Consent For Release Of Information

I'm very concerned you are in need of assistance, and want you to know we're committed to doing our best to resolve your problem. That's why I'm providing this Consent for Release of Information form. It's a free service. So don't let anyone else tell you there's a charge. The first things you need to do are fill it out, sign it, and return it quickly to me. This has to be done before I can legally act on your behalf. The form not only tells me about your concerns, but also allows government agencies to share your information with me. (It's something required by the Privacy Act of 1974.) Just mail or fax the completed form, with any supporting documentation to the address listed below.
