Project Information

Project Name:

VOA Necessities

Amount Requested:

\$133,500

Project Description:

This project would allow for an upgrade to the Village Hall Security System to include cameras, more efficient lighting, new computer equipment for the Police Department, and an improved filing system for the Clerk's office.

Intended Recipient of Funds

Village of Alsip

4500 W. 123rd Street

Alsip, IL 60803

Explanation of the request:

Funding this project will benefit the taxpayer by having up to date equipment in police cars to protect the municipality and those within it. They will also benefit because of the reduced carbon footprint that will be reached by the Village going "green".
