submitted the following

## R E P O R T

[To accompany H. Res. 1490]

The Committee on Rules, having had under consideration House Resolution 1490, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

### SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution waives all points of order against the conference report on H.R. 4173, the Wall Street Reform and Consumer Protection Act of 2009, and against its consideration. The resolution provides that the conference report shall be considered as read. The previous question shall be considered as ordered on the conference report to its adoption without intervening motion except: (1) two hours of debate; and (2) one motion to recommit if applicable.

### EXPLANATION OF WAIVERS

The waiver of all points of order against the conference report and against its consideration includes a waiver of clause 8 of rule XXII (requiring a three-day layover of conference reports and the accompanying joint explanatory statement). Although the rule waives all points of order against the conference report and against its consideration, the conference report does not violate clause 9 of rule XXI. Although the waiver of all points of order against consideration of the conference report includes a waiver of clause 10 of rule XXI (regarding PAYGO), the conference report is in full compliance with statutory PAYGO.
