About the Communications & Media Office

The Committee on House Administration's Republican Office is committed to keeping both the House community, and the public at-large, informed on the Committee's activities related to the oversight of both federal elections, and the day-to-day functions of the House of Representatives. If you are a member of the media who wishes to contact the Committee, please contact [Salley Collins](#) , Press Secretary, at 202-225-8281.
