LYCOMING COUNTY

Lycoming County has benefitted significantly from the Recovery Act. As a direct result, over 52,000 constituents received a tax cut. In addition, Lycoming County has received over \$45 million in funding for education, transportation, and infrastructure and other projects.

The Recovery Act is providing much-needed federal funding for local school districts. School districts are using these funds for a variety of purposes, including special education, educational technology, and basic education needs. These funds have unequivocally prevented the elimination of teaching positions and have helped stabilize education budgets throughout the Commonwealth. Specific awards in Lycoming County include: \$1,297,165 to the East Lycoming School District \$2,403,403 to the Jersey Shore Area School District \$717,634 to the Loyalsock Township School District \$902,800 to the Montgomery Area School District \$1,197,813 to the Montoursville Area School District \$847,857 to the Muncy School District \$1,085,842 to the South Williamsport Area School District \$5,493,252 to the Williamsport Area School District
Total Education Funding: \$13,945,766
The Recovery Act is helping Pennsylvania revitalize its transportation
infrastructure through highway resurfacing and bridge rehabilitation projects. It is also providing funding for key infrastructure projects designed to improve water quality. Specific awards in Lycoming County include:
