

## ALLEGHENY COUNTY

Allegheny County has benefitted significantly from the Recovery Act. As a direct result, over 540,000 constituents received a tax cut. In addition, Allegheny County has received over \$981 million in funding for education, transportation, and infrastructure and other projects.

### Education

The Recovery Act is providing much-needed federal funding for local school districts. School districts are using these funds for a variety of purposes, including special education, educational technology, and basic education needs. These funds have unequivocally prevented the elimination of teaching positions and have helped stabilize education budgets throughout the Commonwealth. Specific awards in Allegheny County include:

- \$115,607 to the Academy Charter School
- \$630,933 to the Allegheny Valley School District
- \$688,970 to the Avonworth School District
- \$2,015,610 to the Baldwin-Whitehall School District
- \$1,988,779 to the Bethel Park School District
- \$902,429 to the Brentwood Borough School District
- \$180,147 to the Career Connections Charter High School
