

Project: Critical Home Repair Program - Appalachia Service Project

Amount requested: \$350,000

Recipient: Appalachia Service Project

Address: 4523 Bristol Highway, Johnson City, TN 37601

Project description:

Federal funds will enable Appalachia Service Project to expand its successful Home Repair Program to provide much needed repairs in Scott and Campbell Counties. This program will improve baseline housing conditions across the district, protect a vulnerable workforce population and have a direct economic impact on the region.
