Dear Chair Obey and Ranking Member Lewis:

I am requesting funding for "Avery Point Technology Incubation Center" as part of the Fiscal Year 2010 appropriations process. The proposed recipient of funding for this project is:

University of Connecticut
352 Mansfield Rd., Unit 2048
Storrs, CT 06269

Requested funding would be used to expand the space and activities of the UConn Technology Incubator facility at Avery Point to allow the University to serve more aspiring start up companies. The University's existing Technology Incubation Program (TIP) sites at Avery Point, Storrs and Farmington are oversubscribed and there is not enough space for new start-up firms. Avery Point we can currently offer only a 2,500 square foot area of laboratory facilities with offices across the hall which is available for use by TIP companies. This project would help achieve the economic recovery and development goals of the region, state and nation by providing critical early support for technology-oriented small business start-ups.

I certify that neither I nor my spouse has any financial interest in this project. Thank you for your consideration of this request.

Dear Chairman Obey and Ranking Member Lewis,

I am requesting \$550,000 in funding for the Hispanic Chamber of Commerce of Metro Orlando in fiscal year 2010. The entity to receive funding for this project is the Hispanic Chamber of Commerce of Metro Orlando, and is located at 315 E. Robinson Street #465, Orlando, Florida 32801.

Dora, Tavares, Eustis, Umatilla, Astatula, Ocala, and Silver Spring. These funds will be directed toward free workshops on how to start your own business, business plan development, filing taxes and how to expand your business or become a franchise. Additionally funds will cover the cost for targeted Spanish-language business guides and literature for the Orange, Marion and Lake Counties and assist the Chamber in the costs for an annual career expo for job-seekers. This project is a good use of tax-payer dollars because it will make resources that already exist for certain populations available to those individuals who would not otherwise have access to them.

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for *Hudson Valley Agribusiness Development Corporation:
Hudson Valley Food Processing Incubator Facility* in fiscal year 2010.

The entity to receive funding for this project is:
Hudson Valley Agribusiness Development Corporation
4303 US Route 9
Hudson, NY 12534

Funding is requested for the establishment of the Hudson Valley Food Processing Incubator Program, which would provide technical assistance and access to flexible food manufacturing and logistics capacity to farmers and agribusinesses in the Hudson Valley Region. Entrepreneurial assistance is one of the chief goals of the Small Business Administration. Furthermore, incubators have been shown to be the most effective use of federal funds in terms of infrastructure projects and job creation. A recent Economic Development Administration study reveals that for every \$10,000 of federal investment up to 69 jobs are created when invested in incubator facilities. The food processing incubator proposed for the Hudson Valley Region also plays a critical role in supplying the food needs of the largest metropolitan region in the nation in New York City and the surrounding communities. The agricultural community that supports this consumer market is in need of this critical facility to support the myriad range of agribusinesses in an important food producing region of the State and the U.S.

I certify that neither I nor my spouse has any financial interest in this project. Thank you for your consideration of my request.

Washington, D.C. 20515

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for *Franklin D. Roosevelt Presidential Library and Museum: Renovation* in fiscal year 2010.

The entity to receive funding for this project is:
Franklin D. Roosevelt Presidential Library and Museum
4079 Albany Post Road
Hyde Park, NY 12538

"The Roosevelt Library is a federal facility managed by the National Archives and Records Administration. It is our nation's first (and oldest) presidential library. It was constructed under the President's personal direction in 1939-41. Two wings were added in 1969-71 in memory of Eleanor Roosevelt. It holds the 17 million page archive of Franklin and Eleanor Roosevelt and 385 of their associates. It is the world's leading archive of the New Deal and World War II. The Library's infrastructure is dangerously deteriorated. The Library's main wiring dates from 1941. Its heating and air conditioning systems violate NARA's (and industry) standards for the long-term preservation of historical materials. The Franklin and Eleanor Roosevelt Institute have raised \$5.5 million in private funding to modernize and enlarge the exhibits in permanent galleries. But, the Library building's electrical and environmental systems are too outmoded to accommodate state-of-the-art electronics and interactive.

I certify that neither I nor my spouse has any financial interest in this project. Thank you for your consideration of my request.

Sincerely,

Maurice D. Hinchey

Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for the following project in fiscal year 2010:

Address: 1516 Hamilton Street, NW Washington, DC 20011

Project: Next Step Program

Entity to receive funding: Samaritan Ministry of Greater Washington

Purpose: The signature Next Step program is part of a critical web supporting people who are homeless and at-risk of homelessness throughout the Washington D.C. area. Goals most often are focused on employment, housing and needed services - keys to greater independence and self-reliance. Sample next steps that people take include such things as attending an employment workshop, learning basic computer skills to search and apply for jobs online, developing an effective resume, obtaining necessary health care, or applying for food stamps. HIV/AIDS services include nonsectarian spiritual retreats and support groups for individuals living with HIV/AIDS, as well as burial assistance and bereavement support for families who have lost loved ones to HIV/AIDS.

I certify that neither I nor my spouse has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Eleanor Holmes Norton".

I am requesting funding for the Financial Counseling for Economic Security in fiscal year 2010. The entity to receive funding for this project is Consumer Credit Counseling Service of Delaware Valley located at 1608 Walnut Street, Philadelphia, PA 19103. Funding through this appropriation will allow them to continue to offer most of our services free of charge, so that anyone in need will be able to access their programs regardless of the ability to pay. Program provides financial education and counseling on a variety of topics, including budgeting, money management, saving and asset building, debt repayment, credit and credit reports, small business entrepreneurship, bankruptcy, avoiding identity theft and predatory lending, and housing (including first-time homeownership, foreclosure prevention and reverse mortgage). Dear Chairman Obey and Ranking Member Lewis:

I am requesting funding for the Entrepreneurial Leadership Center at West Chester University in fiscal year 2010. The entity to receive funding for this project is West Chester University located at Filano Hall, Room 101, West Chester, PA 19383. This project will create the Entrepreneurial Leadership Center which will sponsor faculty-lead teams of students to provide the expertise start-up small businesses need to succeed. At the same time, students will learn the skills they need to become entrepreneurs. Small businesses have been recognized as the nation's major generators of employment. The problem is how to increase the interest of college graduates in becoming entrepreneurs while helping greater numbers of existing small businesses to succeed. The project will encourage the development of emerging small businesses thereby increasing employment in southeastern Pennsylvania. I certify that neither I nor my spouse has any financial interest in this project.

Sincerely,
