Dear Eni,

I am shocked to learn that American Samoa was hit by a devastating earthquake that triggered a powerful tsunami. I wish to extend my sympathy to you and the people of American Samoa for the severe casualties and all the damages it has caused. We are deeply grieved by the loss of so many lives and would like to extend our deepest condolences to the families of the victims. Our thoughts are with them at this moment.

I hope and believe that the people of American Samoa will rebuild their home and return to their normal life soon. We stand ready to provide any help you may need in this regard.

Sincerely yours,

Zhou Wenzhong
