in Arizona, and for other purposes.
- H.R. 885** To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1630** To revise the boundary of the Petrified Forest National Park in the State of Arizona, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2603** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.
- H.R. 2696** To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.
- H.R. 2750** To make technical amendments to the Indian Child Welfare Act of 1978.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2907** To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.
- H.R. 2941** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4115** To amend the Act of November 2, 1966 (80 Stat. 1112), to allow binding arbitration clauses to be included in all contracts affecting the land within the Salt River Pima-Maricopa Indian Reservation.
- H.R. 4240** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.Con.Res. 237** Honoring the late Rick Lupe, lead forestry technician for the Bureau of Indian Affairs Fort Apache Agency, for his dedication and service to the United States and for his essential service in fighting wildfires and protecting the environment and communities of Arizona.

HEFLEY, Joel of Colorado

- H.R. 114** To require that the Secretary of the Interior conduct a study to identify sites and resources, to recommend alternatives for commemorating and interpreting the Cold War, and for other purposes.
- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 575** To expedite the process by which the Secretary of the Interior and the Secretary of Agriculture may utilize military aircraft to fight wildfires, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1427** To establish the criteria and mechanisms for the designation of certain areas in the United States containing nationally important natural, historic, and cultural resources and recreational and educational opportunities that are geographically assembled and thematically related as areas that provide unique frameworks for understanding the great and diverse character of the United States and the development of communities and their surroundings as national heritage areas, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 2955** To establish the Rio Grande Outstanding Natural Area in the State of Colorado, and for other purposes.

- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4443** To amend the National Historic Preservation Act to extend the authorization of appropriations for the historic preservation fund.
- H.R. 4691** To authorize the Secretary of the Interior to engage in a feasibility study relating to long-term water needs for the area served by the Fryingpan-Arkansas Project, Colorado, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

HERGER, Wally of California

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 987** To amend the Wild and Scenic Rivers Act to ensure congressional involvement in the process by which a river that is designated as a wild, scenic, or recreational river by an act of the legislature of the State or States through which the river flows may be included in the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 988** To provide compensation to individuals who are injured by an escaped prescribed fire and to amend the tort procedure provisions of title 28, United States Code, relating to claims for such fires, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1194** To amend the Endangered Species Act of 1973 to enable Federal agencies responsible for the preservation of threatened species and endangered species to rescue and relocate members of any of those species that would be taken in the course of certain reconstruction, maintenance, or repair of Federal or non-Federal manmade flood control levees.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

HERGER, Wally of California—Continued

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2395** To provide suitable alternative grazing arrangements on National Forest System land to persons that hold a grazing permit adversely affected by the standards and guidelines contained in the Record of Decision of the Sierra Nevada Forest Plan Amendment and pertaining to the Willow Flycatcher and the Yosemite Toad.
- H.R. 2599** To direct the Secretary of the Interior to quitclaim to Yuba River Properties certain land in Yuba County, California, so as to extinguish a claim of title asserted by the Department of the Interior.
- H.R. 2603** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

HERSETH, Stephanie of South Dakota

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4949** To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.
- H.R. 5139** To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.

HILL, Baron P. of Indiana

- H.R. 461** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

HINCHEY, Maurice D. of New York

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

HINCHEY, Maurice D. of New York—Continued

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1869** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

HINOJOSA, Ruben of Texas

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

HINOJOSA, Ruben of Texas—Continued

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4122** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4158** To provide for the conveyance to the Government of Mexico of a decommissioned National Oceanic and Atmospheric Administration ship, and for other purposes.
- H.R. 4588** To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 4775** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.

HOBSON, David L. of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 3283** To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

HOEFFEL, Joseph M. of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 748** To require the Council on Environmental Quality to conduct a study on urban sprawl and smart growth, and to ensure the consideration by Federal agencies of urban sprawl in the preparation of their environmental reviews under the National Environmental Policy Act of 1969.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1862** To establish the Oil Region National Heritage Area.

HOEFFEL, Joseph M. of Pennsylvania—Continued

- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3753** To provide for the restoration of the Benjamin Franklin National Memorial, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

HOEKSTRA, Peter of Michigan

- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

HOLDEN, Tim of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3753** To provide for the restoration of the Benjamin Franklin National Memorial, and for other purposes.

HOLDEN, Tim of Pennsylvania—Continued

- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

HOLLINGS, Ernest F. of South Carolina

- S. 500** To direct the Secretary of the Interior to study certain sites in the historic district of Beaufort, South Carolina, relating to the Reconstruction Era.
- S. 886** To ratify otherwise legal appointments and promotions in the commissioned corps of the National Oceanic and Atmospheric Administration that failed to be submitted to the Senate for its advice and consent as required by law, and for other purposes.
- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.
- S. 1643** To exempt certain coastal barrier property from financial assistance and flood insurance limitations under the Coastal Barriers Resources Act and the National Flood Act of 1968.

HOLT, Rush D. of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 652** To assure that the American people have large areas of land in healthy natural condition throughout the country to maximize wildland recreational opportunities for people, maximize habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.

HOLT, Rush D. of New Jersey—Continued

- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.

HONDA, Michael M. of California

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.

- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- H.R. 665** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

HONDA, Michael M. of California—Continued

- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.

- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

HOOLEY, Darlene of Oregon

- H.R. 514** To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.
- H.R. 733** To authorize the Secretary of the Interior to acquire the McLoughlin House National Historic Site in Oregon City, Oregon, and to administer the site as a unit of the National Park System, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

HOOLEY, Darlene of Oregon—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1797** To ensure that exports of Alaskan North Slope crude oil are prohibited.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2639** To expedite procedures for hazardous fuels reduction activities and restoration in wildland fire prone National Forests, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 5289** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.Con.Res. 341** Recognizing the 20th anniversary of the restoration of Federal recognition of the Confederated Tribes of the Grand Ronde Community of Oregon.

HOSTETTLER, John N. of Indiana

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

HOUGHTON, Amo of New York

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1869** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3394** To clarify the lands over which Indian tribes shall have jurisdiction or exercise governmental power.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

AUTHOR INDEX

HOYER, Steny H. of Maryland

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2650** To prohibit the study or implementation of any plan to privatize, divest, or transfer any part of the mission, function, or responsibility of the National Park Service.
- H.R. 3459** To improve the health of minority individuals.

HULSHOF, Kenny C. of Missouri

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 4481** To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.
- H.R. 4579** To modify the boundary of the Harry S Truman National Historic Site in the State of Missouri, and for other purposes.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

HUNTER, Duncan of California

- H.R. 417** To revoke a Public Land Order with respect to certain lands erroneously included in the Cibola National Wildlife Refuge, California.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 3954** To authorize the Secretary of the Interior to resolve boundary discrepancies in San Diego County, California, arising from an erroneous survey conducted by a Government contractor in 1881 that resulted in overlapping boundaries for certain lands, and for other purposes.
- H.R. 4791** To direct the Secretary of the Interior to conduct a feasibility study to design and construct a three-reservoir intertie system for the purposes of improving the water supply reliability and water yield of San Vicente, El Capitan, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the Sweetwater Authority, and for other purposes.
- H.Res. 121** Recognizing and commending the continuing dedication, selfless service, and commitment of members of the Armed Forces and their families during the Global War on Terrorism and in defense of the United States.

HUTCHISON, Kay Bailey of Texas

- S. 1066** To correct a technical error from Unit T-07 of the John H. Chafee Coastal Barrier Resources System.
- S. 2052** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.

HYDE, Henry J. of Illinois

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

HYDE, Henry J. of Illinois—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.J.Res. 63** To approve the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Federated States of Micronesia," and the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Republic of the Marshall Islands," and otherwise to amend Public Law 99-239, and to appropriate for the purposes of amended Public Law 99-239 for fiscal years ending on or before September 30, 2023, and for other purposes.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

INHOFE, James M. of Oklahoma

- S. 1210** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- S. 2847** To reauthorize the Water Resources Research Act of 1984.

INOUYE, Daniel K. of Hawaii

- S. 163** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.
- S. 254** To revise the boundary of the Kaloko-Honokohau National Historical Park in the State of Hawaii, and for other purposes.
- S. 285** To authorize the integration and consolidation of alcohol and substance abuse programs and services provided by Indian tribal governments, and for other purposes.
- S. 523** To make technical corrections to laws relating to Native Americans, and for other purposes.
- S. 555** To establish the Native American Health and Wellness Foundation, and for other purposes.
- S. 558** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.
- S. 931** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on visitors to units of the National Park System and on other recreational users of public land.

- S. 960** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000 to modify the water resources study.
- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.
- S. 1438** To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes.
- S. 1601** To amend the Indian Child Protection and Family Violence Prevention Act to provide for the reporting and reduction of child abuse and family violence incidences on Indian reservations, and for other purposes.
- S. 1996** To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.

INSLEE, Jay of Washington

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

INSLEE, Jay of Washington—Continued

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2397** To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.

- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 4934** To direct the Secretary of the Interior to take certain tribally-owned reservation land into trust for the Puyallup Tribe.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

ISAKSON, Johnny of Georgia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4383** To ensure the continuation of successful fish mitigation programs.

ISRAEL, Steve of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

ISRAEL, Steve of New York—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3471** To authorize the Secretary of the Interior to conduct a special resource study of the area at or near the footprints of the former World Trade Center towers for possible inclusion in the National Park System to commemorate the tragic events of September 11, 2001.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.

- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

ISSA, Darrell E. of California

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1230** To provide an environmentally sound process for the expeditious consideration and approval of a high-voltage electricity transmission line right-of-way through the Trabuco Ranger District of the Cleveland National Forest in the State of California and adjacent lands under the jurisdiction of the Bureau of Land Management and the Forest Service.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

AUTHOR INDEX

ISSA, Darrell E. of California—Continued

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3334** To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4300** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.
- H.R. 4389** To authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California, and for other purposes.
- H.R. 4907** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.
- H.R. 4908** To transfer certain land in Riverside County, California, from the Bureau of Land Management to the United States to be held in trust for the Pechanga Band of Luiseno Mission Indians, and for other purposes.

ISTOOK, Ernest J. Jr. of Oklahoma

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 3406** To amend the Oklahoma City National Memorial Act of 1997 to transfer the Oklahoma City National Memorial to the Oklahoma City National Memorial Foundation, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

JACKSON-LEE, Sheila of Texas

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

JACKSON-LEE, Sheila of Texas—Continued

- H.R. 1621** To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

JACKSON, Jesse L. Jr. of Illinois

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

JACKSON, Jesse L. Jr. of Illinois—Continued

- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

JANKLOW, William J. of South Dakota

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2132** To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal and industrial and fish and wildlife purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

JEFFERSON, William J. of Louisiana

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2770** To amend part A of title IV of the Social Security Act to reauthorize and improve the operation of temporary assistance to needy families programs operated by Indian tribes, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5348** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

JEFFORDS, James M. of Vermont

- S. 163** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.
- S. 1210** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- S. 1433** To authorize the Secretary of the Interior to provide assistance in implementing cultural heritage, conservation, and recreational activities in the Connecticut River watershed of the States of New Hampshire and Vermont.
- S. 2847** To reauthorize the Water Resources Research Act of 1984.

JENKINS, William L. of Tennessee

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

JENKINS, William L. of Tennessee—Continued

H.R. 1005 To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

H.R. 3903 To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

JOHN, Christopher of Louisiana

H.R. 39 To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 1442 To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

H.R. 1537 To amend the Migratory Bird Treaty Act to clarify that restrictions on baiting of migratory game birds do not prohibit the taking of a migratory game bird on or over manipulated re-growth of a harvested rice crop.

H.R. 1570 To accelerate natural gas exploration, development, and production from oil and gas wells drilled to deep depths on existing lease tracts on the Outer Continental Shelf, and for other purposes.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 4100 To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.

H.R. 4685 To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

H.R. 4734 To amend the Indian Gaming Regulatory Act to include a definition of initial reservation and consultation, and for other purposes.

H.R. 4958 To direct the Secretary of the Interior to conduct a sale of oil and gas leases on certain submerged lands of the outer Continental Shelf in the Eastern Gulf of Mexico.

H.R. 4959 To recognize the heritage of hunting and provide opportunities for continued hunting on Federal public land, to protect the public's ability to fish for sport, and for other purposes.

H.R. 5348 To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.

H.Res. 362 Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

H.Con.Res. 21 Commemorating the Bicentennial of the Louisiana Purchase.

JOHNSON, Eddie Bernice of Texas

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1209 To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1491 To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2169 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

H.R. 2424 To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

H.R. 3088 To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3459 To improve the health of minority individuals.

H.R. 3550 To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

JOHNSON, Eddie Bernice of Texas—Continued

- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

JOHNSON, Nancy L. of Connecticut

- H.R. 437** To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1798** To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

- H.R. 2479** To authorize the Secretary of the Interior to provide to the States of Connecticut and Massachusetts technical and financial assistance for management of the Connecticut River in those States.
- H.R. 3838** To provide grants to local governments to assist such local governments in participating in certain decisions related to certain Indian groups and Indian tribes.
- H.R. 4070** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 4213** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5083** To designate certain lower-elevation Federal lands in the Skykomish River valley of the State of Washington as wilderness, to designate a portion of such lands for management as a backcountry wilderness management area, and for other purposes.

JOHNSON, Sam of Texas

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

JOHNSON, Tim of South Dakota

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 425** To revise the boundary of the Wind Cave National Park in the State of South Dakota.
- S. 426** To direct the Secretary of the Interior to convey certain parcels of land acquired for the Blunt Reservoir and Pierre Canal features of the initial stage of the Oahe Unit, James Division, South Dakota, to the Commission of Schools and Public Lands and the Department of Game, Fish, and Parks of the State of South Dakota for the purpose of mitigating lost wildlife habitat, on the condition that the current preferential leaseholders shall have an option to purchase the parcels from the Commission, and for other purposes.
- S. 558** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.
- S. 1530** To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.

JOHNSON, Tim of South Dakota—Continued

- S. 1601** To amend the Indian Child Protection and Family Violence Prevention Act to provide for the reporting and reduction of child abuse and family violence incidences on Indian reservations, and for other purposes.
- S. 1996** To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.

JOHNSON, Timothy V. of Illinois

- H.R. 422** To authorize the Pyramid of Remembrance Foundation to establish a memorial in the District of Columbia or its environs to soldiers who have lost their lives during peacekeeping operations, humanitarian efforts, training, terrorist attacks, or covert operations.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3394** To clarify the lands over which Indian tribes shall have jurisdiction or exercise governmental power.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.

- H.R. 3838** To provide grants to local governments to assist such local governments in participating in certain decisions related to certain Indian groups and Indian tribes.

JONES, Stephanie Tubbs of Ohio

- H.R. 266** To establish the National Invasive Species Council, and for other purposes.
- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1524** To authorize the Secretary of the Interior to establish a commemorative trail in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.

JONES, Stephanie Tubbs of Ohio—Continued

- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

JONES, Walter B. of North Carolina

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1408** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.

- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1869** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2055** To amend Public Law 89-366 to allow for an adjustment in the number of free roaming horses permitted in Cape Lookout National Seashore.
- H.R. 2406** To support the domestic shrimp industry by eliminating taxpayer subsidies for certain competitors, and for other purposes.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

KANJORSKI, Paul E. of Pennsylvania

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

KANJORSKI, Paul E. of Pennsylvania—Continued

H.R. 3796 To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

KAPTUR, Marcy of Ohio

H.R. 280 To establish the National Aviation Heritage Area, and for other purposes.

H.R. 289 To expand the boundaries of the Ottawa National Wildlife Refuge Complex and the Detroit River International Wildlife Refuge.

H.R. 521 To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.

H.R. 591 To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

H.R. 752 To prohibit oil and gas drilling in Finger Lakes National Forest in New York.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 1080 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1081 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1209 To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.

H.R. 1221 To provide for the stabilization of prices for gasoline, and for other purposes.

H.R. 1442 To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 1856 To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.

H.R. 2201 To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.

H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

H.R. 2720 To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 3257 To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.

H.R. 3498 To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.

H.R. 3545 To establish a program of research and other activities to provide for the recovery of the southern sea otter.

H.R. 4450 To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

H.Con.Res. 409 Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

KELLER, Ric of Florida

H.R. 3785 To authorize the exchange of certain land in Everglades National Park.

KELLY, Sue W. of New York

H.R. 752 To prohibit oil and gas drilling in Finger Lakes National Forest in New York.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

KELLY, Sue W. of New York—Continued

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3394** To clarify the lands over which Indian tribes shall have jurisdiction or exercise governmental power.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

KENNEDY, Edward M. of Massachusetts

- S. 1108** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative Program, and for other purposes.

KENNEDY, Mark R. of Minnesota

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 961** To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

KENNEDY, Patrick J. of Rhode Island

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

KENNEDY, Patrick J. of Rhode Island—Continued

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 5014** To direct the Director of the National Park Service to prepare a report on the sustainability of the John H. Chafee Blackstone River Valley National Heritage Corridor and the John H. Chafee Blackstone River Valley National Heritage Commission.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.

KERRY, John F. of Massachusetts

- S. 886** To ratify otherwise legal appointments and promotions in the commissioned corps of the National Oceanic and Atmospheric Administration that failed to be submitted to the Senate for its advice and consent as required by law, and for other purposes.
- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.

KILDEE, Dale E. of Michigan

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 961** To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.

KILDEE, Dale E. of Michigan—Continued

- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1753** To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2750** To make technical amendments to the Indian Child Welfare Act of 1978.
- H.R. 2775** To amend the Hydrographic Services Improvement Act of 1998 to authorize funds to be appropriated for the Great Lakes Water Level Observation Network.
- H.R. 2912** To reaffirm the inherent sovereign rights of the Osage Tribe to determine its membership and form of government.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3504** To amend the Indian Self-Determination and Education Assistance Act to redesignate the American Indian Education Foundation as the National Fund for Excellence in American Indian Education.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4282** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.

KILPATRICK, Carolyn C. of Michigan

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

KILPATRICK, Carolyn C. of Michigan—Continued

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

- H.R. 3459** To improve the health of minority individuals.
- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

KIND, Ron of Wisconsin

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 961** To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1647** To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.

KIND, Ron of Wisconsin—Continued

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4114** To amend the Migratory Bird Treaty Act to exclude non-native migratory bird species from the application of that Act, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4686** To revitalize the Mississippi River.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

KING, Peter T. of New York

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.Res. 406** Recognizing the 10th anniversary of the dedication of the Vietnam Women's Memorial.

KING, Steve of Iowa

- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 4475** To amend the Endangered Species Act of 1973 to focus conservation efforts under that Act on the 109 species most in danger of extinction, and for other purposes.
- H.Res. 752** Expressing continued support for the construction of the Victims of Communism Memorial.

KINGSTON, Jack of Georgia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 155** To support the domestic shrimping industry by eliminating taxpayer subsidies for certain competitors, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1113** To authorize an exchange of land at Fort Frederica National Monument, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

KINGSTON, Jack of Georgia—Continued

- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.
- H.R. 3491** To establish within the Smithsonian Institution the National Museum of African American History and Culture, and for other purposes.
- H.R. 4383** To ensure the continuation of successful fish mitigation programs.
- H.R. 4887** To adjust the boundary of the Cumberland Island Wilderness, to authorize tours of the Cumberland Island National Seashore, and for other purposes.
- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.

KIRK, Mark Steven of Illinois

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4416** To establish the Great Lakes Protection and Restoration Committee.

KLECZKA, Gerald D. of Wisconsin

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1762** To amend title 38, United States Code, to provide for preservation and protection of historic buildings under the jurisdiction of the Secretary of Veterans Affairs, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.

KLECZKA, Gerald D. of Wisconsin—Continued

- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

KLINKE, John of Minnesota

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

KNOLLENBERG, Joe of Michigan

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.

KOLBE, Jim of Arizona

- H.R. 420** To establish a user fee system that provides for an equitable return to the Federal Government for the occupancy and use of National Forest System lands and facilities by organizational camps that serve the youth and disabled adults of America, and for other purposes.
- H.R. 421** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.
- H.R. 460** To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.
- H.R. 495** To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.
- H.R. 885** To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1630** To revise the boundary of the Petrified Forest National Park in the State of Arizona, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2696** To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

KOLBE, Jim of Arizona—Continued

- H.R. 2941** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 4240** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 4447** To revise the boundary of the Fort Bowie National Historic Site, and for other purposes.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 4943** To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona for the purpose of consolidating Federal land ownership within the boundaries of the Ironwood Forest National Monument and the Las Cienegas National Conservation Area, and for other purposes.
- H.Con.Res. 237** Honoring the late Rick Lupe, lead forestry technician for the Bureau of Indian Affairs Fort Apache Agency, for his dedication and service to the United States and for his essential service in fighting wildfires and protecting the environment and communities of Arizona.

KUCINICH, Dennis J. of Ohio

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.

AUTHOR INDEX

KUCINICH, Dennis J. of Ohio—Continued

- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.

KYL, Jon of Arizona

- S. 222** To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.
- S. 1957** To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.

LAHOOD, Ray of Illinois

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.

LAMPSON, Nick of Texas

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

LAMPSON, Nick of Texas—Continued

H.R. 5312 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

LANDRIEU, Mary L. of Louisiana

- S. 323** To establish the Atchafalaya National Heritage Area, Louisiana.
S. 499 To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.
S. 2287 To adjust the boundary of the Barataria Preserve Unit of Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.

LANGEVIN, James R. of Rhode Island

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
H.R. 3459 To improve the health of minority individuals.
H.R. 3498 To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
H.R. 4450 To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
H.R. 4897 To protect deep sea corals and sponges, and for other purposes.
H.R. 5014 To direct the Director of the National Park Service to prepare a report on the sustainability of the John H. Chafee Blackstone River Valley National Heritage Corridor and the John H. Chafee Blackstone River Valley National Heritage Commission.
H.R. 5312 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

LANTOS, Tom of California

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
H.R. 532 To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
H.R. 1051 To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

LANTOS, Tom of California—Continued

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1621** To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5158** To clarify the authorities for the use of certain National Park Service properties within Golden Gate National Recreation Area and San Francisco Maritime National Historical Park, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.J.Res. 63** To approve the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Federated States of Micronesia," and the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Republic of the Marshall Islands," and otherwise to amend Public Law 99-239, and to appropriate for the purposes of amended Public Law 99-239 for fiscal years ending on or before September 30, 2023, and for other purposes.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

LARSEN, Rick of Washington

- H.R. 265** To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.

LARSEN, Rick of Washington—Continued

- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2397** To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3571** To modify the boundary of the San Juan Island National Historical Park.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.

LARSON, John B. of Connecticut

- H.R. 437** To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 4070** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 4213** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

LATHAM, Tom of Iowa

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

AUTHOR INDEX

LATOURETTE, Steven C. of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 422** To authorize the Pyramid of Remembrance Foundation to establish a memorial in the District of Columbia or its environs to soldiers who have lost their lives during peacekeeping operations, humanitarian efforts, training, terrorist attacks, or covert operations.
- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1762** To amend title 38, United States Code, to provide for preservation and protection of historic buildings under the jurisdiction of the Secretary of Veterans Affairs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4416** To establish the Great Lakes Protection and Restoration Committee.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

LAUTENBERG, Frank R. of New Jersey

- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1233** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- S. 2142** To authorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.

LEACH, James A. of Iowa

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 961** To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

LEACH, James A. of Iowa—Continued

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.J.Res. 63** To approve the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Federated States of Micronesia," and the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Republic of the Marshall Islands," and otherwise to amend Public Law 99-239, and to appropriate for the purposes of amended Public Law 99-239 for fiscal years ending on or before September 30, 2023, and for other purposes.

LEAHY, Patrick J. of Vermont

- S. 546** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 1433** To authorize the Secretary of the Interior to provide assistance in implementing cultural heritage, conservation, and recreational activities in the Connecticut River watershed of the States of New Hampshire and Vermont.

LEE, Barbara of California

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

LEE, Barbara of California—Continued

- H.R. 1621** To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.

- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

LEVIN, Carl of Michigan

- S. 499** To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.
- S. 651** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.

AUTHOR INDEX

LEVIN, Sander M. of Michigan

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.

- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

LEWIS, Jerry of California

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 380** To provide full funding for the payment in lieu of taxes program for the next five fiscal years, to protect local jurisdictions against the loss of property tax revenues when private lands are acquired by a Federal land management agency, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3334** To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.
- H.R. 3466** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Yucaipa Valley Regional Water Supply Renewal Project.
- H.R. 4242** To transfer jurisdiction over certain public lands from the Bureau of Land Management to the Department of Defense.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

AUTHOR INDEX

LEWIS, John of Georgia

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1616** To authorize the exchange of certain lands within the Martin Luther King, Junior, National Historic Site for lands owned by the City of Atlanta, Georgia, and for other purposes.
- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2305** To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.

- H.R. 3491** To establish within the Smithsonian Institution the National Museum of African American History and Culture, and for other purposes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

LEWIS, Ron of Kentucky

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

LIEBERMAN, Joseph I. of Connecticut

- S. 233** To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.
- S. 1210** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- S. 2691** To establish the Long Island Sound Stewardship Initiative.

LINCOLN, Blanche of Arkansas

- S. 33** To authorize the Secretary of Agriculture to sell or exchange all or part of certain administrative sites and other land in the Ozark-St. Francis and Ouachita National Forests and to use funds derived from the sale or exchange to acquire, construct, or improve administrative sites.

LINCOLN, Blanche of Arkansas—Continued

S. 1537 To direct the Secretary of Agriculture to convey to the New Hope Cemetery Association certain land in the State of Arkansas for use as a cemetery.

LINDER, John of Georgia

H.R. 135 To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1618 To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.

H.R. 1662 To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

LIPINSKI, William O. of Illinois

H.R. 591 To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 1080 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1081 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1442 To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1491 To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 1856 To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.

H.R. 2088 To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

H.R. 2141 To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

H.R. 2424 To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

H.R. 2720 To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 3088 To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3446 To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.

H.R. 3550 To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

H.R. 3553 To establish the Abraham Lincoln National Heritage Area, and for other purposes.

H.R. 3903 To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

H.R. 4100 To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.

H.R. 4219 To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 4450 To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

H.R. 4635 To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 4706 To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

H.R. 4864 To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 4916 To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

LIPINSKI, William O. of Illinois—Continued

- H.R. 5183** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 5184** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.Res. 752** Expressing continued support for the construction of the Victims of Communism Memorial.

LOBIONDO, Frank A. of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 904** To authorize the Secretary of the Interior to establish a program to inventory, evaluate, document, and assist efforts to preserve surviving United States Life-Saving Service stations.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2244** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3902** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.

LOFGREN, Zoe of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

LOFGREN, Zoe of California—Continued

- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2608** To reauthorize the National Earthquake Hazards Reduction Program, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5001** To establish a pilot program to develop a comprehensive system of ocean and coastal observations for the Nation's oceans, coasts, and Great Lakes, including enhanced security at United States ports, and for other purposes.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

LOTT, Trent of Mississippi

- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.

LOWEY, Nita M. of New York

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.

LOWEY, Nita M. of New York—Continued

- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3501** To grant an extension of authority for the establishment of the Thomas Paine Memorial, and for other purposes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

LUCAS, Frank D. of Oklahoma

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 2912** To reaffirm the inherent sovereign rights of the Osage Tribe to determine its membership and form of government.
- H.R. 3406** To amend the Oklahoma City National Memorial Act of 1997 to transfer the Oklahoma City National Memorial to the Oklahoma City National Memorial Foundation, and for other purposes.

LUCAS, Ken of Kentucky

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1589** To authorize the Secretary of the Interior to provide grants for the preservation of historic courthouses.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

LUGAR, Richard G. of Indiana

- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.

LYNCH, Stephen F. of Massachusetts

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

LYNCH, Stephen F. of Massachusetts—Continued

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2129** To direct the Secretary of the Interior to conduct a special resources study regarding the suitability and feasibility of designating certain historic buildings and areas in Taunton, Massachusetts, as a unit of the National Park System, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

MAJETTE, Denise L. of Georgia

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1616** To authorize the exchange of certain lands within the Martin Luther King, Junior, National Historic Site for lands owned by the City of Atlanta, Georgia, and for other purposes.
- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3366** To designate the building located at 493 Auburn Avenue, N.E., in Atlanta, Georgia, as the "John Lewis Civil Rights Institute".
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

MALONEY, Carolyn B. of New York

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

MALONEY, Carolyn B. of New York—Continued

- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3471** To authorize the Secretary of the Interior to conduct a special resource study of the area at or near the footprints of the former World Trade Center towers for possible inclusion in the National Park System to commemorate the tragic events of September 11, 2001.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

MANZULLO, Donald A. of Illinois

- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.

AUTHOR INDEX

MARKEY, Edward J. of Massachusetts

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1069** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2305** To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.

MARKEY, Edward J. of Massachusetts—Continued

- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.
- H.R. 5001** To establish a pilot program to develop a comprehensive system of ocean and coastal observations for the Nation's oceans, coasts, and Great Lakes, including enhanced security at United States ports, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

MARSHALL, Jim of Georgia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1616** To authorize the exchange of certain lands within the Martin Luther King, Junior, National Historic Site for lands owned by the City of Atlanta, Georgia, and for other purposes.
- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 4194** To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.

MATHESON, Jim of Utah

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 266** To establish the National Invasive Species Council, and for other purposes.
- H.R. 313** To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.
- H.R. 788** To revise the boundary of the Glen Canyon National Recreation Area in the States of Utah and Arizona.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 2483** To amend the Virgin River Dinosaur Footprint Preserve Act to allow funds available under that Act to be used for preservation, exploration, and preparation of paleontological resources for display, educational outreach, and related construction.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.

MATHESON, Jim of Utah—Continued

- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2909** To ensure the continued availability of the Utah Test and Training Range to support the readiness and training needs of the Armed Forces.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3391** To authorize the Secretary of the Interior to convey certain lands and facilities of the Provo River Project.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 3982** To direct the Secretary of Interior to convey certain land held in trust for the Paiute Indian Tribe of Utah to the City of Richfield, Utah, and for other purposes.
- H.R. 5330** To authorize and direct the exchange of lands in Grand and Uintah Counties, Utah, and for other purposes.

MATSUI, Robert T. of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

MCCAIN, John of Arizona

- S. 162** To provide for the use of distribution of certain funds awarded to the Gila River Pima-Maricopa Indian Community, and for other purposes.
- S. 163** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.

MCCAIN, John of Arizona—Continued

- S. 164** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- S. 222** To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.
- S. 555** To establish the Native American Health and Wellness Foundation, and for other purposes.
- S. 558** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.
- S. 886** To ratify otherwise legal appointments and promotions in the commissioned corps of the National Oceanic and Atmospheric Administration that failed to be submitted to the Senate for its advice and consent as required by law, and for other purposes.
- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.

MCCARTHY, Carolyn of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4094** To amend the Internal Revenue Code of 1986 to establish a Federal income tax credit for production of energy from geothermal energy resources, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

MCCARTHY, Karen of Missouri

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

MCCARTHY, Karen of Missouri—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4481** To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.
- H.R. 4579** To modify the boundary of the Harry S Truman National Historic Site in the State of Missouri, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.

MCCOLLUM, Betty of Minnesota

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

MCCOLLUM, Betty of Minnesota—Continued

- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.

- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4686** To revitalize the Mississippi River.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observance of a paid legal public holiday in honor of Native Americans.

MCCOTTER, Thaddeus G. of Michigan

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

MCCOTTER, Thaddeus G. of Michigan—Continued

- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

MCCRERY, Jim of Louisiana

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 5348** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

MCDERMOTT, Jim of Washington

- H.R. 265** To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.
- H.R. 477** To extend Federal recognition to the Duwamish Tribe, and for other purposes.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

MCDERMOTT, Jim of Washington—Continued

- H.R. 1524** To authorize the Secretary of the Interior to establish a commemorative trail in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2397** To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.

- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4786** To provide grants to tribes to assist those tribes in participating in the Federal acknowledgement process.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

MCGOVERN, James P. of Massachusetts

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

MCGOVERN, James P. of Massachusetts—Continued

- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1069** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.
- H.R. 5014** To direct the Director of the National Park Service to prepare a report on the sustainability of the John H. Chafee Blackstone River Valley National Heritage Corridor and the John H. Chafee Blackstone River Valley National Heritage Commission.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

MCHUGH, John M. of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.

MCHUGH, John M. of New York—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

MCINNIS, Scott of Colorado

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 460** To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.

- H.R. 762** To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts.
- H.R. 794** To amend the Mineral Leasing Act to provide for the development of Federal coal resources.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1014** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1399** To revise the boundary of the Black Canyon of the Gunnison National Park and Gunnison Gorge National Conservation Area in the State of Colorado, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1484** To provide for the implementation of air quality programs developed in accordance with an Intergovernmental Agreement between the Southern Ute Indian Tribe and the State of Colorado concerning Air Quality Control on the Southern Ute Indian Reservation, and for other purposes.
- H.R. 1550** To authorize the Secretary of the Interior and the Secretary of Agriculture to make grants to improve the commercial value of forest biomass for electric energy, useful heat, transportation fuels, petroleum-based product substitutes, and other commercial purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2057** To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.
- H.R. 2102** To provide a cost-sharing requirement for the construction of the Arkansas Valley Conduit in the State of Colorado.

MCINNIS, Scott of Colorado—Continued

- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2636** To authorize the Secretary of the Interior to make grants to State and tribal governments to assist State and tribal efforts to manage and control the spread of chronic wasting disease in deer and elk herds, and for other purposes.
- H.R. 2696** To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2955** To establish the Rio Grande Outstanding Natural Area in the State of Colorado, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 4700** To provide special authority to the Secretary of Agriculture to convey certain Forest Service administrative sites in the White River National Forest in Colorado, to reserve the proceeds from such conveyances to help resolve the facilities needs of that national forest, and for other purposes.
- H.R. 5142** To authorize and direct the exchange of certain lands in the State of Colorado, and for other purposes.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

MCINTYRE, Mike of North Carolina

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 954** To confirm Federal recognition of the Miami Nation of Indiana.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 2501** To clarify the boundaries of Coastal Barrier Resources System Cape Fear Unit NC-07P.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.

- H.R. 5001** To establish a pilot program to develop a comprehensive system of ocean and coastal observations for the Nation's oceans, coasts, and Great Lakes, including enhanced security at United States ports, and for other purposes.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 308** Expressing the sense of the House of Representatives that the Federal Government should actively pursue a unified approach to strengthen and promote the national policy on aquaculture.

MCKEON, Howard P. "Buck" of California

- H.R. 380** To provide full funding for the payment in lieu of taxes program for the next five fiscal years, to protect local jurisdictions against the loss of property tax revenues when private lands are acquired by a Federal land management agency, and for other purposes.
- H.R. 704** To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the area known as the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area in the State of California, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3529** To direct the Secretary of the Interior to cancel certain Bureau of Land Management leases that authorize extraction of sand and gravel from the Federal mineral estate in lands in Soledad Canyon adjacent to the City of Santa Clarita, California, and for other purposes.

MCKEON, Howard P. "Buck" of California—Continued

- H.R. 4580** To remove certain restrictions on the Mammoth Community Water District's ability to use certain property acquired by that District from the United States.
- H.R. 4647** To provide for certain lands to be held in trust for the Utu Utu Gwaitu Paiute Tribe.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

MCNULTY, Michael R. of New York

- H.R. 305** To establish the Kate Mullany National Historic Site in the State of New York, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

MCNULTY, Michael R. of New York—Continued

- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.

MEEHAN, Martin T. of Massachusetts

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1069** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.

- H.R. 4291** To direct the Secretary of the Interior to conduct a boundary study to evaluate the significance of the Colonel James Barrett Farm in the Commonwealth of Massachusetts and the suitability and feasibility of its inclusion in the National Park System as part of the Minute Man National Historical Park, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.
- H.R. 5209** To adjust the boundary of Lowell National Historical Park, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

MEEK, Kendrick B. of Florida

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 4027** To authorize the Secretary of Commerce to make available to the University of Miami property under the administrative jurisdiction of the National Oceanic and Atmospheric Administration on Virginia Key, Florida, for use by the University for a Marine Life Science Center.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

MEEKS, Gregory W. of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.

MEEKS, Gregory W. of New York—Continued

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

MENENDEZ, Robert of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.

MENENDEZ, Robert of New Jersey—Continued

- H.R. 2058** To authorize the Secretary of the Interior to provide a grant to the State of New Jersey for the construction of a memorial to the New Jersey victims of the terrorist attacks of September 11, 2001.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5377** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.

MICA, John L. of Florida

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 2457** To authorize funds for an educational center for the Castillo de San Marcos National Monument, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

MICHAUD, Michael H. of Maine

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1286** To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

AUTHOR INDEX

MICHAUD, Michael H. of Maine—Continued

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2650** To prohibit the study or implementation of any plan to privatize, divest, or transfer any part of the mission, function, or responsibility of the National Park Service.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4803** To designate the memorial to Edmund S. Muskie located in Rumford, Maine, as a national memorial.
- H.R. 4804** To authorize the Secretary of the Interior to conduct a special resources study to determine the suitability and feasibility of designating the memorial to Edmund S. Muskie located in Rumford, Maine, as a unit of the National Park System.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

MIKULSKI, Barbara A. of Maryland

- S. 328** To designate Catoctin Mountain Park in the State of Maryland as the "Catoctin Mountain National Recreation Area", and for other purposes.
- S. 1233** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

MILLENDER-MCDONALD, Juanita of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

MILLENDER-MCDONALD, Juanita of California—Continued

- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4094** To amend the Internal Revenue Code of 1986 to establish a Federal income tax credit for production of energy from geothermal energy resources, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4606** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

MILLER, Brad of North Carolina

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1762** To amend title 38, United States Code, to provide for preservation and protection of historic buildings under the jurisdiction of the Secretary of Veterans Affairs, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

AUTHOR INDEX

MILLER, Candice S. of Michigan

- H.R. 266** To establish the National Invasive Species Council, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 831** To provide for and approve the settlement of certain land claims of the Bay Mills Indian Community.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.

MILLER, Gary G. of California

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 142** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional water recycling project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, and to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project.
- H.R. 1156** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.

- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2991** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga County Water District recycling project.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4606** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

MILLER, George of California

- H.R. 421** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.
- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- H.R. 704** To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the area known as the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area in the State of California, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

MILLER, George of California—Continued

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1051** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1621** To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.

MILLER, George of California—Continued

- H.R. 2641** To authorize the Secretary of the Interior to implement the Calfed Bay-Delta Program.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3706** To adjust the boundary of the John Muir National Historic Site, and for other purposes.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

MILLER, Jeff of Florida

- H.R. 1067** To provide for the establishment of a memorial at the site in Alaquá, Florida, of the accidental bombing of a home by an aircraft of the United States Army Air Corps on August 11, 1944, which killed Alfred Cosson, James Cosson, James Cosson, Jr., and Winnie Lee Cosson and wounded five other family members.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.

- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 5333** To replace a Coastal Barrier Resources System map relating to Coastal Barrier Resources System Grayton Beach Unit FL-95P in Walton County, Florida.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

MILLER, Zell of Georgia

- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.

MOLLOHAN, Alan B. of West Virginia

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.

MOORE, Dennis of Kansas

- H.R. 698** To provide for and approve settlement of certain land claims of the Wyandotte Nation, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1051** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

MOORE, Dennis of Kansas—Continued

- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3909** To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

MORAN, James P. of Virginia

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 665** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1938** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.

AUTHOR INDEX

MORAN, James P. of Virginia—Continued

- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4202** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Crawfish Valley Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.R. 4282** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

MORAN, Jerry of Kansas

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3909** To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

MURKOWSKI, Lisa of Alaska

- S. 285** To authorize the integration and consolidation of alcohol and substance abuse programs and services provided by Indian tribal governments, and for other purposes.
- S. 924** To authorize the exchange of lands between an Alaska Native Village Corporation and the Department of the Interior, and for other purposes.
- S. 931** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on visitors to units of the National Park System and on other recreational users of public land.
- S. 1421** To authorize the subdivision and dedication of restricted land owned by Alaska Natives.
- S. 1466** To facilitate the transfer of land in the State of Alaska, and for other purposes.

MURPHY, Tim of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

MURPHY, Tim of Pennsylvania—Continued

H.R. 4492 To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

MURRAY, Patty of Washington

S. 391 To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

S. 558 To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assistant Secretary for Indian Health, and for other purposes.

S. 1438 To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes..

S. 1614 To designate a portion of White Salmon River as a component of the National Wild and Scenic Rivers System.

MURTHA, John P. of Pennsylvania

H.R. 313 To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.

H.R. 521 To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 1442 To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

H.R. 1520 To amend the National Trails System Act to designate the historic transportation routes in the States of Pennsylvania, Maryland, West Virginia, and Ohio that led to the forks of the Ohio River in Pittsburgh, Pennsylvania, for study for potential addition to the National Trails System.

H.R. 1521 To provide for additional lands to be included within the boundary of the Johnstown Flood National Memorial in the State of Pennsylvania, and for other purposes.

H.R. 1862 To establish the Oil Region National Heritage Area.

H.R. 2720 To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 3778 To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

H.R. 3796 To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

H.R. 4492 To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

MUSGRAVE, Marilyn N. of Colorado

H.R. 119 To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.

H.R. 460 To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 977 To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

H.R. 1005 To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

H.R. 1038 To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.

H.R. 1061 To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.

H.R. 1662 To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 2057 To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.

H.R. 2102 To provide a cost-sharing requirement for the construction of the Arkansas Valley Conduit in the State of Colorado.

H.R. 4562 To further the purposes of the Sand Creek Massacre National Historic Site Establishment Act of 2000.

H.Con.Res. 21 Commemorating the Bicentennial of the Louisiana Purchase.

AUTHOR INDEX

MYRICK, Sue Wilkins of North Carolina

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1408** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

NADLER, Jerrold of New York

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1364** To authorize a national memorial at, or proximate to, the World Trade Center site to commemorate the tragic events of September 11, 2001, to establish the World Trade Center Memorial Advisory Board, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

NADLER, Jerrold of New York—Continued

- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

NAPOLITANO, Grace F. of California

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1284** To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to increase the Federal share of the costs of the San Gabriel Basin demonstration project.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

NAPOLITANO, Grace F. of California—Continued

- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2941** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 2991** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga County Water District recycling project.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4094** To amend the Internal Revenue Code of 1986 to establish a Federal income tax credit for production of energy from geothermal energy resources, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4606** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 4775** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.
- H.R. 4893** To authorize additional appropriations for the Reclamation Safety of Dams Act of 1978.

- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

NEAL, Richard E. of Massachusetts

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

NEAL, Richard E. of Massachusetts—Continued

- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.
- H.R. 5014** To direct the Director of the National Park Service to prepare a report on the sustainability of the John H. Chafee Blackstone River Valley National Heritage Corridor and the John H. Chafee Blackstone River Valley National Heritage Commission.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

NELSON, Bill of Florida

- S. 111** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- S. 328** To designate Catoctin Mountain Park in the State of Maryland as the "Catoctin Mountain National Recreation Area", and for other purposes.
- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.

NETHERCUTT, George R. Jr. of Washington

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 699** To direct the Secretary of the Interior to conduct a comprehensive study of the Rathdrum Prairie/Spokane Valley Aquifer, located in Idaho and Washington.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1753** To provide for equitable compensation of the Spokane Tribe of Indians of the Spokane Reservation in settlement of claims of the Tribe concerning the contribution of the Tribe to the production of hydropower by the Grand Coulee Dam, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3621** To extend the grace period for personal watercraft use in Lake Roosevelt National Recreation Area.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 4596** To amend Public Law 97-435 to extend the authorization for the Secretary of the Interior to release certain conditions contained in a patent concerning certain land conveyed by the United States to Eastern Washington University until December 31, 2009.

NETHERCUTT, George R. Jr. of Washington—Continued

- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 5077** To require the conveyance of a small parcel of Federal land in the Colville National Forest, Washington, and for other purposes.
- H.R. 5083** To designate certain lower-elevation Federal lands in the Skykomish River valley of the State of Washington as wilderness, to designate a portion of such lands for management as a backcountry wilderness management area, and for other purposes.

NEUGEBAUER, Randy of Texas

- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 4806** To provide for a land exchange involving Federal lands in the Lincoln National Forest in the State of New Mexico, and for other purposes.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

NEY, Robert W. of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 313** To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

NORTHUP, Anne M. of Kentucky

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 461** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

NORTON, Eleanor Holmes of District of Columbia

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1012** To establish the Carter G. Woodson Home National Historic Site in the District of Columbia, and for other purposes.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

NORTON, Eleanor Holmes of District of Columbia—Continued

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4293** To modify the boundary of the Mary McLeod Bethune Council House National Historic Site in Washington, District of Columbia.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

NORWOOD, Charlie of Georgia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 4383** To ensure the continuation of successful fish mitigation programs.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 5044** To provide for a study of the potential for increasing hydroelectric power production at existing Federal facilities, and for other purposes.

AUTHOR INDEX

NUNES, Devin of California

- H.R. 309** To direct the Secretary of the Interior to conduct a study to determine the feasibility of increasing the capacity of water storage, increasing power generation, improving water supply reliability and quality, improving water management efficiency, and improving ecosystem function and flood control on the San Joaquin River through the construction of a reservoir at Temperance Flat and other reasonable measures.
- H.R. 379** To facilitate a Forest Service land exchange that will eliminate a private in-holding in the Sierra National Forest in the State of California and provide for the permanent enjoyment by the Boy Scouts of America of a parcel of National Forest System land currently used under a special use permit, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1651** To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2395** To provide suitable alternative grazing arrangements on National Forest System land to persons that hold a grazing permit adversely affected by the standards and guidelines contained in the Record of Decision of the Sierra Nevada Forest Plan Amendment and pertaining to the Willow Flycatcher and the Yosemite Toad.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.

- H.R. 3467** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California as the "C.W. Bill Jones Pumping Plant".
- H.R. 3846** To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.
- H.R. 3932** To amend Public Law 99-338 to authorize the continued use of certain lands within the Sequoia National Park by portions of an existing hydroelectric project.
- H.R. 4508** To amend the National Parks and Recreation Act of 1978 to require the Secretary to permit continued use and occupancy of certain privately owned cabins in the Mineral King Valley in the Sequoia National Park.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 4817** To facilitate the resolution of a minor boundary encroachment on lands of the Union Pacific Railroad Company in Tipton, California, which were originally conveyed by the United States as part of the right-of-way granted for the construction of transcontinental railroads.

NUSSLE, Jim of Iowa

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 961** To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.

OBERSTAR, James L. of Minnesota

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2088** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

OBERSTAR, James L. of Minnesota—Continued

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2650** To prohibit the study or implementation of any plan to privatize, divest, or transfer any part of the mission, function, or responsibility of the National Park Service.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3850** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4219** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 4635** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 4864** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 4916** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 5183** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 5184** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

OBEY, David R. of Wisconsin

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.

OLVER, John W. of Massachusetts

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1069** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

OLVER, John W. of Massachusetts—Continued

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1798** To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2479** To authorize the Secretary of the Interior to provide to the States of Connecticut and Massachusetts technical and financial assistance for management of the Connecticut River in those States.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4933** To require the prompt review by the Secretary of the Interior of the long-standing petition by the Mashpee Wampanoag Tribe for Federal recognition, and for other purposes.

- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

ORTIZ, Solomon P. of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2960** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Brownsville Public Utility Board water recycling and desalinization project.

ORTIZ, Solomon P. of Texas—Continued

- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3479** To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4122** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4158** To provide for the conveyance to the Government of Mexico of a decommissioned National Oceanic and Atmospheric Administration ship, and for other purposes.
- H.R. 4588** To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 4775** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.
- H.R. 5412** To correct maps depicting Unit T-10 of the John H. Chafee Coastal Barrier Resources System.

OSBORNE, Tom of Nebraska

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2040** To amend the Irrigation Project Contract Extension Act of 1998 to extend certain contracts between the Bureau of Reclamation and certain irrigation water contractors in the States of Wyoming and Nebraska.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.

- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3209** To amend the Reclamation Project Authorization Act of 1972 to clarify the acreage for which the North Loup division is authorized to provide irrigation water under the Missouri River Basin project.
- H.R. 3241** To authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.R. 5016** To extend the water service contract for the Ainsworth Unit, Sandhills Division, Pick-Sloan Missouri Basin Program, Nebraska.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

OSE, Doug of California

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 901** To authorize the Secretary of the Interior to construct a bridge on Federal land west of and adjacent to Folsom Dam in California, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1794** To authorize the Secretary of the Interior to construct and rehabilitate Federal water supply lines associated with Folsom Dam in California, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

OSE, Doug of California—Continued

- H.R. 2395** To provide suitable alternative grazing arrangements on National Forest System land to persons that hold a grazing permit adversely affected by the standards and guidelines contained in the Record of Decision of the Sierra Nevada Forest Plan Amendment and pertaining to the Willow Flycatcher and the Yosemite Toad.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

OTTER, C. L. "Butch" of Idaho

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 108** To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.
- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 380** To provide full funding for the payment in lieu of taxes program for the next five fiscal years, to protect local jurisdictions against the loss of property tax revenues when private lands are acquired by a Federal land management agency, and for other purposes.
- H.R. 688** To direct the Secretary of Agriculture to conduct a study of the effectiveness of silver-based biocides as an alternative treatment to preserve wood.
- H.R. 699** To direct the Secretary of the Interior to conduct a comprehensive study of the Rathdrum Prairie/Spokane Valley Aquifer, located in Idaho and Washington.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 835** To provide for enhanced collaborative forest stewardship management within the Clearwater and Nez Perce National Forests in Idaho, and for other purposes.
- H.R. 902** To authorize the Secretary of Agriculture to convey certain parcels of National Forest System land in the State of Idaho, to use the proceeds for the acquisition, construction, or rehabilitation of facilities in the Panhandle National Forest in the State of Idaho, and for other purposes.
- H.R. 903** To provide for the conveyance by the Secretary of Agriculture of the Sandpoint Federal Building and adjacent land in Sandpoint, Idaho, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1014** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 1106** To authorize the Secretary of the Interior to convey certain facilities to the Fremont-Madison Irrigation District in the State of Idaho.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2266** To clarify the intent of Congress with respect to the continued use of established commercial outfitter hunting camps on the Salmon River.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2551** To amend the Federal Land Policy and Management Act of 1976 to provide owners of non-Federal lands with a reliable method of receiving compensation for damages resulting from the spread of wildfire from nearby forested National Forest System lands or Bureau of Land Management lands, when those forested Federal lands are not maintained in the forest health status known as condition class 1.
- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 2603** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

OTTER, C. L. "Butch" of Idaho—Continued

- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 4981** To direct the Secretary of the Interior and the heads of other Federal agencies to carry out an agreement resolving major issues relating to the adjudication of water rights in the Snake River Basin, Idaho, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Con.Res. 90** Expressing the sense of the Congress that hunting seasons for migratory mourning doves should be modified so that individuals have a fair and equitable opportunity to hunt such birds.

OWENS, Major R. of New York

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1621** To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.

AUTHOR INDEX

OWENS, Major R. of New York—Continued

- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4017** To assure that development of certain Federal oil and gas resources will occur in ways that protect water resources and respect the rights of the surface owners, and for other purposes.
- H.R. 4094** To amend the Internal Revenue Code of 1986 to establish a Federal income tax credit for production of energy from geothermal energy resources, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4546** To provide for the National Oceanic and Atmospheric Administration, to authorize appropriations for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

OXLEY, Michael G. of Ohio

- H.R. 6** To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.
- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

PALLONE, Frank Jr. of New Jersey

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 904** To authorize the Secretary of the Interior to establish a program to inventory, evaluate, document, and assist efforts to preserve surviving United States Life-Saving Service stations.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1286** To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

PALLONE, Frank Jr. of New Jersey—Continued

- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1697** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2770** To amend part A of title IV of the Social Security Act to reauthorize and improve the operation of temporary assistance to needy families programs operated by Indian tribes, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3316** To reauthorize the Marine Mammal Protection Act of 1972, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4526** To ensure the coordination and integration of Indian tribes in the National Homeland Security strategy and to establish an Office of Tribal Government Homeland Security within the Department of Homeland Security, and for other purposes.
- H.R. 4527** To enhance the criminal penalties for illegal trafficking of archaeological resources, and for other purposes.
- H.R. 4786** To provide grants to tribes to assist those tribes in participating in the Federal acknowledgement process.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5377** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.
- H.Con.Res. 268** Expressing the sense of the Congress regarding the imposition of sanctions on nations that are undermining the effectiveness of conservation and management measures for Atlantic highly migratory species, including marlin, adopted by the International Commission for the Conservation of Atlantic Tunas and that are threatening the continued viability of United States commercial and recreational fisheries.

PASCRELL, Bill Jr. of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

PASCARELL, Bill Jr. of New Jersey—Continued

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.

- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5377** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.

PASTOR, Ed of Arizona

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 421** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.
- H.R. 495** To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 885** To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1630** To revise the boundary of the Petrified Forest National Park in the State of Arizona, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

PASTOR, Ed of Arizona—Continued

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2941** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 4240** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 4835** To establish a water supply enhancement demonstration program, including the demonstration of desalination, and for other purposes.
- H.R. 4943** To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona for the purpose of consolidating Federal land ownership within the boundaries of the Ironwood Forest National Monument and the Las Cienegas National Conservation Area, and for other purposes.

PAUL, Ron of Texas

- H.R. 67** To provide temporary legal exemptions for certain land management activities of the Federal land management agencies undertaken in federally declared disaster areas.
- H.R. 154** To exclude certain properties from the John H. Chafee Coastal Barrier Resources System.
- H.R. 155** To support the domestic shrimping industry by eliminating taxpayer subsidies for certain competitors, and for other purposes.
- H.R. 701** To restore to the original owners certain lands that the Federal Government took for military purposes in 1940.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2406** To support the domestic shrimping industry by eliminating taxpayer subsidies for certain competitors, and for other purposes.

PAYNE, Donald M. of New Jersey

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

PAYNE, Donald M. of New Jersey—Continued

- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5377** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

PEARCE, Stevan of New Mexico

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 222** To establish the T'uf Shur Bien Preservation Trust Area in the Cibola National Forest, and for other purposes.
- H.R. 380** To provide full funding for the payment in lieu of taxes program for the next five fiscal years, to protect local jurisdictions against the loss of property tax revenues when private lands are acquired by a Federal land management agency, and for other purposes.
- H.R. 460** To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.
- H.R. 794** To amend the Mineral Leasing Act to provide for the development of Federal coal resources.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2059** To designate Fort Bayard Historic District in the State of New Mexico as a National Historic Landmark, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2603** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.

PEARCE, Stevan of New Mexico—Continued

- H.R. 2696** To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3102** To utilize the expertise of New Mexico State University, the University of Arizona, and Northern Arizona University in conducting studies under the National Environmental Policy Act of 1969 in connection with the grazing allotments and range and continuing range analysis for National Forest System lands in New Mexico and Arizona, and for other purposes.
- H.R. 3258** To authorize the Secretary of the Interior, in cooperation with the University of New Mexico, to construct and occupy a portion of the Hibben Center for Archaeological Research at the University of New Mexico, and for other purposes.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3846** To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.
- H.R. 4242** To transfer jurisdiction over certain public lands from the Bureau of Land Management to the Department of Defense.
- H.R. 4806** To provide for a land exchange involving Federal lands in the Lincoln National Forest in the State of New Mexico, and for other purposes.
- H.R. 4808** To provide for a land exchange involving private land and Bureau of Land Management land in the vicinity of Holloman Air Force Base, New Mexico, for the purpose of removing private land from the required safety zone surrounding munitions storage bunkers at Holloman Air Force Base.
- H.R. 4835** To establish a water supply enhancement demonstration program, including the demonstration of desalination, and for other purposes.
- H.R. 4984** To provide that the royalty rate on the output from Federal lands of potassium and potassium compounds from the mineral sylvite in the 5-year period beginning on the date of the enactment of this Act shall be reduced to 1.0 percent, and for other purposes.

- H.R. 5198** To clarify issues of criminal jurisdiction within the exterior boundaries of Pueblo lands.

PELOSI, Nancy of California

- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 2650** To prohibit the study or implementation of any plan to privatize, divest, or transfer any part of the mission, function, or responsibility of the National Park Service.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 5158** To clarify the authorities for the use of certain National Park Service properties within Golden Gate National Recreation Area and San Francisco Maritime National Historical Park, and for other purposes.

PENCE, Mike of Indiana

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

AUTHOR INDEX

PETERSON, Collin C. of Minnesota

- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 665** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2996** To amend the Indian Health Care Improvement Act to require that certain technical medical employees of the Indian Health Service be compensated for time during which they are required to be on-call.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

PETERSON, John E. of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1798** To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3283** To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

PETRI, Thomas E. of Wisconsin

- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

PETRI, Thomas E. of Wisconsin—Continued

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 2057** To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.
- H.R. 2088** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3283** To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4219** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 4635** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 4864** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 4916** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 5183** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 5184** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

PICKERING, Charles W. "Chip" Jr. of Mississippi

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2689** To establish the Mississippi Gulf Coast National Heritage Area in the State of Mississippi, and for other purposes.
- H.R. 2894** To establish the Theodore Roosevelt National Wildlife Refuge and the Holt Collier Wildlife Interpretation and Education Center.
- H.R. 3320** To improve migratory bird management by the Animal and Plant Health Inspection Service of the Department of Agriculture, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.

PITTS, Joseph R. of Pennsylvania

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.

PITTS, Joseph R. of Pennsylvania—Continued

- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

PLATTS, Todd Russell of Pennsylvania

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

POMBO, Richard W. of California

- H.R. 6** To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.
- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1497** To reauthorize title I of the Sikes Act.
- H.R. 1658** To amend the Railroad Right-of-Way Conveyance Validation Act to validate additional conveyances of certain lands in the State of California that form part of the right-of-way granted by the United States to facilitate the construction of the transcontinental railway, and for other purposes.
- H.R. 1835** To amend the Endangered Species Act of 1973 to limit designation as critical habitat of areas owned or controlled by the Department of Defense, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2693** To reauthorize the Marine Mammal Protection Act of 1972, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 3846** To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.
- H.R. 4045** To authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River, and for other purposes.
- H.R. 4170** To authorize the Secretary of the Interior to recruit volunteers to assist with, or facilitate, the activities of various agencies and offices of the Department of the Interior.
- H.R. 4459** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

POMBO, Richard W. of California—Continued

- H.R. 4513** To provide that in preparing an environmental assessment or environmental impact statement required under section 102 of the National Environmental Policy Act of 1969 with respect to any action authorizing a renewable energy project, no Federal agency is required to identify alternative project locations or actions other than the proposed action and the no action alternative, and for other purposes.
- H.R. 4514** To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, and for other purposes.
- H.R. 4515** To promote natural gas production from the abundant natural gas hydrate resources on the outer Continental Shelf and Federal lands in Alaska by providing royalty incentives, and for other purposes.
- H.R. 4529** To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, to resolve outstanding issues relating to the Surface Mining Control and Reclamation Act of 1977, to benefit the coal miners of America, and for other purposes.
- H.R. 4549** To provide for exploration, development, and production of oil and gas resources on the Arctic Coastal Plain of Alaska, to resolve outstanding issues relating to the Surface Mining Control and Reclamation Act of 1977, to benefit the coal miners of America, to make related technical changes, and for other purposes.
- H.R. 4827** To amend the Colorado Canyons National Conservation Area and Black Ridge Canyons Wilderness Act of 2000 to rename the Colorado Canyons National Conservation Area as the McInnis Canyons National Conservation Area.
- H.R. 4835** To establish a water supply enhancement demonstration program, including the demonstration of desalination, and for other purposes.
- H.R. 5134** To require the prompt review by the Secretary of the Interior of the long-standing petitions for Federal recognition of certain Indian tribes, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 5361** To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.
- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.
- H.J.Res. 63** To approve the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Federated States of Micronesia," and the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Republic of the Marshall Islands," and otherwise to amend Public Law 99-239, and to appropriate for the purposes of amended Public Law 99-239 for fiscal years ending on or before September 30, 2023, and for other purposes.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

POMEROY, Earl of North Dakota

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

PORTER, Jon C. of Nevada

- H.R. 74** To direct the Secretary of Agriculture to convey certain land in the lake Tahoe Basin Management Unit, Nevada, to the Secretary of the Interior, in trust for the Washoe Indian Tribe of Nevada and California.
- H.R. 114** To require that the Secretary of the Interior conduct a study to identify sites and resources, to recommend alternatives for commemorating and interpreting the Cold War, and for other purposes.
- H.R. 688** To direct the Secretary of Agriculture to conduct a study of the effectiveness of silver-based biocides as an alternative treatment to preserve wood.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 884** To provide for the use and distribution of the funds awarded to the Western Shoshone identifiable group under Indian Claims Commission Docket Numbers 326-A-1, 326-A-3, and 326-K, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3667** To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.
- H.R. 4010** To reauthorize and amend the National Geologic Mapping Act of 1992.
- H.R. 4285** To provide for the conveyance of certain public land in Clark County, Nevada, for use as a heliport.
- H.R. 4332** To provide for the proper development of Federal lands in Clark County, Nevada, to best promote public welfare and economic development consistent with surrounding airport usage.
- H.R. 4593** To establish wilderness areas, promote conservation, improve public land, and provide for the high quality development in Lincoln County, Nevada, and for other purposes.
- H.R. 5151** To transfer administrative jurisdiction over certain land in Clark County, Nevada, from the Secretary of the Interior to the Secretary of Veterans Affairs.

PORTER, Jon C. of Nevada—Continued

- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.
- H.Res. 431** Honoring the achievements of Siegfried and Roy, recognizing the impact of their efforts on the conservation of endangered species both domestically and worldwide, and wishing Roy Horn a full and speedy recovery.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

PORTMAN, Rob of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3283** To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

PRICE, David E. of North Carolina

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

PRYCE, Deborah of Ohio

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.

AUTHOR INDEX

PUTNAM, Adam H. of Florida

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

QUINN, Jack of New York

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 4416** To establish the Great Lakes Protection and Restoration Committee.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

RADANOVICH, George P. of California

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 108** To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.
- H.R. 309** To direct the Secretary of the Interior to conduct a study to determine the feasibility of increasing the capacity of water storage, increasing power generation, improving water supply reliability and quality, improving water management efficiency, and improving ecosystem function and flood control on the San Joaquin River through the construction of a reservoir at Temperance Flat and other reasonable measures.
- H.R. 379** To facilitate a Forest Service land exchange that will eliminate a private in-holding in the Sierra National Forest in the State of California and provide for the permanent enjoyment by the Boy Scouts of America of a parcel of National Forest System land currently used under a special use permit, and for other purposes.
- H.R. 380** To provide full funding for the payment in lieu of taxes program for the next five fiscal years, to protect local jurisdictions against the loss of property tax revenues when private lands are acquired by a Federal land management agency, and for other purposes.
- H.R. 620** To authorize the Secretary of the Interior to provide supplemental funding and other services that are necessary to assist the State of California or local educational agencies in California in providing educational services for students attending schools located within the Park.

RADANOVICH, George P. of California—Continued

- H.R. 762** To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 907** To direct the Secretary of the Interior to complete a special resource study of the national significance, suitability, and feasibility of establishing Highway 49 in California, known as the "Golden Chain Highway", as a National Heritage Corridor.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1014** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1289** To establish the National Parks Institute at the University of California, Merced, and for other purposes.
- H.R. 1335** To establish a program to provide funds for deployment of fuel cell and hydrogen infrastructure at National Parks, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1651** To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2395** To provide suitable alternative grazing arrangements on National Forest System land to persons that hold a grazing permit adversely affected by the standards and guidelines contained in the Record of Decision of the Sierra Nevada Forest Plan Amendment and pertaining to the Willow Flycatcher and the Yosemite Toad.
- H.R. 2715** To provide for necessary improvements to facilities at Yosemite National Park, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3223** To amend the National Historic Preservation Act to provide appropriation authorization and improve the operations of the Advisory Council on Historic Preservation.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3467** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California as the "C.W. Bill' Jones Pumping Plant ".
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

RAHALL, Nick J. II of West Virginia

- H.R. 313** To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

RAHALL, Nick J. II of West Virginia—Continued

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1491** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1595** To further cooperation and support among Federal land managers and designated gateway communities where the results of such cooperation and support are likely to be mutually beneficial, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2650** To prohibit the study or implementation of any plan to privatize, divest, or transfer any part of the mission, function, or responsibility of the National Park Service.
- H.R. 2981** To provide for reform of management of Indian trust funds and assets under the jurisdiction of the Department of the Interior, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4282** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.
- H.R. 5361** To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.

RAHALL, Nick J. II of West Virginia—Continued

- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.
- H.J.Res. 63** To approve the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Federated States of Micronesia," and the "Compact of Free Association, as amended between the Government of the United States of America and the Government of the Republic of the Marshall Islands," and otherwise to amend Public Law 99-239, and to appropriate for the purposes of amended Public Law 99-239 for fiscal years ending on or before September 30, 2023, and for other purposes.

RAMSTAD, Jim of Minnesota

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

RANGEL, Charles B. of New York

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.

RANGEL, Charles B. of New York—Continued

- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observance of a paid legal public holiday in honor of Native Americans.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

REGULA, Ralph of Ohio

- H.R. 164** To provide for the retention of the name of Mount McKinley.
- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3283** To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

REHBERG, Dennis R. of Montana

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

AUTHOR INDEX

REHBERG, Dennis R. of Montana—Continued

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 794** To amend the Mineral Leasing Act to provide for the development of Federal coal resources.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1550** To authorize the Secretary of the Interior and the Secretary of Agriculture to make grants to improve the commercial value of forest biomass for electric energy, useful heat, transportation fuels, petroleum-based product substitutes, and other commercial purposes.
- H.R. 1629** To clarify that the Upper Missouri River Breaks National Monument does not include within its boundaries any privately owned property, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2057** To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.
- H.R. 2257** To convey the Lower Yellowstone Irrigation Project, the Savage Unit of the Pick-Sloan Missouri Basin Program, and the Intake Irrigation Project to the appurtenant Irrigation Districts.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2400** To amend the Organic Act of Guam for the purposes of clarifying the local judicial structure of Guam.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2522** To amend the Organic Act of Guam to authorize the Secretary of the Interior to reduce, release, or waive amounts owed by the Government of Guam to the United States to offset unreimbursed Compact impact expenses.
- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 5009** To extend water contracts between the United States and specific irrigation districts and the City of Helena in Montana, and for other purposes.
- H.R. 5056** To adjust the boundaries of the Helena, Lolo, and Beaverhead-Deerlodge National Forests in the State of Montana.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.

REID, Harry of Nevada

- S. 452** To require that the Secretary of the Interior conduct a study to identify sites and resources, to recommend alternatives for commemorating and interpreting the Cold War, and for other purposes.

AUTHOR INDEX

REID, Harry of Nevada—Continued

S. 1521 To direct the Secretary of the Interior to convey certain land to the Edward H. McDaniel American Legion Post No. 22 in Pahrump, Nevada, for the construction of a post building and memorial park for use by the American Legion, other veterans' groups, and the local community.

RENZI, Rick of Arizona

H.R. 39 To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 67 To provide temporary legal exemptions for certain land management activities of the Federal land management agencies undertaken in federally declared disaster areas.

H.R. 108 To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.

H.R. 119 To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.

H.R. 135 To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

H.R. 460 To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.

H.R. 495 To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.

H.R. 622 To provide for the exchange of certain lands in the Coconino and Tonto National Forests in Arizona, and for other purposes.

H.R. 842 To provide for the conveyance of certain Federal lands administered by the Bureau of Land Management in Maricopa County, Arizona, in exchange for private lands located in Yavapai County, Arizona, and for other purposes.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 977 To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

H.R. 1005 To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

H.R. 1038 To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.

H.R. 1409 To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.

H.R. 1442 To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.

H.R. 1550 To authorize the Secretary of the Interior and the Secretary of Agriculture to make grants to improve the commercial value of forest biomass for electric energy, useful heat, transportation fuels, petroleum-based product substitutes, and other commercial purposes.

H.R. 1577 To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.

H.R. 1630 To revise the boundary of the Petrified Forest National Park in the State of Arizona, and for other purposes.

H.R. 1662 To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

H.R. 1831 To extend the grace period for personal watercraft use in Glen Canyon National Recreation Area.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 2440 To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.

H.R. 2696 To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.

H.R. 2707 To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.

H.R. 2828 To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.

H.R. 2871 To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

H.R. 2907 To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.

H.R. 2933 To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

H.R. 2941 To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.

H.R. 3504 To amend the Indian Self-Determination and Education Assistance Act to redesignate the American Indian Education Foundation as the National Fund for Excellence in American Indian Education.

H.R. 3834 To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

AUTHOR INDEX

RENZI, Rick of Arizona—Continued

- H.R. 3846** To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.
- H.R. 4240** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 4242** To transfer jurisdiction over certain public lands from the Bureau of Land Management to the Department of Defense.
- H.R. 4461** To direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study of certain land adjacent to the Walnut Canyon National Monument in the State of Arizona.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.
- H.R. 5168** To repeal the Bennett Freeze thus ending a gross treaty violation with the Navajo Nation and allowing the Navajo Nation to live in habitable dwellings and raise their living conditions, and for other purposes.
- H.R. 5192** To modify the boundary of the Casa Grande Ruins National Monument, and for other purposes.
- H.R. 5237** To authorize the placement of an equestrian statue depicting frontiersman, explorer, and missionary Jacob Hamblin on the grounds of the Forest Service Kaibab Plateau Visitor Center in Jacob Lake, Arizona, and for other purposes.
- H.Con.Res. 237** Honoring the late Rick Lupe, lead forestry technician for the Bureau of Indian Affairs Fort Apache Agency, for his dedication and service to the United States and for his essential service in fighting wildfires and protecting the environment and communities of Arizona.

REYES, Silvestre of Texas

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2495** To amend the Ysleta del Sur Pueblo and Alabama and Coushatta Indian Tribes of Texas Restoration Act to decrease the requisite blood quantum required for membership in the Ysleta del Sur Pueblo tribe.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4158** To provide for the conveyance to the Government of Mexico of a decommissioned National Oceanic and Atmospheric Administration ship, and for other purposes.
- H.R. 4242** To transfer jurisdiction over certain public lands from the Bureau of Land Management to the Department of Defense.
- H.R. 4588** To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 4775** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.

REYNOLDS, Thomas M. of New York

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.

AUTHOR INDEX

ROBERTS, Pat of Kansas

S. 546 To provide for the protection of paleontological resources on Federal lands, and for other purposes.

ROCKEFELLER, John D. IV of West Virginia

S. 1576 To revise the boundary of Harpers Ferry National Historical Park, and for other purposes.

RODRIGUEZ, Ciro D. of Texas

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1501 To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

H.R. 1621 To provide environmentally sound, expedited procedures for the planning and implementation of hazardous fuels reduction activities for wild-fire prone National Forest System lands and lands administered by the Bureau of Land Management, and for other purposes.

H.R. 1723 To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.

H.R. 2201 To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.

H.R. 2310 To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.

H.R. 2650 To prohibit the study or implementation of any plan to privatize, divest, or transfer any part of the mission, function, or responsibility of the National Park Service.

H.R. 2828 To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.

H.R. 3292 To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.

H.R. 3459 To improve the health of minority individuals.

H.R. 3479 To provide for the control and eradication of the brown tree snake on the island of Guam and the prevention of the introduction of the brown tree snake to other areas of the United States, and for other purposes.

H.R. 3626 To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.

H.R. 4122 To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.

H.R. 4158 To provide for the conveyance to the Government of Mexico of a decommissioned National Oceanic and Atmospheric Administration ship, and for other purposes.

H.R. 4588 To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.

H.R. 4685 To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

H.R. 4751 To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

H.R. 5145 To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.

H.R. 5358 To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

H.Res. 746 Honoring the 40th Anniversary of the Wilderness Act.

ROGERS, Harold of Kentucky

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 918 To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

H.R. 1809 To authorize the Secretary of the Interior to acquire Fern Lake and the surrounding watershed in the States of Kentucky and Tennessee for addition to Cumberland Gap National Historical Park, and for other purposes.

ROGERS, Harold of Kentucky—Continued

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

ROGERS, Mike of Alabama

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.

- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

ROHRBACHER, Dana of California

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 910** To provide for the distribution to coastal States and counties of revenues collected under the Outer Continental Shelf Lands Act.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3992** To amend the National Environmental Policy Act of 1969 to require preparation of statements regarding the environmental impacts of legal and illegal immigration.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.R. 5304** To establish a memorial for 40 fallen American servicemen who perished in the tragic air crash during World War II at Bakers Creek, Australia on June 14, 1943.

ROS-LEHTINEN, Ileana of Florida

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

ROS-LEHTINEN, Ileana of Florida—Continued

- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4027** To authorize the Secretary of Commerce to make available to the University of Miami property under the administrative jurisdiction of the National Oceanic and Atmospheric Administration on Virginia Key, Florida, for use by the University for a Marine Life Science Center.
- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

ROSS, Mike of Arkansas

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.

- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1869** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3320** To improve migratory bird management by the Animal and Plant Health Inspection Service of the Department of Agriculture, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3744** To authorize the Secretary of Agriculture to sell or exchange all or part of certain administrative sites and other land in the Ozark-St. Francis and Ouachita National Forests and to use funds derived from the sale or exchange to acquire, construct, or improve administrative sites, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 4783** To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

ROTHMAN, Steven R. of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

ROTHMAN, Steven R. of New Jersey—Continued

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1286** To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.

- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

ROYBAL-ALLARD, Lucille of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.

ROYBAL-ALLARD, Lucille of California—Continued

- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

ROYCE, Edward R. of California

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

RUPPERSBERGER, C. A. Dutch of Maryland

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

RUSH, Bobby L. of Illinois

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

RUSH, Bobby L. of Illinois—Continued

- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

RYAN, Paul of Wisconsin

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 2057** To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.

- H.R. 2636** To authorize the Secretary of the Interior to make grants to State and tribal governments to assist State and tribal efforts to manage and control the spread of chronic wasting disease in deer and elk herds, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

RYAN, Tim of Ohio

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

RYAN, Timothy J. of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

RYAN, Timothy J. of Ohio—Continued

- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

RYUN, Jim of Kansas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3532** To amend the National Trails System Act to improve the efficiency and fairness of acquiring railroad rights-of-way for interim use as public trails by applying the procedures that govern other Federal real estate acquisitions.
- H.R. 3909** To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

SABO, Martin Olav of Minnesota

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

SANCHEZ, Linda T. of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

SANCHEZ, Linda T. of California—Continued

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.

- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4606** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

SANCHEZ, Loretta of California

- H.R. 142** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional water recycling project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, and to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1051** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

AUTHOR INDEX

SANCHEZ, Loretta of California—Continued

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1156** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.

SANDERS, Bernard of Vermont

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1221** To provide for the stabilization of prices for gasoline, and for other purposes.
- H.R. 1647** To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.
- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

AUTHOR INDEX

SANDLIN, Max of Texas

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4122** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4551** To establish 4 memorials to the Space Shuttle Columbia in the State of Texas.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.

SANTORUM, Rick of Pennsylvania

- S. 1852** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.

SARBANES, Paul S. of Maryland

- S. 328** To designate Catoctin Mountain Park in the State of Maryland as the "Catoctin Mountain National Recreation Area", and for other purposes.
- S. 1233** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

SAXTON, Jim of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 959** To improve the conservation and management of coastal and ocean resources by authorizing National Oceanic and Atmospheric Administration oceanographic programs.
- H.R. 1024** To establish in the National Marine Fisheries Service a pelagic longline highly migratory species bycatch and mortality reduction research program, and for other purposes.
- H.R. 1025** To amend the Coastal Zone Management Act of 1972 to establish the National Estuarine Reserve System, and for other purposes.
- H.R. 1026** To amend the Coastal Zone Management Act of 1972 to reauthorize coastal services, training, education, and technical support programs of the National Oceanic and Atmospheric Administration, to establish a performance evaluation system for such administration, and for other purposes.
- H.R. 1028** To amend the Coastal Zone Management Act of 1972 to authorize grants to coastal States under that Act, and for other purposes.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1183** To promote the Sensible Development of Renewable Energy in the Waters of the Coastal Zone, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2244** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.

SAXTON, Jim of New Jersey—Continued

- H.R. 2408** To amend the Fish and Wildlife Act of 1956 to reauthorize volunteer programs and community partnerships for national wildlife refuges.
- H.R. 2686** To ensure the safety of recreational fishermen and other persons who use motor vehicles to access beaches adjacent to the Brigantine Wilderness Area in the Edwin B. Forsythe National Wildlife Refuge, New Jersey, by providing a narrow transition zone above the mean high tide line where motor vehicles can be safely driven and parked.
- H.R. 2889** To direct the Secretary of Commerce to conduct a study of existing and new fishery observer data to effectively map migratory patterns, delineate wintering areas and feeding grounds of Atlantic Striped Bass in the Mid-Atlantic exclusive economic zone, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3627** To establish in the Executive Office of the President the Office of Oceans and Coastal Policy.
- H.R. 4114** To amend the Migratory Bird Treaty Act to exclude non-native migratory bird species from the application of that Act, and for other purposes.
- H.R. 4368** To transfer the National Oceanic and Atmospheric Administration to the Department of the Interior.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.Con.Res. 268** Expressing the sense of the Congress regarding the imposition of sanctions on nations that are undermining the effectiveness of conservation and management measures for Atlantic highly migratory species, including marlin, adopted by the International Commission for the Conservation of Atlantic Tunas and that are threatening the continued viability of United States commercial and recreational fisheries.

SCHAKOWSKY, Janice D. of Illinois

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.

SCHAKOWSKY, Janice D. of Illinois—Continued

- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

SCHIFF, Adam B. of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 704** To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the area known as the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area in the State of California, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.

SCHIFF, Adam B. of California—Continued

- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

SCHROCK, Edward L. of Virginia

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1938** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

SCHUMER, Charles of New York

- S. 1241** To establish the Kate Mullany National Historic Site in the State of New York, and for other purposes.
- S. 2334** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- S. 2691** To establish the Long Island Sound Stewardship Initiative.

SCOTT, David of Georgia

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1616** To authorize the exchange of certain lands within the Martin Luther King, Junior, National Historic Site for lands owned by the City of Atlanta, Georgia, and for other purposes.
- H.R. 1618** To establish the Arabia Mountain National Heritage Area in the State of Georgia, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3366** To designate the building located at 493 Auburn Avenue, N.E., in Atlanta, Georgia, as the "John Lewis Civil Rights Institute".
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4887** To adjust the boundary of the Cumberland Island Wilderness, to authorize tours of the Cumberland Island National Seashore, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

AUTHOR INDEX

SCOTT, Robert C. of Virginia

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 1938** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4202** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Crawfish Valley Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

SENSENBRENNER, F. James JR. of Wisconsin

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

- H.R. 2057** To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.

SERRANO, Jose E. of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

SERRANO, Jose E. of New York—Continued

- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.

SESSIONS, Pete of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3585** To require the Secretary of Transportation to develop and implement an environmental review process for safety emergency highway projects.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

SHADEGG, John B. of Arizona

- H.R. 387** To authorize the Regional Foresters to exempt tree-thinning projects, which are necessary to prevent the occurrence of wildfire likely to cause extreme harm to the forest ecosystem, from laws that give rise to legal causes of action that delay or prevent such projects.
- H.R. 495** To approve the settlement of the water rights claims of the Zuni Indian Tribe in Apache County, Arizona, and for other purposes.
- H.R. 849** To authorize the Regional Foresters to exempt tree-thinning projects, which are necessary to prevent the occurrence of wildfire likely to cause extreme harm to the forest ecosystem, from laws that give rise to legal causes of action that delay or prevent such projects.
- H.R. 885** To provide for adjustments to the Central Arizona Project in Arizona, to authorize the Gila River Indian Community water rights settlement, to reauthorize and amend the Southern Arizona Water Rights Settlement Act of 1982, and for other purposes.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2603** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.

SHADEGG, John B. of Arizona—Continued

- H.R. 4240** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 4533** To require the temporary reinstatement of contracts for large air tankers that were canceled on May 10, 2004, by the Secretary of Agriculture and the Secretary of the Interior.

SHAW, E. Clay Jr. of Florida

- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.

SHAYS, Christopher of Connecticut

- H.R. 437** To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

SHAYS, Christopher of Connecticut—Continued

- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2305** To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3394** To clarify the lands over which Indian tribes shall have jurisdiction or exercise governmental power.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3471** To authorize the Secretary of the Interior to conduct a special resource study of the area at or near the footprints of the former World Trade Center towers for possible inclusion in the National Park System to commemorate the tragic events of September 11, 2001.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3745** To amend the Indian Gaming Regulatory Act to require State legislature approval of new gambling facilities, to provide for minimum requirements for Federal regulation of Indian gaming, to set up a commission to report to Congress on current living and health standards in Indian country, and for other purposes.
- H.R. 3838** To provide grants to local governments to assist such local governments in participating in certain decisions related to certain Indian groups and Indian tribes.
- H.R. 4213** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.

- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

SHERMAN, Brad of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 704** To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the area known as the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area in the State of California, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.

SHERMAN, Brad of California—Continued

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

SHERWOOD, Don of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 1862** To establish the Oil Region National Heritage Area.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3283** To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote reining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 4494** To designate the Grey Towers National Historic Site in the Commonwealth of Pennsylvania, and for other purposes.
- H.R. 5369** To authorize the Secretary of the Interior to allow the Columbia Gas Transmission Corporation to increase the diameter of a natural gas pipeline located in the Delaware Water Gap National Recreation Area.

SHIMKUS, John of Illinois

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

SHIMKUS, John of Illinois—Continued

- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote reining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 5307** To authorize the Gateway Arch in St. Louis, Missouri, to be illuminated by pink lights in honor of breast cancer awareness month.
- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.
- H.Res. 752** Expressing continued support for the construction of the Victims of Communism Memorial.

SHUSTER, Bill of Pennsylvania

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote reining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

SIMMONS, Rob of Connecticut

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 437** To direct the Secretary of the Interior to conduct a study of Coltsville in the State of Connecticut for potential inclusion in the National Park System.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3838** To provide grants to local governments to assist such local governments in participating in certain decisions related to certain Indian groups and Indian tribes.

SIMMONS, Rob of Connecticut—Continued

- H.R. 4213** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 4876** To establish the Long Island Sound Stewardship Initiative.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

SIMPSON, Michael K. of Idaho

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 835** To provide for enhanced collaborative forest stewardship management within the Clearwater and Nez Perce National Forests in Idaho, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1014** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 1106** To authorize the Secretary of the Interior to convey certain facilities to the Fremont-Madison Irrigation District in the State of Idaho.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2266** To clarify the intent of Congress with respect to the continued use of established commercial outfitter hunting camps on the Salmon River.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.

- H.R. 2551** To amend the Federal Land Policy and Management Act of 1976 to provide owners of non-Federal lands with a reliable method of receiving compensation for damages resulting from the spread of wildfire from nearby forested National Forest System lands or Bureau of Land Management lands, when those forested Federal lands are not maintained in the forest health status known as condition class 1.
- H.R. 2602** To amend the Endangered Species Act of 1973 to make the authority of the Secretary to designate critical habitat discretionary instead of mandatory, and for other purposes.
- H.R. 2776** To help ensure general aviation aircraft access to Federal land and to the airspace over that land.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3400** To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.
- H.R. 4443** To amend the National Historic Preservation Act to extend the authorization of appropriations for the historic preservation fund.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 4981** To direct the Secretary of the Interior and the heads of other Federal agencies to carry out an agreement resolving major issues relating to the adjudication of water rights in the Snake River Basin, Idaho, and for other purposes.
- H.R. 5343** To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate certain lands in the Challis National Forest, the Sawtooth National Recreation Area, and the Challis District of the Bureau of Land Management as the Boulder-White Cloud Management Area to ensure the continued management of these lands for recreational use as well as for conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.

SKELTON, Ike of Missouri

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

SKELTON, Ike of Missouri—Continued

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1589** To authorize the Secretary of the Interior to provide grants for the preservation of historic courthouses.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 4481** To amend Public Law 86-434 establishing Wilson's Creek National Battlefield in the State of Missouri to expand the boundaries of the park, and for other purposes.
- H.R. 4579** To modify the boundary of the Harry S Truman National Historic Site in the State of Missouri, and for other purposes.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

SLAUGHTER, Louise McIntosh of New York

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1524** To authorize the Secretary of the Interior to establish a commemorative trail in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

SMITH, Adam of Washington

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 265** To provide for an adjustment of the boundaries of Mount Rainier National Park, and for other purposes.

SMITH, Adam of Washington—Continued

- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2397** To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.

- H.R. 4362** To authorize the Secretary of the Interior to accept a parcel of Federal land in the State of Washington in trust for the Nisqually Tribe, to ensure that the acceptance of such land does not adversely affect the Bonneville Power Administration, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4934** To direct the Secretary of the Interior to take certain tribally-owned reservation land into trust for the Puyallup Tribe.

SMITH, Christopher H. of New Jersey

- H.R. 524** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2244** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3070** To authorize appropriations for the Coastal Heritage Trail Route in New Jersey, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.

SMITH, Christopher H. of New Jersey—Continued

- H.R. 5377** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.Res. 752** Expressing continued support for the construction of the Victims of Communism Memorial.
- H.Con.Res. 409** Recognizing with humble gratitude the more than 16,000,000 veterans who served in the United States Armed Forces during World War II and the Americans who supported the war effort on the home front and celebrating the completion of the National World War II Memorial on the National Mall in the District of Columbia.

SMITH, Gordon of Oregon

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- S. 625** To authorize the Bureau of Reclamation to conduct certain feasibility studies in the Tualatin River Basin in Oregon, and for other purposes.
- S. 714** To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.
- S. 1307** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to assist in the implementation of fish passage and screening facilities at non-Federal water projects, and for other purposes.
- S. 1355** To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.

SMITH, Lamar S. of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 4980** To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

SMITH, Nick of Michigan

- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

- H.R. 2608** To reauthorize the National Earthquake Hazards Reduction Program, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.Res. 121** Endorsing increased efforts to preserve and protect Lake St. Clair as a vital part of the Great Lakes system.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

SNOWE, Olympia of Maine

- S. 886** To ratify otherwise legal appointments and promotions in the commissioned corps of the National Oceanic and Atmospheric Administration that failed to be submitted to the Senate for its advice and consent as required by law, and for other purposes.
- S. 1400** To develop a system that provides for ocean and coastal observations, to implement a research and development program to enhance security at United States ports, to implement a data and information system required by all components of an integrated ocean observing system and related research, and for other purposes.

SNYDER, Vic of Arkansas

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

SNYDER, Vic of Arkansas—Continued

H.Con.Res. 495 Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

SOLIS, Hilda L. of California

H.R. 519 To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.

H.R. 704 To direct the Secretary of the Interior and the Secretary of Agriculture to conduct a joint special resources study to evaluate the suitability and feasibility of establishing the area known as the Rim of the Valley Corridor as a unit of the Santa Monica Mountains National Recreation Area in the State of California, and for other purposes.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1034 To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1209 To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.

H.R. 1284 To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to increase the Federal share of the costs of the San Gabriel Basin demonstration project.

H.R. 1446 To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1501 To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

H.R. 1760 To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 1869 To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.

H.R. 2141 To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

H.R. 2169 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 2200 To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.

H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

H.R. 3292 To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.

H.R. 3325 To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 3327 To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.

H.R. 3459 To improve the health of minority individuals.

H.R. 4469 To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

H.R. 4706 To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

SOLIS, Hilda L. of California—Continued

H.R. 5312 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

SOUDER, Mark E. of Indiana

H.R. 39 To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 461 To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 954 To confirm Federal recognition of the Miami Nation of Indiana.

H.R. 977 To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

H.R. 1061 To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.

H.R. 1204 To amend the National Wildlife Refuge System Administration Act of 1966 to establish requirements for the award of concessions in the National Wildlife Refuge System, to provide for maintenance and repair of properties located in the System by concessionaires authorized to use such properties, and for other purposes.

H.R. 1235 To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1904 To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

H.R. 2237 To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.

H.R. 2327 To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

H.R. 2386 To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.

H.R. 2619 To provide for the expansion of Kilauea Point National Wildlife Refuge.

H.R. 2720 To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 3283 To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.

H.R. 3498 To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.

H.R. 3745 To amend the Indian Gaming Regulatory Act to require State legislature approval of new gambling facilities, to provide for minimum requirements for Federal regulation of Indian gaming, to set up a commission to report to Congress on current living and health standards in Indian country, and for other purposes.

H.R. 3819 To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.

H.R. 3903 To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

H.R. 4469 To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

H.R. 4980 To direct the Secretary of the Interior to arrange for the carving of the figure of former President Ronald Reagan on Mount Rushmore National Memorial, and for other purposes.

H.R. 5358 To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

H.Res. 173 Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.

H.Res. 362 Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

H.Res. 752 Expressing continued support for the construction of the Victims of Communism Memorial.

SPECTER, Arlen of Pennsylvania

S. 1852 To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.

SPRATT, John M. Jr. of South Carolina

H.R. 196 To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.

SPRATT, John M. Jr. of South Carolina—Continued

- H.R. 332** To direct the Secretary of the Interior to study certain sites in the historic district of Beaufort, South Carolina, relating to the Reconstruction Era to assess the suitability and feasibility of designating the study area as a unit of the National Park System.
- H.R. 744** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3074** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3921** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.

- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

STARK, Fortney Pete of California

- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- H.R. 665** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

AUTHOR INDEX

STARK, Fortney Pete of California—Continued

- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2382** To amend title 49, United States Code, relating to improving transportation in the national parks.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.

- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

STEARNS, Cliff of Florida

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

STENHOLM, Charles W. of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

STENHOLM, Charles W. of Texas—Continued

- H.R. 856** To authorize the Secretary of the Interior to revise a repayment contract with the Tom Green County Water Control and Improvement District No. 1, San Angelo project, Texas, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 4984** To provide that the royalty rate on the output from Federal lands of potassium and potassium compounds from the mineral sylvite in the 5-year period beginning on the date of the enactment of this Act shall be reduced to 1.0 percent, and for other purposes.

STEVENS, Ted of Alaska

- S. 931** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on visitors to units of the National Park System and on other recreational users of public land.
- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1466** To facilitate the transfer of land in the State of Alaska, and for other purposes.

STRICKLAND, Ted of Ohio

- H.R. 313** To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3257** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

STUPAK, Bart of Michigan

- H.R. 151** To elevate the position of Director of the Indian Health Service within the Department of Health and Human Services to Assist Secretary for Indian Health, and for other purposes.
- H.R. 408** To provide for expansion of Sleeping Bear Dunes National Lakeshore.
- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

STUPAK, Bart of Michigan—Continued

- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2411** To decrease the matching funds requirement and authorize further appropriations for Keweenaw National Historical Park.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2500** To enable the Great Lakes Fishery Commission to investigate effects of migratory birds on sustained productivity of stocks of fish of common concern in the Great Lakes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4244** To designate the visitor center at the U.S.S. Arizona Memorial in Hawaii as the "Pearl Harbor Memorial Site Visitor Center".

SULLIVAN, John of Oklahoma

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2912** To reaffirm the inherent sovereign rights of the Osage Tribe to determine its membership and form of government.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.
- H.R. 3406** To amend the Oklahoma City National Memorial Act of 1997 to transfer the Oklahoma City National Memorial to the Oklahoma City National Memorial Foundation, and for other purposes.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.
- H.Con.Res. 511** Expressing the sense of the Congress with respect to Inez Sitter.

SWEENEY, John E. of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3394** To clarify the lands over which Indian tribes shall have jurisdiction or exercise governmental power.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

AUTHOR INDEX

TANCREDO, Thomas G. of Colorado

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 460** To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.
- H.R. 751** To authorize increased fines for improper use of vehicles that results in damage to public lands or national forests, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1153** To accelerate the wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal lands, and for other purposes.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1253** To amend the Endangered Species Act of 1973 to establish special requirements for determining whether the Preble's meadow jumping mouse is an endangered species or threatened species.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

- H.R. 2696** To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.
- H.R. 2766** To direct the Secretary of Agriculture to exchange certain lands in the Arapaho and Roosevelt National Forests in the State of Colorado.
- H.R. 2955** To establish the Rio Grande Outstanding Natural Area in the State of Colorado, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3992** To amend the National Environmental Policy Act of 1969 to require preparation of statements regarding the environmental impacts of legal and illegal immigration.
- H.R. 4466** To amend the Endangered Species Act of 1973 to exclude the Preble's Meadow Jumping Mouse from lists of endangered species and threatened species published under that Act.
- H.R. 4691** To authorize the Secretary of the Interior to engage in a feasibility study relating to long-term water needs for the area served by the Fryingpan-Arkansas Project, Colorado, and for other purposes.
- H.R. 5373** To authorize the Secretary of the Interior to enter into contracts for the use of excess storage and conveyance capacity of the Fryingpan-Arkansas Project, Colorado, and for other purposes.
- H.R. 5418** To authorize the Secretary of the Interior to enter into new and renewal contracts with the City of Aurora, Colorado, or an enterprise of the City, for the use of excess capacity water in the Fryingpan-Arkansas Project.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

TANNER, John S. of Tennessee

- H.R. 646** To expand the boundaries of the Fort Donelson National Battlefield to authorize the acquisition and interpretation of lands associated with the campaign that resulted in the capture of the fort in 1862, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 3342** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments for such trail, and for other purposes.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

TANNER, John S. of Tennessee—Continued

H.Res. 362 Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

TAUSCHER, Ellen O. of California

H.R. 532 To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 834 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1051 To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.

H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1446 To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1501 To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

H.R. 1639 To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 1945 To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.

H.R. 2169 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 2305 To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.

H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

H.R. 2641 To authorize the Secretary of the Interior to implement the Calfed Bay-Delta Program.

H.R. 3324 To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.

H.R. 3325 To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 3327 To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.

H.R. 3337 To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.

H.R. 3446 To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.

H.R. 3545 To establish a program of research and other activities to provide for the recovery of the southern sea otter.

H.R. 3550 To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

H.R. 4100 To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.

H.R. 4469 To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

TAUSCHER, Ellen O. of California—Continued

- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

TAUZIN, W. J. (Billy) of Louisiana

- H.R. 6** To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.
- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 273** To provide for the eradication and control of nutria in Maryland and Louisiana.
- H.R. 762** To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts.
- H.R. 1570** To accelerate natural gas exploration, development, and production from oil and gas wells drilled to deep depths on existing lease tracts on the Outer Continental Shelf, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 5348** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

TAYLOR, Charles H. of North Carolina

- H.R. 1408** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.
- H.R. 1409** To provide for a Federal land exchange for the environmental, educational, and cultural benefit of the American public and the Eastern Band of Cherokee Indians, and for other purposes.
- H.R. 1759** To establish the Blue Ridge National Heritage Area in the State of North Carolina, and for other purposes.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

TAYLOR, Gene of Mississippi

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 2654** To amend the Outer Continental Shelf Lands Act to direct the Secretary of the Interior to issue regulations under which the Secretary may authorize use of a decommissioned offshore oil and gas platform for culture of marine organisms, an artificial reef, or scientific research, and for other purposes.
- H.R. 2689** To establish the Mississippi Gulf Coast National Heritage Area in the State of Mississippi, and for other purposes.
- H.R. 2894** To establish the Theodore Roosevelt National Wildlife Refuge and the Holt Collier Wildlife Interpretation and Education Center.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

TERRY, Lee of Nebraska

- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.

TERRY, Lee of Nebraska—Continued

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2057** To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

THOMAS, Craig of Wyoming

- S. 273** To provide for the expeditious completion of the acquisition of land owned by the State of Wyoming within the boundaries of Grand Teton National Park, and for other purposes.
- S. 1107** To enhance the Recreational Fee Demonstration Program for the National Park Service, and for other purposes.
- S. 1721** To amend the Indian Land Consolidation Act to improve provisions relating to probate of trust and restricted land, and for other purposes.
- S. 2543** To establish a program and criteria for National Heritage Areas in the United States, and for other purposes.

THOMAS, William M. of California

- H.R. 6** To enhance energy conservation and research and development, to provide for security and diversity in the energy supply for the American people, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

- H.R. 2828** To authorize the Secretary of the Interior to implement water supply technology and infrastructure programs aimed at increasing and diversifying domestic water resources.

THOMPSON, Bennie G. of Mississippi

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1042** To authorize collaborative forest restoration and wildland fire hazard mitigation projects on National Forest System lands and other public and private lands, to improve the implementation of the National Fire Plan, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

THOMPSON, Bennie G. of Mississippi—Continued

- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2689** To establish the Mississippi Gulf Coast National Heritage Area in the State of Mississippi, and for other purposes.
- H.R. 2894** To establish the Theodore Roosevelt National Wildlife Refuge and the Holt Collier Wildlife Interpretation and Education Center.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

THOMPSON, Mike of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- H.R. 708** To require the conveyance of certain National Forest System lands in Mendocino National Forest, California, to provide for the use of the proceeds from such conveyance for National Forest purposes, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2388** To authorize leases for terms not to exceed 99 years on lands held in trust for the Yurok Tribe and the Hopland Band of Pomo Indians.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2656** To amend the Graton Rancheria Restoration Act to give the Secretary of the Interior discretion regarding taking land into trust.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3326** To extend the King Range National Conservation Area boundary in the State of California to include the Mill Creek, Squaw Creek, and Indian Creek Forests.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3638** To adjust the boundary of Redwood National Park in the State of California, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

THOMPSON, Mike of California—Continued

- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

THORNBERRY, Mac of Texas

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1517** To amend the Land and Water Conservation Fund to limit the use of funds available from the Land and Water Conservation Fund Act of 1965 to use for maintenance.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.

TIAHRT, Todd of Kansas

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 3909** To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.
- H.R. 4650** To amend the Act entitled "An Act to provide for the construction of the Cheney division, Wichita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.

TIBERI, Patrick J. of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

AUTHOR INDEX

TIERNEY, John F. of Massachusetts

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1069** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

TOOMEY, Patrick J. of Pennsylvania

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

TOWNS, Edolphus of New York

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

TOWNS, Edolphus of New York—Continued

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1524** To authorize the Secretary of the Interior to establish a commemorative trail in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.

- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

TURNER, Jim of Texas

- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 3626** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4122** To amend the National Trails System Act to designate El Camino Real de los Tejas as a National Historic Trail.
- H.R. 4551** To establish 4 memorials to the Space Shuttle Columbia in the State of Texas.
- H.R. 4751** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

TURNER, Michael R. of Ohio

- H.R. 280** To establish the National Aviation Heritage Area, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

TURNER, Michael R. of Ohio—Continued

- H.R. 1762** To amend title 38, United States Code, to provide for preservation and protection of historic buildings under the jurisdiction of the Secretary of Veterans Affairs, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.

UDALL, Mark of Colorado

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 421** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.
- H.R. 460** To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.
- H.R. 504** To provide for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.
- H.R. 575** To expedite the process by which the Secretary of the Interior and the Secretary of Agriculture may utilize military aircraft to fight wildfires, and for other purposes.
- H.R. 639** To amend the Act of March 3, 1875, to permit the State of Colorado to use land held in trust by the State as open space, and for other purposes.
- H.R. 640** To designate as wilderness certain lands within the Rocky Mountain National Park in the State of Colorado.
- H.R. 748** To require the Council on Environmental Quality to conduct a study on urban sprawl and smart growth, and to ensure the consideration by Federal agencies of urban sprawl in the preparation of their environmental reviews under the National Environmental Policy Act of 1969.
- H.R. 749** To direct the Secretary of the Interior to establish the Cooperative Landscape Conservation Program.
- H.R. 750** To provide for a study of options for protecting the open space characteristics of certain lands in and adjacent to the Arapaho and Roosevelt National Forests in Colorado, and for other purposes.
- H.R. 751** To authorize increased fines for improper use of vehicles that results in damage to public lands or national forests, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 822** To enhance ecosystem protection and the range of outdoor opportunities protected by law in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 897** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1038** To increase the penalties to be imposed for a violation of fire regulations applicable to the public lands, National Park System lands, or National Forest System lands when the violation results in damage to public or private property, to specify the purpose for which collected fines may be used, and for other purposes.
- H.R. 1042** To authorize collaborative forest restoration and wildland fire hazard mitigation projects on National Forest System lands and other public and private lands, to improve the implementation of the National Fire Plan, and for other purposes.
- H.R. 1061** To remove a restriction on the authority of the Secretary of Agriculture and the Secretary of the Interior to enter into agreements with any Federal agency to acquire goods and services directly related to improving or using the wildfire fighting capability of those agencies.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.

UDALL, Mark of Colorado—Continued

- H.R. 1690** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1869** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2057** To provide for a multi-agency cooperative effort to encourage further research regarding the causes of chronic wasting disease and methods to control the further spread of the disease in deer and elk herds, to monitor the incidence of the disease, to support State efforts to control the disease, and for other purposes.
- H.R. 2141** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 2200** To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2310** To protect, conserve, and restore native fish, wildlife, and their natural habitats on Federal lands and non-Federal lands through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2416** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2488** To provide for the protection of the tropical forests of the Karst Region of the Commonwealth of Puerto Rico and the aquifers and watersheds of this region that constitute a principal water source for much of Puerto Rico, and for other purposes.
- H.R. 2653** To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.
- H.R. 2696** To establish Institutes to demonstrate and promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of fire-adapted forest and woodland ecosystems of the interior West.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2766** To direct the Secretary of Agriculture to exchange certain lands in the Arapaho and Roosevelt National Forests in the State of Colorado.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2981** To provide for reform of management of Indian trust funds and assets under the jurisdiction of the Department of the Interior, and for other purposes.
- H.R. 3247** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, to clarify the purposes for which collected fines may be used, and for other purposes.
- H.R. 3303** To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3698** To assure that development of certain Federal oil and gas resources will occur in ways that protect water resources and surface owner rights, and for other purposes.
- H.R. 3846** To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4017** To assure that development of certain Federal oil and gas resources will occur in ways that protect water resources and respect the rights of the surface owners, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4443** To amend the National Historic Preservation Act to extend the authorization of appropriations for the historic preservation fund.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 4838** To establish a Healthy Forest Youth Conservation Corps to provide a means by which young adults can carry out rehabilitation and enhancement projects to prevent fire and suppress fires, rehabilitate public land affected or altered by fires, and provide disaster relief, and for other purposes.

UDALL, Mark of Colorado—Continued

- H.R. 5145** To provide fellowships for graduate and postgraduate level students engaged in advanced degree programs concerning freshwater and anadromous fish, wildlife, or conservation biology, or related natural resource management, to provide expertise and to gain policy experience in Federal executive agencies or the Congress.
- H.R. 5176** To amend the Rocky Mountain Arsenal National Wildlife Refuge Act of 1992 to rename the Rocky Mountain Arsenal National Wildlife Refuge as the Pat Schroeder National Wildlife Refuge.
- H.R. 5358** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 480** To honor the 30th anniversary of the enactment of the Endangered Species Act of 1973.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

UDALL, Tom of New Mexico

- H.R. 222** To establish the T'uf Shur Bien Preservation Trust Area in the Cibola National Forest, and for other purposes.
- H.R. 313** To modify requirements relating to allocation of interest that accrues to the Abandoned Mine Reclamation Fund.
- H.R. 421** To reauthorize the United States Institute for Environmental Conflict Resolution, and for other purposes.
- H.R. 460** To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.
- H.R. 505** To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.
- H.R. 506** To provide for the protection of archaeological sites in the Galisteo Basin in New Mexico, and for other purposes.
- H.R. 507** To declare that the United States holds certain public domain lands in trust for the Pueblos of San Ildefonso and Santa Clara.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1042** To authorize collaborative forest restoration and wildland fire hazard mitigation projects on National Forest System lands and other public and private lands, to improve the implementation of the National Fire Plan, and for other purposes.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2059** To designate Fort Bayard Historic District in the State of New Mexico as a National Historic Landmark, and for other purposes.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 2419** To protect sacred Native American Federal land from significant damage.
- H.R. 2430** To amend the Fish and Wildlife Coordination Act to coordinate and strengthen scientific research and monitoring, and to promote public outreach, education, and awareness, of Chronic Wasting Disease affecting free-ranging populations of deer and elk, and for other purposes.
- H.R. 2431** To establish a National Chronic Wasting Disease Task Force, and for other purposes.

UDALL, Tom of New Mexico—Continued

- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2650** To prohibit the study or implementation of any plan to privatize, divest, or transfer any part of the mission, function, or responsibility of the National Park Service.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2982** To amend the Flood Control Act of 1948 with respect to the Middle Rio Grande Project to authorize programs for water conservation, and for other purposes.
- H.R. 3176** To designate the Ojito Wilderness Study Area as wilderness, to take certain land into trust for the Pueblo of Zia, and for other purposes.
- H.R. 3207** To direct the Secretary of the Interior to conduct a study on the preservation and interpretation of the historic sites of the Manhattan Project for potential inclusion in the National Park System.
- H.R. 3258** To authorize the Secretary of the Interior, in cooperation with the University of New Mexico, to construct and occupy a portion of the Hibben Center for Archaeological Research at the University of New Mexico, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3698** To assure that development of certain Federal oil and gas resources will occur in ways that protect water resources and surface owner rights, and for other purposes.
- H.R. 3846** To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 4623** To authorize the Secretary of the Interior to provide financial assistance to the Eastern New Mexico Rural Water Authority for the planning, design, and construction of the Eastern New Mexico Rural Water System, and for other purposes.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4826** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

- H.R. 4835** To establish a water supply enhancement demonstration program, including the demonstration of desalination, and for other purposes.
- H.R. 4838** To establish a Healthy Forest Youth Conservation Corps to provide a means by which young adults can carry out rehabilitation and enhancement projects to prevent fire and suppress fires, rehabilitate public land affected or altered by fires, and provide disaster relief, and for other purposes.
- H.R. 5198** To clarify issues of criminal jurisdiction within the exterior boundaries of Pueblo lands.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

UPTON, Fred S. of Michigan

- H.R. 422** To authorize the Pyramid of Remembrance Foundation to establish a memorial in the District of Columbia or its environs to soldiers who have lost their lives during peacekeeping operations, humanitarian efforts, training, terrorist attacks, or covert operations.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1577** To designate the visitors' center in Organ Pipe National Monument in Arizona as the "Kris Eggle Memorial Visitors' Center", and for other purposes.
- H.R. 1856** To reauthorize the Harmful Algal Bloom and Hypoxia Research and Control Act of 1998, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 3860** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 3946** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4416** To establish the Great Lakes Protection and Restoration Committee.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

UPTON, Fred S. of Michigan—Continued

H.Res. 362 Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

H.Res. 746 Honoring the 40th Anniversary of the Wilderness Act.

VAN HOLLEN, Chris of Maryland

H.R. 119 To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.

H.R. 504 To provide for the reclamation of abandoned hardrock mines, and for other purposes.

H.R. 770 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 852 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 898 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 911 To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

H.R. 979 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1006 To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.

H.R. 1080 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1081 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1097 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1105 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1130 To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

H.R. 1472 To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

H.R. 1639 To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.

H.R. 1796 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2141 To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

H.R. 2169 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 2369 To protect inventoried roadless areas in the National Forest System, and for other purposes.

H.R. 2424 To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.

H.R. 2440 To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.

H.R. 3378 To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.

H.R. 3446 To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.

H.R. 3459 To improve the health of minority individuals.

H.R. 3545 To establish a program of research and other activities to provide for the recovery of the southern sea otter.

H.R. 3550 To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

H.R. 4706 To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.

H.R. 4897 To protect deep sea corals and sponges, and for other purposes.

H.R. 5304 To establish a memorial for 40 fallen American servicemen who perished in the tragic air crash during World War II at Bakers Creek, Australia on June 14, 1943.

H.R. 5358 To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

H.Con.Res. 202 Expressing the sense of Congress in support of a National Oceans Week.

VELAZQUEZ, Nydia M. of New York

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

VELAZQUEZ, Nydia M. of New York—Continued

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

- H.R. 1723** To designate certain National Forest System lands in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3459** To improve the health of minority individuals.

VISCLOSKY, Peter J. of Indiana

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.

VITTER, David of Louisiana

- H.R. 39** To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.
- H.R. 273** To provide for the eradication and control of nutria in Maryland and Louisiana.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2654** To amend the Outer Continental Shelf Lands Act to direct the Secretary of the Interior to issue regulations under which the Secretary may authorize use of a decommissioned offshore oil and gas platform for culture of marine organisms, an artificial reef, or scientific research, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 4611** To enable increased gasoline supplies and otherwise ensure lower gasoline prices in the United States.
- H.R. 5348** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.
- H.Con.Res. 382** Affirming that the intent of Congress in passing the National Wildlife Refuge System Improvement Act of 1997 was to allow hunting and fishing on public lands within the National Wildlife Refuge System and declaring that the purpose of reserving certain lands as public lands is to make them available to the public for reasonable uses.

VOINOVICH, George of Ohio

- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1210** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.

AUTHOR INDEX

WALDEN, Greg of Oregon

- H.R. 119** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
- H.R. 514** To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.
- H.R. 733** To authorize the Secretary of the Interior to acquire the McLoughlin House National Historic Site in Oregon City, Oregon, and to administer the site as a unit of the National Park System, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2386** To amend the Antiquities Act regarding the establishment by the President of certain national monuments and to provide for public participation in the proclamation of national monuments.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2933** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 3210** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a water resource feasibility study for the Little Butte/Bear Creek Subbasins in Oregon.
- H.R. 3249** To extend the term of the Forest Counties Payments Committee.

- H.R. 3505** To amend the Bend Pine Nursery Land Conveyance Act to specify the recipients and consideration for conveyance of the Bend Pine Nursery, and for other purposes.
- H.R. 3566** To amend the Cooperative Forestry Assistance Act of 1978 to establish a program using geospatial and information management technologies to inventory, monitor, characterize, assess, and identify forest stands and potential forest stands, and for other purposes.
- H.R. 3747** To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 3846** To authorize the Secretary of Agriculture and the Secretary of the Interior to enter into an agreement or contract with Indian tribes meeting certain criteria to carry out projects to protect Indian forest land.
- H.R. 4827** To amend the Colorado Canyons National Conservation Area and Black Ridge Canyons Wilderness Act of 2000 to rename the Colorado Canyons National Conservation Area as the McInnis Canyons National Conservation Area.
- H.R. 4838** To establish a Healthy Forest Youth Conservation Corps to provide a means by which young adults can carry out rehabilitation and enhancement projects to prevent fire and suppress fires, rehabilitate public land affected or altered by fires, and provide disaster relief, and for other purposes.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 5135** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.Con.Res. 341** Recognizing the 20th anniversary of the restoration of Federal recognition of the Confederated Tribes of the Grand Ronde Community of Oregon.

WALSH, James T. of New York

- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

WALSH, James T. of New York—Continued

- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2679** To amend the Magnuson-Stevens Fishery Conservation and Management Act to make New York a member of the New England Fishery Management Council.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.J.Res. 102** Recognizing the 60th anniversary of the Battle of Peleliu and the end of Imperial Japanese control of Palau during World War II and urging the Secretary of the Interior to work to protect the historic sites of the Peleliu Battlefield National Historic Landmark and to establish commemorative programs honoring the Americans who fought there.
- H.Con.Res. 21** Commemorating the Bicentennial of the Louisiana Purchase.

WAMP, Zach of Tennessee

- H.R. 216** To establish as a unit of Chickamauga and Chattanooga National Military Park, the Moccasin Bend National Archeological District.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1809** To authorize the Secretary of the Interior to acquire Fern Lake and the surrounding watershed in the States of Kentucky and Tennessee for addition to Cumberland Gap National Historical Park, and for other purposes.

- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 2966** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3283** To improve recreational facilities and visitor opportunities on Federal recreational lands by reinvesting receipts from fair and consistent recreational fees and passes, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

WARNER, John W. of Virginia

- S. 1076** To authorize construction of an education center at or near the Vietnam Veterans Memorial.
- S. 1108** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative Program, and for other purposes.

WATERS, Maxine of California

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.

WATERS, Maxine of California—Continued

- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4716** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Ballona Bluff, located in Los Angeles, California, as a unit of the National Park System, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

WATSON, Diane E. of California

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

WATT, Melvin L. of North Carolina

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.

WATT, Melvin L. of North Carolina—Continued

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1869** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the International Civil Rights Center and Museum, located in Greensboro, North Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2424** To authorize assistance for the National Great Blacks in Wax Museum and Justice Learning Center.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 495** Recommending expenditures for an appropriate visitor's center at Little Rock Central High School National Historic Site to commemorate the desegregation of Little Rock Central High School.

WAXMAN, Henry A. of California

- H.R. 519** To authorize the Secretary of the Interior to conduct a study of the San Gabriel River Watershed, and for other purposes.

- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

WAXMAN, Henry A. of California—Continued

- H.R. 1524** To authorize the Secretary of the Interior to establish a commemorative trail in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3498** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".

- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

WEINER, Anthony D. of New York

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 752** To prohibit oil and gas drilling in Finger Lakes National Forest in New York.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1080** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1081** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.

WEINER, Anthony D. of New York—Continued

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.

- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3088** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 4047** To require the National Park Service to make necessary safety improvements to the Statue of Liberty and to reopen the Statue to the public.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

WELDON, Curt of Pennsylvania

- H.R. 521** To establish the Steel Industry National Historic Site in the Commonwealth of Pennsylvania.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1862** To establish the Oil Region National Heritage Area.
- H.R. 1964** To establish the Highlands Stewardship Area in the States of Connecticut, New Jersey, New York, and Pennsylvania, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 2720** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2889** To direct the Secretary of Commerce to conduct a study of existing and new fishery observer data to effectively map migratory patterns, delineate wintering areas and feeding grounds of Atlantic Striped Bass in the Mid-Atlantic exclusive economic zone, and for other purposes.
- H.R. 2890** To protect the public's ability to fish for sport, and for other purposes.
- H.R. 3778** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 4450** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 4685** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 5001** To establish a pilot program to develop a comprehensive system of ocean and coastal observations for the Nation's oceans, coasts, and Great Lakes, including enhanced security at United States ports, and for other purposes.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.
- H.Con.Res. 202** Expressing the sense of Congress in support of a National Oceans Week.

AUTHOR INDEX

WELDON, Dave of Florida

- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.

WELLER, Jerry of Illinois

- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 2242** To amend the Homeland Security Act of 2002 to include Indian tribes among the entities consulted with respect to activities carried out by the Secretary of Homeland Security, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3553** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.Res. 224** Expressing the sense of the House of Representatives that Congress should provide adequate funding to protect the integrity of the Frederick Douglass National Historic Site.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.
- H.Res. 606** Commending Kankakee County, the Kankakee River Basin Partnership, the Illinois Department of Natural Resources (IDNR), The Nature Conservancy (TNC), the Illinois Clean Energy Community Foundation, and local citizens for their work in preserving the Kankakee Sands Ecosystem in Kankakee County, Illinois.

WEXLER, Robert of Florida

- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.

- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1034** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1209** To extend the authority for the construction of a memorial to Martin Luther King, Jr., in the District of Columbia, and for other purposes.
- H.R. 1361** To direct the Secretary of the Interior to conduct a special resource study to determine the national significance of the Miami Circle site in the State of Florida as well as the suitability and feasibility of its inclusion in the National Park System as part of Biscayne National Park, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2201** To authorize the establishment of a national database for purposes of identifying, locating, and cataloging the many memorials and permanent tributes to America's veterans.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.

WEXLER, Robert of Florida—Continued

- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2871** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3378** To assist in the conservation of marine turtles and the nesting habitats of marine turtles in foreign countries.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3785** To authorize the exchange of certain land in Everglades National Park.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 737** Recognizing the 60th anniversary of the Liberation of Guam during World War II.
- H.Con.Res. 316** Recognizing that November 2, 2003, shall be dedicated to "A Tribute to Survivors" at the United States Holocaust Memorial Museum.

WHITFIELD, Ed of Kentucky

- H.R. 646** To expand the boundaries of the Fort Donelson National Battlefield to authorize the acquisition and interpretation of lands associated with the campaign that resulted in the capture of the fort in 1862, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1005** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.

- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 3796** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 4383** To ensure the continuation of successful fish mitigation programs.
- H.R. 5308** To amend the Surface Mining Control and Reclamation Act of 1977 to modify requirements relating to transfers from the Abandoned Mine Reclamation Fund, and for other purposes.
- H.Res. 173** Recognizing the achievements and contributions of the National Wildlife Refuge System on the occasion of its centennial anniversary and expressing strong support for the continued success of the National Wildlife Refuge System.

WICKER, Roger F. of Mississippi

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1235** To provide for the management of critical habitat of endangered species and threatened species on military installations in a manner compatible with the demands of military readiness, to ensure that the application of other resource laws on military installations is compatible with military readiness, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2689** To establish the Mississippi Gulf Coast National Heritage Area in the State of Mississippi, and for other purposes.
- H.R. 2894** To establish the Theodore Roosevelt National Wildlife Refuge and the Holt Collier Wildlife Interpretation and Education Center.
- H.Res. 362** Recognizing the importance and contributions of sportsmen to American society, supporting the traditions and values of sportsmen, and recognizing the many economic benefits associated with outdoor sporting activities.

AUTHOR INDEX

WILSON, Heather of New Mexico

- H.R. 222** To establish the T'uf Shur Bien Preservation Trust Area in the Cibola National Forest, and for other purposes.
- H.R. 460** To establish Institutes to conduct research on the prevention of, and restoration from, wildfires in forest and woodland ecosystems of the interior West.
- H.R. 505** To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.
- H.R. 506** To provide for the protection of archaeological sites in the Galisteo Basin in New Mexico, and for other purposes.
- H.R. 507** To declare that the United States holds certain public domain lands in trust for the Pueblos of San Ildefonso and Santa Clara.
- H.R. 762** To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 918** To authorize the Health Resources and Services Administration, the National Cancer Institute, and the Indian Health Service to make grants for model programs to provide to individuals of health disparity populations prevention, early detection, treatment, and appropriate follow-up care services for cancer and chronic diseases, and to make grants regarding patient navigators to assist individuals of health disparity populations in receiving such services.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 2059** To designate Fort Bayard Historic District in the State of New Mexico as a National Historic Landmark, and for other purposes.
- H.R. 2707** To direct the Secretaries of the Interior and Agriculture, acting through the U. S. Forest Service, to carry out a demonstration program to assess potential water savings through control of Salt Cedar and Russian Olive on forests and public lands administered by the Department of the Interior and the U. S. Forest Service.
- H.R. 3176** To designate the Ojito Wilderness Study Area as wilderness, to take certain land into trust for the Pueblo of Zia, and for other purposes.
- H.R. 3258** To authorize the Secretary of the Interior, in cooperation with the University of New Mexico, to construct and occupy a portion of the Hibben Center for Archaeological Research at the University of New Mexico, and for other purposes.
- H.R. 3834** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 4835** To establish a water supply enhancement demonstration program, including the demonstration of desalination, and for other purposes.
- H.R. 5198** To clarify issues of criminal jurisdiction within the exterior boundaries of Pueblo lands.

WILSON, Joe of South Carolina

- H.R. 332** To direct the Secretary of the Interior to study certain sites in the historic district of Beaufort, South Carolina, relating to the Reconstruction Era to assess the suitability and feasibility of designating the study area as a unit of the National Park System.
- H.R. 744** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1662** To amend the Endangered Species Act of 1973 to require the Secretary of the Interior to give greater weight to scientific or commercial data that is empirical or has been field-tested or peer-reviewed, and for other purposes.
- H.R. 1904** To improve the capacity of the Secretary of Agriculture and the Secretary of the Interior to plan and conduct hazardous fuels reduction projects on National Forest System lands and Bureau of Land Management lands aimed at protecting communities, watersheds, and certain other at-risk lands from catastrophic wildfire, to enhance efforts to protect watersheds and address threats to forest and rangeland health, including catastrophic wildfire, across the landscape, and for other purposes.
- H.R. 4492** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

WOLF, Frank R. of Virginia

- H.R. 196** To authorize the Secretary of the Interior to establish a memorial to slavery, in the District of Columbia.
- H.R. 591** To authorize the Ukrainian Congress Committee of America to establish a memorial on Federal land in the District of Columbia to honor the victims of the Ukrainian famine-genocide of 1932-1933.
- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 1442** To authorize the design and construction of a visitor center for the Vietnam Veterans Memorial.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 2237** To establish within the National Park Service the 225th Anniversary of the American Revolution Commemorative program, and for other purposes.
- H.R. 2327** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 3745** To amend the Indian Gaming Regulatory Act to require State legislature approval of new gambling facilities, to provide for minimum requirements for Federal regulation of Indian gaming, to set up a commission to report to Congress on current living and health standards in Indian country, and for other purposes.
- H.R. 3903** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

WOLF, Frank R. of Virginia—Continued

- H.R. 4202** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Crawfish Valley Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.R. 4668** To designate the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.Res. 167** Recognizing and honoring the achievements and contributions of Native Americans to the United States and urging the establishment and observation of a paid legal holiday in honor of Native Americans.
- H.Res. 556** Congratulating the United States Geological Survey on its 125th Anniversary.

WOOLSEY, Lynn C. of California

- H.R. 532** To revise the boundaries of the Golden Gate National Recreation Area in the State of California, to restore and extend the term of the advisory commission for the recreation area, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 834** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 852** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 977** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1097** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1446** To support the efforts of the California Missions Foundation to restore and repair the Spanish colonial and mission-era missions in the State of California and to preserve the artworks and artifacts of these missions, and for other purposes.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1501** To designate certain public lands in Humboldt, Del Norte, Mendocino, Lake, Napa, and Yolo Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 1639** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, which was repealed by the Federal Land Policy and Management Act of 1976.
- H.R. 1760** To establish water conservation and habitat restoration programs in the Klamath River basin and to provide emergency disaster assistance to fishermen, Indian tribes, small businesses, and others that suffer economic harm from the devastating effects of the Klamath River basin fish kill of 2002.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2169** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 2440** To improve the implementation of the Federal responsibility for the care and education of Indian people by improving the services and facilities of Federal health programs for Indians and encouraging maximum participation of Indians in such programs, and for other purposes.
- H.R. 2621** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems.
- H.R. 2656** To amend the Graton Rancheria Restoration Act to give the Secretary of the Interior discretion regarding taking land into trust.
- H.R. 3324** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands, and for other purposes.
- H.R. 3325** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and to establish the Ancient Bristlecone Pine Forest, and for other purposes.
- H.R. 3327** To designate certain public lands as wilderness and certain rivers as wild and scenic rivers in the northern portion of the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Conservation Area, and for other purposes.

AUTHOR INDEX

WOOLSEY, Lynn C. of California—Continued

- H.R. 3337** To give livestock operators holding a grazing permit or lease on Federal lands in the State of Arizona the opportunity to relinquish their grazing permit or lease in exchange for compensation, and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3545** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3745** To amend the Indian Gaming Regulatory Act to require State legislature approval of new gambling facilities, to provide for minimum requirements for Federal regulation of Indian gaming, to set up a commission to report to Congress on current living and health standards in Indian country, and for other purposes.
- H.R. 3805** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 4100** To establish a permanent trust fund to get Americans outdoors by providing access to parks and recreation areas in urban and rural communities, preservation of historic places, and promotion of healthy and active lifestyles, and to provide for hunting, angling, and wildlife viewing for the people of the United States.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4897** To protect deep sea corals and sponges, and for other purposes.
- H.R. 4900** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a National Oceans Council, and for other purposes.
- H.R. 5312** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 5352** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.

WU, David of Oregon

- H.R. 514** To provide for the conveyance of a small parcel of Bureau of Land Management land in Douglas County, Oregon, to the county to improve management of and recreational access to the Oregon Dunes National Recreation Area, and for other purposes.
- H.R. 733** To authorize the Secretary of the Interior to acquire the McLoughlin House National Historic Site in Oregon City, Oregon, and to administer the site as a unit of the National Park System, and for other purposes.
- H.R. 770** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 898** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

- H.R. 911** To authorize the establishment of a memorial to victims who died as a result of terrorist acts against the United States or its people, at home or abroad.
- H.R. 979** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1006** To amend the Lacey Act Amendments of 1981 to further the conservation of certain wildlife species.
- H.R. 1105** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1130** To require the Secretary of the Interior to implement the final rule to phase out snowmobile use in Yellowstone National Park, John D. Rockefeller Jr. Memorial Parkway, and Grand Teton National Park, and snowplane use in Grand Teton National Park.
- H.R. 1472** To require the adoption and enforcement of regulations to prohibit the intentional feeding of bears on Federal public lands in order to end the hunting practice known as "bear baiting" and reduce the number of dangerous interactions between people and bears.
- H.R. 1525** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a feasibility study of the Tualatin River Basin in Oregon.
- H.R. 1647** To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.
- H.R. 1796** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1945** To authorize the Secretary of Commerce to provide financial assistance to the States of Alaska, Washington, Oregon, California, and Idaho for salmon habitat restoration projects in coastal waters and upland drainages, and for other purposes.
- H.R. 2369** To protect inventoried roadless areas in the National Forest System, and for other purposes.
- H.R. 3292** To establish the Commission to Establish a National Museum of the American Latino to develop a plan of action for the establishment and maintenance of the National Museum of the American Latino in Washington, D.C., and for other purposes.
- H.R. 3446** To provide for the protection of the last remaining herd of wild and genetically pure American buffalo.
- H.R. 3459** To improve the health of minority individuals.
- H.R. 3550** To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.
- H.R. 3819** To redesignate Fort Clatsop National Memorial as the Lewis and Clark National Historical Park, to include in the park sites in the State of Washington as well as the State of Oregon, and for other purposes.
- H.R. 4469** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 4706** To amend the Magnuson-Stevens Fishery Conservation and Management Act to provide for stewardship of fishery resources for the American public, and for other purposes.
- H.R. 4944** To designate the Ice Age Floods National Geologic Trail, and for other purposes.

WU, David of Oregon—Continued

- H.R. 5289** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.Res. 746** Honoring the 40th Anniversary of the Wilderness Act.
- H.Con.Res. 341** Recognizing the 20th anniversary of the restoration of Federal recognition of the Confederated Tribes of the Grand Ronde Community of Oregon.

WYDEN, Ron of Oregon

- S. 144** To require the Secretary of the Interior to establish a program to provide assistance through States to eligible weed management entities to control or eradicate harmful, nonnative weeds on public and private land.
