Any entry which has been reproduced from an existing photo (not the student's own), painting, graphic, advertisement, or any other work produced by another person is a violation of the competition rules and **will not** be accepted. - The final decision regarding the suitability of all artwork for the 2010 Congressional Art Competition exhibition in the Capitol will be made by a panel of qualified persons chaired by the Architect of the Capitol. Artwork must adhere to the policy of the House Office Building Commission. In accordance with this policy, exhibits depicting subjects of contemporary political controversy or a sensationalistic or gruesome nature are not allowed. It is necessary that all artwork be reviewed by the panel chaired by the Architect of the Capitol and any portion not in consonance with the Commission's policy will be omitted from the exhibit.

## Framing Guidelines

- **All artwork must be framed.** Frames should be kept as simple and sturdy as possible. Metal frames are recommended. No “snap on” frames with glass are to be used.
- All artwork must be protected by Plexiglas or glass. Plexiglas is preferred. If glass is used, cover the entire surface completely with masking tape prior to shipping.
- All works, **including frame**, should be **no larger** than 28 inches high, 28 inches wide, and 4 inches deep, and 15lbs in weight. *This includes the outside dimensions of the frame.* Please double check size before sending in the entry.
- Matting can enhance or detract from a work of art and should be carefully prepared.
- Use sturdy picture hangers on the back of the frame. Two sturdy eye hooks should be attached at the right and the left sides of the back of the work for hanging in order to prevent the work from leaning forward or hanging unevenly. Do not put wire between the hooks for hanging, these will be added when the artwork is hung in the Capitol.
- Do not attach labels, ribbon, etc. to the front of the piece or underneath the glass or Plexiglas.
- If the artwork is abstract in design, please indicate on the backside which side is “up” with arrows.
- As directed by the House Oversight and Standards of Official Conduct Committees, the *artist of the winning artwork is responsible for framing his or her own entry.*
