RESOLUTION

Docket 2778

Chowan River Basin, Virginia and North Carolina

Resolved by the Committee on Transportation and Infrastructure of the United States House of Representatives, That the Secretary of the Army review the report of the Chief of Engineers on Chowan River, North Carolina, and Blackwater River, Virginia, published as House Document 101, 76th Congress, 1st Session, and other pertinent reports, to determine whether modifications to the recommendations contained therein are advisable at the present time with particular references toward flood damage reduction, environmental restoration, navigation, erosion control, and associated water resources issues in the Chowan River basin, Virginia and North Carolina.
