Internships

CONGRESSMAN ED PASTOR Fourth Congressional District of Arizona

Congressman Pastor annually makes available in his Phoenix District Office internship opportunities for college enrolled students. All Internships are non-paid positions available for credit only. The internships offer the full range of experience involved in the day-to-day operation of a Congressional District Office including:

- Assisting constituents and community organizations in resolving problems with federal agencies
- Representing the Congressman in the Community
- Tracking federal legislation for constituents
- Researching issues relevant to District Four and of concern to the Congressman and his constituents

To apply, submit a completed and signed application along with a cover letter, your most current resume, and an unofficial transcript. Deadlines apply, call for semester deadline dates.
