The Architect's Office requests up to 6 weeks to return the flag to the requester. If you need the flag immediately, you may purchase a flag that has already been flown over the Capitol through either District Office. Flag purchases out of each district office is dependent on the availability of flags. A special request will need to be made for anyone requesting the purchase of 5 or more flags, and for any additional purchases where flag stocks are not sufficient to fill the request.
