

VOLUNTEERS ARE NEEDED

Deepwater Horizon Oil Spill

**We are recruiting volunteers
for Brevard County
coastal monitoring**

Keep Brevard is partnering with the Brevard County Emergency Management Office to monitor our county shoreline for the Deepwater Horizon oil spill. If you are one of the many citizens who love and care for our beautiful beaches we would like to recruit you to sign up and help.

We are assigning volunteers ½ mile sections of the beach to monitor on a daily basis. Volunteers will be assigned to a section/team nearest to where they live or as near as possible. Also, if you are interested in being a site captain to coordinate other volunteers for your section please let us know.
