

# Additional Sources of Information on Federal Housing Programs

---

This document supplements the information in the Congressional Budget Office's (CBO's) brief, *An Overview of Federal Housing Programs*. Like the brief, it lists bibliographic sources of information for federal programs by type of support (homeownership or rental) and by mechanism (spending or taxation): tax expenditures for homeownership, spending for homeownership, tax expenditures for rental housing, and spending for rental housing. Within each category, the programs are listed in descending order of budgetary cost in 2009.

Press "Ctrl + Click" on the program names below to view sources of information for that program.
