Galveston's Fourth Annual Oceans of Opportunity Job Fair

Galveston, TX - Job Fair set for 9 am – 2 pm Feb. 17, 2009, at the San Luis Resort and Conference Center

Congressman Ron Paul is pleased to again collaborate with the community of Galveston for the Oceans of Opportunity Job Fair.

The Fourth Annual Oceans of Opportunities job fair will address the needs of those in the healthcare, service, and manufacturing sectors.

“Because of recent lay-offs, Hurricane Ike and the tough economy, the job fair is especially critical this year.”

Workforce Solutions will provide resume assistance and helpful hints for job seekers at the job fair. “All attendees are encouraged to bring their resumes to the job fair.”

Several entities have come together to coordinate the Oceans of Opportunities Job Fair, including Congressman Ron Paul, Workforce Solutions, and the Galveston Chamber of Commerce.

Interested employers are encouraged to book the exhibit space. For more information, call Workforce Solutions at 409-763-7000 or visit [www.workforcesolutions.com](http://www.workforcesolutions.com).
