

Project Name: Morgan County Waterline Improvements

Request Amount: \$550,000

Intended Recipient: Morgan County Government

Full Street Address of the Intended Recipient: P.O. Box 387, Wartburg, TN 37887-0387

Explanation of the request: The project as proposed will eliminate potential health problems from excessive positive bacteriological problems and severe levels of sulfates, iron, and manganese.

This project will benefit the 4th District/U.S. Government by contributing to their goals of supplying a potable water system to low and moderate income residents in rural areas.
