

PHILADELPHIA COUNTY

Philadelphia County has benefitted significantly from the Recovery Act. As a direct result, over 506,000 constituents received a tax cut. In addition, Philadelphia County has received over \$1.9 billion in funding for education, transportation, and infrastructure and other projects.

Education

The Recovery Act is providing much-needed federal funding for local school districts. School districts are using these funds for a variety of purposes, including special education, educational technology, and basic education needs. These funds have unequivocally prevented the elimination of teaching positions and have helped stabilize education budgets throughout the Commonwealth. Specific awards in Philadelphia County include:

- \$329,240,753 to the Philadelphia City School District
- \$170,854 to the Ad Prima Charter School
- \$264,924 to the Alliance for Progress Charter School
