

# JOHNNY ISAKSON

UNITED STATES SENATOR · GEORGIA

## INTERN APPLICATION

Senator Isakson's intern program is an opportunity for college students to spend a fall or spring semester or six weeks in the summer at either our Washington, DC or Atlanta, Georgia, office. Interns learn about the workings of the United States Senate, Senator Isakson's office, and federal legislation that affects Georgians. We select between 4-8 interns for our DC program and 2-5 for our Atlanta program based on the strengths of their applications, resumes, and interviews.

Interns in our DC office will be assigned to one of three areas, constituent services, press/scheduling, or legislative services, during their time in the office but will also be expected to help in whatever capacity is needed. Interns will work with staff members to respond to the needs of Georgia's constituents. **Interns in our DC office must be at least 21 years old at the start of their internship. Interns in our Atlanta office must be at least 18 years old at the start of their internship and current freshmen in college. All internships are unpaid.**

We are looking for mature and responsible applicants who are eager to show initiative and who will make the most of their opportunities as interns. We expect our interns to take their jobs seriously and to ensure that their actions inside and outside the office always reflect positively on Georgia and the Senator.
