

Project: Emergency Dispatch Radio Upgrades Roane County

Amount requested: \$375,000

Recipient: Roane County Government

Address: 200 East Race Street Suite 1, Kingston, TN 37763

Project description:

This funding will be used to upgrade radios, laptop computers, and communication infrastructure in order to provide a safer and more efficient work environment for officers and other emergency personnel. With recent FCC rule changes regarding band width, this console upgrade crucial to emergency operations in Roane County. New equipment purchased with previous COPS grants requires this console upgrade in order to be compatible. In addition to console upgrades, a tower will be purchased and erected. All taxpayers benefit from 911 services. The safety of all residents is vital to our community. 911 services provide communication and dispatching for all emergency service providers of Roane County.
