Dear Congressman Holt,

I would like to request assistance with the following problem I am having with the U.S. Embassy/Consulate listed below. In keeping with the restrictions of the Privacy Act of 1974, I am authorizing you and/or your staff to request information on me, which would be required in your investigation of the matter, outlined below.

Mr. or Ms. (Circle One) Name: _____

Address: _____

City: _____ ZIP: _____

Home Phone: _____ Work/Cell Phone: _____

Email Address: _____

Signature: x _____

Mr. or Ms. (Circle One) Name of Applicant: _____

Applicant's Passport Number: _____

Applicant's Date of Birth: _____

Applicant's Current Address: _____

Embassy or Consulate being used: _____

Has an appointment for an interview been set? _____

If yes, what is the date and time of the interview? _____

Has an application already been denied? _____

Briefly explain your relationship to the visa applicant and his/her reason for wanting to come to the United States:

At what point in the visa application process is the applicant? (Has an application been submitted? Has an appointment for an interview been set? Has an application already been denied?):

What ties to the home country can the applicant demonstrate? (Is he/she married? Does he/she own a home or have a job? Do his/her parents and/or siblings still live there?) Please answer with as much detail as possible, as the Department of State seeks compelling evidence that each visitor does not intend to immigrate to the United States.

Thank you.
