**Small-Business Credit:** Members authorized, 241-182, the Treasury to lend \$30 billion to community banks to leverage up to \$300 billion in new credit for small businesses. As collateral, the government would receive preferred bank stock redeemable within ten years. A yes vote was to pass HR 5297.

**Small-Business Investment:** Members passed, 247-170, a deficit-neutral bill that uses incentives such as non-taxation of capital gains to spur investments in small business. A yes vote was to send the Senate a \$3.5 billion bill to be paid for, in part, by tightening tax rules for annuity trusts. (HR 5486)
