PURPOSE AND SUMMARY

The purpose of H.R. 3239 is to require the Secretary of Homeland Security, in consultation with the Secretary of State, to submit a report on the effects of the Merida Initiative on the border security of the United States, and for other purpose

BACKGROUND AND NEED FOR LEGISLATION

The Merida Initiative, a \$1.4 billion multiyear, multinational proposal, was developed to combat rising trafficking and organized crime. The Department of Homeland Security, the federal agency with the largest presence on the U.S.-Mexico border, plays a significant role in the implementation of the Merida Initiative by building on existing relationships with Mexican, Central American, and Caribbean law enforcement agencies. In light of increasing border violence, it is important to take steps to maximize effective interagency coordination of the Initiative. H.R. 3239 will provide Congress with a useful tool to gauge the impact of border security activities and acknowledge the Department’s contributions.
