

Project: Franklin County Industrial Park Expansion Access Road and Rail Spur

Amount requested: \$1,000,000

Recipient: Franklin County Government

Address: 851 Dinah Shore Blvd., Winchester, TN 37398

Project description:

This project will provide the community with the opportunity to recruit manufacturing jobs. It is expected that many of the manufacturing jobs lost during this recession will not be recovered for several years, if at all. Underemployment will also continue to remain at historically high levels. Our region is looking to replace these jobs by recruiting new industry to the area. It is expected that this project will result in an additional 500 -1000 indirect jobs. The access road and rail spur are key components for the regions industrial recruitment efforts. This project was recommended by the Mayor of Winchester and the Franklin County Industrial Development Board.
