Ms. MATSUI, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 830]

The Committee on Rules, having had under consideration House Resolution 830, by a record vote of 6 to 5, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2442, the "Bay Area Regional Water Recycling Program Expansion Act of 2009," under a closed rule. The rule provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Natural Resources. The resolution waives all points of order against consideration of the bill except those arising under clause 9 or 10 of rule XXI. The resolution provides that the amendment printed in this report shall be considered as adopted and the bill, as amended, shall be considered read. The resolution waives all points of order against provisions of the bill, as amended. This waiver does not affect the point of order available under clause 9 of rule XXI (regarding earmark disclosure). The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the bill (except for those arising under clauses 9 and 10 of rule XXI) and all points of order against provisions of the bill, as amended, the Committee is not aware of any points of order. The waivers of all points of order are prophylactic.
