

# Average Processing Time for Social Security Disability Claims

Source: Congressional Research Service (CRS). Data provided by the Social Security Administration (SSA).  
Notes: 1) Data is for FY2010 through February 2010; 2) Processing times do not include time needed to file appeals, however, the time line includes the 60 days claimants have to file appeals; and 3) Average processing time for Reconsideration includes only Title II claims.
