REPORT ON THE ACTIVITIES OF THE COMMITTEE ON
BANKING, HOUSING, AND URBAN AFFAIRS DURING THE
110TH CONGRESS

May 6, 2009.—Ordered to be printed

Mr. DODD, from the Committee on Banking, Housing and Urban
Affairs, submitted the following

R E P O R T

INTRODUCTION

The 110th Congress was an historic period for the Committee on Banking, Housing and Urban Affairs, as the United States confronted unprecedented turmoil in its credit markets and continued challenges to American national security. The Committee responded decisively, holding 75 hearings and markups, and initiating a Congressional response to a burgeoning economic crisis, including holding the first Congressional hearing to examine the subprime mortgage market in February 2007.

Legislation approved by the Committee addressed an array of critical issues, including preservation of home ownership, rental housing, reform of the housing government-sponsored enterprises, student lending, currency manipulation, terrorism insurance, foreign investment, transit security, and sanctions against Sudan and Iran. Moreover, at the conclusion of the Congress, the Committee played a crucial role in the development and oversight of the Emergency Economic Stabilization Act. The Committee incorporated comprehensive accountability measures into this bill designed to provide a framework for the federal government's efforts to contain the economic crisis, as well as provisions to ensure that substantial resources would be devoted to preventing home foreclosures. The Committee also conducted hearings and was engaged in drafting legislation considered by the Senate to address the severe financial stresses facing the nation's domestic automobile industry.

Additionally, through its oversight, the Committee played a constructive role in reforming credit card marketing and billing practices—by encouraging new rules by the Federal Reserve Board, and new practices by some of the country's largest credit card issuers. Similarly, the Committee's aggressive role in highlighting the dam-

age caused by predatory mortgage lending practices helped to spur the Federal Reserve to promulgate rules under the 1994 Homeowners Equity Protection Act. Further description of and data on the Committee's activities during the 110th Congress follows.

RULES OF PROCEDURE FOR THE COMMITTEE ON BANKING, HOUSING, AND URBAN AFFAIRS

[Adopted in executive session, January 31, 2007]

Rule 1. Regular Meeting Date for Committee

The regular meeting day for the Committee to transact its business shall be the last Tuesday in each month that the Senate is in Session; except that if the Committee has met at any time during the month prior to the last Tuesday of the month, the regular meeting of the Committee may be canceled at the discretion of the Chairman.

Rule 2. Committee

[a] Investigations. No investigation shall be initiated by the Committee unless the Senate, or the full Committee, or the Chairman and Ranking Member have specifically authorized such investigation.

[b] Hearings. No hearing of the Committee shall be scheduled outside the District of Columbia except by agreement between the Chairman of the Committee and the Ranking Member of the Committee or by a majority vote of the Committee.

[c] Confidential testimony. No confidential testimony taken or confidential material presented at an executive session of the Committee or any report of the proceedings of such executive session shall be made public either in whole or in part or by way of summary, unless specifically authorized by the Chairman of the Committee and the Ranking Member of the Committee or by a majority vote of the Committee.

[d] Interrogation of witnesses. Committee interrogation of a witness shall be conducted only by members of the Committee or such professional staff as is authorized by the Chairman or the Ranking Member of the Committee.

[e] Prior notice of markup sessions. [f] Prior notice of first degree amendments. It shall not be in order for the Committee or a Subcommittee to consider any amendment in the first degree proposed to any measure under consideration by the Committee or Subcommittee unless fifty written copies of such amendment have been delivered to the office of the Committee at least 2 business days prior to the meeting. It shall be in

order, without prior notice, for a Senator to offer a motion to strike a single section of any measure under consideration. Such a motion to strike a section of the measure under consideration by the Committee or Subcommittee shall not be amendable. This section may be waived by a majority of the members of the Committee or Subcommittee voting, or by agreement of the Chairman and Ranking Member. This subsection shall apply only when the conditions of subsection [e][1] have been met.

[g] Cordon rule. Whenever a bill or joint resolution repealing or amending any statute or part thereof shall be before the Committee or Subcommittee, from initial consideration in hearings through final consideration, the Clerk shall place before each member of the Committee or Subcommittee a print of the statute or the part or section thereof to be amended or repealed showing by stricken-through type, the part or parts to be omitted, and in italics, the matter proposed to be added. In addition, whenever a member of the Committee or Subcommittee offers an amendment to a bill or joint resolution under consideration, those amendments shall be presented to the Committee or Subcommittee in a like form, showing by typographical devices the effect of the proposed amendment on existing law. The requirements of this subsection may be waived when, in the opinion of the Committee or Subcommittee Chairman, it is necessary to expedite the business of the Committee or Subcommittee.

Immediately upon the filing of the request, the Clerk of the Committee shall notify the Chairman of the Subcommittee of the filing of the request. If, within 3 calendar days after the filing of the request, the Chairman of the Subcommittee does not call the requested special meeting, to be held within 7 calendar days after the filing of the request, a majority of the members of the Subcommittee may file in the offices of the Committee their written notice that a special meeting of the Subcommittee will be held, specifying the date and hour of that special meeting. The Subcommittee shall meet on that date and hour. Immediately upon the filing of the notice, the Clerk of the Committee shall notify all members of the Subcommittee that such special meeting will be held and inform them of its date and hour. Any absent member of a Subcommittee may affirmatively request that his or her vote to recommend a measure or matter to the Committee or his vote on any such other matters on which a record vote is taken, be cast by proxy. The proxy shall be in writing and shall be sufficiently clear to identify the subject matter and to inform the Subcommittee as to how the member wishes his or her vote to be recorded thereon. In the event that the witness fails to file a written statement and brief summary in accordance with this rule, the Chairman of the Committee or Subcommittee has the discretion to deny the witness the privilege of

testifying before the Committee or Subcommittee until the witness has properly complied with the rule.

[b] Length of statements. [g] Limits of questions. Questioning of a witness by members shall be limited to 5 minutes duration when 5 or more members are present and 10 minutes duration when less than 5 members are present, except that if a member is unable to finish his or her questioning in this period, he or she may be permitted further questions of the witness after all members have been given an opportunity to question the witness.

Additional opportunity to question a witness shall be limited to a duration of 5 minutes until all members have been given the opportunity of questioning the witness for a second time. This 5-minute period per member will be continued until all members have exhausted their questions of the witness.

may withdraw a proxy previously given. All proxies shall be kept in the files of the Committee, along with the record of the rollcall vote of the members present and voting, as an official record of the vote on the measure or matter.

[b] Vote on matters other than to report a measure or matter. On Committee matters other than a vote to report a measure or matter, no record vote shall be taken unless a majority of the Committee are actually present. On any such other matter, a member of the Committee may request that his or her vote may be cast by proxy. The proxy shall be in writing and shall be sufficiently clear to identify the subject matter, and to inform the Committee as to how the member wishes his or her vote to be recorded thereon. By written notice to the Chairman any time before the vote on such other matter is taken, the member may withdraw a proxy previously given. All proxies relating to such other matters shall be kept in the files of the Committee.
