Dear Chairman Oberstar and Ranking Member Mica:

I am contacting you to respectfully request that the following legislative proposals and projects be included in the Water Resources Development Act (WRDA) of 2010. These requests are very important to my district and the Commonwealth of Pennsylvania. Thank you for your consideration of the following:

Project 111-PA-9th-001: South Central Pennsylvania Environmental Improvement Program – increase Section 902 limit, authorizes USACE to spend 10 percent on administrative costs, authorizes reimbursement.

Enclosed, please find two Congressional Earmark Certification forms with original signatures for my request, a letter of support from the local project sponsor, a copy of the receipt, and additional details.

To the best of my knowledge, I certify that neither I nor my spouse has any direct or foreseeable financial interest in any of these projects, which I define as “direct personal or pecuniary interest” under Clause 1 of House Rule III.

Consistent with the Republican Leadership’s policy on earmarks, I hereby certify that to the best of my knowledge these requests (1) are not directed to an entity or program that will be named after a sitting Member of Congress; (2) are not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meet or exceed all statutory requirements for matching funds where applicable.

Should you or your staff have any questions or require any additional information, please do not hesitate to contact me or my Legislative Director, Stephen Martinko, at 202-225-2431.

Sincerely,

Bill Shuster
Member of Congress
