INCREASING THE STATUTORY LIMIT ON THE PUBLIC
DEBT

FEBRUARY 3, 2010.—Referred to the House Calendar and ordered to be printed

Mr. McGOVERN, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 1065]

The Committee on Rules, having had under consideration House Resolution 1065, by a record vote of 8 to 3, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate amendment to H.J. Res. 45, increasing the statutory limit on the public debt and the “Statutory Pay-As-You-Go Act of 2010.” The resolution makes in order a motion offered by the Majority Leader or his designee that the House concur in the Senate amendment to H.J. Res. 45. The resolution waives all points of order against consideration of the motion except those arising under clause 10 of rule XXI. The resolution provides that the Senate amendment shall be considered as read. The resolution provides one hour of debate on the motion equally divided and controlled by the Majority Leader and Minority Leader or their designees. The resolution provides that the question on adoption of the motion shall be divided between concurring in the matter preceding title I of the Senate amendment and concurring in the matter comprising titles I and II of the Senate amendment. The first portion of the divided question shall be considered as adopted. If the second portion of the divided question fails of adoption, then the House shall be considered to have made no disposition of the Senate amendment.

EXPLANATION OF WAIVERS

Although the resolution waives of all points of order against consideration of the motion (except those arising under clause 10 of rule XXI), the Committee is not aware of any points of order. The waiver is prophylactic.
