R E P O R T

[To accompany H. Res. 501]

The Committee on Rules, having had under consideration House Resolution 501, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

## SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 626, the Federal Employees Paid Parental Leave Act of 2009, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Oversight and Government Reform. The resolution waives all points of order against consideration of the bill except clauses 9 and 10 of rule XXI. The resolution provides that the bill shall be considered as read. The resolution waives all points of order against provisions in the bill. This waiver does not affect the point of order available under clause 9 of rule XXI (regarding earmark disclosure).

The resolution makes in order only those amendments printed in this report. The amendments made in order may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for a division of the question in the House or in the Committee of the Whole. All points of order against the amendments except for clauses 9 and 10 of Rule XXI are waived. The resolution provides one motion to recommit with or without instructions.

#### EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the bill (except for clauses 9 and 10 of rule XXI) and waives all points of order against the provisions in the bill, the Committee is not aware of any points of order. The waivers of all points of order are prophylactic.
