

Dear Congressman Don Young,

We are Alaskan students who participated in the Close Up Program this 2010 year. We enjoyed meeting with your staffers and seeing your office and Affiran Room. It made us feel back at home. We would have loved to have met you personally but we understand the circumstances that were involved. We feel properly represented by you and appreciate everything you do for Alaska and its people.

We had an amazing trip here in D.C. and going to your office was one of the highlights of this experience. We hope in the future you allow the Alaskan Close Up group to return to your office and get the great opportunity that we did.

Thank you for everything you do.
