

The Chronicles Group/Running Dry Project and The Metropolitan Water District of Southern California in Association with the Embassy of Australia and the CSIS Global Water Futures Project present:

Coping with Drought & Water Scarcity:

Lessons Learned from Australia & the United States

WHAT: A lunch/panel discussion of what actions we need to take to tackle our unsustainable water future

WHEN: February 24th, 2010 - Noon until 2:00 pm

WHERE: Center for Strategic and International Studies
1800 K Street NW, Washington, DC 20006
BI Conference Center

This lunch/panel discussion is a prelude to the February 24th evening event which will be held at the Capitol Visitor Center Auditorium from 6:00 pm to 8:30 pm and will feature the preview of **RUNNING DRY: BEYOND THE BRINK**.

RSVP: Aaron at agoldblatt@csis.org
