

Project Name	Recipient	Recipient Street Address	City	State	Zip	For Profit (Y/N)	Project Description	Cost
Add/Alt Building 1	Ohio National Guard	2825 W Dublin Granville Road	Columbus	OH	43235	N	Funds from this request would be used to upgrade facilities at the Zanesville Air National Guard station. This project is a valuable use of taxpayer funds because it will improve the readiness of the Ohio Air National Guard.	\$2,000,000.00
Add/Alt Maintenance Building	Ohio National Guard	2825 W Dublin Granville Road	Columbus	OH	43235	N	Funds from this project would be used to upgrade the facilities at Camp Sherman. This request is a valuable use of taxpayer funds because it will enhance the military readiness of the National Guard.	\$2,499,000.00
Appalachian Education Improvement Project, OH	Battelle for Kids	1160 Dublin Road	Columbus	OH	43215	N	Funding will support implementation and evaluation of an innovative program to improve student access and achievement in Appalachian Ohio. This project is a valuable use of taxpayer funds because it will increase college readiness and workforce skills of Appalachian students; establish higher standards for educators and students; advance access to education for underserved students; and produce quantifiable academic gains.	\$325,000.00
Appalachian Mentoring Project	Big Brothers Big Sisters of Athens, Inc.	P.O. Box 1199	Athens	OH	47501	N	Funds from this request would be used to make improvements to Camp Oty'Okwa. This request is a valuable use of taxpayer funds because it will create new jobs, while improving a youth camp in Hocking County.	\$70,000.00
Appalachian Ohio Green Job Corps	Corporation for Ohio Appalachian Development, Inc.	1 Pinchot Lane	Athens	OH	45701	N	Federal funds are being requested to build a green jobs corps in Appalachian Ohio. This is a valuable use of federal funds because it will create many jobs in an economically depressed area.	Language Request
Arbaugh-Hope Waterline Extension Project	Vinton County Board of Commissioners	205 South Market Street	McArthur	OH	45651	N	This project would allow for the construction of water lines to offer potable water to residents of Vinton County. This request is a valuable use of taxpayer funds because it will improve water infrastructure in Vinton County and create jobs.	\$800,000.00
Assessment of Land Management Practices for Reducing Runoff and Improving Water Quality from Urban Areas	North Appalachian Experimental Watershed - USDA	P.O. Box 488	Coshocton	OH	43824	N	The proposed project will provide research on the effects of land erosion and the ways to prevent it. The research is a valuable use of taxpayer funds because the results would be helpful in urbanizing areas throughout the 18th District, the state, and nation as they try to control accelerated erosion, runoff and flooding as urbanization takes place.	\$877,548.00
Belmont County & National Road Tourism Center	Belmont County Commissioners	101 West Main St	St. Clairsville	OH	43950	N	Funds from this request would be used to renovate a historic building in St. Clairsville for use as a museum/welcome center. This request is a valuable use of taxpayer funds because it will create jobs and enhance economic development in the region.	\$1,121,000.00
Belmont County Facility Upgrades	Belmont County Board of Commissioners	101 West Main Street	St. Clairsville	OH	43950	N	Funds from this project would be used to upgrade Belmont County facilities. This request is a valuable use of taxpayer funds because it will reduce energy costs for the County.	\$1,207,248.00
Big Brothers Big Sisters of Central Ohio for Renovations, Facilities Improvements, and Equipment Upgrades	Big Brothers Big Sisters of Central Ohio, Inc	1855 East Dublin-Granville Road	Columbus	OH	43229	N	Funds from this request would be used to make improvements to facilities used by Big Brothers Big Sisters. This request is a valuable use of taxpayer funds because it will create new jobs and provide needed improvements to the facility	\$275,000.00
Biodiesel Production Facility	Harrison County Water and Sewer District	100 West Market St.	Cadiz	OH	43907	N	Funds from this project would support the construction of a biomass facility for the Village of Cadiz. This project is a valuable use of taxpayer funds because it will reduce energy costs for the County and create new jobs.	\$435,000.00

C.R. 213 Steel Truss Bridge Replacement, Ross County, Ohio	Ross County Commissioners	2 N. Paint St	Chillicothe	OH	45601	N	Funds from this project would be used to replace an aging bridge on C.R. 213. This request is a valuable use of taxpayer funds because it will improve the safety of transportation infrastructure and create jobs.	\$485,000.00
C.R. 35 Rehabilitation and Resurfacing	Ross County Commissioners	2 N. Paint St	Chillicothe	OH	45601	N	Funds from this project would be used to rehabilitate and resurface C.R. 35 in Ross County. This request is a valuable use of taxpayer funds because it will improve road safety and promote economic development.	\$900,000.00
Campus Technology Upgrade	Kent State University of Tuscarawas	330 University Drive NE	New Philadelphia	OH	44663	N	The funds will be used to purchase computer stations and LCD video projectors at Kent State University at Tuscarawas. This is an important use of taxpayer funds because it will allow the University to provide the best possible equipment for its students.	\$180,000.00
Carbon Dioxide Sequestration and Corrosion, Ohio University, Athens, OH	Ohio University	Cutler Hall	Athens	OH	45701	N	Funds from this project will support research into carbon dioxide sequestration technology. This request is a valuable use of taxpayer funds because it will help provide for a future for coal in the nation's energy portfolio.	\$1,675,000.00
Carroll County Sheriff's Office, Jail and Courthouse Security Equipment Upgrade	Carroll County Sheriff's Office	43 2nd Street SE	Carrollton	OH	44615	N	Funds from this project would be used to provide the Carroll County Sheriff's office with a surveillance equipment upgrade. This project is a valuable use of taxpayer funds because it will improve public safety in Carroll County.	\$150,000.00
Center for Logistics Management	Ohio Christian University	1476 Lancaster Pike	Circleville	OH	43113	N	The federal funds will be used to expand program's at OCU's logistics management program. This is a valuable use of taxpayer funds because it will provide education and job training in an area hard hit by the economic downturn.	\$650,000.00
Community Action Service Center: Multi-Purpose Community Facility	Hocking Athens Perry Community Action	P.O. Box 220	Glouster	OH	45732	N	Funds from this request would be used for the renovation of an unused building to serve as a multi-purpose community facility. This request is a valuable use of taxpayer funds because it will improve the services available to the residents of the region.	\$923,700.00
Compass Program	Wayne College Holmes County Higher Education Center	88-B East Jackson Street	Millersburg	OH	44654	N	Federal funds would be used for conducting placement testing (Compass tests) at the Wayne County Schools Career Center. This is a valuable use of taxpayer funds because this program has decreased the need for remedial classes at college and increased the prospects for academic success.	\$70,000.00
County Communications Towers for Public Safety in Holmes County	Holmes County Commissioners	2 Court Street, Suite 14	Millersburg	OH	44654	N	Funds from this project would support the construction of communication towers for public safety officers in Homes County, Ohio. This project is a valuable use of taxpayer funds because it will create jobs and improve public safety.	\$800,000.00
Critical Communication Infrastructure Upgrade	Harrison County Sheriff	114 Court St.	Cadiz	OH	43907	N	Funds from this project would support a major equipment upgrade for law enforcement in Harrison County. This request is a valuable use of taxpayer funds because it will enhance the public safety of Harrison County.	\$271,530.00
CSO 1006 Diversion Project	City of Newark	34 South 5th Street	Newark	OH	43055	N	Funds from this project would be used to upgrade sewer pipelines in Newark. This request is a valuable use of taxpayer funds because it will improve the infrastructure of the region and create jobs.	\$947,000.00
CSO 1013 UnderflowProject	City of Newark	34 South 5th Street	Newark	OH	43055	N	Funds from this request will support needed water infrastructure improvements for the City of Newark. This request is a valuable use of taxpayer funds because it will improve the City's infrastructure and create jobs.	\$200,000.00

Decentralized Sewer Improvements	Village of Harrisville	P.O. Box 249	Harrisville	OH	43974	N	Funds from this project would be used to purchase a new decentralized sewer system for the community of Harrisville. This request is a valuable use of taxpayer funds because it will improve the water infrastructure of the region and enhance economic development opportunities.	\$2,337,568.00
Diabetes Telehealth Collaborative – Southeastern Ohio	Nationwide Children's Hospital	700 Children's Drive	Columbus	OH	43205	N	Federal funds will be used to purchase equipment and pay for services to create a Diabetes Telehealth Collaborative in Southeastern Ohio. This is a valuable use of taxpayer because it brings much needed medical assistance to Ohio's 18th District for residents living with diabetes.	\$252,655.00
Dillon Lake, OH	USACE Huntington District	502 Eighth St.	Huntington	WV	25701	N	Funds from this request will be used for operations and maintenance work on Dillon Lake. This project is a valuable use of taxpayer funds because it will improve the water infrastructure at Dillon Lake and maintain jobs in Ohio.	\$1,260,000.00
Dover Dam, Muskingum River, OH	USACE Huntington District	502 Eighth St.	Huntington	WV	25701	N	Funds from this project will be used for construction on the Dover Dam. This project is a valuable use of taxpayer funds because it will protect the residents of Tuscarawas County from dangerous flooding and maintain jobs.	\$36,000,000.00
EMT 12-Lead EKG Implementation*	Adena Health System	272 Hospital Rd	Chillicothe	OH	45601	N	With this funding, fifty-six transmission capable 12-Lead electrocardiogram (EKG) Monitors/Defibrillators will be installed in every Volunteer EMS squad in four rural Ohio counties and in four hospitals. This is an important use of taxpayer funds because transmitting the EKG data from the field to the hospital provides early warning signs of a possible heart attack and can mobilize its cardiac intervention program awaiting the patient's arrival.	\$596,525.00
Energy and Green Systems Laboratories	Zane State College	1555 Newark Road	Zanesville	OH	43701-2620	N	This project will provide equipment to train technicians for jobs in green industries. This is a valuable use of taxpayer funds because this equipment will allow individuals to receive hands-on training that emphasizes practical skills to develop proficiencies needed by companies.	\$700,000.00
Expanded Emergency Food Transportation Program	Akron-Canton Regional Foodbank	350 Opportunity Parkway	Akron	OH	44307	N	Funds from this request would support the work of the Akron-Canton Regional Food Bank. This request is a valuable use of taxpayer funds because it will enhance the services the Food Bank can provide to families in need in Ohio's 18th Congressional District.	\$1,116,175.00
First Responder Training Facility	Guernsey County	627 Wheeling Avenue	Cambridge	OH	43725-225	N	Funds from this project would be used for the construction of a first responder training facility in Guernsey County. This request is a valuable use of taxpayer funds because it will improve the region's public safety.	\$530,000.00
Food for Thought: A Local Farm Initiative	Kenyon College	College Relations Center	Gambier	OH	43022		Program funds directly assist local farmers beyond their individual capabilities through marketing assistance, product analysis, and assistance in preparing federal and state grant applications. This is a valuable use of taxpayer funds because it will raise the profile of Knox County's 1,300 family farms, enhance the science of sustainable farming, and expand agricultural education in the region.	\$793,000.00
Fox-Shannon Wastewater Treatment Plant Improvements	Belmont County Commissioners	101 West Main Street	St. Clairsville	OH	43950	N	Funds from this request would be used for improvements at the Fox-Shannon Wastewater Treatment Plant. This request is a valuable use of taxpayer funds because it will improve the water infrastructure of the region while also creating jobs.	\$800,000.00
Fredericktown Water Main Loop	Village of Fredericktown	2 East Sandusky Street	Fredericktown	OH	4319	N	Funds from this project would support the replacement of water lines in the Village of Fredericktown. This request is a valuable use of funds because it will improve the water infrastructure of the Village while creating jobs and enhancing public safety.	\$1,842,800.00
Fused Silica Transparent Armor for Complex Shapes	Edison Materials Technology Center	3155 Research Boulevard	Dayton	OH	45420	N	This request will provide the military with valuable technology for armoring vehicles. This request is a valuable use of taxpayer funds because it will improve the readiness of American armed forces.	\$4,000,000.00

Geothermal Beta Test	Belmont County Port Authority	121 Newell Avenue	St. Clairsville	OH	43950	N	Funds from this project would support a demonstration project that would use municipal water systems in Belmont County to generate geothermal energy for Belmont County. This project would be a valuable use of taxpayer funds because it would reduce energy costs in Belmont County and	\$583,221.00
Grazing Research Project at the North Appalachian Experimental Watershed at Coshocton, OH.	North Appalachian Experimental Watershed - USDA	P.O. Box 488	Coshocton	OH	43824	N	Grazing minimizes the start up costs for farming; lowers energy consumption; and can offer protection to highly erodible lands when good environmental practices are put in place. This management provides for the maximization of grasslands in 18th District as well as Eastern United States. Much of the grassland research comes from the Western United States with different forages, rainfall, management and soils. This continuing research is a valuable use of taxpayer funds because it provides needed information for establishing and maintaining grazing enterprises in our region.	\$530,000.00
Green Elementary School Renovation	Hocking County Board of DD	1369 E. Front Street	Logan	OH	43138	N	Funds from this project would be used to make improvements to Hocking County Board of DD facilities. This request is a valuable use of taxpayer funds because it will reduce the energy costs for Hocking County Board of DD.	\$350,000.00
Harrison County/Cadiz Village Wastewater Plant	Harrison County Water and Sewer District	100 West Market St	Cadiz	OH	43907	N	Funds from this request will be used for pumping facilities in the Village of Cadiz. This request is a valuable use of taxpayer funds because it will improve the infrastructure of the region and create jobs.	\$3,000,000.00
Hattie Larlham Autism Preschool	Hattie Larlham Research Institution	9772 Diagonal Road	Mantua	OH	44255	N	Federal funds will go towards programs for autistic children at the Hattie Larlham Autism School. This is an important use of taxpayer funds because it will expand a program that provides intensive early intervention services to autistic children ages 2½ to 5.	\$728,113.00
HCEI Energy Equipment	Hocking College Energy Institute	30140 Iles Road	Logan	OH	43138	N	Federal funds will be used for the purchase of equipment at Hocking College's Energy Institute. This is a valuable use of taxpayer funds because the Institute will prepare students to work on these systems upon graduation making them more competitive for jobs.	\$2,235,000.00
Health Outreach and Services in Appalachia, Ohio University	Ohio University	Cutler Hall	Athens	OH	45701	N	Funds will provide mobile no-cost health outreach and services to uninsured and under-insured in Appalachia Ohio, serving over 10,000 individuals annually. This is an important use of taxpayer funds because limited access to health care and lack of preventative care led to significant health disparities in Appalachia, resulting in higher rates of coronary artery disease, hypertension, lung disease, obesity, and diabetes.	\$500,000.00
High Bandwidth, Mobile Medical Communications Platform to Revolutionize Rural Health Care	Ohio State University	320 Kinnear Rd	Columbus	OH	43212	N	This project will develop technologies enabling real-time video communications using a low cost mobile platform. This request is a valuable use of taxpayer funds because it will improve the health technology available to the military and the residents of rural Ohio.	\$3,500,000.00
Hocking County Community Improvement Corporation Incubator	Hocking County Community Improvement Corporation	4 E. Hunter St	Logan	OH	43138	N	Funds for this project would be used to construct a business incubator in Hocking County. This project is a valuable use of taxpayer funds because it will improve economic development opportunities in the region.	\$4,500,000.00
Hopedale Village Wastewater System Improvements	Village Of Hopedale	105 E. Main Street	Hopedale	OH	43976	N	Funds from this request would be used to replace deteriorated and worn equipment at the Hopedale Village Wastewater system. This request is a valuable use of taxpayer funds because it will improve the infrastructure of the community and create jobs.	\$136,570.00
Immersive Science Education Programs	International Center for the Preservation of Wild Animals (ICPWA) d.b.a. the Wilds	14000 International Road	Cumberland	OH	43731-9500	N	Federal funds will be used for education programs at the Wilds. This is a valuable use of taxpayer funds because these programs enhance education for children by increasing the understanding of environmental and ecological issues.	\$458,190.00

Rep. Zack Space FY 2010 Appropriation Project Requests

Improve Ohio's Local Law Enforcement Information Sharing Network	Ohio Attorney General	30 E. Broad Street	Columbus	OH	43215	N	Funds from this project would be used to provide improvements to the Ohio Local Law Enforcement Information Sharing Network. This project is a valuable use of taxpayer funds because it will improve public safety throughout Ohio.	\$1,500,000.00
Information System Replacement	Southeastern Ohio Regional Medical Center	1341 Clark Street	Cambridge	OH	43725	N	Federal funds will be used to replace the Southeastern Ohio Regional Medical Center's information system. This is a valuable use of taxpayer funds because an updated information system is a critical part of providing high quality health care for the region.	\$800,000.00
Inspection of Completed Works, OH	USACE Huntington District	502 Eighth St.	Huntington	WV	25701	N	Funds from this project would be used to ensure the safety and stability of Army Corps projects throughout Ohio. This project is a valuable use of taxpayer funds because it will ensure the safety of Ohio's water infrastructure.	\$318,000.00
Jacksontown Sewer Project.	Licking County Commissioners	P.O. Box 490	Newark	OH	43058	N	Funds from this project would be used to enhance the water infrastructure serving the residents of the Jacksontown area. This request is a valuable use of taxpayer funds because it will improve the community's infrastructure and enhance economic development opportunities.	\$1,000,000.00
Jobs for Ohio's Graduates Dropout Prevention Initiative	Jobs for Ohio's Graduates, Inc.	21 E. State Street,	Columbus	OH	43215	N	Federal funds will be used for personnel and resources for job training. This is an important use of taxpayer funds because this program addresses high dropout rates, low academic performance, and youth unemployment.	\$600,000.00
Kenyon Academic Partnership	Kenyon College	College Relations Center	Gambier	OH	43022	N	Federal funds will be used to purchase materials to expand a program which increases participation rates in higher education among regional high school students. This is a valuable use of taxpayer funds because this program helps students from economically disadvantaged areas make the transition from high school to college.	\$190,327.00
Kenyon College Scientific Imaging Initiative	Kenyon College	College Relations Center	Gambier	OH	43022	N	Funds would specifically support the acquisition of new instrumentation and computing equipment. This is a valuable use of taxpayer funds because the program will provide regional high school students with access to education resources that are not readily available.	\$819,400.00
Law Enforcement Training Program, Ohio University, Chillicothe	Ohio University-Chillicothe	101 University Drive	Chillicothe	OH	45601	N	Funds from this project will support an equipment upgrade for the Ohio University-Chillicothe Law Enforcement Training Program. This request is a valuable use of taxpayer funds because it will improve public safety in Ross County and assist job training efforts in the county.	\$335,000.00
Licking County Administration Building Renovation of HVAC Systems	Licking County Commissioners	20 South Second Street	Newark	OH	43055	N	Funds from this request would be used to demonstrate how improved HVAC systems at the Licking County building can reduce costs for the county. This request is a valuable use of taxpayer funds because it will reduce energy cost obligations for the County.	\$1,207,248.00
Maysville Sewer Project	Muskingum County Commissioners	401 Main St.	Zanesville	OH	43701	N	Funds from this request would support the construction of a new sewer project in Muskingum County. This request is a valuable use of taxpayer funds because it will improve the water infrastructure of the region and create jobs.	\$2,500,000.00
McConnellsville Readiness Center Renewable Energy Demonstration Project	Ohio National Guard	2825 W Dublin Granville Road	Columbus	OH	43235	N	Funds from this project would be used to construct a renewable energy demonstration project in Morgan County, Ohio. This request is a valuable use of taxpayer funds because it will reduce energy costs for the Ohio National Guard.	\$5,565,958.00

Mobile Medical Unit Project	Knox Community Hospital	1330 Coshocton Road	Mount Vernon	OH	43050	N	The project funds will be spent to purchase equipment for a mobile medical unit. This project is a valuable use of taxpayer funds because it will help provide basic primary health care to Knox County, Ohio residents.	\$479,776.00
Morgan County Jail	Morgan County Commissioners	155 East Main Street	McConnelsville	OH	43756	N	Funds from this request would be used for the construction of a new jail in Morgan County. This request is a valuable use of taxpayer funds because it will create savings for Morgan County.	\$6,000,000.00
Muskingum County Business Incubator Renovation Project	Muskingum County Commissioners	56 North 5th Street	Zanesville	OH	43701	N	Funds for this project would be used to renovate an existing building to house the Muskingum County Business Incubator. This request is a valuable use of taxpayer funds because it will promote economic development in Muskingum County and create jobs.	\$1,100,000.00
Muskingum River Lakes, OH	USACE Huntington District	502 Eighth St.	Huntington	WV	25701	N	Funds from this project would be used to replace emergency generators at the dam in Bolivar and other locations. This project is a valuable use of taxpayer funds because it will improve the water infrastructure in the region and maintain jobs.	\$8,244,000.00
Nelsonville Water treatment Plant Improvement	City of Nelsonville	211 Lake Hope Drive	Nelsonville	OH	45764	N	Funds from this request would be used to construct a new water treatment plant to replace the existing, outdated plant. This request is a valuable use of taxpayer funds because it will improve the region's infrastructure and create jobs.	\$1,000,000.00
North Branch Kokosing River Lake, OH	USACE Huntington District	502 Eighth St.	Huntington	WV	25701	N	Funds from this project would be used for operations and maintenance at the Kokosing Dam. This request is a valuable use of taxpayer funds because it will reinforce critical infrastructure and maintain jobs.	\$296,000.00
Ohio & Erie Canal Towpath Trail Aqueduct Bridge	Ohio & Erie Canalway Coalition	47 West Exchange Street	Akron	OH	44308	N	Funds from this request would be used to make improvements to the Ohio & Erie Canal Towpath Trail. This request is a valuable use of taxpayer funds because it will enhance economic development opportunities for the County.	\$500,000.00
Ohio Center for Water Quality Trading	The Ohio State University	2120 Fyffe Rd. Room 100 Agricultural Administration Building	Columbus	OH	43210	N	The Ohio Center for Water Quality Trading will provide integration of water quality trading driven by federal pollution regulatory requirements with locally-funded economic development and increased conservation. This is a valuable use of taxpayer funds because the process will save county, village, and municipal taxpayers and industries money in facility upgrade costs, support local conservation efforts, while providing a stimulus for local economic innovation.	\$199,000.00
Ohio Environmental Infrastructure, OH	City of Zanesville	401 Market Street	Zanesville	OH	43701	N	Funds from this request would be used to separate sanitary and storm sewers in Zanesville, as part of the City's long term development plan. This request is a valuable use of taxpayer funds because it will improve the City's infrastructure and create jobs.	\$5,000,000.00
Ohio Environmental Infrastructure, OH	Guernsey County	627 Wheeling Avenue	Cambridge	OH	43725	N	This project would provide for the extension of existing water infrastructure in Guernsey County to serve more residents. This request is a valuable use of taxpayer funds because it will improve the infrastructure of the area and create jobs.	\$2,100,000.00
Ohio Environmental Infrastructure, OH	Licking County Commissioners	P.O. Box 490	Newark	OH	43058	N	Funds from this project would be used to purchase a new drinking water treatment and distribution system for the Village of Gratiot. This request is a valuable use of taxpayer funds because it will improve the water infrastructure for the residents of the Village and create jobs.	\$1,300,000.00
Ohio Environmental Infrastructure, OH	Guernsey County	627 Wheeling Avenue	Cambridge	OH	43725	N	Funds from this project would be used to build a waterline to serve additional residents and businesses in Guernsey County with access to water. This request is a valuable use of taxpayer funds because it will improve the water infrastructure of the area and create jobs.	\$825,000.00

Old Washington Fire Department Equipment Upgrade.	The Old Washington Community Volunteer Fire Company	P.O. Box 205	Old Washington	OH	43768	N	Funds from this project would support an equipment upgrade for the Old Washington Fire Department. This project will be a valuable use of taxpayer funds because it will improve public safety in the region.	\$175,000.00
Paint Creek Lake, OH	USACE Huntington District	502 Eighth St.	Huntington	WV	25701	N	Funds from this project would be used for operations and maintenance at Paint Creek Lake. This project is a valuable use of taxpayer funds because it would improve the water infrastructure of the region and maintain jobs.	\$1,297,000.00
Practice Management/Electronic Health Record	Mercy Medical Center, Inc.	1320 Mercy Drive, NW	Canton	OH	44708	N	The funds will establish a framework for a comprehensive, interoperable health information infrastructure. This is a valuable use of taxpayer funds because health information technology is a huge component in the future of medical care. Also, a significant number of jobs in all districts in Ohio will be created and mandated as Electronic Health Records become the health care norm.	\$951,386.00
Psychiatric Bridge Program for Veterans and the Chronically Ill	The Visiting Nurse Association of Ohio	1661 Venture Dr.	Mt. Vernon	OH	43050	N	The funds will be used for the production of mental health disease educational materials, the purchase of units for medication compliance, the purchase of video telemedicine equipment, and laptops. This is an important use of taxpayer funds because this program will create jobs in the region while addressing both the mental health and physical needs of several consumer groups including: Patients with Chronic Disease and Veterans/Army Reservists.	\$400,000.00
Rebuilding of Fort Laurens	Tuscarawas County Convention and Visitors Bureau	124 East High Avenue	New Philadelphia	OH	44663	N	Funds from this project would be used to reconstruct historic Fort Lauren. This request is a valuable use of taxpayer funds because it will increase tourism and economic development in Tuscarawas County.	\$200,000.00
Regional Medical Imaging System	Holzer Consolidated Health Systems	100 Jackson Pike	Gallipolis	OH	45631-1560	N	Holzer's Regional Medical Imaging System will implement a Picture Archiving Communications System (PACS) in several of Holzer's health facilities. This is a valuable use of taxpayer funds because PACS allow radiology images to be read, shared and stored digitally, which means quicker implementation of life-saving treatment plans.	\$752,831.00
Renovate Vehicle Maint. Building	Ohio National Guard	2825 W Dublin Granville Road	Columbus	OH	43235	N	Funds from this request would be used to facilitate upgrades to facilities at the Zanesville Air National Guard Station. This request is a valuable use of taxpayer funds because it will enhance the preparedness of the Ohio National Guard.	\$610,000.00
Road Chip and Seal, Center Township, Morgan County, Ohio	Center Township Trustees	525 State Route 83	Beverly	OH	45715	N	Funds from this project would be used to upgrade the transportation infrastructure of Center Township. This request is a valuable use of taxpayer funds because it will improve the transportation infrastructure and enhance economic development opportunities in an economically depressed region of Ohio.	\$72,748.00
Roseville Local Protection Project, OH	USACE Huntington District	502 Eighth St.	Huntington	WV	25701	N	Funds from this project would be used to enhance flood prevention in City of Roseville, Ohio. This project is a valuable use of taxpayer funds because it will protect the region from flooding.	\$35,000.00
Roweton School & Employment Center	Ross County Board of Commissioners	2 North Paint Street	Chillicothe	OH	45601	N	Funds from this request will be used to construct a training center for at-risk youth and young adults. This request is a valuable use of taxpayer funds because it will create new job training opportunities and create jobs.	\$1,000,000.00
Rte. 40 and I-70 Connector, Belmont County, OH	Belmont County Commissioners	101 East Main Street	St. Clairsville	OH	43950	N	Funds from this request would facilitate the construction of a connector road between Rte. 40 and I-70 in St. Clairsville. This project is a valuable use of taxpayer funds because it will enhance economic development in the region and create jobs.	\$1,500,000.00

Rural Drinking Water Technical Assistance	Rural Community Assistance Partnership (RCAP)	1522 K Street, NW	Washington	DC	20005	N	Funds from this project would allow Rural Community Assistance Partnerships to provide technical assistance to rural communities seeking drinking water infrastructure. This request is a valuable use of taxpayer funds because it will help Ohio communities improve their drinking water infrastructure and create jobs.	\$5,000,000.00
Rural Ohio Telemedicine Project	OhioHealth Corporation	180 East Broad Street	Columbus	OH	43215	N	This project will fund creation of a new telemedicine network between Riverside Methodist Hospital in Columbus and Hocking Valley Community Hospital in Logan, Ohio. It is a valuable use of taxpayer funds because it will enable Hocking Valley Community Hospital to link with the telemedicine hub located at Riverside Methodist Hospital in Columbus.	\$170,172.00
Small Business Development for Appalachian Ohio's Emerging Biomass Industry, Ohio University, Athens, OH	Ohio University	Cutler Hall	Athens	OH	45701	N	Funding will be used for research and development in the biomass fuel industry.
