1<sup>ST</sup> SESSION

# H. R. 1676

## AN ACT

To prevent tobacco smuggling, to ensure the collection of  
all tobacco taxes, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE; FINDINGS; PURPOSES.**

2 (a) SHORT TITLE.—This Act may be cited as the  
3 “Prevent All Cigarette Trafficking Act of 2009” or  
4 “PACT Act”.

5 (b) FINDINGS.—Congress finds that—

6 (1) the sale of illegal cigarettes and smokeless  
7 tobacco products significantly reduces Federal,  
8 State, and local government revenues, with Internet  
9 sales alone accounting for billions of dollars of lost  
10 Federal, State, and local tobacco tax revenue each  
11 year;

12 (2) Hezbollah, Hamas, al Qaeda, and other ter-  
13 rorist organizations have profited from trafficking in  
14 illegal cigarettes or counterfeit cigarette tax stamps;

15 (3) terrorist involvement in illicit cigarette traf-  
16 ficking will continue to grow because of the large  
17 profits such organizations can earn;

18 (4) the sale of illegal cigarettes and smokeless  
19 tobacco over the Internet, and through mail, fax, or  
20 phone orders, makes it cheaper and easier for chil-  
21 dren to obtain tobacco products;

22 (5) the majority of Internet and other remote  
23 sales of cigarettes and smokeless tobacco are being  
24 made without adequate precautions to protect  
25 against sales to children, without the payment of ap-  
26 plicable taxes, and without complying with the nomi-

1       nal registration and reporting requirements in exist-  
2       ing Federal law;

3           (6) unfair competition from illegal sales of ciga-  
4       rettes and smokeless tobacco is taking billions of dol-  
5       lars of sales away from law-abiding retailers  
6       throughout the United States;

7           (7) with rising State and local tobacco tax  
8       rates, the incentives for the illegal sale of cigarettes  
9       and smokeless tobacco have increased;

10          (8) the number of active tobacco investigations  
11       being conducted by the Bureau of Alcohol, Tobacco,  
12       Firearms, and Explosives rose to 452 in 2005;

13          (9) the number of Internet vendors in the  
14       United States and in foreign countries that sell ciga-  
15       rettes and smokeless tobacco to buyers in the United  
16       States increased from only about 40 in 2000 to  
17       more than 500 in 2005; and

18          (10) the intrastate sale of illegal cigarettes and  
19       smokeless tobacco over the Internet has a substan-  
20       tial effect on interstate commerce.

21       (c) PURPOSES.—It is the purpose of this Act to—

22           (1) require Internet and other remote sellers of  
23       cigarettes and smokeless tobacco to comply with the  
24       same laws that apply to law-abiding tobacco retail-  
25       ers;

1           (2) create strong disincentives to illegal smug-  
2           gling of tobacco products;

3           (3) provide government enforcement officials  
4           with more effective enforcement tools to combat to-  
5           bacco smuggling;

6           (4) make it more difficult for cigarette and  
7           smokeless tobacco traffickers to engage in and profit  
8           from their illegal activities;

9           (5) increase collections of Federal, State, and  
10          local excise taxes on cigarettes and smokeless to-  
11          bacco; and

12          (6) prevent and reduce youth access to inexpen-  
13          sive cigarettes and smokeless tobacco through illegal  
14          Internet or contraband sales.

8           sisting primarily of data from govern-  
9           ment sources, that are regularly used  
10          by government and businesses for the  
11          purpose of age and identity  
12          verification and authentication, to en-  
13          sure that the purchaser is at least the  
14          minimum age required for the legal

11          “(3) ACCESS FOR OFFICIALS.—Records kept  
12          under paragraph (1) shall be made available to to-  
13          bacco tax administrators of the States, to local gov-  
14          ernments and Indian tribes that apply their own  
15          local or tribal taxes on cigarettes or smokeless to-

15 affixed or applied to the cigarettes or smokeless  
16 tobacco.

17 “(2) EXCEPTION.—Paragraph (1) does not  
18 apply to a delivery sale of smokeless tobacco if the  
19 law of the State or local government of the place  
20 where the smokeless tobacco is to be delivered re-

5 “(C) CONFIDENTIALITY.—Any person re-  
6 ceiving records under subparagraph (B) shall  
7 use such records solely for the purposes of the  
8 enforcement of this Act and the collection of

1 accept delivery of the shipping container to  
2 provide proof, in the form of a valid, gov-  
3 ernment-issued identification bearing a  
4 photograph of the individual, that such

11 nature from the consumer accepting the  
12 delivery;

13 “(iii) requiring that the common car-  
14 rier or other delivery service verify that all

24 shall be construed to preempt, supersede, or  
25 otherwise limit or restrict State laws prohibiting

1 the delivery sale, or the shipment or delivery  
2 pursuant to a delivery sale, of cigarettes or  
3 other tobacco products to individual consumers  
4 or personal residences except that no State may

2 **MENT.**

3 (a) **REQUIREMENTS.**—The Director of the Bureau of  
4 Alcohol, Tobacco, Firearms and Explosives shall—

5 (1) create 6 regional contraband tobacco traf-  
6 ficking teams over a 3-year period in New York  
7 City, Washington DC, Detroit, Los Angeles, Seattle,  
8 and Miami,

9 (2) create a new Tobacco Intelligence Center to  
10 oversee investigations and monitor and coordinate  
11 ongoing investigations and to serve as a nerve center  
12 for all ongoing tobacco diversion investigations with-  
13 in the Bureau of Alcohol, Tobacco, Firearms, and  
14 Explosives, in the United States and, where applica-  
15 ble, with law enforcement organizations around the  
16 world,

17 (3) establish a covert national warehouse for  
18 undercover operations, and

19 (4) create a computer database that will track  
20 and analyze information from retail sellers of to-  
21 bacco products that sell through the Internet or by  
22 mail order or make other non-face-to-face sales.

12 cumstance shall not be affected thereby.

13 **SEC. 10. SENSE OF CONGRESS CONCERNING THE PRECE-**  
14 **DENTIAL EFFECT OF THIS ACT.**

15 It is the sense of Congress that unique harms are  
16 associated with online cigarette sales, including problems  
17 with verifying the ages of consumers in the digital market  
18 and the long-term health problems associated with the use  
19 of certain tobacco products. This Act was enacted recog-  
20 nizing the longstanding interest of Congress in urging  
21 compliance with States' laws regulating remote sales of  
22 certain tobacco products to citizens of those States, includ-  
23 ing the passage of the Jenkins Act over 50 years ago,  
24 which established reporting requirements for out-of-State  
25 companies that sell certain tobacco products to citizens of  
26 the taxing States, and which gave authority to the Depart-

1 ment of Justice and the Bureau of Alcohol, Tobacco, Fire-  
2 arms, and Explosives to enforce the Jenkins Act. In light  
3 of the unique harms and circumstances surrounding the  
4 online sale of certain tobacco products, this Act is in-  
5 tended to help collect cigarette excise taxes, to stop to-  
6 bacco sales to underage youth, and to help the States en-  
7 force their laws that target the online sales of certain to-  
8 bacco products only. This Act is in no way meant to create  
9 a precedent regarding the collection of State sales or use  
10 taxes by, or the validity of efforts to impose other types  
11 of taxes on, out-of-State entities that do not have a phys-  
12 ical presence within the taxing State.

Passed the House of Representatives May 21, 2009.
