Washington, D.C. –This morning, **Congressman Bill Shuster** was awarded an “ACU Conservative” by the American Conservative Union for his high rank in the groups’ Congressional ratings for the First Session of the 111th Congress.

ACU Quote: “This award is a reflection of Representative Bill Shuster’s consistent support of conservative principles on a wide range of issues of concern to grass roots conservatives in 2009. At a challenging time when the fundamental principles on which the American system of government are being challenged, Representative Bill Shuster stands with those who are trying to preserve those principles.” – David A. Keene – Chairman of the American Conservative Union

The American Conservative Union (ACU) is the nation's largest conservative organization found online at www.conservative.org. ACU is the recognized authority on rating votes in Congress as published in the annual ACU RATINGS OF CONGRESS. The American Conservative Union Foundation (ACUF) is the host of the nationally attended Conservative Political Action Conference - CPAC - held annually in Washington, DC.
