

Project Name: Chickamauga Lock, Tennessee River, TN

Request Amount: \$28,000,000

Intended Recipient: U.S Army Corps of Engineers, Nashville District

Full Street Address of the Intended Recipient: P.O. Box 1070, Nashville, Tennessee 37202

Explanation of the request: The Corps completed a feasibility study of structural deficiencies at the existing lock in Mar 02 at the request of TVA, and recommended replacement of the lock. In Feb 03, Congress authorized a 110-foot x 600-foot replacement lock and provided funding for a construction start in Dec 03. The project also includes relocation of roads and bridges.
