Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$285,000.00 for Wireless Area Network (WAN) in fiscal year 2010. The entity to receive funding for this project is the City of Hartselle, Alabama, located at 200 Sparkman St. N.W. Hartselle, Al. 35640. The funding would be used to purchase a Wireless Area Network. Taxpayer Justification: This funding will greatly improve the telecommunication access in the area.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$250,000.00 for Overcoming Communication Barriers for Disabled Youth in Blount, Cullman, Dekalb, Etowah, Fayette, Franklin, Lamar, Marion, Marshall, Morgan, Pickens, St. Clair, Walker, and Winston Counties AL in fiscal year 2010. The entity to receive funding for this project is the Alabama Institute for Deaf and Blind, located at 205 E. South St, P. O. Box 698, Talladega, Alabama 35161. The funding would be used to expand a preventive education program for at-risk disabled children impacted by communication barriers, increased incidence of dysfunctional families and a lack of appropriately trained personnel in rural areas and school systems. Taxpayer Justification: One in 10 US children is born with a disability, adding emotional and financial stress to families and rural school systems. Disabled teens are more likely to face abuse, pregnancy or suicide due to communication and other barriers, and this funding helps address this.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$500,000.00 funding for ADPS Child Sexual Predator Program in fiscal year 2010. The entity to receive funding for this project is Alabama Department of Public Safety, located at P. O. Box 1511, Montgomery, AL 36102-1511. The funding would be used for Project targets arrest and prosecution of Child Sexual Predators in AL. ADPS received 2008 start-up funding from COPS Child Sexual Predator Program. ADPS needs federal assistance to maintain the current level of effective operation. Taxpayer Justification: This program continues efforts initiated nationwide under the ADAM WALSH ACT.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$1,000,000.00 for the Zerometh Drug Prevention Campaign in fiscal year 2010. The entity to receive funding for this project is the Alabama District Attorneys Association, located at 515 South Perry Street Montgomery, Alabama 36104. The funding would be used by Zerometh to expose meth and its deadly consequences to teens and young adults. The goal is to stop a potential first-time user from ever trying the drug, while encouraging everyone to look for the warning signs and support treatment. Taxpayer Justification: Meth is a national epidemic and efforts to educate youth on its dangers and hopefully prevent the initial use of meth are needed.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$3,000,000.00 for the Hotline Services for Victims of Sexual Violence and Rape Prevention Programs in fiscal year 2010. The entity to receive funding for this project is Rape, Abuse & Incest National Network, located at 2000 L Street NW, Suite 406, Washington, DC 20036. The funding would be used to operate two national hotlines for rape victims as well as RAINN's public education and outreach programs. Taxpayer Justification: This 3-part anti-sexual assault initiative, authorized at \$3 million annually under Sec. 628 of the Adam Walsh Child Protection and Safety Act, includes two national hotlines for rape victims as well as RAINN's public education and outreach programs. Every 2.5 minutes, another American is sexually assaulted. The more victims RAINN helps, the more rapists will be brought to justice: victims who get counseling are more likely to report to police and more likely to follow through to prosecution.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$1,000,000.00 for the Domestic Violence Law Clinic in fiscal year 2010. The entity to receive funding for this project is the University of Alabama, located at the University of Alabama, Box 870117, Tuscaloosa, AL 35487. The funding would be used to provide free civil legal services to victims of domestic violence, stalking, and assault in the seven west Alabama counties of Bibb, Greene, Hale, Fayette, Pickens, Lamar and Tuscaloosa. Taxpayer Justification: The services provided by the DV Law Clinic further the national goal of crime prevention and victim assistance and support the important services set forth in the Violence Against Women Act and other federal laws.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Dear Chairman Obey & Ranking Member Lewis:

The entity to receive funding for this project is The University of Alabama in Huntsville, located at The University of Alabama in Huntsville, 301 Sparkman Avenue, Huntsville, AL 38152. The funding would provide UAH a new capability to support MSFC missions by developing engineering and science applications of virtual environment simulation as well as enhancing student involvement in virtual environments. Taxpayer Justification: This would benefit NASA MSFC uses of the facility relevant to MSFC missions, including virtual examination of rocket engines while firing, virtual participation in spacecraft manufacturing and maintenance processes and virtual presence on the surface of the moon.

I certify that neither I nor my spouse has any direct financial interest in this project.

Dear Chairman Obey and Ranking Member Lewis:

I write to respectfully request funding in the Fiscal Year 2010 Commerce, Justice, Science and Related Agencies Appropriations bill, Department of Commerce, NOAA, Operations, Research and Facilities account. The entity to receive funding for this project is Florida International University, located at University Park Campus, 11200 SW 8th Street, Miami, FL 33199.

It is my understanding that the funding would be used to develop the capability of real-time forecasting for storm surges associated with hurricane activity and flooding. The State of Florida is completing a state-wide collection of data from airborne lasers to record detailed elevation information. Combined with new computational capabilities and overland flow algorithms, the proposed models would allow Florida the best understanding of storm surge effects and subsequent planning advantages. This new information will save lives and mitigate property loss due to storm surge flooding.

I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of me or my spouse.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the *Congressional Record* describing how the funds will be spent and justifying the use of federal taxpayer funds.

I am requesting funding for **User-Authenticating Personalized Weapon** in fiscal year 2010.

The entity to receive funding for this project is:

New Jersey Institute of Technology
University Heights
350 Fenster Hall
Newark, NJ 07102

The funding would be used for **New Jersey Institute of Technology (NJIT)** has developed a **unique technology for safeguarding handguns from unauthorized use**. Based on "dynamic grip recognition" (DGR), the biometric identification technology identifies the shooter at the moment of trigger pull so that only an authorized shooter can operate the weapon. In prior funding DGR has been shown to deliver greater than 95% reliability over a wide range of shooting conditions. Recently, the project team has developed active fire control technology to complement the user authentication system. At the end of current funding period it will demonstrate a single-shot prototype with integral electronic disabling system that will have been validated over more than half a dozen test shooters. Proposed work will streamline the prototype into a commercializable version that has redesigned, compact, energy efficient printed circuit boards and support multi-shot semi-automatic operation. The group will produce half a dozen new prototype handguns for field test and demonstration. Accidental shootings, teen suicides, unauthorized use of firearms by family members and illegal secondary trade of weapons can be reduced through technologies that render a gun inoperable in the hands of the wrong user. Several states, including New Jersey, have or will have legislative mandates requiring adoption of personalized weapons technology when available. Nevertheless, there has been very little commercial progress towards creating a weapon that introduces user-authentication to the marketplace. There are no efforts in the public or private sector expressly focused on the unique requirements of safeguarding weapons in the home from unauthorized use by family members. NJIT studies, and others,

Re: Upper Midwest Aerospace Consortium

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for the Upper Midwest Aerospace Consortium in fiscal year 2010. The entity to receive funding for this project is the University of North Dakota located at Odegard Hall, Room 200, Grand Forks, ND 58202. UMAC works with farmers, ranchers, educators, students and land managers in the region in utilizing its growing archive of more than 80,000 satellite and aircraft images to make everyday management decisions. Re: Native Americans into Law

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for the Native Americans into Law program in fiscal year 2010. The entity to receive funding for this project is the University of North Dakota (UND) Law School located at 215 Centennial Drive, Grand Forks, ND 58202. Re: City of Bismarck and Burleigh County First Responder Project

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for the City of Bismarck and Burleigh County First Responder Project in fiscal year 2010. The entity to receive funding for this project is the Bismarck Police Department located at 700 South 9th Street, Bismarck, ND 58504. However, Bismarck-Burleigh police, fire and other public safety departments operate under separate communications systems and are unable to exchange information across departments. This funding would be used to implement a standard, high-speed mobile data system across agencies that will allow fire, medical, and law enforcement personnel to communicate, share and access data, such as building floor plans and mapping application, and see, in real-time, where and who is responding to an emergency situation, such as the recent spring flooding of the Missouri River. Dear Chair Obey and Ranking Member Lewis:

I am requesting funding for a Consolidated 911 Dispatch Center in fiscal year 2010. The entity to receive funding for this project is the City of Medford, Oregon, located at 411 West 8th Street, Medford, Oregon 97501. I certify that neither I nor my spouse has any financial interest in this project.

This request will be made publically available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; and (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark. Should funding be provided to this entity, I will ask them to certify their intent to comply with all statutory obligations. Should this request be included in the bill, I will place a statement in the Congressional Record describing the entity's plan for how the money will be spent and their justification for the use of federal taxpayer funds.
