## R E P O R T

[To accompany H. Res. 532]

The Committee on Rules, having had under consideration House Resolution 532, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

### SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate amendment to H.R. 1256, the “Family Smoking Prevention and Tobacco Control Act.” The resolution makes in order a motion offered by the chair of the Committee on Energy and Commerce or his designee that the House concur in the Senate amendment to H.R. 1256. The resolution waives all points of order against consideration of the motion except those arising under clause 10 of rule XXI. The resolution provides that the Senate amendment shall be considered as read. The resolution provides one hour of debate on the motion equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce.

### EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the motion (except those arising under clause 10 of rule XXI), the Committee is not aware of any points of order against the motion. The waiver of all points of order (except those arising under clause 10 of rule XXI) is prophylactic.
