

## FY 2010 Defense Authorization

Consistent with the policy of the House Armed Services Committee, below is a list of requests submitted to the office of Congressman Bill Shuster that fully meet the guidelines established in Congressman Shuster's FY 2010 Appropriations request forms and have been certified as accurate by the requesting entity.

Guidelines established by the House Committee on Appropriations for Fiscal Year (FY) 2010 require Members to post information regarding requests on their official House website at the time the request is made.

Inclusion on this list does not in any way offer an indication regarding support for projects or the prospect of securing funding for FY 2010.

Requests are listed in alphabetical order by county.

All information listed is as provided by the requesters. The requesting entities for each request have signed certification forms consenting to the public disclosure of the below information and have attested to the accuracy of the information provided.

The office of Congressman Shuster is not responsible for the content or accuracy of the information provided by the requesting entities.

---

*All information, including project names, request amount, and explanations of requests is as provided by the requesting entity.*
