

# U. S. Senator Bill Nelson

## ACADEMY OPPORTUNITIES

The Class of 2017 will begin June 2013

**U. S. Air Force Academy**  
Colorado Springs, Colorado

**U. S. Military Academy**  
West Point, New York

**U. S. Merchant Marine Academy**  
Kings Point, New York

**U. S. Coast Guard Academy**  
New London, Connecticut

**U. S. Naval Academy**  
Annapolis, Maryland

The deadline for submitting an application for consideration for a nomination through Senator Nelson's office is September 7, 2012

# U. S. Senator Bill Nelson

Those individuals wishing to apply for nomination to one of the service academies must be a citizen of the United States, a resident of the State of Florida, and must never have been married. The U.S. Military Academy, Naval Academy, and Air Force Academy require that applicants must not have reached their 23rd birthday by July 1<sup>st</sup> of the year of admission. Candidates applying to the Merchant Marine Academy must be at least 17 and have not passed their 25th birthday on July 1<sup>st</sup> of the year of admission.

Due to the large number of applications Senator Nelson receives, you may interview for **only** one academy. Therefore, careful consideration should be given to your choice of an academy. Academy designation may be changed any time prior to September 7, 2012.

Each senator may have five Midshipmen or Cadets at each academy at any one time. For the 2013 admission year, Senator Nelson will be able to nominate 10 individuals for one vacancy per service academy. All applicants should be advised that acceptance of any appointment commits them to at least a five year active duty obligation to the military upon graduation.

The deadline for submission of information to the senator's office is September 7, 2012. Submissions postmarked after this date **will not** be accepted. Those individuals meeting eligibility requirements will be notified of the date, time, and place to report for a personal interview by the regional board (Fort Lauderdale, Jacksonville, Orlando, Tallahassee, Tampa). Approximately nine board members are selected by Senator Nelson for each of the four regions. Members consist of business and community leaders, service academy graduates, active and retired military personnel and academia.

The review board will conduct a personal interview with each applicant who meets all requirements. Selections are made competitively on the basis of academic performances, leadership potential, personal statement, extra curricular activities, personal interviews and letters of recommendation. Ten nominees for each vacancy will be recommended to Senator Nelson by the state board. Senator Nelson will review and submit these recommendations to each service academy. Ten alternates for each vacancy also will be recommended to the senator. Alternates are not submitted unless requested by the academy. The final ranking and subsequent appointments will be at the discretion of the academies.

Officials at the academies advise individuals desiring nominations to request an application from the academy at the same time they seek nomination through Senator Nelson. **Contact with the admissions office of the academy of your preference is imperative.** Once contact is established, the academy will create a file for the candidate and transmit general information on the academy along with detailed admission requirements, including a Prospective Candidate Questionnaire.

## PERSONAL INTERVIEW

All applicants meeting eligibility requirements and residing in Florida will be interviewed on **October 17, 2012** in either Fort Lauderdale, Jacksonville, Orlando, Tallahassee or Tampa. This **compulsory** interview will be in accordance with the guidelines set forth by the Academy Selection Board. Interviews will be conducted in person and prospective applicants should plan accordingly. **The personal interview is a mandatory element of the application process. Note: Interviews are held for one day only (October 17, 2012). Please keep the interview date open on your calendar. There are no make-up or alternate dates.** If you are a dependent of an active-duty military member, or a student who resides outside Florida, please note this on your application.

## SAT / ACT SCORES

The Scholastic Aptitude Test (SAT) and American College Testing Assessment Test (ACT) are the most important academic requirements of the academies. As a general rule, no combined score below 1600 will be considered competitive. Senator Nelson's SAT code is **0220** and ACT code is **7118**. **If they are not noted on your official academic transcript, SAT and ACT scores must be forwarded directly from the testing center to Senator Nelson's office located at 225 East Robinson Street, Suite 410, Orlando FL 32801.** Should you receive an invitation for an interview, please bring any updated test scores with you. **NOTE: Minimum SAT and ACT scores must be met by the postmarked deadline of September 7, 2012 to be eligible for an interview with Senator Nelson's nominating board.**

## Helpful Hints For Completing the Service Academy Application Process

- Read the application packet in its entirety prior to attempting to complete the application. Then follow all directions carefully. **All application materials must be submitted at the same time in one large envelope.**
- Once the Orlando office receives your application materials, processing will take approximately 7 to 14 days. Applications submitted closer to the postmark deadline may take an additional two weeks for processing. **Due to the high volume of applications, please do not call to verify receipt of your application.** Once your application has been processed, a notification letter with the status of your application will be mailed. Applications submitted within two weeks of the postmark deadline may receive notification of receipt within 4-6 weeks.
- Applications received at office locations other than the Orlando, Florida office may be delayed. The U. S. Senate's mail security policy for all Washington, D.C. offices remains in effect. This policy requires that all mail must go through an irradiation process before it can be received and opened. Consequently, mail sent directly to the Washington, D.C. office may not be received in that office for four to six weeks.
- Applications sent to other state office locations may be forwarded to the Orlando office. However, there is no guarantee the application will arrive prior to the postmark deadline. If your application is sent to a location other than the Orlando office, is forwarded and arrives in Orlando after the postmark deadline, it may be considered late and possibly will not be accepted for the current nomination cycle.
- All applicants must be legal residents of the state of Florida (example: where applicant or parents are registered to vote). For applicants whose parents are stationed overseas, the record of home must be Florida.
- If you applied for a nomination during a previous year, you will need to complete the current application and resubmit all materials.
- **Keep the interview date open on your calendar. Interviews are held on the date published in the application. There are no make-up or alternate dates.**
- **Presentation materials are not necessary when assembling your application.** All staples, binders, jackets, plastic sleeves, report covers or other materials used to assemble applications are removed and discarded prior to presenting them to board members for review.
- Please do not request any additional recommendations to be sent on your behalf to the office independent of the two required recommendations submitted with your application. They will not be considered. You are encouraged to use your two best recommendations for your application.
- Letters of recommendation should be written on your behalf by non-family members who can speak about how you possess the characteristics sought out by the review board and academies.

- Throughout the application process, review board members and academies will be looking at the following factors: character, academics, leadership, physical aptitude, medical fitness, goals and motivation. These qualities are required to meet the challenges of the academy program and, subsequently in becoming a commissioned officer.
- The Academy Checklist is an integral part of the application and must be completed and returned with the rest of your application materials.
- **Applications received without all supporting documents within the same envelope are considered incomplete.** When approaching individuals who will provide information for your application, let them know you need the information back in a signed, sealed envelope. Additionally, let them know your application must be submitted with all supporting documents.
- Official SAT or ACT test scores are accepted directly from the testing facility or as listed on high school or college transcripts. Student copies are not accepted as official test scores. Check with your school to find out whether your scores are listed on your transcript.
- If you have not taken your SAT or ACT tests prior to the following testing dates, you may not receive your scores prior to the postmark deadline of Friday, September 7, 2012.

SAT - June 2, 2012    ACT - June 9, 2012

**The writing portion of the test is required.** Applications that do not reflect scores for the writing portion of either the SAT or ACT will be considered incomplete.

- The application listed at <http://billnelson.senate.gov> is a fill-in form. This means that you may type directly into the application, print and sign it to prepare it for mailing with the rest of your supporting documents.
- **If you a Floridian currently living outside the state of Florida and qualify for an interview, you must contact the Orlando office as soon as possible to discuss the interview process.** You are encouraged to submit your application expeditiously.
- If you are attending a college or university in a Florida county that is not your home county, please make a note of this on the checklist.
- Obtaining a Congressional Nomination is an extremely competitive process. Senators may nominate applicants from any of Florida's 67 counties. Representatives nominate applicants who reside in their Congressional district. You are encouraged to submit applications with both of your Senators and Member of Congress.
- You may find your Congressional District at <http://www.house.gov>.
- Only one application may be submitted with Senator Nelson's office for one academy only.
- Contact and register with each Service Academy in which you have an interest. Applying to one academy does not mean you have applied to all four service academies. Application materials supplied to Senator Nelson's office is separate from what you will be asked to submit to the academies or other congressional offices.

- Throughout the application process, review board members and academies will be looking at the following factors: character, academics, leadership, physical aptitude, medical fitness, goals and motivation. These qualities are required to meet the challenges of the academy program and, subsequently in becoming a commissioned officer.
- Upon graduation from a Service Academy, you are obligated to serve a minimum of five years of active duty.
- All questions should be directed to Senator Nelson's Orlando office at (407) 872-7161 or (888) 671-4091 (*toll free in Florida only*).
- Applicants are encouraged to submit your application sooner rather than later. Extensions beyond the postmark deadline are not possible. Applications received after this date will not be considered for a nomination.
- A nomination through Senator Nelson's office does not guarantee the applicant will be accepted by a service academy. A Congressional Nomination is only a part of the process. Offers of Appointment decisions are solely at the discretion of the academies.
