PREFACE

The Domestic Volunteer Service Act of 1973 authorizes ACTION, an independent agency, to administer six volunteer programs including the three components under title II, the Older Americans Volunteer Program (OAVP). The programs under OAVP, the Foster Grandparent Program (FGP), the Retired Senior Volunteer Program (RSVP), and the Senior Companion Program (SCP), provide opportunities for persons 60 and older to work part-time in a variety of community service activities. In addition, Volunteers in Service to America (VISTA) work full-time in community activities to reduce or eliminate poverty and poverty-related problems. At least 20 percent of VISTA volunteers must be age 55 and older.

For over 22 years, Foster Grandparents have provided supportive services to children with physical, mental, emotional or social disabilities. The RSVP volunteers serve in such areas as youth counseling, literacy enhancement, long-term care, crime prevention, refugee assistance, and housing rehabilitation. Volunteers in the Senior Companion Program assist homebound, chronically disabled older persons to maintain independent living arrangements in their own residences, and also provide services to institutionalized older persons.

Through the years, these projects have proven to be an enormously popular and cost-effective means of providing worthwhile community services.

The Act was reauthorized through fiscal year 1989 during the 99th Congress by Public Law 99-551. The Special Committee on Aging appreciates and acknowledges the work of the staff of the House Legislative Counsel and the House Committee on Education and Labor Subcommittees on Human Resources and Select Education who were involved in putting together this Compilation of the Domestic Volunteer Service Act of 1973. It is hoped that this document will provide a ready reference for all individuals involved in programs and services under the Act.⁰⁴

TITLE I—NATIONAL VOLUNTEER ANTIPOVERTY PROGRAMS

PART A—VOLUNTEERS IN SERVICE TO AMERICA

STATEMENT OF PURPOSE

SEC. 101. This part provides for the Volunteers in Service to America (VISTA) program of full-time volunteer service, together with appropriate powers and responsibilities designed to assist in the development and coordination of such program. The purpose of this part is to strengthen and supplement efforts to eliminate and alleviate poverty and poverty-related problems in the United States by encouraging and enabling persons from all walks of life, all geographical areas, and all age groups, including low-income individuals, elderly and retired Americans, to perform meaningful and constructive volunteer service in agencies, institutions, and situations where the application of human talent and dedication may assist in the solution of poverty and poverty-related problems and secure and exploit opportunities for self-advancement by persons afflicted with such problems. In addition the objective of this part is to generate the commitment of private sector resources and to encourage volunteer service at the local level to carry out the purposes set forth in this section.

(42 U.S.C. 4951)

AUTHORITY TO OPERATE VISTA PROGRAM

SEC. 102. (a) The Director may recruit, select, and train persons to serve in full-time volunteer programs consistent with the provisions and to carry out the purpose of this part.

(b) If any applicant under this part who is recruited locally becomes unavailable for service prior to the commencement of service, the recipient of the project grant or contract may replace such applicant with another qualified applicant approved by the Director.

(c) The Director shall ensure that not less than 20 per centum of all volunteers under this part are fifty-five years of age or older.

(42 U.S.C. 4952)

ASSIGNMENT OF VOLUNTEERS

SEC. 103. (a) The Director, upon request of Federal, State, or local agencies, or private nonprofit organizations, may assign such volunteers to work in the several States in the local communities in which the volunteers were recruited in appropriate projects and programs, including work—

(1) in meeting the health, education, welfare, or related needs of Indians living on reservations or Federal trust lands, of migratory and seasonal farmworkers and their families, and

of residents of the District of Columbia, the Commonwealth of Puerto Rico, Guam, American Samoa, or the Virgin Islands;

(2) in the care and rehabilitation of mentally ill, developmentally disabled, and other handicapped individuals, especially those with severe handicaps; and ¹

(3) in addressing the problems of the homeless, the jobless, the hungry, illiterate or functionally illiterate youth and other individuals, and low-income youths;

(4) in addressing the special needs connected with alcohol and drug abuse prevention, education, and related activities, consistent with the purpose of this part; and

(5) in connection with programs or activities authorized, supported, or of a character eligible for assistance under this Act or the Community Service Block Grant Act, titles VIII and X of the Economic Opportunity Act of 1964, the Headstart act, or the Community Economic Development Act of 1981, in furtherance of the purpose of this title.

(b) The Director shall establish, at a cost not to exceed \$250,000, procedures to recruit and place individuals from all walks of life, age groups, economic levels, and geographic areas to serve as VISTA volunteers. The procedures shall include an information system to ensure that potential applicants are made aware of the broad range of VISTA volunteer opportunities and a system to identify and place qualified volunteers where their skills are most needed. The Director shall also establish procedures for national and local recruitment, media and public awareness efforts, and specialized campaigns designed to recruit recent college graduates, special skilled volunteers, and individuals 55 years of age and older. The Director, wherever feasible and appropriate, shall assign low-income community volunteers to serve in their home communities in teams with nationally recruited specialist volunteers. The Director shall make efforts to assign volunteers to serve in their home or nearby communities and shall make national efforts to attract other volunteers to serve in the VISTA program. The Director shall also, in the assignment of volunteers, recognize that the community identified needs which cannot be met in the local area, and the individual desires of VISTA volunteers in regard to placement in various geographic areas of the Nation, should be taken into consideration.

(c) The Director shall provide each low-income community volunteer with an individual plan for job advancement or for transition to a situation leading to gainful employment. Whenever feasible, such efforts shall be coordinated with an appropriate private industry council under the Job Training Partnership Act.

(d) The Director may provide or arrange for educational and vocational counseling of volunteers and recent former volunteers under this part to (1) encourage them to use, in the national interest, the skills and experience which they have derived from their training and service, particularly working in combating poverty as members of the helping professions, and (2) promote the develop-

ment of appropriate opportunities for the use of such skills and experience, and the placement therein of such volunteers.

(e) Except as provided in subsection (d), the assignment of volunteers under this section shall be on such terms and conditions (including restrictions on political activities that appropriately recognize the special status of volunteers living among the persons or groups served by programs to which they have been assigned) as the Director may determine, including work assignments in their own or nearby communities.

(f) Volunteers under this part shall not be assigned to work in a program or project in any community unless the application for such program or project contains evidence of local support and has been submitted to the Governor or other chief executive officer of the State concerned, and such Governor or other chief executive officer has not, within 45 days of the date of such submission, notified the Director in writing, supported by a statement of reasons, that such Governor or other chief executive officer disapproves such program or project. In the event of a timely request in writing, supported by a statement of reasons, by the Governor or other chief executive officer of the State concerned, the Director shall terminate a program or project or the assignment of a volunteer to a program or project not later than 30 days after the date such request is received by the Director, or at such later date as is agreed upon by the Director and such Governor or other chief executive officer.

(42 U.S.C. 4953)

(b) Volunteers serving under this part may be enrolled for periods of service not exceeding two years, but for not less than one-year periods of service, except that volunteers serving under this part may be enrolled for periods of service of less than one year when the Director determines, on an individual basis, that a period of service of less than one year is necessary to meet a critical scarce-skill need. Volunteers serving under this part may be reenrolled for periods of service totaling not more than two years. No volunteer shall serve for more than a total of five years under this part.

(c) Volunteers under this part shall, upon enrollment, take the oath of office as prescribed in section 5(j) of the Peace Corps Act as amended (22 U.S.C. 2504(j)), except that persons legally residing within a State but who are not citizens or nationals of the United States, may serve under this part without taking or subscribing to such oath, if the Director determines that the service of such persons will further the interests of the United States. Such persons

shall take such alternative oath or affirmation as the Director shall deem appropriate.

(d) The Director shall establish a procedure, including notice and opportunity to be heard, for volunteers under this part to present and obtain resolution of grievances and to present their views in connection with the terms and conditions of their service. The Director shall promptly provide to each volunteer in service on the date of enactment of this Act, and to each such volunteer beginning service thereafter, information regarding such procedure and the terms and conditions of their service.

(42 U.S.C. 4954)

SUPPORT SERVICE

SEC. 105. (a)(1) The Director may provide a stipend to volunteers, while they are in training and during their assignments, enrolled for periods of service of not less than one year under this part, except that the Director may, on an individual basis, make an exception to provide a stipend to a volunteer enrolled under this part for an extended period of service not totaling one year. Such stipend shall not exceed \$75¹ per month during the volunteer's service, except that the Director may provide a stipend not to exceed \$75 per month in the case of persons who have served for at least one year and who, in accordance with standards established in regulations which the Director shall prescribe, have been designated volunteer leaders on the basis of experience and special skills and a demonstrated leadership among volunteers.

(2) Stipends shall be payable only upon completion of a period of service, except that under such circumstances as the Director shall determine, in accordance with regulations which the Director shall prescribe, the accrued stipend, or any part of the accrued stipend, may be paid to the volunteer, or, on behalf of the volunteer, to members of the volunteer's family or others during the period of the volunteer's service. In the event of the death of a volunteer during service, the amount of any unpaid stipend shall be paid in accordance with the provisions of section 5582 of title 5, United States Code.

(b) The Director shall also provide volunteers such living, travel (including travel to and from places of training), and leave allowances, and such housing, supplies, equipment, subsistence, clothing, health and dental care, transportation, supervision, preservice training and where appropriate in-service training, technical assistance and such other support as the Director deems necessary and appropriate to carry out the purpose and provisions of this part, and shall insure that each such volunteer has available such allowances and support as will enable the volunteer to carry out the purpose and provisions of this part and to effectively perform the work to which such volunteer is assigned.

(42 U.S.C. 4955)

¹ The authorization for a stipend increase, from \$50 to \$75 per month, was added by section 5(a) of Public Law 94-130, an Act to amend further the Peace Corps Act, and for other purposes (Nov. 14, 1975).

(42 U.S.C. 4956)

PARTICIPATION OF OLDER PERSONS

SEC. 107. In carrying out this part and part C of this title, the Director shall take necessary steps, including the development of special projects, where appropriate, to encourage the fullest participation of older persons and older persons membership groups as volunteers and participant agencies in the various programs and activities authorized under such parts and because of the high proportion of older persons within the poverty group, shall encourage the development of a variety of volunteer services to older persons, including special projects, to assure that such persons are served in proportion to their need.

(A) to accept individuals who are not low-income persons to serve as volunteers under this part; or

(B) to solicit locally generated contributions, in cash or in kind, to support such individuals.
